Every Student Succeeds Act (ESSA)

- Consistent with the requirements outlined in the Every Student Succeeds Act (ESSA), the New York State Education Department (NYSED) has developed its online Consolidated Application to support the timely administration of ESSA-funded programs to LEAs across the state.

- The application remains streamlined to focus on the required assurances from Section 8306 of the ESSA, as well as programmatic and fiscal information that staff have determined is necessary to properly administer each program.

- The on-line platform dramatically improves NYSED’s capacity to collect and analyze district-provided data in a timely manner, and then utilize that data to provide targeted support to LEAs as part of shared continuous improvement efforts.

Program Budgets and Program Narratives

- Applicants are asked to complete an FS-10 budget form for each program area for which the LEA is applying for funds.

- Completed Budget Narratives are required for each program area, and should be directly aligned to its corresponding FS-10.

- The purpose of the Budget Narrative is to provide sufficient information to appropriately describe proposed budget expenditures.
Program Budgets and Program Narratives

- The 2019-20 allocation for each program area, as entered previously in the application, is found here and should be used to verify the appropriate amount of funds referred to in both the FS-10 and the Budget Narrative.
- This amount should *not* include any Transferability figures.

- Upload a signed and completed FS-10, and a completed Budget Narrative separately to the corresponding item.
- Signed/completed *hard copies* of FS-10s and completed Budget Narratives are *required* to be *mailed* to NYSD as part of the application process.
