Revised

Joseph Steimel, Superintendent
Eastport-South Manor Central School District
149 Dayton Avenue
Manorville, NY 11949

Dear Superintendent Steimel:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

Shannon L. Tahoe
Interim Commissioner

Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance.

The Department will review the contents of each local educational agency's (LEA) Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in an LEA's plan.

The Department reserves the right to request further information from an LEA to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Each LEA is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of an LEA's plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the LEA are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the LEA, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject or disapprove this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.

Each teacher shall have a Student Learning Objective (SLO) locally determined, consistent with the goal-setting process determined by the Commissioner.

Student Learning Objectives (SLOs)

For guidance on SLOs, see NYSED SLO Guidance.

SLOs shall be used for the required student performance measure for all teachers. The following must be used as the evidence of student learning within the SLO.

MEASURES

SLO measures may be either individually attributed or collectively attributed.

Individually attributed measures

An individually attributed SLO is based on the student population of a course for which the teacher directly contributes to student learning outcomes.

> Teacher and course-specific

- **Teacher and course-specific results:** scores and ratings will be based on the growth of students in the teacher's course in the current school year.

Collectively attributed measures

A collectively attributed SLO is based on a student population across multiple sections of the same course or across multiple courses where more than one teacher either directly or indirectly contributes to student learning outcomes. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where teachers have an opportunity to collectively impact student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> School- or program-wide

- **School- or program-wide results:** scores and ratings will be based on the growth of all students in a school or program who take the applicable assessments in the current school year.
- **School- or program-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses in the current school year.
- **School- or program-wide linked results:** scores and ratings will be based on the growth of students enrolled in the teacher's course in the current school year taking assessments in other grades/subjects.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses across buildings/programs in an LEA in the current school year.

ASSESSMENTS

Any of the measures above may be used with one or more of the following assessment types.

SLO Assurances**Please check the boxes below.**

- ☒ Assure that the teacher has an SLO as determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- ☒ Assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ Assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- ☒ Assure that if a teacher's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.
- ☒ Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.

Annual Professional Performance Review - Education Law & § 3012-d, amended in 2019**Task 3. TEACHERS: Optional Student Performance - Use of the Optional Subcomponent**

Page Last Modified: 02/12/2020

Optional Student Performance Subcomponent

For guidance on the Optional subcomponent of the Student Performance measure, see NYSED APPR Guidance.

Percentage of Student Performance category to be locally determined if selected.

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the LEA and be a locally selected measure of student growth or achievement based on State-created or -administered assessments or State-designed supplemental assessments.

Options for measures and associated assessments include:

- Option (A) A second SLO, provided that this SLO is different than that used in the required subcomponent;
- Option (B) A growth score based on a statistical growth model, where available, for either State-created or -administered assessments or State-designed supplemental assessments;
- Option (C) A measure of student growth, other than an SLO, based on State-created or -administered assessments or State-designed supplemental assessments;
- Option (D) A performance index based on State-created or -administered assessments or State-designed supplemental assessments;
- Option (E) An achievement benchmark on State-created or -administered assessments or State-designed supplemental assessments; or
- Any other collectively bargained measure of student growth or achievement included in the LEA's evaluation plan.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used in the Student Performance category for any teacher.

Annual Professional Performance Review - Education Law & §3012-d, amended in 2019**Task 4. TEACHERS: Observations - Rubric and Scoring**

Page Last Modified: 02/12/2020

Teacher Observation Category

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching (2013 Instructionally Focused Edition)	(No Response)

Rubric Assurances

Please check all of the boxes below.

- ☒ Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- ☒ Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the LEA, provided that LEAs may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year as indicated in the table above.
- ☒ Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., Domains 1 and 2 will be weighted 30% each and Domains 3 and 4 will be weighted 20% each).

All observable components will be weighted equally and averaged.

Scoring Assurances

Please check each of the boxes below.

- ☒ Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Teacher Observation Scoring Bands

The overall Observation score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

- 1) identification of needed areas of improvement;
- 2) a timeline for achieving improvement;
- 3) the manner in which the improvement will be assessed; and, where appropriate,
- 4) differentiated activities to support a teacher's improvement in those areas.

