Jennifer Spring, Superintendent
Cohoes City School District
7 Bevan St.
Cohoes, NY 12047

Dear Superintendent Spring:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia
Commissioner

NOTE:

Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

Task 1) Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

1.1) Assurances**Please check all of the boxes below**

- Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

1.2) Submission Status**Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?**

Task 2. Original Student Performance - Required (Teachers) - Original Tasks 2.1 (Assurances), 2.2 (4-8 ELA/Math)

Page Last Modified: 03/06/2018

Task 2) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

2.1) Assurances

Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).

Please check the boxes below.

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

2.2) Grades 4-8 ELA and Math: Assessments (Original)

STATE-PROVIDED MEASURES OF STUDENT GROWTH

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

Using the drop-down boxes below, please select the assessment(s) that will be used for the back-up SLOs for the grade/subject listed beginning in the 2019-20 school year.

Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

2.13) Assurances

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance.

Please check the boxes below.

- Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

2.14) Use of the Optional Subcomponent and Student Performance Category Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Page Last Modified: 03/06/2018

Task 2) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.

For guidance on the Required subcomponent of the Student Performance category or guidance on the use of alternate SLOs during the transition period, see NYSED APPR Guidance.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Using the table below, please first select a measure and assessment(s) that will be used for the alternate SLO during the 2016-17 through 2018-19 school years, then indicate the applicable courses. If all other courses listed in Original Task 2.10 are using Alternate SLOs, and such Alternate SLOs will be based on the same measures and assessments, please select "Other Courses as listed in Original Task 2.10" in the Applicable Course(s) column.

For guidance on the Optional subcomponent of the Student Performance measure, see NYSED APPR Guidance.

*Up to 50% of Student Performance category, if selected.***Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the district/BOCES and be either:****(A) a second State-provided growth score on a State-created or administered test, provided that the State-provided growth measure is different than that used in the Required subcomponent, or****(B) a growth score based on a State-designed supplemental assessment, calculated using a State-provided or approved growth model.****3.1) Use of the Optional Subcomponent of the Student Performance Category****Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

NO, the Optional subcomponent WILL NOT be used in the Student Performance category for any teacher.

Annual Professional Performance Review - Education Law §3012-d**Task 4. Teacher Observation Category - Tasks 4.1-4.6**

Page Last Modified: 03/06/2018

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

4.1) Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching (2011 Revised Edition)	(No Response)

4.2) Assurances

Please check all of the boxes below.

- Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year as indicated in Task 4.1 above.
- Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

4.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

For announced observations, each subcategory of the 4 domains will receive a rating between 1 and 4. The average score of each observable domain will be calculated and then multiplied by a weighted percentage (Domains 1 and 4 will each be weighted by 16.7% and Domains 2 and 3 will each be weighted by 33.3%) to determine a domain score. The observable domain scores will then be added together to determine an observational score.

For unannounced observations, all observable components will be weighted equally and averaged.

4.4) Calculating Observation Ratings**Assurances**

Please check each of the boxes below.

- Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check each of the following boxes.

- Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.
- Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.4(d)(2)(i)(b)(2) of the Rules of the Board of Regents.

Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- Assure that the length of all observations for teachers will be conducted pursuant to the locally-determined durations.
- Assure that independent evaluator(s) will be trained and selected by the district/BOCES.
- Assure that peer observer(s), as applicable, will be trained and selected by the district/BOCES.

6.3) Assurance: Appeals**Please check the box below.**

- Assure the district/BOCES has collectively bargained appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.

Annual Professional Performance Review - Education Law §3012-d**Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9**

