Ms. Kathy Hagenbuch, Superintendent  
Campbell-Savona Central School District  
8455 County Route 125  
Campbell, NY 14821

Dear Superintendent Hagenbuch:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

Betty A. Rosa  
Commissioner

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance.

The Department will review the contents of each local educational agency's (LEA) Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in an LEA's plan.

The Department reserves the right to request further information from an LEA to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Each LEA is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of an LEA's plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

Any additional attachments supplied by the LEA are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the LEA, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject or disapprove this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

Task 2. TEACHERS: Required Student Performance - Information and Assurances

---

Page Last Modified: 07/29/2020

**Required Student Performance Subcomponent**

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

*100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.***Each teacher shall have a Student Learning Objective (SLO) locally determined, consistent with the goal-setting process determined by the Commissioner.****Student Learning Objectives (SLOs)**

For guidance on SLOs, see NYSED SLO Guidance.

**SLOs shall be used for the required student performance measure for all teachers. The following must be used as the evidence of student learning within the SLO.****MEASURES***SLO measures may be either individually attributed or collectively attributed.**Individually attributed measures*

An individually attributed SLO is based on the student population of a course for which the teacher directly contributes to student learning outcomes.

> Teacher and course-specific

- **Teacher and course-specific results:** scores and ratings will be based on the growth of students in the teacher's course in the current school year.

*Collectively attributed measures*

A collectively attributed SLO is based on a student population across multiple sections of the same course or across multiple courses where more than one teacher either directly or indirectly contributes to student learning outcomes. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where teachers have an opportunity to collectively impact student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> School- or program-wide

- **School- or program-wide results:** scores and ratings will be based on the growth of all students in a school or program who take the applicable assessments in the current school year.
- **School- or program-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses in the current school year.
- **School- or program-wide linked results:** scores and ratings will be based on the growth of students enrolled in the teacher's course in the current school year taking assessments in other grades/subjects.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses across buildings/programs in an LEA in the current school year.

**ASSESSMENTS***Any of the measures above may be used with one or more of the following assessment types.*

**SLO Assurances**

Please check the boxes below.

- Assure that the teacher has an SLO as determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- Assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- Assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- Assure that if a teacher's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.
- Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.

**Optional Student Performance Subcomponent**

For guidance on the Optional subcomponent of the Student Performance measure, see NYSED APPR Guidance.

*Percentage of Student Performance category to be locally determined if selected.*

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the LEA and be a locally selected measure of student growth or achievement based on State-created or -administered assessments or State-designed supplemental assessments.

Options for measures and associated assessments include:

- **Option (A)** A second SLO, provided that this SLO is different than that used in the required subcomponent;
- **Option (B)** A growth score based on a statistical growth model, where available, for either State-created or -administered assessments or State-designed supplemental assessments;
- **Option (C)** A measure of student growth, other than an SLO, based on State-created or -administered assessments or State-designed supplemental assessments;
- **Option (D)** A performance index based on State-created or -administered assessments or State-designed supplemental assessments;
- **Option (E)** An achievement benchmark on State-created or -administered assessments or State-designed supplemental assessments; or
- Any other collectively bargained measure of student growth or achievement included in the LEA's evaluation plan.

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

NO, the Optional subcomponent WILL NOT be used in the Student Performance category for any teacher.

Annual Professional Performance Review - Education Law §3012-d, amended in 2019

Task 4. TEACHERS: Observations - Rubric and Scoring

Page Last Modified: 09/22/2020

**Teacher Observation Category**

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

**Teacher Practice Rubric**

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching (2013 Instructionally Focused Edition)	(No Response)

**Rubric Assurances**

Please check all of the boxes below.

- Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the LEA, provided that LEAs may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year as indicated in the table above.
- Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

**Process for Weighting Rubric Domains/Subcomponents**

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Please describe the process for rating and scoring the selected practice rubric consistent with the Department's regulations.

