Revised

Karen Geelan, Superintendent
Allegheny-Limestone Central School District
3131 Five Mile Road
Allegheny, New York 14706

Dear Superintendent Geelan:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia
Commissioner

NOTE:

Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

Annual Professional Performance Review - Education Law §3012-d

Task 1. School District Information - Tasks 1.1, 1.2

Page Last Modified: 03/01/2017

Task 1) Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

1.1) Assurances**Please check all of the boxes below**

- ☒ Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- ☒ Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

1.2) Submission Status

Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?

Task 2) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

*100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.***(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.****(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.****2.1) Assurances***Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).***Please check the boxes below.**

- ☒ Assure that the growth score provided by NYSED will be used, where required.
- ☒ Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- ☒ For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

2.2) Grades 4-8 ELA and Math: Assessments (Original)**STATE-PROVIDED MEASURES OF STUDENT GROWTH**

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

Using the drop-down boxes below, please select the assessment(s) that will be used for the back-up SLOs for the grade/subject listed beginning in the 2019-20 school year.

2.12) Teachers with More Than One Growth Measure (Original)

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

2.13) Assurances

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance.

Task 2. Original Student Performance - Required (Teachers) - Original Tasks 2.10 (Other Courses), 2.11-2.14

Page Last Modified: 03/01/2017

Please check the boxes below.

- ☒ Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- ☒ Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ Assure that all growth targets are approved by the superintendent or another trained administrator.
- ☒ Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- ☒ Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

2.14) Use of the Optional Subcomponent and Student Performance Category Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Annual Professional Performance Review - Education Law §3012-d**Task 2. Transition Student Performance - Required (Teachers) - Task 2 Alternate SLOs**

Page Last Modified: 03/01/2017

Task 2) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)*The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.*

For guidance on the Required subcomponent of the Student Performance category or guidance on the use of alternate SLOs during the transition period, see NYSED APPR Guidance.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Using the table below, please first select a measure and assessment(s) that will be used for the alternate SLO during the 2016-17 through 2018-19 school years, then indicate the applicable courses.

Task 4. Teacher Observation Category - Tasks 4.1-4.6

Page Last Modified: 03/01/2017

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

4.1) Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching	(No Response)

4.2) Assurances

Please check all of the boxes below.

- ☒ Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- ☒ Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year.
- ☒ Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

4.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable components will be weighted equally and averaged.

4.4) Calculating Observation Ratings**Assurances**

Please check the boxes below.

- ☒ Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- ☒ Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.
- ☒ Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.4(d)(2)(i)(b)(2) of the Rules of the Board of Regents.

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

All allowable grounds for appeal under Education Law 3012-d are permitted. These are outlined in the form below.

APPR Appeal Procedure/Form

Any eligible teacher who receives a performance rating of "ineffective" or "developing" may appeal such a rating to the Superintendent of Schools within fifteen (15) days after the receipt of a written annual evaluation reflecting such a rating. No other ratings may be appealed. An appeal is deemed commenced when this form is completed, signed by the eligible teacher and hand delivered to the Office of the Superintendent.

Complete the appropriate section or sections below articulating in detail the specific reasons for this appeal. Attach additional sheets and copies of relevant documents in support of your appeal if necessary. No additional information may be submitted once an appeal is commenced. The only grounds for an appeal are set forth below. An eligible teacher filing an appeal shall have the burden of establishing the basis for the appeal and providing the justification for a change in the rating. While you may reference more than one (1) of the grounds set forth below as supporting the appeal, you may not bring multiple appeals referencing the same annual performance review.

Ground 1: I appeal the substance of the annual professional performance review based upon a rating of Ineffective on the Student Performance Category and Highly Effective on the Observation/School Visit Category based on an anomaly, as determined locally:

Ground 2: I appeal the Allegany-Limestone Central School District's adherence to the standards and methodologies required for APPR's pursuant to Section 3012-d of the NYS Education Law based upon the following:

Ground 3: I appeal the Allegany-Limestone Central School District's adherence to the Regulations of the Commissioner of Education and/or 3 of 6 compliance with any applicable locally negotiated procedures based upon the following:

Ground 4: I appeal the Allegany-Limestone Central School District's issuance and/or implementation of the terms of the teacher or principal improvement plan under Education Law Section 3012-d and this Subpart:

Employee Information

1. Name: _____
2. Tenure Area: _____
3. Hire Date: _____
4. Current Assignment: _____

Within ten (10) calendar days of the commencement of the appeal, the Superintendent of Schools or his/her designee shall render a final and binding determination, in writing, with respect to the appeal. The decision will be based upon the appeal and any attachments, the annual evaluation, and the evaluator's response to the appeal, if any.