Appeal Assurance**Please check the box below.**

- ☒ Assure the LEA has collectively bargained appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.

Appeals

Pursuant to Education Law §3012-d, a teacher may only challenge the following in an appeal to their LEA:

(1) the substance of the annual professional performance review; which shall include the following:

(i) in the instance of a teacher rated Ineffective on the Student Performance category, but rated Highly Effective on the Observation category based on an anomaly, as determined locally;

(2) the LEA's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d;

(3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents; and

(4) the LEA's issuance and/or implementation of the terms of the teacher improvement plan, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

Page Last Modified: 05/28/2020

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious manner.

VII. Appeals of Annual Professional Performance Reviews

To the extent that a teacher wishes to issue an appeal, the following appeals procedure is established.

1. Appeals shall be limited to those evaluations of teachers which have resulted in an overall rating of Developing or Ineffective. A tenured teacher may appeal the implementation of an improvement plan if the plan was generated as the result of a Developing or Ineffective overall rating, in accordance with Section 2, e, below.
2. The scope of any appeal will be limited to the following subjects:
 - a. The substance of the individual's annual professional performance review;
 - b. The District's adherence to the standards and methodologies required for such reviews, pursuant to Education Law 3012-d;
 - c. The adherence to the Commissioner's regulations, as applicable to such reviews;
 - d. Compliance with any applicable locally negotiated procedures regarding annual professional performance reviews or improvement plans, as limited by Section 1, above; or,
 - e. The District's issuance and/or implementation of the terms of the teacher improvement plan under Education Law 3012-d in connection with a Developing or Ineffective rating.
3. A teacher may not file multiple appeals regarding the same performance review or teacher improvement plan. All grounds for appeal must be raised with specificity within one appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.
4. In an appeal, the teacher has the burden of demonstrating a right to the relief requested and the burden of establishing the facts upon which petitioner seeks relief.
5. The following timelines will be strictly adhered to. Failure of the petitioner to meet a timeline will nullify the appeal; failure of the respondent to meet a timeline will allow movement of the appeal to the next level.

Level 1 - Evaluator

- a. (Informal) Following a qualifying event, as defined in Sections 1 and 2, above, the teacher shall be encouraged and shall be entitled to schedule a follow up meeting to informally discuss with the lead evaluator any and all related issues.
- b. (Formal) Any appeal must be submitted to the lead evaluator in writing no later than five (5) school days of the date when the teacher receives his/her annual professional performance review. If a teacher is challenging the issuance or implementation of a teacher improvement plan, the appeal must be submitted in writing within five (5) school days of notification of issuance of the Teacher Improvement Plan.
- c. When filing an appeal, the teacher must submit a detailed written description of the specific grounds for the appeal as well as the performance review and/or improvement plan being challenged. Along with the appeal, all supporting documentation must be submitted, or specifically noted if pending. Any grounds for appeal or any supporting documentation/information not submitted or noted at the time the appeal is filed shall not be considered. The determination of the Level 1 appeal shall be made in 5 days from the teacher filing the appeal.

Level 2 – Panel

- a. Within five (5) school days of receipt of the Level 1 determination, if a teacher is not satisfied with such determination and if the Teachers' Association deems the appeal meritorious, the Association must submit the appeal to a bipartisan panel comprised of two (2) teacher representatives (from other elementary buildings or other secondary areas) and two (2) administration representatives (from other buildings, Subject areas, or Central Office). The panel members for each appeal will be picked by the APPR Committee. If in the case the Association does not deem the appeal meritorious, then the teacher has the right to proceed to Level 3 on their own behalf within 5 school days of receipt of the Level 1 determination.
- b. Within ten (10) school days of receipt of the Association's appeal, the panel will be provided the entire appeals record, will jointly conduct a paper review, deliberate the matter, and issue a written recommendation for resolution to the Teachers' Association President and the Superintendent of Schools or designee. The recommendation may be to deny the appeal, to sustain the appeal and grant the remedy sought, or to sustain the appeal and modify the remedy; further, reasoning for the recommendation, as well as dissenting opinions, if any, will be included with the recommendation. This panel's decision will be final and binding for all appeals on developing ratings. Appeals of ineffective ratings and split decisions on an appeal of a developing rating will proceed to level 3 below. Members of the Appeals Panel and their individual positions regarding a Panel decision are to be kept confidential.