Your description should provide the complete process, including the following:

- The process for designating observable components (please note: all educators of the same grade/subject must be evaluated based on the same set of observable components);
- The level at which components of the chosen rubric are rated (i.e., domain, subdomain, indicator, etc.);
- How the final score and rating for each observable component of the practice rubric is determined for each observer; and
- How the final score for the required (i.e., lead evaluator/evaluator; independent evaluator) and/or optional (peer observer, as applicable) subcomponent of the Observation category is determined based on the final score and rating for each observable component.

**Example: All subcomponents of Domains 2-4 of the Danielson rubric have been negotiated as observable. Domains 2 and 3 are weighted as 40% each, and Domain 4 is weighted as 20%. For each observation, all observed subcomponents in a domain are weighted equally and averaged to create a domain score, which is then weighted as above and averaged to reach a final score for each observation. Scores for each observation are weighted equally and averaged to reach a final score for each observation type. The district will ensure that all subcomponents designated as observable will be observed at least once across the observation cycle.**

The district, in negotiation with the Campbell-Savona Teacher's Association, has designated Domains 1-4 of the Danielson 2013 rubric as observable. For each observation, all observed subcomponents in a domain are weighted equally and averaged to create a domain score 1-4 based on evidence gathered; those scores are weighted equally and averaged to reach a final score for each observation. Scores for each observation are weighted equally and averaged to reach a final score for each observation type (supervisor/administrator and independent evaluator). All teachers are evaluated based on the same set of observable domains and each domain will be observed at least once in the observation cycle.

**Scoring Assurances**

Task 4. TEACHERS: Observations - Rubric and Scoring

Page Last Modified: 09/22/2020

**Please check each of the boxes below.**

- Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

**Teacher Observation Scoring Bands**

The overall Observation score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

	Overall Observation Category Score and Rating	
	Minimum	Maximum
<b>H</b>	3.5 to 3.75	4.0
<b>E</b>	2.5 to 2.75	3.49 to 3.74
<b>D</b>	1.5 to 1.75	2.49 to 2.74
<b>I</b>	0.00*	1.49 to 1.74

*\* In the event that an educator earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.*

**HEDI Ranges**

Using the dropdown menus below, please indicate the locally-determined rubric scoring ranges based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents for each of the rating categories.

Please select a minimum value between 3.50 and 3.75 and choose 4.00 as the maximum value for the Highly Effective range.

	Minimum Rubric Score	Maximum Rubric Score
Highly Effective:	3.50	4.00

Please select a minimum value between 2.50 and 2.75 and a maximum value between 3.49 and 3.74 for the Effective range.

	Minimum Rubric Score	Maximum Rubric Score
Effective:	2.50	3.49

Please select a minimum value between 1.50 and 1.75 and a maximum value between 2.49 and 2.74 for the Developing range.

- The frequency and duration of observations are locally determined.
- Observations may occur in person or by live or recorded video, as determined locally.

- They may be employed within the LEA, but may not be assigned to the same school building as the teacher being evaluated. This could include other administrators, department chairs, or peers (e.g., teacher leaders on career ladder pathways), so long as they are not from the same building (defined as same BEDS code) as the teacher being evaluated.
- LEAs may locally determine whether to use more than one observation by impartial independent trained evaluator(s).
- The frequency and duration of observations are locally determined.
- Observations may occur in person or by live or recorded video, as determined locally.

*\* If the LEA is granted an annual Rural/Single Building Independent Evaluator Hardship Waiver by the Department, this subcomponent will be satisfied through the use of one or more evaluators selected and trained by the LEA, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. If the LEA is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, this subcomponent will be satisfied through the processes described in that application.*

Page Last Modified: 08/02/2019

**Category and Overall Ratings**

For guidance on APPR scoring, see NYSED APPR Guidance.

**Category Scoring Ranges**

The overall Student Performance category score and the overall Observation category score will be converted into a HEDI rating based on the ranges listed in the tables below.

**Student Performance Category**

HEDI ratings must be assigned based on the point distribution below.

**Teacher Observation**

HEDI ratings must be assigned based on locally-determined ranges consistent with the constraints listed below.