The determination of the Superintendent or his/her designee will be forwarded to the eligible teacher filing the appeal at the address noted below within the time frame referenced above, and will not be subject to further review either through a grievance procedure, arbitration or other forum such as court proceeding or an appeal to the Commissioner of Education.

- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**LEAD EVALUATORS**

All evaluators will be trained to be lead evaluators at Allegany-Limestone.

All evaluators and lead evaluators will be trained and certified by the Board of Education under the nine requirements prescribed in §30-3.10 of the Rules of the Board of Regents. Impartial independent observers will receive training on the three requirements prescribed in §30-3.10(c).

Training for all evaluators and lead evaluators will be conducted within the district by teacher and principal leaders or CABOCES trainers and will consist of a minimum of five school days throughout the school year. Inter-rater reliability will be maintained over time through various activities, including data analysis to detect disparities on the part of one or more evaluators, periodic comparisons of a lead evaluator's assessment with another evaluator's assessment of the same educator, and annual calibration sessions across evaluators.

Certified school administrators or superintendents of schools serving as lead evaluators will not be prohibited from conducting classroom observations or school visits as part of an APPR prior to completion of the training required by §30-3.10 provided such training is successfully completed prior to completion of the evaluation.

Evaluators and lead evaluators will be re-certified by the Board of Education annually. Evaluators and lead evaluators will annually participate in 2 hours (minimally) of professional development aligned to the ALCS APPR teacherrubrics promoting inter-rater reliability. Additionally, all impartial independent observers will also be retrained annually to maintain calibration levels consistent with district expectations.

The Board of Education will certify lead evaluators who show evidence of training according to the following (minimum training hours are shown below):

NYS Teaching Standards (elements and performance indicators) (6 hours) Evidenced-based observation techniques that are grounded in research (6 hours)

Application and use of the student growth percentile model and any other growth model approved by the Department as defined in section 30- 3.2 (4 hours)

Application and use of the State-approved teacherrubric(s) (6 hours)

Application and use of assessment tools (4 hours) Use of the Statewide Instructional Reporting System (1 hour)

Scoring methodology (3 hours)

Specific considerations in evaluating teachers of ELL and students with disabilities (4 hours)

Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9

Page Last Modified: 03/01/2017

Please check all of the boxes below.

- ☒ Assure that the district/BOCES shall compute and provide to the teacher their score and rating for the Student Performance category, if available, and for the Teacher Observation category for the teacher's Annual Professional Performance Review, in writing, no later than the last school day of the school year for which the teacher is being measured, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- ☒ Assure that the evaluation system will be used as a significant factor for employment decisions.
- ☒ Assure that teachers will receive timely and constructive feedback as part of the evaluation process.
- ☒ Assure that the following prohibited elements listed in Education Law §3012-d(6) are not being used as part of any teacher's evaluation: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of teacher effectiveness; any district or regionally-developed assessment that has not been approved by the Department; and any growth or achievement target that does not meet the minimum standards as set forth in regulations of the Commissioner. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall compute and provide teachers whose Student Performance Category measures are based, in whole or in part, on the grades 3-8 ELA/math State assessments and/or State-provided growth scores with their APPR transition scores and ratings as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall provide such teachers with their original composite rating by September 1 of the school year next following the school year for which the teacher's performance is being measured, or as soon as practicable thereafter.

6.8) Assurances: Assessments**Please check all of the boxes below.**

- ☒ Assure that, where applicable, if students in Common Core courses are taking both the 2005 Learning Standards and Common Core versions of the Regents Assessment, then the district/BOCES will use the higher of the two scores to determine whether a student has met his/her growth target.
- ☒ Assure that the amount of time devoted to traditional standardized assessments that are not specifically required by state or federal law for each classroom or program within a grade level does not exceed, in the aggregate, one percent of the minimum required annual instructional hours for the grade.
- ☒ Assure that individuals with vested interest in the outcome of their assessments are not involved, to the extent practicable, in the administration and scoring of those assessments.
- ☒ Assure that, where applicable, if your district/BOCES has indicated that more than one version of a Regents assessment for a content area will be used as the underlying evidence for an SLO, that the district/BOCES will only administer both assessments within the timeframes prescribed by the Commissioner. Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

6.9) Assurances: Data**Please check all of the boxes below.**

- ☒ Assure that SED will receive accurate teacher and student data, including enrollment and attendance data, and any other student, teacher, school, course, and teacher/student linkage data necessary to comply with regulations, in a format and timeline prescribed by the Commissioner.

- ☒ Assure scores and ratings for all teachers will be reported to NYSED for each category, as well as the overall rating, as per NYSED requirements.
- ☒ Assure that enrolled students in accordance with teacher of record policies are included and may not be excluded.
- ☒ Assure that procedures for ensuring data accuracy and integrity are being utilized.

