Revised

Anita Murphy, Superintendent
Capital Region BOCES
900 Watervliet-Shaker Road
Albany, NY 12205

Dear Superintendent Murphy:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia
Commissioner

NOTE:

Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

Task 1) Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

1.1) Assurances**Please check all of the boxes below**

- ☒ Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- ☒ Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

1.2) Submission Status

Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?

Task 2) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

2.1) Assurances

Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).

Please check the boxes below.

- ☒ Assure that the growth score provided by NYSED will be used, where required.
- ☒ Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- ☒ For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

2.2) Grades 4-8 ELA and Math: Assessments (Original)**STATE-PROVIDED MEASURES OF STUDENT GROWTH**

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

Using the drop-down boxes below, please select the assessment(s) that will be used for the back-up SLOs for the grade/subject listed beginning in the 2019-20 school year.

2.12) Teachers with More Than One Growth Measure (Original)

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

2.13) Assurances

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance.

Please check the boxes below.

- ☒ Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- ☒ Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ Assure that all growth targets are approved by the superintendent or another trained administrator.
- ☒ Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- ☒ Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

2.14) Use of the Optional Subcomponent and Student Performance Category Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Task 2) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)*The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.*

For guidance on the Required subcomponent of the Student Performance category or guidance on the use of alternate SLOs during the transition period, see NYSED APPR Guidance.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Using the table below, please first select a measure and assessment(s) that will be used for the alternate SLO during the 2016-17 through 2018-19 school years, then indicate the applicable courses. If all other courses listed in Original Task 2.10 are using Alternate SLOs, and such Alternate SLOs will be based on the same measures and assessments, please select "Other Courses as listed in Original Task 2.10" in the Applicable Course(s) column.

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the district/BOCES and be either:

(A) a second State-provided growth score on a State-created or administered test, provided that the State-provided growth measure is different than that used in the Required subcomponent, or

(B) a growth score based on a State-designed supplemental assessment, calculated using a State-provided or approved growth model.

3.1) Use of the Optional Subcomponent of the Student Performance Category

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used in the Student Performance category for any teacher.

4.1) Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching (2013 Instructionally Focused Edition)	(No Response)

4.2) Assurances

Please check all of the boxes below.

- ☒ Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- ☒ Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year as indicated in Task 4.1 above.
- ☒ Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

4.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable components will be weighted equally and averaged

4.4) Calculating Observation Ratings**Assurances**

Please check each of the boxes below.

- ☒ Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check each of the following boxes.

- ☒ Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.
- ☒ Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.4(d)(2)(i)(b)(2) of the Rules of the Board of Regents.

Annual Professional Performance Review - Education Law §3012-d**Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9**

Page Last Modified: 08/29/2018

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

Capital Region BOCES APPR Appeals Process

1 Only tenured teachers who receive a rating of "ineffective" and "developing" on their Annual Professional Performance Review ("APPR") may appeal their APPR through the procedure herein. Ratings of "effective" and "highly effective" may not be appealed. A teacher may file only one appeal from a single APPR. Those eligible for an appeal shall simply be referred to as "teacher" below.

2 Probationary teachers may not file appeals through the procedure herein or any other procedure but may submit a written response which shall be filed with the APPR. "APPR" and "evaluation" are used interchangeably herein. "Business days" as used herein shall be defined as those days other than weekends and declared holidays, that the BOCES' Central Administration Office is open.

3. Within five (5) business days of the receipt of a teacher's APPR, the teacher may request in writing to meet with the evaluating administrator. This meeting shall occur within three (3) business days of the teacher's request. The purpose of such meeting is for the teacher and evaluating administrator to discuss possible changes to the evaluation based upon information provided by the teacher. The evaluating administrator shall advise the teacher in writing whether there will be any change in the evaluation either at the meeting or within two (2) business days of the meeting. In the case of TIP appeals, teachers have three (3) business days from the BOCES failure to issue or implement a term of the TIP, to file an appeal.