Overall Student Performance Category Score and Rating			Overall Observation Category Score and Rating		
	Minimum	Maximum		Minimum	Maximum
<b>H</b>	18	20	<b>H</b>	3.5 to 3.75	4.0
<b>E</b>	15	17	<b>E</b>	2.5 to 2.75	3.49 to 3.74

<b>I</b>	0	12	<b>I</b>	0.00	1.49 to 1.74

**Scoring Matrix for the Overall Rating**

The overall rating for an educator shall be determined according to a methodology described in the matrix below.

**Additional Requirements**

For more information on the additional requirements for teachers, see NYSED APPR Guidance.

**Teacher Improvement Plan Assurances**

**Please check each of the boxes below.**

- Assure that the LEA will formulate and commence implementation of a Teacher Improvement Plan (TIP) for all teachers who receive an overall rating of Developing or Ineffective by October 1 following the school year for which such teacher's performance is being measured or as soon as practicable thereafter.
- Assure that TIP plans developed and implemented by the superintendent or his/her designee, in the exercise of their pedagogical judgment, and subject to collective bargaining to the extent required under article 14 of the Civil Service Law, shall include: identification of needed areas of improvement, a timeline for achieving improvement, the manner in which the improvement will be assessed, and, where appropriate, differentiated activities to support a teacher's improvement in those areas.

**Teacher Improvement Plan Forms**

All TIP plans developed and implemented by the superintendent or his/her designee, in the exercise of his/her pedagogical judgment, must include:

- 1) identification of needed areas of improvement;

**Appeal Assurance**

**Please check the box below.**

- Assure the LEA has collectively bargained appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.

**Appeals**

Pursuant to Education Law §3012-d, a teacher may only challenge the following in an appeal to their LEA:

(1) the substance of the annual professional performance review; which shall include the following:

(i) in the instance of a teacher rated Ineffective on the Student Performance category, but rated Highly Effective on the Observation category based on an anomaly, as determined locally;

(2) the LEA's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d;

(3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents; and

(4) the LEA's issuance and/or implementation of the terms of the teacher improvement plan, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

**Annual Professional Performance Review - Education Law §3012-d, amended in 2019**Task 6. TEACHERS: Additional Requirements - Appeals

---

Page Last Modified: 02/11/2021

**Describe the procedure for ensuring that appeals of annual performance evaluations will be resolved in a timely and expeditious manner.**

## APPEALS of INEFFECTIVE and DEVELOPING Ratings Only

Appeals of annual professional performance reviews will be limited to those that rate a teacher as Ineffective or Developing only.

## What May be Challenged in an Appeal

Appeal procedures will limit the scope of appeals under Education Law 3012-d to the following subjects:

1. the substance of the annual professional performance review; which shall include:
  - i. the instance of a teacher rated Ineffective on the student performance category but rated Highly Effective on the observation/school visit category based on an anomaly, as determined locally.
2. the school district's adherence to the standards and methodologies required for such reviews, pursuant to Education Law 3012d and Subpart 30-3 of Commissioner's regulations;
3. the adherence to the Commissioner's regulations, as applicable to such reviews and compliance with any applicable locally negotiated procedures, as required under Education Law 3012-d; and
4. the school district's issuance and/or implementation of the terms of the teacher improvement plan under Education Law 3012-d.

## Prohibition Against More Than One Appeal

A teacher may not file multiple appeals regarding the same performance review or teacher improvement plan. All grounds for appeal must be raised with specificity within one appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

## Burden of Proof

In an appeal, the teacher has the burden of demonstrating a clear legal right to the relief requested and the burden of establishing the facts upon which the petitioner seeks relief.

## Timeframe for Filing Appeal

All appeals must be submitted in writing no later than 15 calendar days of the date when the teacher receives his or her APPR or 15 days following identification of the TIP or implementation of a TIP. If a teacher is challenging the issuance of a teacher improvement plan, appeals must be filed within 15 days of issuance of such plan. The failure to file an appeal within these timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned. The timelines documented above will be used for any teacher who appeals an APPR rating. If a teacher is challenging the implementation of a teacher improvement plan, the appeal must be submitted in writing within ten days of issuance of such plan or of the time when the teacher knew or should have known of an alleged breach in the implementation of such plan.

