Memorandum of Understanding

between

The New York City Department of Education

and

The New York State Education Department

This Memorandum of Understanding (MOU) sets forth the terms and understanding between the two parties above in order to enhance programs and services for English Language Learners.

Background

DOE is committed to working to improve educational opportunities for all English language learners (ELL), to ensure that students have access to rigorous Common Core-aligned instruction and the full range of educational opportunities within the DOE. The DOE serves approximately 160,000 students identified as ELLs who speak over 160 different languages. ELLs face the challenge of learning a second language while simultaneously acquiring content area skills and concepts. School communities serving ELLs must be supported in strengthening the specialized skill sets necessary to effectively address the academic and linguistic needs of NYC’s diverse ELL student population.

Purpose

In New York City, ELL educational services and programs are guided by New York State Education Department Commissioner’s Regulations (CR) Part 154, which provides the basic requirements and procedures for ELL education. CR Part 154, as amended by the Aspira Consent Decree, requires schools to form bilingual education programs in grades K-8 when there are 15 or more ELLs of the same language in two contiguous grades, and in grades 9-12 when there are 20 or more ELLs in any single grade. CR Part 154 also determines the number of English as a New Language (ENL, formerly known as ESL) instructional units which ELLs must receive according to their levels of English proficiency. The school system’s goal of aligning ELL programs with CR Part 154 ensures that ELLs acquire and develop English language skills while meeting the standards that are expected at their grade and age levels in core subjects.

The DOE is committed to strengthening all ELL programs, including establishing and expanding existing bilingual programs when thresholds are met, as evidenced by the increase in fiscal and personnel resources that will be utilized to support schools.
The DOE looks forward to the collaborative efforts with NYS Education Department as it accelerates the achievement for all ELLs and sets the bar high for the State and the rest of the nation. Specifically, this MOU demonstrates the ongoing commitment to enhancing and improving the following areas, which are described within this MOU.

A. Programs and services for all ELLs
B. Identification processes and placement of ELLs and parent information
C. Staffing of ELL programs
D. Accountability procedures and reporting capabilities

Duration

This MOU may be modified by mutual consent of authorized officials from the NYCDOE and the NYSED. This MOU shall become effective upon signature by the authorized officials from the above listed parties and will remain in effect until June 30, 2018. The attached plan with specific, measurable, assignable, results-oriented, and timely goals put forth by NYSED will be implemented by NYCDOE over this period of time, therefore meeting the agreement of the MOU as a testament to our mutual commitment to English Language Learners. Targets and goals have been developed to afford NYCDOE flexibility in implementation.

NYCDOE develops a plan and monitors it to ensure that:

A.1) High quality Bilingual Education programs (Transitional and Dual Language) geared towards English Language Learners (ELLs) are created in a variety of school models (e.g., themed schools) to meet the needs of all ELL language groups, and expand availability of programs, with priority given to underserved languages and school districts.
   - Goal: Increase ELL participation in Bilingual Education programs by 25% each year, such that programs are available for all eligible ELLs by 2018-2019.
   - NYCDOE will create and submit a plan to be reviewed and approved by NYSED to address item A.1, Auditor General’s Recommendation #8 and #11 contained in the ELL Parent Choice Program Compliance Audit Report dated 12/19/2012, and the above mentioned goal.

A.2) Admissions policies for new, small, and specialized schools provide for the full participation of English Language Learners.
   - Goal: Demonstrate an overall 5% incremental gain in ELL enrollment each year from 2015-2016 to 2017-2018, in each of the above named types of schools, to ensure ELL representation is comparable to the citywide percentage of ELLs.
   - NYCDOE will create and submit a plan to be reviewed and approved by NYSED to address item A.2 and the above mentioned goal.
A.3) Each high school meets designated ELL enrollment targets, based on a formula which takes into account the number of ELL students in each Community School District or geographic area, such that each school’s ELL enrollment is reflective of the number of ELLs in the community school district.

- Goal: Meet the designated enrollment such that 50% of all high schools will meet their designated ELL enrollment targets for the class entering in the 2015-2016 school year. During the 2016-2017 school year, demonstrate that 100% of high schools meet their designated ELL enrollment targets.
- NYCDOE will create and submit a plan to be reviewed and approved by NYSED to address item A.3 and the above mentioned goal.

A.4) CTE, YABC, and D79 programs provide high quality Bilingual and/or ESL instruction to all ELLs.

- Goal: Demonstrate that CTE, YABC, and D79 programs are strategically monitored by the Department of English Language Learners and Student Support (DELLSS) to ensure that 100% of programs provide ESL instruction at a minimum.

- Goal: Demonstrate that CTE, YABC, and D79 programs are strategically monitored by the Department of English Language Learners and Student Support to ensure Bilingual Education programs are provided, such that 25% of programs monitored in 2014-2015 provide Bilingual Education programs if they have the threshold number of ELL students who share a home language, 50% of monitored in 2015-2016 provide Bilingual Education programs if they have the threshold number of ELL students who share a home language, 75% monitored in 2016-2017 provide Bilingual Education programs if they have the threshold number of ELL students who share a home language, and 100% in 2017-2018 provide Bilingual Education programs if they have the threshold number of ELL students who share a home language.
- NYCDOE will create and submit a plan to be reviewed and approved by NYSED to address item A.4 and the above mentioned goal.

A.5) Procedures are in place to improve the continuity of Bilingual Education and ESL programs provided to ELLs across all school districts and grade levels.

- Goal: Reduce by 25% the number of ELLs who did not have access to program continuity in 2015-2016, 2016-2017, and 2017-2018, such that all ELLs will have access to Bilingual Education and ESL program continuity by 2018-2019.
- NYCDOE will create and submit a plan to be reviewed and approved by NYSED to address item A.5 and the above mentioned goal.

B.3) Qualified personnel adhere to the ELL identification and placement process, consistent with the regulatory timeframe that identification be completed at time of enrollment and within ten (10) school days of the student’s enrollment - regardless of the time of year. The process includes administration of the Home Language Questionnaire to the parent or person in parental relation, interview of the student and the parent conducted in English and the home language, administration of the NYSITELL to the student to determine English language proficiency, and placement of the student in an appropriate Bilingual Education and/or ESL program in which the student receives the required units of study pursuant to CR Part 154. The ELL identification and placement process includes clear and efficient protocols to address situations where students are not enrolled by the first school to which they are assigned.