Level 3 – Superintendent

- a. Within five (5) school days of receipt of the Level 2 recommendation for resolution, or the receipt of the teacher acting on his/her own behalf, the Superintendent of Schools will give due consideration to the panel's recommendation and will issue a final and binding decision, in writing, to the

Annual Professional Performance Review - Education Law & 3012-d, amended in 2019**Task 6. TEACHERS: Additional Requirements - Appeals**

Page Last Modified: 05/28/2020

appellant, to the Teachers' Association, and to the panel members. Whether the appeal is denied, sustained, or modified, such decision will set forth the reasons and factual basis for each determination on each of the specific grounds raised in the appeal. If the appeal is sustained, the Superintendent or designee may set aside or modify a rating or improvement plan.

6. The entire appeals record will be part of the teacher's APPR.

Non-tenured teachers shall not be permitted to appeal any aspect of their annual evaluation, or the school district's issuance and/or implementation of the terms of a teacher improvement plan. Probationary teachers who are rated ineffective, effective, highly effective or developing may elect to submit a written response to their overall rating, which response shall be appended to the APPR evaluation and filed in the teacher's personnel file. Such response shall be filed within ten (10) business days, occurring during the school year including summer recess, of the teacher's receipt of the APPR evaluation.

7. The determination of the Superintendent of Schools or his/her designee shall not be grievable, arbitrable, nor reviewable in any other form. In no way does the Appeal Process replace or revoke the employee's right or District's ability to proceed to a probable cause finding under section 3020-a and/or 3020-b of Education Law.

The **3012-d appeal procedure** shall constitute the exclusive means for initiating, reviewing and resolving any and all challenges and appeals related to a teacher/principal performance review and/or improvement plan. A teacher/principal may not resort to any other contractual grievance procedures for the resolution of challenges and appeals related to a professional performance review and/or improvement plan, except as otherwise authorized by law.

Nothing in this section shall be construed to alter or diminish the authority of the school district to grant or deny tenure to or terminate probationary teachers during the pendency of an appeal pursuant to this section for statutorily and constitutionally permissible reasons including the teacher's performance that is the subject of the appeal or the obligation of the teacher to proceed in accordance with otherwise standard practice.

Training Assurance**Please check the box below.**

- ☒ The LEA assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the approximate duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**Evaluator Training**

Eastport-South Manor CSD will ensure that all lead evaluators/evaluators and any applicable independent evaluators, are properly trained and certified and re-certified annually to complete an individual's performance review. Initial evaluator training is conducted by certified BOCES personnel who certify all evaluators. The initial evaluators attend a two full-day training (Totaling 12 hours). The re-certification training is provided by the Assistant Superintendent for Personnel who receives one full day, 6 hours annual recertification training at Eastern Suffolk BOCES. The Assistant Superintendent for Personnel attends the BOCES training, is certified by BOCES and then turn-keys the recertification training each school year with all district evaluators, who are then certified by the Assistant Superintendent for Personnel. The district will also provide 4 hours of professional development on teacher evaluation for all evaluators. This may be accomplished through half-day and/or full day workshops through Eastern Suffolk BOCES and/or as during the course of in-district monthly administrative and/or instructional leadership team meetings. The training includes the following Requirements for Lead Evaluators:

- (1) The New York State Teaching Standards, and their related elements and performance indicators
- (2) Evidence-based observation techniques that are grounded in research
- (3) Application and use of any methodology as part of an SLO and any optional second measures of student performance used by the LEA to evaluate its teachers
- (4) Application and use of the State-approved teacher rubric(s) selected by the LEA for use in evaluations, including training on the effective application of such rubrics to observe a teacher's practice
- (5) Application and use of any assessment tools that the LEA utilizes to evaluate its classroom teachers
- (6) Application and use of any locally selected measures of student growth used in the Optional subcomponent of the Student Performance category used by the LEA to evaluate its teachers
- (7) Use of the Statewide Instructional Reporting System
- (8) The scoring methodology utilized by the Department and/or the LEA to evaluate a teacher under this Subpart, including the weightings of each subcomponent within a category; how overall scores/ratings are generated for each subcomponent and category and application and use of the evaluation matrix(es) prescribed by the Commissioner for the four designated rating categories used for the teacher's overall rating and their category ratings
- (9) Specific considerations in evaluating teachers of English language learners and students with disabilities