Task 7. Original Student Performance - Required (Principals) - Original Task 7.1 (State-Provided Growth Measures)

Page Last Modified: 03/01/2017

Task 7) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

7.1) State-Provided Measures of Student Growth (Original)

For principals with at least 30% of their students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model. Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments with a State-provided growth measure, (e.g., K-5, PK-6, 6-8, 6-12, 9-12, etc.). For principals where less than 30% of their students are covered under a State-provided growth measure, such principals shall have an SLO consistent with a goal setting process determined or developed by the Commissioner that results in a student growth score; provided that for any grade-level/course that ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO. (See Guidance for more detail on principals with State-provided measures and SLOs.)

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal.

Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, PK-6, 6-8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for the back-up SLO beginning in the 2019-20 school year.

For each grade configuration indicate the following:

- Column 1: lowest grade that corresponds to the building or program
- Column 2: highest grade that corresponds to the building or program
- Column 3: assessment(s) used

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) assessment(s)
Grades K-6 Building	K	6	NYS Grade 4 ELA, NYS Grade 5 ELA, NYS Grade 6 ELA, NYS Grade 4 Math, NYS Grade 5 Math, NYS Grade 6 Math

Using the table below, please select the assessment(s) that will be used for the back-up SLOs beginning in the 2019-20 school year for each grade configuration listed. The SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

7.1) Assurances

Please check the boxes below.

- ☒ Assure that the growth score provided by NYSED will be used, where required.
- ☒ Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all principals who receive a State-provided growth score in the event that a State-provided growth score cannot be generated for that principal.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

7.2) Student Learning Objectives (Original)

For guidance on SLOs, see NYSED SLO Guidance.

SLOs must be used for principals in buildings or programs in which fewer than 30% of students take Grades 4-8 ELA, math, and/or high school courses with State or Regents assessments. SLOs will be developed using the grades/courses covering the most students in the school or program and continuing until at least 30% of students in the school or program are covered by SLOs. The district/BOCES must select the type of assessment that will be used with the SLO from the options below.

- If any grade/course in the building has a State-provided growth measure AND the principal must have SLOs because fewer than 30% of students in the building are covered, then the SLOs must begin first with the SGResults.
- Additional SLOs must then be set based on grades/subjects with State assessments for which there is no State-provided growth measure, where applicable.
- If additional SLOs are necessary, principals must begin with the grade(s)/course(s) that have the largest number of students using school-wide student results from one of the following assessment options:
- State-approved 3rdparty assessment; or
- State-approved district, regionally, or BOCES-developed course-specific assessment.

For each grade configuration indicate the following:

- **Column 1:** lowest grade that corresponds to the building or program
- **Column 2:** highest grade that corresponds to the building or program
- **Column 3:** measure used
- **Column 4:** assessment(s) used

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) measure	(4) assessment(s)
Grades K-2 Building	K	2	District- or BOCES-wide results	Common Core English, Common Core Algebra, Living Environment, Global 2, US History
Grades 11-12 Building	11	12	Principal-specific results	Common Core English, US History

Using the table below, please select the measure and assessment(s) that will be used for the SLOs for each grade configuration listed. During the 2016-17 through 2018-19 school years, SLOs that use grade 3-8 ELA/math State assessments as their underlying assessments must be excluded from the calculation of transition scores and ratings.

7.4) Principals with More Than One Growth Measure (Original)

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO Guidance.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

7.5) Assurances

Please check all of the boxes below.

- ☒ Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- ☒ Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- ☒ Assure that all growth targets are approved by the superintendent or another trained administrator.
- ☒ Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- ☒ Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

7.6) Student Performance Subcomponent Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Task 7) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)*The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.*

For guidance on the Required subcomponent of the Student Performance category or guidance on the use of alternate SLOs during the transition period, see NYSSED APPR Guidance.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

For each grade configuration indicate the following:

- **Column 1:** lowest grade that corresponds to the building or program
- **Column 2:** highest grade that corresponds to the building or program
- **Column 3:** measure used
- **Column 4:** assessment(s) used

Follow the examples below.

Grades 11-12 Building	11	12	Principal-specific results	Common Core English, US History

Using the table below, please select the assessment(s) that will be used for the alternate SLOs during the 2016-17 through 2018-19 school years for each grade configuration listed. In all other school years, the SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of principals each rubric applies to.
Multidimensional Principal Performance Rubric	(No Response)

9.2) Assurances

Please check all of the boxes below.

- ☒ Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- ☒ Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for a principal assigned to different grade level configurations or building types.
- ☒ Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

9.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Please check the boxes below.

- ☒ Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- ☒ Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second school visit(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the school visit(s) required to be performed by the Superintendent/supervisor or his/her designee. See Section 30-3.5(d)(1)(ii)(a) of the Rules of the Board of Regents.
- ☒ Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 9 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.5(d)(1)(ii)(b) of the Rules of the Board of Regents.