When filing an appeal, the teacher must submit a detailed written description of the specific areas of disagreement over his or her performance review, or the issuance and/or implementation of the terms of his or her improvement plan and any additional documents or materials relevant to the appeal. The performance review and/or improvement plan being challenged must also be submitted with the appeal. Any information not submitted at the time the appeal is filed shall not be considered.

## Timeframe for District Response

Within 15 calendar days of the receipt of an appeal, the school district staff member(s) who issued the performance review or were or are responsible for either the issuance and/or implementation of the terms of the teacher's improvement plan must submit a detailed written response to the appeal. The response must include any and all additional documents or written materials specific to the point(s) of disagreement that support the school district's response and are relevant to the resolution of the appeal. Any such information that is not submitted at the time the response is filed shall not be considered in the deliberations related to the resolution of the appeal. The teacher initiating the appeal shall receive a copy of the response filed by the Campbell-Savona School District and any and all additional information submitted with the response, at the same time the CSCS District files its response.

## Decision-Maker on Appeal

**Annual Professional Performance Review - Education Law §3012-d, amended in 2019**Task 6. TEACHERS: Additional Requirements - Appeals

---

Page Last Modified: 02/11/2021

A decision shall be rendered by the superintendent of schools or the superintendent's designee except that an appeal may not be decided by the same individual who was responsible for making the final rating decision. In such a case, the Board of Education shall appoint another person to decide the appeal.

**Decision**

A written decision on the merits of the appeal shall be rendered no later than 30 calendar days from the date upon which the teacher filed his or her appeal. The appeal shall be based on a written record, comprised of the teacher's appeal papers, and any documentary evidence accompanying the appeal, as well as the CSCS District's response to the appeal and additional documentary evidence submitted with such papers. Such decision shall be final.

The decision shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the teacher's appeal. If the appeal is sustained, the reviewer may set aside a rating if it has been affected by the substantial error or defect. A copy of the decision shall be provided to the teacher and the evaluator or the person responsible for either issuing or implementing the terms of an improvement plan, if that person is different.

**Exclusivity of 3012-d appeal procedure**

The 3012-d appeal procedure shall constitute the exclusive means for initiating, reviewing and resolving any and all challenges and appeals related to the teacher performance review and/or improvement plan. A teacher may not resort to any other contractual grievance procedures for the resolution of challenges and appeals related to the professional performance review and/or improvement plan, except as otherwise authorized by law. **Annual Professional Performance Review - Education Law §3012-d, amended in 2019**Task 6. TEACHERS: Additional Requirements - Training

---

Page Last Modified: 09/10/2020

**Training Assurance****Please check the box below.**

- The LEA assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

**Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators**

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the approximate duration (how many hours, days) of such training.

**Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**

The Campbell-Savona Central School District Board of Education will ensure that all evaluators (Lead Evaluators and Independent Evaluators) will be trained and certified. Training of evaluators will cover all nine (9) elements pursuant to Subpart 30-3.10(b) of the Rules of the Board of Regents. The Campbell-Savona Central School District will provide training to all evaluators through the GST BOCES and District Developed Lead Evaluator Training program for the evaluation of teachers. This training and re-training will consist of approximately five (5) school days throughout the school year. These training sessions will address all required components prescribed per Subpart 30-3 of the Rules of the Board of Regents. The process for re-certifying evaluators will occur after evidence of completion of the required training (as set forth above) has been submitted to the Campbell-Savona Central School District Board of Education on an annual basis.

Inter-rater reliability will be maintained over time through various activities. These activities include meetings of all evaluators approximately six times per year, data analysis to detect disparities on part of one or more evaluators, periodic comparisons of one evaluator's assessment with another evaluator's assessment of the same teacher, and annual calibration sessions across evaluators.