This district will continue to use the Danielson model. To ensure rater reliability, administrators will be required to observe numerous clips of teachers delivering instruction and rate them using the rubric. Observations will be critiqued and supporting evidence fine-tuned until 90% of the administrators are grading in unison. Any of our administrators who have participated in the various mandatory training afforded by BOCES will turn-key the information to other administrators.

Any administrator or supervisor who evaluates teachers for the purpose of determining an APPR rating shall be employed by Eastport-South Manor

CSD as a Building Level or Central Office administrator. Additionally, evaluators must be fully trained and/or certified or enrolled in training to be completed as required by Education Law § 3012-d and the implementing Regulations of the Commissioner of Education prior to completion of a teacher evaluation.

Before the commencement of Observations and/or Evaluation each School Year, the Association will request a list and be furnished with all administrators and supervisors who have been trained including the date and amount of time each have received training and/or retraining. This list should be amended when new administrators are appointed to positions during the course of the school year.

Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.

Required Student Performance Measures

Student performance for principals may be measured by either a student learning objectives (SLO) or an Input Model where the principal's overall rating shall be determined based on evidence of principal practice that promotes student growth related to the Leadership Standards.

STUDENT LEARNING OBJECTIVES

For guidance on SLOs, see NYSED SLO Guidance.

SLO measures may be either individually attributed or collectively attributed.

Individually attributed measures

An individually attributed SLO is based on the learning outcomes of a student population within the principal's building or program.

> Principal and building/program-specific

- **Principal and building/program-specific results:** scores and ratings will be based on the growth of students in the principal's building/program in the current school year.

Collectively attributed measures

A collectively attributed SLO is based on a student population across multiple buildings/programs of similar grade configuration or across multiple building/programs where the learning activities of one building/program indirectly contribute to student learning outcomes in another building/program. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where there is an opportunity for a collective impact on student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of principals will be based on the growth of students in the group/team of principals' buildings/programs in an LEA in the current school year.

ASSESSMENTS

Any of the measures above may be used with one or more of the following assessment types.

- **State assessment(s);** or
Assessment(s) that are selected from the list of State-approved:
- **third party assessments;** or
- **locally-developed assessments** (district-, BOCES- or regionally-developed).

INPUT MODEL

Selection of the Input Model will require:

Annual Professional Performance Review - Education Law & § 3012-d, amended in 2019**Task 7. PRINCIPALS: Required Student Performance - Information and Assurances**

Page Last Modified: 02/14/2020

- a description of the areas of principal practice that will be evaluated;
- a description of how the selected areas of principal practice promote student growth;
- a description of the evidence of student growth and principal practice that will be collected; and
- a description of how the district will use the evidence to differentiate effectiveness resulting in a score from 0 to 20 and ratings of Highly Effective, Effective, Developing, or Ineffective.

Assurances**Please check all of the boxes below.**

- ☒ Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.
- ☒ For principals evaluated using an SLO, assure that such SLO is determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- ☒ For principals evaluated using an SLO, assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ For principals evaluated using an SLO, assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- ☒ For principals evaluated using an SLO, assure that if the principal's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- ☒ For principals evaluated using an input model, assure that all applicable principals will be evaluated using the procedures described herein and approved by the Commissioner.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs and input models.
- ☒ Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

Principal School Visit Category

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Principals' professional performance shall be evaluated based on a State-approved rubric using multiple sources of evidence collected and incorporated into the school visit protocol. Where appropriate, such evidence may be aligned to building or district goals; provided, however, that professional goal-setting may not be used as evidence of teacher or principal effectiveness. Such evidence shall reflect school leadership practice aligned to the Leadership Standards and selected practice rubric.