4. A teacher has ten (10) business days from receipt of the APPR or, if applicable, five (5) business days from receipt of the evaluating administrator's response in paragraph "3" above, to submit a written appeal to the District Superintendent setting forth any and all objections to the APPR. An appeal of an APPR must be based only upon one or more of the following grounds:

- a. the substance of the annual professional performance review;
 - b. the BOCES' adherence to the standards and methodologies required for such reviews pursuant to Section 3012-d of the Education Law;
 - c. the BOCES' adherence to the regulations of the commissioner and compliance with any applicable locally negotiated procedures; and,
 - d. the BOCES' failure to issue and/or implement the terms of a Teacher Improvement Plan, where required under Education Law Section 3012-d.
- The written appeal document must clearly identify the grounds for appeal, and shall explain, in detail, why and how the APPR should be modified. Failure to articulate a particular basis for the appeal shall be deemed a waiver of that claim. The burden of establishing that the APPR should be modified shall rest with the teacher.

5 The District Superintendent, or designee, will inform the evaluating administrator and the Faculty Association President that the teacher has initiated the appeals process. The District Superintendent will provide a copy of the appeal and the evaluation to the evaluating administrator, Faculty Association President, and the Appeals Committee ("Committee", see below) within three (3) business days of receipt of the appeal from the evaluated teacher.

The evaluating administrator may, at his/her option, provide a written response to the appeal within three (3) business days of receipt of the District Superintendent's notification that an appeal has been filed. If a response is submitted, it must be submitted to the District Superintendent, appealing teacher, Faculty Association President, and to the Appeals Committee for its consideration of the appeal.

5 Appeals shall be referred for consideration to an APPR Appeals Committee ("Committee"), a standing committee made up of two tenured administrators from within the BOCES appointed by the District Superintendent, and two tenured teachers from within the BOCES appointed by the President of the Faculty Association. Members shall be appointed for a term of three years and all members shall be required to complete the training required of lead evaluators under the APPR regulations. All APPR training expenses shall be paid by the BOCES. Appointments and/or replacements to the Committee will be completed by the Faculty Association and the BOCES, no later than ten (10) school days after the start of the school year. Any Committee vacancies shall be filled under the above procedure. The Committee shall determine its own rules and operating procedures, which may be altered as the Committee may deem necessary to hear any appeal.

6 An individual teacher or administrator personally involved in an evaluation shall be ineligible to serve as a Committee member for that specific appeal. Should this occur, the appealing teacher shall have the option of:

- a. having the appeal considered by one administrator and one teacher from the Committee; or,
- b. having a substitute appointed to replace the ineligible Committee member for that specific appeal only. If necessary, a substitute administrator shall be appointed by the District Superintendent. If necessary, a substitute teacher shall be appointed by the Faculty Association President. Substitutes to the Committee shall be appointed within three (3) business days. Lead evaluator training shall not be required for any substitute(s) appointed.

7 The Committee will convene within ten (10) calendar days of receipt from the District Superintendent of the written appeal. The teacher's written appeal, APPR, and evaluating administrator's response (if any) shall comprise the record on appeal. Members of the Committee will receive the appeal record at least 48 hours in advance of the scheduled meeting.

8 All Committee deliberations will be conducted privately and remain confidential except as is required below to further process an appeal:

- a. The Committee will evaluate the merits of the appeal based on review of submitted written documentation.
- b. If the Committee comes to unanimous agreement in its decision on the appeal, a single written determination shall be prepared and issued. This determination shall be provided to the appealing teacher, evaluating administrator, Faculty Association President, and the District Superintendent within two (2) calendar days of the meeting of the Committee.

c. If the Committee does not come to unanimous agreement in its decision on the appeal, each member of the Committee (individually or jointly with

Annual Professional Performance Review - Education Law §3012-d**Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9**