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

All allowable grounds for appeal under Education Law 3012-d are permitted. These are outlined in the form below.

APPR Appeal Procedure/Form

Any eligible principal who receives an overall performance rating of “ineffective” or “developing” may appeal such a rating to the Superintendent of Schools within thirty (30) days after the receipt of a written annual evaluation reflecting such a rating. No other ratings may be appealed. An appeal is deemed commenced when this form is completed, signed by the eligible principal and hand delivered to the Office of the Superintendent. An evaluation shall not be placed in a principal’s personnel file until either the expiration of a thirty (30) day period during which an appeal could be filed by the principal or the conclusion of the appeal process described herein, whichever is later.

Within seven (7) calendar days after receiving the administrator’s appeal, the Superintendent will meet with the administrator to try and resolve the evaluation issue(s) in dispute. If the evaluation issue(s) in dispute are resolved, the appeal will be considered resolved.

If the administrator and the Superintendent meet and fail to resolve the evaluation issue in dispute, appeal will be reviewed by an Appeal Panel.

The Superintendent will respond to the appeal with a written response acknowledging the appeal and directing further administrative action. This correspondence will be made within fifteen (15) calendar days of the meeting. The response will include all additional documents or written materials relevant to the point(s) of disagreement that support the district’s response. The Superintendent will see to the Appeal Panel formation during this time (see below). Any such information that is not submitted at the time the response is filed shall not be considered on behalf of the district in the deliberations related to the resolution of the appeal.

The Appeal Panel, Superintendent, and appellant will meet within ten (10) calendar days of the written response to review the appeal and either modify the principal evaluation rating or deny the appeal. The appeal hearing shall be conducted in no more than one business day unless extenuating circumstances are present and all parties agree to a second day, to be held within seven (7) days. Any extension of the timelines will be timely and expeditious in compliance with NYS Education Law 3012-d.

A written decision on the merits of the appeal shall be rendered no later than ten (10) calendar days from the close of the meeting. The appeal shall be based on a written record, comprised of the administrator’s appeal papers and any documentary evidence accompanying the appeal, as well as the school district’s response to the appeal and additional documentary evidence submitted with such papers. The decision shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the appeal.

In the event the majority of the Appeal Panel members decide that the appeal is without merit and therefore the evaluation completed by the Superintendent is accurate and should stand, the disputed issue will be considered resolved and not subject to further appeal processes. A copy of the findings of the panel’s decision and rationale will be sent to the administrator and Superintendent. In the event the majority of the Appeal Panel members’ decisions do not concur, the administrator’s appeal will be found to have merit and the evaluation composite rating will be adjusted accordingly. The Appeal Panel’s decision is final and binding, and is not subject to the grievance process.

Upon completion of the appeal at any level of the above described process, a copy of the appeal form will be attached to the evaluation (no other documentation shall be included) and placed in the administrator’s personnel file.

An Appeal Panel will consist of: 1 Seated Superintendent of a NYS public school district or BOCES District Superintendent or Assistant Superintendent, mutually agreed upon by the Appellant and Superintendent 1 Seated Allegany-Limestone CSD Principal of the Appellant’s choice 1 Seated Principal of a NYS public school district or Allegany-Limestone CSD administrator, mutually agreed upon by the Appellant and Superintendent.

Complete the appropriate section or sections below articulating in detail the specific reasons for this appeal. Attach additional sheets and copies of relevant documents in support of your appeal if necessary. No additional information may be submitted once an appeal is commenced. The district upon written request must provide any additional written documents or materials relevant to the appeal for the same. The only grounds for an appeal are set forth below. An eligible principal filing an appeal shall have the burden of establishing the basis for the appeal and providing the justification for a change in the rating. While you may reference more than one (1) of the grounds set forth below as supporting the appeal, you may not bring multiple appeals referencing the same annual professional performance review.

Ground 1: I appeal the substance of the annual professional performance review based upon the following, which shall include being rated Ineffective on the Student Performance Category but rated Highly Effective on the Observation/School Visit Category based on an anomaly, as determined locally:

Ground 2: I appeal the Allegany-Limestone Central School District’s adherence to the standards and methodologies required for APPR’s pursuant to Section 3012-d of the NYS Education Law based upon the following:

Ground 3: I appeal the Allegany-Limestone Central School District’s adherence to the Regulations of the Commissioner of Education and/or compliance with any applicable locally-negotiated procedures based upon the following:

Ground 4: I appeal the Allegany-Limestone Central School District’s issuance and/or implementation of the terms of the principal improvement plan under Education Law Section 3012-d based on the following:

LEAD EVALUATORS

All evaluators will be trained to be lead evaluators at Allegany-Limestone.
