

NEW YORK STATE BOARD OF REGENTS AND COMMISSIONER OF EDUCATION
89 Washington Avenue, ALBANY, NY 12234

January 26, 2016

Dr. Kevin Tracey, President
Elmezzi Graduate School of Molecular Medicine
350 Community Drive
Manhasset, N.Y. 11030

Dear President Tracey:

On December 1, 2015, the Regents Advisory Council on Institutional Accreditation voted to recommend the following accreditation action to the Board of Regents:

Renew the accreditation of the Elmezzi Graduate School of Molecular Medicine with conditions for a period of five years, with the provision that updates on responses to all recommendations are addressed in the institution's required annual reports, with particular attention to formalizing and implementing the noted assessment mechanisms.

The Board of Regents endorsed and adopted the Advisory Council's recommendation at its meeting on January 12, 2016. A copy of the Regents item is available at <http://www.regents.nysed.gov/common/regents/files/116hea2.pdf>.

Sincerely,

John L. D'Agati
Deputy Commissioner
Office of Higher Education