Page Last Modified: 08/29/2018

another member) may submit within three (3) calendar days of the Committee's meeting a written statement describing his or her conclusions, justifications, and recommendation for disposition of the appeal. Any Committee member statements submitted shall not be disclosed to either the appealing teacher or evaluating administrator. Any Committee member statements, along with the full record of the appeal, shall be submitted to the District Superintendent who will review all statements and the record on appeal and will make the final determination. This final determination shall be in writing and shall be issued within ten (10) calendar days of the Superintendent's receipt of the full record of the appeal including written Committee member statements, if any. Copies of this final determination shall be provided to the appealing teacher, evaluating administrator, District Superintendent and Faculty Association President. This decision shall be final and there shall be no further appeal available.

d. A copy of the APPR, the teacher's appeal, and the final written determination (District Superintendent or Committee or the two educators) shall be placed in the teacher's personnel file. A complete copy of the record on appeal, including any Committee Member statements, shall be separately maintained in a file in the District Superintendent's office.

9 The determination (by either the Committee or the Superintendent) shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the teacher's appeal. If the appeal is sustained, in whole or in part, the Committee or the Superintendent may modify a rating. Such modified rating would be the rating used to determine possible disciplinary action pursuant to the expedited hearing process of Education Law Section 3020-a and 3020-b. Notwithstanding the above, a compositing shall be reported for each teacher.

10 The determination of the appeal pursuant to the above process is final and binding. It is not subject to any further appeal pursuant to the contractual grievance procedure, or to any administrative or judicial tribunal. However, the failure of either the BOCES or the Faculty Association to abide by the above agreed upon process shall be subject to the grievance procedure set forth in the parties' collective bargaining agreement.

6.5) Assurance: Evaluators**Please check the box below.**

- ☒ The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

The Capital Region BOCES will ensure that all evaluators of teachers (evaluators, lead evaluators and independent observers) are trained and certified/recertified in accordance with regulation. Specifically, the Capital Region BOCES Staff Development Team will provide all evaluators (evaluators, lead evaluators and independent observers) with a minimum of one day (6 hours) of annual training. Recertification is required annually. Annual certification and recertification will include inter-rater reliability.

6.7) Assurances: Teacher Evaluation

Please check all of the boxes below.

- ☒ Assure that the district/BOCES shall compute and provide to the teacher their score and rating for the Student Performance category, if available, and for the Teacher Observation category for the teacher's Annual Professional Performance Review, in writing, no later than the last school day of the school year for which the teacher is being measured, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- ☒ Assure that the evaluation system will be used as a significant factor for employment decisions.
- ☒ Assure that teachers will receive timely and constructive feedback as part of the evaluation process.
- ☒ Assure that the following prohibited elements listed in Education Law §3012-d(6) are not being used as part of any teacher's evaluation: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of teacher effectiveness; any district or regionally-developed assessment that has not been approved by the Department; and any growth or achievement target that does not meet the minimum standards as set forth in regulations of the Commissioner. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall compute and provide teachers whose Student Performance Category measures are based, in whole or in part, on the grades 3-8 ELA/math State assessments and/or State-provided growth scores with their APPR transition scores and ratings as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall provide such teachers with their original composite rating by September 1 of the school year next following the school year for which the teacher's performance is being measured, or as soon as practicable thereafter.

6.8) Assurances: Assessments**Please check all of the boxes below.**

- ☒ Assure that, where applicable, if students take more than one version of the Regents assessment for a particular content area, then the district/BOCES will use the higher of the two scores to determine whether a student has met his/her growth target.
- ☒ Assure that the amount of time devoted to traditional standardized assessments that are not specifically required by state or federal law for each classroom or program within a grade level does not exceed, in the aggregate, one percent of the minimum required annual instructional hours for the grade.
- ☒ Assure that individuals with vested interest in the outcome of their assessments are not involved, to the extent practicable, in the administration and scoring of those assessments.
- ☒ Assure that, where there is more than one version of a Regents assessment for a content area, that the district/BOCES will only administer both assessments within the timeframes prescribed by the Commissioner. Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

6.9) Assurances: Data**Please check all of the boxes below.**

Annual Professional Performance Review - Education Law §3012-d**Task 7. Original Student Performance - Required (Principals) - Original Task 7.1 (State-Provided Growth Measures)**

Page Last Modified: 08/29/2018

Task 7) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

7.1) State-Provided Measures of Student Growth (Original)

Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments for which there is a State growth model (e.g., K-5, K-6, 6-8, 6-12, 9-12, etc.).