Principal Practice Rubric

Select a principal practice rubric from the menu of State-approved rubrics to assess performance based on ISLLC 2008 Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of principals each rubric applies to.
Marshall's Principal Evaluation Rubric	(No Response)

Rubric Assurances

Please check all of the boxes below.

- ☒ Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- ☒ Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the LEA, provided that LEAs may locally determine whether to use different rubrics for a principal assigned to different programs or grade configurations as indicated in the table above.
- ☒ Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., Domains 2 and 3 will be weighted 30% each and Domains 1, 4, 5 and 6 will be weighted 10% each).

All observable components will be weighted equally and averaged.

Scoring Assurances

Please check each of the boxes below.

- ☒ Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all school visits, a score of 0 will be assigned.

Principal School Visit Scoring Bands

The overall School Visit score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

Appeal Assurance**Please check the box below.**

- ☒ Assure the LEA has collectively bargained appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.

Appeals

Pursuant to Education Law §3012-d, a principal may only challenge the following in an appeal to their LEA:

(1) the substance of the annual professional performance review; which shall include the following:

(i) in the instance of a principal rated Ineffective on the student performance category, but rated Highly Effective on the school visit category based on an anomaly, as determined locally;

(2) the LEA's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d;

(3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents; and

Annual Professional Performance Review - Education Law §3012-d, amended in 2019**Task 11. PRINCIPALS: Additional Requirements - Appeals**

Page Last Modified: 05/28/2020

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious manner.

This provision shall only apply to the title of principal.

CHALLENGES IN AN APPEAL:

Appeals are limited to those identified by Education Law §3012-d, as follows:

- (1) The substance of the annual professional performance review;
- (2) The school district's or board of cooperative educational services' adherence to the standards and methodologies required for such reviews;
- (3) The adherence to Commissioner's Regulations, as applicable to such reviews;
- (4) Compliance with any applicable locally negotiated procedures applicable to annual professional performance reviews or improvement plans; and
- (5) The school district's or board of cooperative educational services' issuance and/or implementation of the terms of the principal improvement plan.

RATINGS THAT MAY BE APPEALED:

Appeals of annual professional performance reviews may be brought for ineffective, developing or any rating tied to compensation. An appeal may only be initiated once a principal receives the overall rating.

PROHIBITION AGAINST MORE THAN ONE APPEAL

A principal may not file multiple appeals regarding the same performance review. The issuance of an improvement plan may prompt an appeal independent of the performance review. The implementation of an improvement plan may be appealed upon each alleged breach thereof. All grounds for appeal must be raised with specificity within such appeal. Any grounds not raised shall be deemed waived.

BURDEN OF PROOF

The burden shall be on the district to establish by the preponderance of the evidence that the rating given to the appellant was justified or that an improvement plan was appropriately issued and/or implemented.

TIME FRAME FOR FILING APPEAL

All appeals shall be filed in writing. The act of mailing the appeal shall constitute filing.

An appeal of a performance review must be filed no later than fifteen (15) business days of the date when the principal receives their final and complete annual professional performance review. If a principal is challenging the issuance of a principal improvement plan, appeals must be filed with fifteen (15) business

days of issuance of such plan. An appeal of the implementation of an improvement plan shall be within fifteen (15) business days of the failure of the district to implement any component of the plan.

The failure to file an appeal within these timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned. An extension of the time in which to appeal may be granted by the superintendent upon written request.

When filing an appeal, the principal must submit a written description of the specific areas of disagreement over his or her performance review, or the issuance and/or implementation of the terms of his or her improvement plan. Supportive evidence about the challenges may also be submitted with the appeal. Any additional documents or materials relevant to the appeal must be provided by the district upon written request for same. The performance review and/or improvement plan being challenged must also be submitted with the appeal.

TIMEFRAME FOR DISTRICT RESPONSE

Within ten (10) business days of receipt of an appeal, the district must submit a detailed written response to the appeal. The response must include all additional documents or written materials relevant to the point(s) of disagreement that support the district's response. Any such information that is not submitted at the time the response is filed shall not be considered on behalf of the district in the deliberations related to the resolution of the appeal.