Page Last Modified: 03/06/2018

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

1. Only tenured teachers who receive a rating of “ineffective” and “developing” on their Annual Professional Performance Review (“APPR”) may appeal their APPR through the procedure herein. Ratings of “effective” and “highly effective” may not be appealed. A teacher may file only one appeal from a single APPR. Those eligible for an appeal shall simply be referred to as “teacher” below. Probationary teachers may not file appeals through the procedure herein but may submit a written response which shall be filed with the APPR. Probationary teachers do not forfeit their contractual right to the grievance procedure in regard to technical errors in regard to evaluation.
2. Within three (3) business days of the receipt of a teacher’s APPR from the building administrator, the teacher may request in writing to meet with the evaluating administrator. This meeting shall occur within five (5) business days of the teacher’s request. The purpose of such meeting is for the teacher and evaluating administrator to discuss possible changes to the evaluation based upon the information provided by the teacher. The evaluating administrator shall advise the teacher in writing whether there will be any change in the evaluation either at the meeting or within two (2) business days of the meeting.
3. A teacher has ten (10) business days from receipt of the APPR or, if applicable, five (5) business days from receipt of the evaluating administrator’s response in paragraph “2” above, to submit a written appeal to the Superintendent setting forth any and all objections to the APPR. The time frame for appeal for failure to issue a Teacher Improvement Plan (TIP) is within ten days after such date the TIP is due. The time frame for appeal for failure to implement a TIP is within ten business days of the receipt of the teacher’s APPR rating at the beginning of the following school year. The written appeal document must clearly identify the ground for appeal, and shall explain, in detail, why and how the APPR should be modified. Failure to articulate a particular basis for the appeal shall be deemed a waiver of that claim. The burden of establishing that the APPR should be modified shall rest with the teacher. An appeal of an APPR must be based only upon one or more of the following grounds:
 1. the substance of the annual professional performance review;
 2. the school district’s adherence to the standards and methodologies required for such reviews pursuant to Section 3012-d of the Education Law;
 3. the school district’s adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures; and;
 4. the school districts failure to issue and/or implement the terms of a Teacher Improvement Plan (TIP), where required under Education Law Section 3012-d.
4. The Superintendent, or his or her designee, will inform the evaluating administrator and the Association President that the teacher has initiated the appeals process. The Superintendent will provide a copy of the appeal and the evaluation to the evaluating administrator, Association President, and Appeals Committee (see below) within three (3) business days of receipt of the appeal from the evaluated teacher. The evaluating administrator may, at his/her option, provide a written response to the appeal within three (3) business days of receipt of the Superintendent’s notification that an appeal has been filed. If a response is submitted, it must be submitted to the Superintendent, appealing teacher, Association President, and to the Appeals Committee for its consideration of the appeal.
5. Appeals shall be referred for consideration to an APPR Appeal Committee (“Committee”), a standing committee made up of two from a pool of six (6) administrators (five building principals and the Assistant Superintendent for Educational Services) from within the District appointed by the Superintendent of Schools, and two from a pool of tenured teachers (three CTA officers and teachers from the APPR negotiating committee) from within the District appointed by the President of the Association. Members shall be appointed for a term of three years and all members shall be required to complete the training required of lead evaluators under the APPR regulations. All APPR training expenses shall be paid by the District. Appointments and/or replacements to the Committee will be completed by the Association and the District, no later than ten (10) school days after the start of the school year. Any Committee vacancies shall be filled under the above procedure. The Committee shall determine its own rules and operating procedures, which may be altered as the Committee may deem necessary to hear any appeal.
6. Committee members with personal involvement in an evaluation shall be ineligible to serve as a Committee member for that specific appeal.
7. The Committee will convene within ten (10) business days of receipt from the Superintendent of the written appeal. The teacher’s written, APPR, and evaluating administrator’s response (if any) shall comprise the record on appeal. Members of the Committee will receive the appeal record at least 48 hours in advance of the scheduled meeting.
8. All Committee deliberations will be conducted privately and remain confidential except as is required below to further process an appeal.
9.
 1. The Committee will evaluate the merits of the appeal based on review of submitted written documentation. All committee deliberations will be completed within a time span not to exceed ten (10) business days.
 2. If the Committee comes to consensus and is in agreement on whether the appeal should be denied or granted, a single written determination shall be provided to the appealing teachers, evaluating administrator, Association President, and the Superintendent of Schools within two (2) business days of the meeting of the Committee.
 3. If the Committee cannot reach consensus, the matter shall be referred to the Superintendent of Schools immediately following the meeting of the Committee. Each member of the Committee (individually or jointly with another member) may submit to the Superintendent within three (3) business days of the meeting of the Committee, a written statement describing his or her conclusions, justifications, and recommendation for

Annual Professional Performance Review - Education Law §3012-d**Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9**

Page Last Modified: 03/06/2018

disposition of the appeal. Any Committee Member statements submitted shall not be disclosed to either the appealing teacher or evaluating administrator. The Superintendent of Schools will review all statements and the record on appeal and will make the final determination. The Superintendent's final determination shall be in writing and shall be issued within ten (10) business days of the Superintendent's receipt of any written Committee statements referenced above. Copies of the Superintendent's determination shall be provided to the appealing teacher, evaluating administrator and Association president.