For principals where less than 30% of their students are covered under a State-provided growth measure, please use Task 7.2.

For the 2015-16 through 2018-19 school years, principals of buildings or programs that include all of grades 9-12 who receive State-provided growth scores based on Regents assessments set back-up SLOs based on Regents assessments.

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal. Principals of buildings or programs that include all of grades 9-12 who receive State-provided growth scores based on Regents assessments should continue to set back-up SLOs based on Regents assessments in the 2019-20 school year and thereafter.

Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, K-6, 6-8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for back-up SLOs.

For each grade configuration indicate the following:

Column 1: lowest grade that corresponds to the building or program

Column 2: highest grade that corresponds to the building or program

Column 3: assessment(s) used

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) assessment(s)

7.1) Assurances

Please check the boxes below.

- ☒ Assure that the growth score provided by NYSED will be used, where required.
- ☒ Assure that, for principals of buildings that do not include all of grades 9-12, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator in the event that a State-provided growth score cannot be generated for that principal and that principals of buildings that include all of grades 9-12 will have back-up SLOs set by the superintendent or another trained administrator in all school years.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

7.2) Student Learning Objectives (Original)

For guidance on SLOs, see NYSED SLO Guidance.

SLOs must be used for principals in buildings or programs in which fewer than 30% of students take Grades 4-8 ELA, math, and/or high school courses with State or Regents assessments. SLOs will be developed using the following rules:

- If any grade/course in the building has a State-provided growth measure AND the principal must have SLOs because fewer than 30% of students in the building are covered, then the SLOs must begin first with the SGResults.
- Additional SLOs must then be set based on grades/subjects with State assessments for which there is no State-provided growth measure, where applicable.
- If additional SLOs are necessary, principals must begin with the grade(s)/course(s) that have the largest number of students using school- or district-wide student results from one of the following assessment options:
 - State or Regents assessments;
 - State-approved 3rdparty assessment; or
 - State-approveddistrict, regionally, or BOCES-developedcourse-specificassessment.

For each grade configuration indicate the following:

Column 1: lowest grade that corresponds to the building or program

Column 2: highest grade that corresponds to the building or program

Column 3: measure used

Column 4: assessment(s) used

Follow the examples below.

Grades 11-12 Building	11	12	Principal-specificresults	ELARegents, US HistoryRegents

Using the table below, please select the measure and assessment(s) that will be used for the SLOs for each grade configuration listed. During the 2016-17 through 2018-19 school years, SLOs that use grade 3-8 ELA/math State assessments as their underlying assessments must be excluded from the calculation of transition scores and ratings.

7.4) Principals with More Than One Growth Measure (Original)

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO Guidance.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

Please check all of the boxes below.

- ☒ Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- ☒ Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- ☒ Assure that all growth targets are approved by the superintendent or another trained administrator.
- ☒ Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- ☒ Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

7.6) Student Performance Subcomponent Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Page Last Modified: 10/10/2018

Task 7) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)*The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.*

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance and guidance on the use of alternate SLOs during the transition period.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

For each grade configuration indicate the following:

Column 1: lowest grade that corresponds to the building or program

Column 2: highest grade that corresponds to the building or program

Column 3: measure used

Column 4: assessment(s) used

Follow the examples below.