Evaluators who are properly certified by the Department as a school administrator or superintendent of schools will not be prohibited from conducting observations and/or school visits prior to the completion of their respective training required pursuant to Subpart 30-3.10, provided their training is confirmed to have been successfully completed prior to the completion of the evaluation. Additionally, all impartial independent observers will be retrained annually to maintain calibration levels consistent with the expectations of the Campbell-Savona Central School District.

**Required Student Performance Subcomponent**

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

*100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.*

**Required Student Performance Measures**

**Student performance for principals may be measured by either a student learning objectives (SLO) or an Input Model where the principal's overall rating shall be determined based on evidence of principal practice that promotes student growth related to the Leadership Standards.**

**STUDENT LEARNING OBJECTIVES**

For guidance on SLOs, see NYSED SLO Guidance.

*SLO measures may be either individually attributed or collectively attributed.*

*Individually attributed measures*

An individually attributed SLO is based on the learning outcomes of a student population within the principal's building or program.

> Principal and building/program-specific

- **Principal and building/program-specific results:** scores and ratings will be based on the growth of students in the principal's building/program in the current school year.

*Collectively attributed measures*

A collectively attributed SLO is based on a student population across multiple buildings/programs of similar grade configuration or across multiple building/programs where the learning activities of one building/program directly contribute to student learning outcomes in another building/program. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where there is an opportunity for a collective impact on student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of principals will be based on the growth of students in the group/team of principals' buildings/programs in an LEA in the current school year.

**ASSESSMENTS**

*Any of the measures above may be used with one or more of the following assessment types.*

- **State assessment(s);** or  
Assessment(s) that are selected from the list of State-approved:
- **third party assessments;** or
- **locally-developed assessments** (district-, BOCES- or regionally-developed).

**Assurances****Please check all of the boxes below.**

- Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.
- For principals evaluated using an SLO, assure that such SLO is determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- For principals evaluated using an SLO, assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- For principals evaluated using an SLO, assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- For principals evaluated using an SLO, assure that if the principal's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- For principals evaluated using an input model, assure that all applicable principals will be evaluated using the procedures described herein and approved by the Commissioner.
- Assure that processes are in place for the superintendent to monitor SLOs and input models.
- Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

Page Last Modified: 09/22/2020

**Principal School Visit Category**

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Principals’ professional performance shall be evaluated based on a State-approved rubric using multiple sources of evidence collected and incorporated into the school visit protocol. Where appropriate, such evidence may be aligned to building or district goals; provided, however, that professional goal-setting may not be used as evidence of teacher or principal effectiveness. Such evidence shall reflect school leadership practice aligned to the Leadership Standards and selected practice rubric.

**Principal Practice Rubric**

**Select a principal practice rubric from the menu of State-approved rubrics to assess performance based on ISLLC 2008 Standards.**

Rubric Name	<b>If more than one rubric is utilized, please indicate the group(s) of principals each rubric applies to.</b>
Multidimensional Principal Performance Rubric	(No Response)

**Rubric Assurances**

**Please check all of the boxes below.**

- Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the LEA, provided that LEAs may locally determine whether to use different rubrics for a principal assigned to different programs or grade configurations as indicated in the table above.
- Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

**Process for Weighting Rubric Domains/Subcomponents**

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Task 9. PRINCIPALS: School Visits - Rubric and Scoring

Page Last Modified: 09/22/2020

Please describe the process for rating and scoring the selected practice rubric consistent with the Department’s regulations.

Your description should provide the complete process, including the following:

- The process for designating observable components (please note: all principals of the same building configuration/program must be evaluated based on the same set of observable components);
- The level at which components of the chosen rubric are rated (i.e., domain, subdomain, indicator, etc.);
- How the final score and rating for each observable component of the practice rubric is determined for each observer; and
- How the final score for the required (i.e., lead evaluator/evaluator; independent evaluator) and/or optional (peer principal, as applicable) subcomponent of the School Visit category is determined based on the final score and rating for each observable component.