4. A copy of the APPR, the teacher's appeal, and the final written determination (Superintendent or Committee) shall be placed in the teacher's personnel file. A complete copy of the record on appeal, including any Committee Member statements, shall be separately maintained in a file in the Superintendent's Office.
5. The total time frame from initiation to completion of the appeals process shall not exceed 51 business days.
10. The determination (by either the Committee or Superintendent) shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the teacher's appeal. If the appeal is sustained in whole or in part, the Committee or the Superintendent may modify a rating in accordance with Education Law 3012-d and subpart 30-3 of the Rules of the Board of Regents. Notwithstanding the above, a composite rating shall be reported for each teacher. The determination of the appeal pursuant to the above process is final and binding. It is not subject to any further appeal pursuant to the contractual grievance procedure, or to any administrative or judicial tribunal. However, the failure of either the District or the CTA to abide by the above agreed upon process shall be subject to the grievance set forth in the parties' collective bargaining agreement.

6.5) Assurance: Evaluators**Please check the box below.**

- The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

The District will ensure that all lead evaluators and impartial and independent observers are properly trained and certified to complete an individual's professional performance review. The superintendent or designee will certify and re-certify lead evaluators upon receipt of proper documentation that the individual has fully completed training. The District will maintain records of the certification of evaluators.

Evaluator training will be conducted by appropriately qualified individuals and will occur locally and regionally. The training will include the nine required elements of Regents Rules 30-3.10.

Teachscape Focus Observer training on the Danielson framework consists of at least 18 hours of computer-based training on modules and six hours of assessments. Evaluators will also attend in-district trainings incorporating all of the required elements. The evaluators will also receive training on interpreting and analyzing locally selected measures and other data.

The District has established a process to maintain inter-rater reliability in accordance with NYSED guidance and protocols. This includes use of the Teachscape Proficiency series in which each evaluator works through a series of modules and must pass a final assessment. Ensuring inter-rater reliability will also be included in the agendas of Administrative Council meetings throughout the year.

Recertification will occur based on continued trainings through Capital Region BOCES and in-district. These trainings will review required elements as necessary but will primarily focus on sharing and applications of practice.

6.7) Assurances: Teacher Evaluation

Page Last Modified: 03/06/2018

Please check all of the boxes below.

- Assure that the district/BOCES shall compute and provide to the teacher their score and rating for the Student Performance category, if available, and for the Teacher Observation category for the teacher's Annual Professional Performance Review, in writing, no later than the last school day of the school year for which the teacher is being measured, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- Assure that the evaluation system will be used as a significant factor for employment decisions.
- Assure that teachers will receive timely and constructive feedback as part of the evaluation process.
- Assure that the following prohibited elements listed in Education Law §3012-d(6) are not being used as part of any teacher's evaluation: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of teacher effectiveness; any district or regionally-developed assessment that has not been approved by the Department; and any growth or achievement target that does not meet the minimum standards as set forth in regulations of the Commissioner. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall compute and provide teachers whose Student Performance Category measures are based, in whole or in part, on the grades 3-8 ELA/math State assessments and/or State-provided growth scores with their APPR transition scores and ratings as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall provide such teachers with their original composite rating by September 1 of the school year next following the school year for which the teacher's performance is being measured, or as soon as practicable thereafter.

6.8) Assurances: Assessments**Please check all of the boxes below.**

- Assure that, where applicable, if students take more than one version of the Regents assessment for a particular content area, then the district/BOCES will use the higher of the two scores to determine whether a student has met his/her growth target.
- Assure that the amount of time devoted to traditional standardized assessments that are not specifically required by state or federal law for each classroom or program within a grade level does not exceed, in the aggregate, one percent of the minimum required annual instructional hours for the grade.
- Assure that individuals with vested interest in the outcome of their assessments are not involved, to the extent practicable, in the administration and scoring of those assessments.
- Assure that, where there is more than one version of a Regents assessment for a content area, that the district/BOCES will only administer both assessments within the timeframes prescribed by the Commissioner. Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

6.9) Assurances: Data**Please check all of the boxes below.**

- Assure that SED will receive accurate teacher and student data, including enrollment and attendance data, and any other student, teacher, school, course, and teacher/student linkage data necessary to comply with regulations, in a format and timeline prescribed by the Commissioner.
- Assure that the district/BOCES provides an opportunity for every classroom teacher to verify the subjects and/or student rosters assigned to them.
- Assure scores and ratings for all teachers will be reported to NYSED for each category, as well as the overall rating, as per NYSED requirements.
- Assure that enrolled students in accordance with teacher of record policies are included and may not be excluded.
- Assure that procedures for ensuring data accuracy and integrity are being utilized.