Using the table below, please select the assessment(s) that will be used for the alternate SLOs during the 2016-17 through 2018-19 school years for each grade configuration listed. In all other school years, the SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

See Section 30-3.5(d)(1)(ii)(a) of the Rules of the Board of Regents.
- ☒ Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 9 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

RATINGS THAT MAY BE APPEALED:

Appeals of annual professional performance reviews may be brought for **ineffective and developing ratings** or any rating to which compensation is connected. An appeal may only be initiated once a principal receives the overall rating.

PROHIBITION AGAINST MORE THAN ONE APPEAL

A principal may not file multiple appeals regarding the same performance review. The issuance of an improvement plan may prompt an appeal independent of the performance review. All grounds for appeal must be raised with specificity within such appeal. Any grounds not raised shall be deemed waived.

TIME FRAME FOR FILING APPEAL

All appeals shall be filed in writing. The act of mailing the appeal shall constitute filing.

An appeal of a performance review must be filed no later than fifteen (15) business days of the date when the principal receives his/her final annual professional performance review. If a principal is challenging the issuance of a principal improvement plan, the appeal must be filed within fifteen (15) business days of issuance of such plan. An appeal of the implementation of an improvement plan shall be within fifteen (15) business days of the failure of the district to implement any component of the plan.

The failure to file an appeal within these timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned. An extension of the time may be given in extenuating circumstances an appeal may be granted by the Superintendent upon written request. In no case will this extension not result in a timely and expeditious appeal process.

When filing an appeal, the principal must submit a written description of the specific areas of disagreement over his or her performance review, or the issuance and/or implementation of the terms of his or her improvement plan. Supportive evidence about the challenges may also be submitted with the appeal. Any additional documents or materials relevant to the appeal must be provided by the BOCES upon written request for same. The performance review and/or improvement plan being challenged must also be submitted with the appeal.

TIME FRAME FOR GOVERNING BODY RESPONSE

Within ten (10) business days of receipt of an appeal, the BOCES must submit a detailed written response to the appeal. The response must include all additional documents or written materials relevant to the point(s) of disagreement that support the response. Any such information that is not submitted at the time the response is filed shall not be considered on behalf of the evaluator in the deliberations related to the resolution of the appeal. The principal initiating the appeal shall receive a copy of the response filed by the BOCES, and all additional information submitted with the response, at the same time the response is filed. Additional material supporting the challenges may be submitted by the principal up to the date of the hearing.

DECISION PROCESS FOR APPEAL:

Within five (5) business days of the BOCES response, a panel of three (3) reviewers shall be chosen. The President of the PAO shall select one reviewer; the **Superintendent or their designee** shall select one reviewer, and they shall mutually agree on the third member. The parties agree that:

- a. The hearing panel shall hear appeals in a timely manner after the appeal is made, but in no event shall it be less than five (5) business days or more than fifteen (15) business days after the panel is selected unless a mutually agreed upon alternative date is established.
- b. The hearing shall be conducted in no more than one business day unless extenuating circumstances cause both parties to agree to a second day.
- c. The parties shall have the ability to be represented by either legal counsel, union representative, or appear pro se;
- d. The governing body shall have the opportunity to present its case supporting the rating or improvement plan, and then the principal may refute the presentation. These presentations may include the presentation of material, and/or affidavits in lieu of testimony.

DECISION

A written decision on the merits of the appeal shall be rendered no later than ten (10) business days from the close of the hearing. Such decision shall be a final and binding administrative decision. The decision shall set forth the reasons and factual basis for the determination on each of the specific issues raised in the appeal. The panel must either, affirm, set aside or modify a district's rating or improvement plan. A copy of the decision shall be provided to the principal and the district representative.

