Every Student Succeeds Act (ESSA)

- Consistent with the requirements outlined in the Every Student Succeeds Act (ESSA), the New York State Education Department (NYSED) has developed its online Consolidated Application to support the timely administration of ESSA-funded programs to LEAs across the state.

- The application remains streamlined to focus on the required assurances from Section 8306 of the ESSA, as well as programmatic and fiscal information that staff have determined is necessary to properly administer each program.

- The on-line platform dramatically improves NYSED’s capacity to collect and analyze district-provided data in a timely manner, and then utilize that data to provide targeted support to LEAs as part of shared continuous improvement efforts.