Task 7. Original Student Performance - Required (Principals) - Original Task 7.1 (State-Provided Growth Measures)

Page Last Modified: 03/06/2018

Task 7) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

7.1) State-Provided Measures of Student Growth (Original)

Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments for which there is a State growth model (e.g., K-5, K-6, 6-8, 6-12, 9-12, etc.).

For principals where less than 30% of their students are covered under a State-provided growth measure, please use Task 7.2.

For the 2015-16 through 2018-19 school years, principals of buildings or programs that include all of grades 9-12 who receive State-provided growth scores based on Regents assessments set back-up SLOs based on Regents assessments.

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal. Principals of buildings or programs that include all of grades 9-12 who receive State-provided growth scores based on Regents assessments should continue to set back-up SLOs based on Regents assessments in the 2019-20 school year and thereafter.

Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, K-6, 6-8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for back-up SLOs.

For each grade configuration indicate the following:

Column 1: lowest grade that corresponds to the building or program

Column 2: highest grade that corresponds to the building or program

Column 3: assessment(s) used

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) assessment(s)
Grades K-6 Building	K	6	NYS Grade 4 ELA, NYS Grade 5 ELA, NYS Grade 6 ELA, NYS Grade 4 Math, NYS Grade 5 Math, NYS Grade 6 Math
Grades 7-12 Building	7	12	Grade 7 ELA, Grade 7 Math, Grade 8 ELA, Grade 8 Math, All applicable Regents assessments which are used to generate the principal's State-provided growth score

Using the table below, please select the assessment(s) that will be used for the back-up SLOs beginning in the 2019-20 school year for each grade configuration listed. 7.1) Assurances

Please check the boxes below.

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, for principals of buildings that do not include all of grades 9-12, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator in the event that a State-provided growth score cannot be generated for that principal and that principals of buildings that include all of grades 9-12 will have back-up SLOs set by the superintendent or another trained administrator in all school years.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

7.4) Principals with More Than One Growth Measure (Original)

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO Guidance.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

7.5) Assurances

Please check all of the boxes below.

- Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

7.6) Student Performance Subcomponent Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Task 7. Transition Student Performance - Required (Principals) - Task 7 Alternate SLOs

Page Last Modified: 03/06/2018

Task 7) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance and guidance on the use of alternate SLOs during the transition period.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

For each grade configuration indicate the following:

Column 1: lowest grade that corresponds to the building or program

Column 2: highest grade that corresponds to the building or program

Column 3: measure used

Column 4: assessment(s) used

Follow the examples below.

Grades 11-12 Building	11	12	Principal-specific results	ELA Regents, US History Regents

Using the table below, please select the assessment(s) that will be used for the alternate SLOs during the 2016-17 through 2018-19 school years for each grade configuration listed. In all other school years, the SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

- Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for a principal assigned to different grade level configurations or building types as indicated in Task 9.1 above.
- Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

9.3) Process for Weighting Rubric Domains/Subcomponents

Please check each of the boxes below.

- Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

See Section 30-3.5(d)(1)(ii)(a) of the Rules of the Board of Regents.
- Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 9 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.5(d)(1)(ii)(b) of the Rules of the Board of Regents.

Task 11. Additional Requirements (Principals) - Tasks 11.1-11.9

Page Last Modified: 03/06/2018

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.**Who May Appeal:**

Appeals are reserved for tenured Principals/Administrators. Only ratings of "developing" or "ineffective" on the annual total composite APPR may be appealed. A tenured Principal/Administrator may not file multiple appeals regarding the same performance review or PIP. All grounds for appeal must be raised within one appeal. The Principal/Administrator bears the burden of proof on an appeal.

