Barriers to Current Mentoring Practice

7

Think-Pair-Share

Think about some of the barriers in the District's various current mentoring programs.

Pair with your elbow partner to discuss those barriers.

Share your barriers with the whole group.

Problems / Solutions Gallery Walk

8

Find a partner who is wearing the same color as you.

Create a T-Chart to identify at least 1 solution to your assigned “Barrier.”

Take a “Gallery Walk” to view and respond to the other posters.

Diving into the Research

10

Golden Line Protocol

- ✓ Read the article “The Good Mentor: What it Takes to Be Effective”
- ✓ As you read, underline sentences or phrases that resonate with you
- ✓ In groups, share 1 of your phrases and why it resonated with you
- ✓ Each group member will have the chance to respond
- ✓ No phrase should be repeated as each member shares

Best Practices for Providing Feedback

11

Turn-n-Talk

What are some best practices you utilize for providing new teachers with high quality feedback?

Feedback is...

12

- **Timely**
- **Selective and Bite-size**
- **Based on Specific Evidence**
- **Clear about the Problem and Degree**
- **Actionable**
- **Timely**

Role-Play

13

What does
the role-play
look like?
Sound like?

Watching a Teaching Video

14

- Using your note-catcher, collect evidence of areas of strength and opportunities for growth
- Consider the role-play conversation you just viewed
- Prioritize the identified opportunities for growth
- Craft a feedback statement that you would deliver in-person, over the phone or via e-mail

Practicing how you deliver feedback

15

- With a partner deliver the feedback statement you crafted.
- The person receiving the feedback should provide feedback on whether it was actionable, clear, timely, etc.
- Make revisions to your feedback statement if necessary.