The principal initiating the appeal shall receive a copy of the response filed by the school district, and all additional information submitted with the response, at the same time the school district files its response. Additional material supporting the challenges may be submitted by the principal up to the date of the hearing.

DECISION PROCESS FOR APPEAL

Within five (5) business days of the district's response, a single individual hearing officer shall be chosen from the list of hearing officers approved mutually by the district and bargaining unit representing the principals.

The parties agree that:

- a. The hearing officer shall hear appeals in a timely manner after the appeal is made, but in no event shall it be less than five (5) business days or more than fifteen (15) business days after the hearing officer is selected.
- b. The hearing shall be conducted in no more than one (1) business day unless extenuating circumstances are present and the hearing officer agrees to a second day.
- c. The parties shall have the ability to be represented by either legal counsel, union representative, or appear pro se.
- d. The parties shall exchange an anticipated witness list no less than two (2) business days before the scheduled hearing date.
- e. The principal shall have the prerogative to determine whether the appeal shall be open to the public or not.
- f. The district shall have the opportunity to present its case supporting the rating or improvement plan and then the principal may refute the presentation. These may include the presentation of material, witnesses and/or affidavits in lieu of testimony.

Annual Professional Performance Review - Education Law §3012-d, amended in 2019**Task 11. PRINCIPALS: Additional Requirements - Appeals**

Page Last Modified: 05/28/2020

DECISION

A written decision on the merits of the appeal shall be rendered no later than ten (10) business days from the close of the hearing. Such decision shall be a final administrative decision.

The decision shall set forth the reasons and factual basis for the determination on each of the specific issues raised in the appeal. The reviewer must either, affirm, set aside or modify a district's rating or improvement plan. A copy of the decision shall be provided to the principal and the district representative.

EXCLUSIVITY OF SECTION 3012-DAPPEAL PROCEDURE

This appeal procedure shall constitute the means for initiating, reviewing and resolving challenges to a principal performance review or improvement plan. A principal may not resort to any other contractual grievance procedures for the resolution of challenges and appeals related to a professional performance review and/or improvement plan.

OTHER

1. The district and bargaining unit for the principal shall maintain a list of no less than three (3) mutually agreed upon hearing officers.
2. Appeals shall be assigned to hearing officers on a rotational basis, alphabetically by last name.
3. The district and unit agree that hearing officers shall be paid no more than \$5,000 for the hearing date, analysis of documents, and production of the decision. This cost shall be the responsibility of the district.
4. In addition to any further limitations agreed to within the APPR agreement, an evaluation shall not be placed in a principal's personnel file until either the expiration of the fifteen (15) business day period in which to file a notice of appeal without action being taken by the principal or the conclusion of the appeal process described herein, whichever is later.
5. A principal who takes advantage of the appeals process described herein does not waive his/her right to submit a written rebuttal to the final evaluation. A principal who elects to submit a written rebuttal to his/her evaluation prior to the expiration of the fifteen (15) business days in which to file a notice of appeal does not waive her/his right to file an appeal.

Annual Professional Performance Review - Education Law & §3012-d, amended in 2019**Task 11. PRINCIPALS: Additional Requirements - Training**

Page Last Modified: 05/28/2020

Training Assurance**Please check the box below.**

- ☒ The LEA assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a principal's evaluation. Note: independent evaluators and peer principals need only be trained on elements 1, 2, and 4 below.

Training of Lead Evaluators, Evaluators, Independent Evaluators, and Peer Principals and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent evaluators and peer principals, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent evaluators and peer principals;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the approximate duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent evaluators and peer principals, and certifying and re-certifying lead evaluators.

The District will ensure that all lead evaluators/evaluators, including impartial and independent observers, are properly trained and certified and re-certified annually, as necessary, to complete an individual's performance review.