**Example:** All subcomponents of Domains 1-4 of the MPPR rubric have been negotiated as observable. Domains 1, 2 and 3 are weighted as 30% each, and Domain 4 is weighted as 10%. For each school visit, all observed subcomponents in a domain are weighted equally and averaged to create a domain score, which is then weighted as above and averaged to reach a final score for each school visit. Scores for each school visit are weighted equally and averaged to reach a final score for each school visit type. The district will ensure that all subcomponents designated as observable will be observed at least once across the school visit cycle.

The District and Administrators' Unit have negotiated that all Domains of the MPPR rubric are observable and the weighting of each domain will be as follows: Domain 1; Shared Vision of Learning will be weighted 25%; Domain 2 School Culture and Instructional Program will be weighted 25%; Domain 3 Safe, Efficient and Effective Learning Environment will be weighted 25%; Domain 4 Community will be weighted 8.33%; Domain 5 Integrity, Fairness and Ethics will be weighted 8.33%; Domain 6 Political, Social, Economic, Legal and Cultural Context will be weighted 8.33%. A score for each domain is holistically determined on evidence gathered from each visit to arrive at a 1-4 score for each domain. Domains are then weighted as above to arrive at a school visit type (Supervisor/Administrator and Independent Evaluator) final score.

**Scoring Assurances**

Please check each of the boxes below.

- Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all school visits, a score of 0 will be assigned.

**Principal School Visit Scoring Bands**

The overall School Visit score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

	Overall School Visit Category Score and Rating	
	Minimum	Maximum
<b>H</b>	3.5 to 3.75	4.0
<b>E</b>	2.5 to 2.75	3.49 to 3.74
<b>D</b>	1.5 to 1.75	2.49 to 2.74
<b>I</b>	0.00*	1.49 to 1.74

\* In the event that an educator earns a score of 1 on all rated components of the practice rubric across all school visits, a score of 0 will be assigned.

## Task 11. PRINCIPALS: Additional Requirements - Training

Page Last Modified: 02/11/2021

**Training Assurance****Please check the box below.**

- The LEA assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a principal's evaluation. Note: independent evaluators and peer principals need only be trained on elements 1, 2, and 4 below.

**Training of Lead Evaluators, Evaluators, Independent Evaluators, and Peer Principals and Certification of Lead Evaluators**

The process for training evaluators, including impartial and independent evaluators and peer principals, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent evaluators and peer principals;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the approximate duration (how many hours, days) of such training.

**Describe the process for training evaluators, including impartial and independent evaluators and peer principals, and certifying and re-certifying lead evaluators.**Evaluator Training:

The Campbell-Savona Central School District Board of Education will ensure that allevaluators (including evaluators, lead evaluators and independent evaluators) will be trained and lead evaluators will be certified. Training of all evaluators will cover all nine (9) elements pursuant to Subpart 30-3.10(b) of the Rules of the Board of Regents. The Campbell-Savona Central School District will provide training to all evaluatorsthrough the GST BOCES Lead Evaluator Training program for the evaluation of Principals. This training will consist of approximately five (5) school days throughout the school year. These training sessions will address all required components prescribed per Subpart 30-3 of the Rules of the Board of Regents.

The process for re-certifying lead evaluators will occur after evidence of completion of the required annual training (as set forth above) by the lead evaluator has been submitted to the Campbell-Savona Central School District Board of Education on an annual basis. Inter-rater reliability will be maintained over time (a series of six training session held throughout the year) through various activities, including data analysis to detect disparities on part of one or more evaluators, periodic comparisons of one lead evaluator's assessment with another lead evaluator's assessment of the same teacher or principal, and annual calibration sessions across evaluators.

Lead evaluators who are properly certified by the Department as a school administrator or superintendent of schools will not be prohibited from conducting observations and/or school visits prior to the completion of their respective training required pursuant to Subpart 30-3.10, provided their training is confirmed to have been successfully completed prior to the completion of the evaluation. Additionally, all impartial independent observers will be retrained annually to maintain calibration levels consistent with the expectations of the Campbell-Savona Central School District.