How May an Appeal be Brought:

The appeal must be brought in writing, specifying the area(s) of concern, but limited to those matters that may be appealed as prescribed in Section 3012-d of the Education Law.

Further, a Principal/Administrator who is placed on a Principal/Administrator Improvement Plan ("PIP") shall have corresponding right to appeal concerns regarding the PIP in accordance with the requirements set forth in Section 3012-d of the Education Law.

When Appeal May be Brought:

An appeal of an APPR evaluation or the issuance of a PIP must be commenced within ten (10) business days of the presentation of the final document to the Principal/Administrator, (extended by an additional period of up to 10 business days if he or she is going to be on a placed vacation during the 15 business days as referenced above) or else the right to appeal shall be deemed waived in all regards. An appeal of an implementation of a PIP must occur within ten days of the receipt of the APPR rating the following school year. The Superintendent or the Superintendent's administrative designee shall respond to the appeal with a written answer granting the appeal and directing further administrative action.

Appeals Review:

The Superintendent will meet with the Principal/Administrator within ten (10) business days of receiving the appeal to see if the issue can be informally resolved. The Principal/Administrator may bring one other Principal/Administrator to the meeting. If the appeal cannot be resolved, it will be referred to an Advisory Review Panel consisting of 2 tenured administrators from CPA, appointed by the CPA President and 2 central office administrators, appointed by the Superintendent. An individual administrator who is personally involved in an evaluation shall be ineligible to serve as a panel member for that specific appeal. The panel will convene within ten (10) business days of receipt from the Superintendent of the written appeal. The Principal/Administrator's written appeal, APPR and evaluator's written response (if any) shall comprise the record on appeal. Members of the panel will receive the appeal record at least 48 hours in advance of the scheduled meeting.

Decision of the Appeal:

All panel deliberations will be conducted privately and remain confidential except as required below to further process the appeal:

- The panel will evaluate the merits of the appeal based on review of submitted written documentation
- If the panel comes to consensus and is in unanimous agreement on whether the appeal should be denied or granted, a single written determination shall be prepared and issued. This determination shall be provided to the appealing Principal/Administrator, Association president, and the Superintendent of Schools within two (2) business days of the meeting of the committee.
- If the panel cannot reach consensus within ten (10) business days, the matter shall be referred to the Superintendent of Schools immediately following the meeting of the panel. Each member of the panel may submit to the Superintendent within three (3) business days of the meeting of the committee a written statement describing his or her conclusions, justifications, and recommendation for disposition of the appeal. If the Superintendent was not the evaluating administrator, then s/he shall make the final determination of the appeal. If the Superintendent was the evaluating administrator, then the Superintendent of Schools will meet with the president of the Association and they will select a mutually agreed upon Superintendent from a local school district to review the appeal and the supporting documents. Said Superintendent will review all statements and the record on appeal and will make the final determination. The Superintendent's (or consulting Superintendent's) final determination shall be in writing and shall be issued within ten (10) business days after receiving the appeal documentation.

The total time frame from initiation to completion of the Appeals Review process shall not exceed 45 business days. The determination of the appeal pursuant to the above process is final and binding and is not subject to the grievance process, appeal or other review.

Other:

The District and CPA shall maintain a list of no less than three (3) mutually agreed upon consulting Superintendents to serve as appeals officers. Procedural objections to the appeal process or PIP plan shall be subject to the grievance procedure within the parties' collective bargaining agreements. Notwithstanding the aforementioned language, nothing herein shall be construed as limiting the right of the employee to challenge any evaluation including the second consecutive ineffective or developing annual composite APPR evaluation in any proceeding brought pursuant to Education Law Section 3020-a or 3020-b or an alternative disciplinary arbitration to the extent allowed by law.

Opener:

The parties agree that the Appeal process described herein shall be subject to review. To this end the parties agree to convene a committee comprised of three representatives of the Association and two representatives of the District to conduct such review. Such committee shall meet at least once each month for the remainder of the school year, unless an agreement regarding the need for any changes is achieved prior to such time. If during such review the parties agree upon changes to the appeal process, such changes shall be incorporated into this review process language. All material changes to approved APPR plans under Education Law 3012-d must be submitted to the Department and approved by the Commissioner. If the parties

Ensuring inter-rater reliability will also be included in the agendas of District level Cabinet meetings throughout the school year.
