Please review http://www.nysed.gov/college-university-evaluation/filing-complaint-about-college-or-university before completing this form.

- The Department does not intervene in matters that are or have been in litigation.

If you have a complaint about a college or university, your first course of action is to attempt to resolve the complaint directly with the administration of the institution involved. Every New York college and university is required to establish, publish, and enforce explicit policies related to redress of grievances. *The Department will not review a complaint until all grievance procedures at the institution have been followed and all avenues of appeal exhausted*. Document your attempts to resolve the complaint.

Complaints about **State University of New York** (SUNY) and **City University of New York** (CUNY) institutions that cannot be resolved at the campus level should be directed to the central administrations of those systems.

Please print or type all information. The Department will review your complaint to determine if there is a basis for Department action.