Annually, evaluator training is conducted through ESBOCES which initially certifies all evaluators. The training is a 2 day, total of 12 hour training that all new evaluators must attend. Training for all evaluators has been and will continue to be conducted in accordance with the certification requirements as per the Commissioner's regulations. The Assistant Superintendent for Personnel will annually attend 1 full day, 6 hour training of recertification training at Eastern Suffolk BOCES centering on principal evaluation. The Assistant Superintendent for Personnel will re-certify all evaluators in the district with a 3 hour turn-key training based on the lead trainer ESBOCES training. The Assistant Superintendent for Personnel after being re-certified through BOCES in the evaluator training, will then re-certify all other evaluators. In order to address a process for ensuring inter-rater reliability, the Assistant Superintendent of Personnel and the Superintendent provide ongoing training during administrator meetings that address what to look for during school visits, how to score and how to address these areas that are related to our district goals.

The training has and will include the following:

- (1) The Leadership Standards and their related functions, as applicable
- (2) Evidence-based observation techniques that are grounded in research
- (3) Application and use of any methodology as part of an SLO and any optional second measures of student performance used by the LEA to evaluate its principals
- (4) Application and use of the State-approved principal rubric(s) selected by the LEA for use in evaluations, including training on the effective application of such rubrics to observe a principal's practice
- (5) Application and use of any assessment tools that the LEA utilizes to evaluate its building principals
- (6) Application and use of any locally selected measures of student growth used in the Optional subcomponent of the Student Performance category used by the LEA to evaluate its principals
- (7) Use of the Statewide Instructional Reporting System
- (8) The scoring methodology utilized by the Department and/or the LEA to evaluate a principal under this Subpart, including the weightings of each subcomponent within a category; how overall scores/ratings are generated for each subcomponent and category and application and use of the evaluation matrix(es) prescribed by the Commissioner for the four designated rating categories used for the principal's overall rating and their category ratings
- (9) Specific considerations in evaluating principals of English language learners and students with disabilities

Professional Performance: Criteria in Need of Improvement (Please check all that apply.)

☐ Domain 1: Planning and Preparation ☐ Effective teachers plan and prepare for lessons using their extensive knowledge of the content area, the relationships among different strands within the content and between the subject and other disciplines, and their students' prior understanding of the subject. ☐ Instructional outcomes are clear, represent important learning in the subject, and are aligned to the curriculum. ☐ The instructional design includes learning activities that are well sequenced and require all students to think, problem solve, inquire, and defend conjectures and opinions. ☐ Effective teachers design formative assessments to monitor learning, and they provide the information needed to differentiate instruction. ☐ Measures of student learning align with the curriculum, enabling students to demonstrate their understanding in more than one way.	☐ Domain 2: The Classroom Environment ☐ Effective teachers organize their classrooms so that all students can learn. ☐ They maximize instructional time and foster respectful interactions with and among students, ensuring that students find the classroom a safe place to take intellectual risks. ☐ Students themselves make a substantive contribution to the effective functioning of the class by assisting with classroom procedures, ensuring effective use of physical space, and supporting the learning of classmates. ☐ Students and teachers work in ways that demonstrate their belief that hard work will result in higher levels of learning. ☐ Student behavior is consistently appropriate, and the teacher's handling of infractions is subtle, preventive, and respectful of students' dignity.
☐ Domain 3: Instruction ☐ In the classrooms of accomplished teachers, all students are highly engaged in learning. ☐ They make significant contributions to the success of the class through participation in high-level discussions and active involvement in their learning and the learning of others. ☐ Teacher explanations are clear and invite student intellectual engagement. The teacher's feedback is specific to learning goals and rubrics and offers concrete suggestions for improvement. ☐ As a result, students understand their progress in learning the content and can explain the learning goals and what they need to do in order to improve. ☐ Effective teachers recognize their responsibility for student learning and make adjustments, as needed, to ensure student success.	☐ Domain 4 : Professional Responsibilities ☐ Accomplished teachers have high ethical standards and a deep sense of professionalism, focused on improving their own teaching and supporting the ongoing learning of colleagues. ☐ Their record-keeping systems are efficient and effective, and they communicate with families clearly, frequently, and with cultural sensitivity. ☐ Accomplished teachers assume leadership roles in both school and LEA projects, and they engage in a wide range of professional development activities to strengthen their practice. ☐ Reflection on their own teaching results in ideas for improvement that are shared across professional learning communities and contribute to improving the practice of all.