11.5) Assurance: Evaluators

11.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

The Capital Region BOCES will ensure that all evaluators of principals (evaluators, lead evaluators and independent observers) are trained and certified/recertified in accordance with regulation. Specifically, the Capital Region BOCES Staff Development Team will provide all evaluators (evaluators, lead evaluators and independent observers) with a minimum of one day (6 hours) of annual training. Capital Region BOCES TEACHER IMPROVEMENT PLAN

A TIP must be initiated whenever a teacher receives a rating of developing or ineffective in a year-end evaluation. Both the teacher and administrator will meet for an evaluation conference at the end of the school year where the developing or ineffective evaluation is discussed. A TIP is designed by the principal or designee in collaboration with the teacher and the President of the Capital Region BOCES Faculty Association (Faculty Association) or designee. The TIP must be in place no later than ten days after the date on which teachers are required to report prior to the opening of classes for the school year. An initial conference is held at the beginning of the school year where the TIP is discussed, signed and dated at the beginning of its implementation.

The teacher must be offered the opportunity for a peer mentor. The teacher will select the mentor, with the approval of the BOCES District Superintendent and the Faculty Association President. If the teacher cannot decide on a mentor, the BOCES District Superintendent and the Faculty Association President, or designees, will select a mentor. All dealings between the mentor and the teacher will be confidential. The mentor and the teacher will collaborate during the first quarter. During that time, the teacher will be observed by designated members of the administrative team who will concentrate on observing and evaluating goals identified in the TIP. The administrative team will meet with the teacher in a timely manner (within 5 school days) to discuss the observations. Written observation summaries will be provided (within 10 school days) and must be signed by both parties. The teacher will have the right to respond to observation summaries and responses will be attached.

After the first quarter of teacher/mentor collaboration, the administration will assess the effectiveness of the intervention and the level of improvement. Based on that assessment, the TIP may be adjusted appropriately and quarterly meetings among all parties will continue. At the end of the year (or when related test scores are available no later than the start of the new school year), if the TIP goals are met, it will terminate. The culmination of the TIP will be communicated in writing to the teacher and signed by both parties. If the teacher is again rated as developing or ineffective, a new plan will be developed by the teacher and the principal in collaboration with the Faculty Association for the next school year.

Also at the end of the school year in which a TIP was in place, the administration shall provide the teacher with a summative evaluation for the school year which includes an APPR rating of highly effective, effective, developing or ineffective. The teacher upon receiving this summative year end APPR rating shall have the appeal rights accorded under the APPR Plan.

All costs associated with the implementation of a TIP including, but not limited to, tuition, fees, books and travel, shall be borne by the BOCES in their entirety. No disciplinary action predicated upon ineffective performance shall be taken by the BOCES against a teacher until a TIP has been fully implemented and its effectiveness in improving the teacher's performance has been evaluated. No disciplinary action shall be taken by the BOCES against a teacher predicated on an ineffective rating who has met the performance expectations set by a TIP; however, nothing shall be construed to restrict or limit the BOCES's right to deny tenure, or to otherwise terminate a probationary teacher, in compliance with law and the collective bargaining agreement.

The TIP must consist of the following components:

- I. SPECIFIC AREAS FOR IMPROVEMENT:** Identify specific areas in need of improvement. Develop specific, behaviorally written goals for the teacher to accomplish during the period of the Plan.
- II. EXPECTED OUTCOMES:** Identify specific recommendations for what the teacher/principal is expected to do to improve in the identified areas. Delineate specific, realistic achievable activities for the teacher.
- III. RESOURCES:** Identify specific resources and support systems available to assist the teacher to improve performance. Examples: colleagues; coaching; role playing activities; visitations; courses; workshops; peer visits; materials; etc.
- IV. RESPONSIBILITIES:** Identify responsible administrator(s) and steps to be taken by administrator(s) and the teacher throughout the Plan. Examples: classroom observations of the teacher; supervisory conferences between the teacher and administrator(s); written reports and/or evaluations, etc.
- V. EVIDENCE OF ACHIEVEMENT:** Identify how progress will be measured and assessed. Specify next steps to be taken based upon whether the teacher is successful, partially successful or unsuccessful in efforts to improve performance.
- VI. TIMELINE:** Provide a specific timeline for implementation of the various components for the TIP for its final completion. Identify the dates for preparation of written documentation regarding the completion of the Plan.
