APPR Plan - Variance

David P. O’Rourke, Superintendent
Erie-Chautauqua-Cattaraugus BOCES
8685 Erie Road
Angola, NY 14006

Dear Superintendent David P. O’Rourke:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan variance application meets the criteria outlined in section 30-3.16 of the Rules of the Board of Regents and has been approved. As a reminder, we are relying on the information you provided in your variance application, including the narrative descriptions, certifications, and assurances that are included in the application. During the approved term of this variance, your LEA will implement the variance along with all other remaining provisions of your approved APPR plan. If any material changes are made to your approved plan and/or the terms of your approved variance, your LEA must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers’ or principals’ overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class school leader to support their professional growth, and every student achieves success.

Thank you again for your hard work.

Sincerely,

Betty A. Rosa
Commissioner
NOTE:

Only documents that are incorporated by reference in your APPR variance application have been reviewed and are considered as part of your approved APPR variance application; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR variance application but are not incorporated by reference have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan or variance and/or require corrective action.

Pursuant to section 30-3.16 of the Rules of the Board of Regents, please note that an LEA with an approved variance shall provide to the Department, upon its request, any documentation related to the implementation and efficacy of the approach proposed in the variance, including but not limited to: reports on the correlation in assigned ratings for different measures of the LEA’s evaluation system and differentiation among educators within each subcomponent and category of the evaluation system

Your variance is approved for the 2020-21 school year. Because you requested this variance to address issues related to COVID-19, the approval of this variance for any future school years (up to a three school year period) is contingent on the continuation of the current COVID-19 pandemic notwithstanding your request for this variance to apply in future school years. Upon expiration of state-imposed restrictions or emergency measures related to the pandemic, or abatement of the pandemic, it is expected that your variance will no longer be required. As such, SED may withdraw its approval of this variance for any subsequent school years or may require a separate application or other documentation for continuation of the variance in future school years. Upon expiration of the approved term of your variance, you must implement the terms of your current APPR plan as approved by the Commissioner.
Annual Professional Performance Review COVID-19 Variance (Education Law 3012-d)

For guidance related to the Annual Professional Performance Review variance, see NYSED APPR Guidance.

At its October 2019 meeting, the Board of Regents amended sections 30-3 of the Rules of the Board of Regents to allow LEAs to apply for a variance from Annual Professional Performance Review (APPR) plan requirements, while complying with the requirements of Education Law §3012-d.

This streamlined form is provided for a variance related only to the ongoing COVID crisis. Districts seeking approval of a variance for a “New and Innovative” APPR Plan should contact APPRVariance@nysed.gov.

In instances where a variance is approved, the term(s) described in the approved variance will replace the related sections of the LEA’s currently approved APPR plan. However, please note that all other terms as are present in the LEA's currently approved plan will remain in effect and must be implemented without modification.

Once a variance is approved by the Department, it shall be considered part of the LEA’s APPR plan during the approved term of the variance. In any instance in which there is an approved variance and such variance contains information that conflicts with the information provided in the approved Education Law §3012-d APPR plan, the provisions of the approved variance will apply during the approved term of the variance.

Variance Application Timeline

Variance applications must be approved by the Department by December 1 of a school year to be implemented in that school year.

Submission by November 1 is suggested to allow time for review, revision and approval in order to meet the approval deadline for implementation in the same school year.

Absent a finding by the Commissioner of extraordinary circumstances, a variance application approved after December 1 of a school year will not be implemented until the following school year.

For more information regarding the variance approval deadline, including a possible extension, please contact APPRVariance@nysed.gov.

Principal Variance

Education Law §3012-d requires that the principal evaluation system be aligned to the requirements for teacher evaluation. Therefore, when completing a variance request for the evaluation of principals, the processes identified must be aligned to such requirements.

Please check the appropriate box below.

☑ Assure that any requested variance for principal evaluation is aligned to the requirements for teacher evaluation provided in Education Law Section 3012-d and that any task not included in the following variance request(s) for principals will be carried out in the manner described in the currently approved APPR plan.

Required Student Performance Subcomponent
For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.

Education Law §3012-d requires that each teacher have a Student Learning Objective (SLO) consistent with a goal-setting process based on appropriate growth targets. The process must include, at a minimum, the following elements:

- A description of the measure(s) of student growth to be used (e.g., the SLO goal setting process; SLO components),
- Applicable evidence of student learning (e.g., how growth will be measured through various forms of assessment, evaluation of student performance),
- A method for converting student results to a score on a scale from 0-20,
- A scale for conversion of the score of 0 to 20 to a HEDI rating.

This requirement must be met through either the LEA’s current APPR plan or this variance. To the extent that the variance does not address a requirement, the currently approved APPR plan will apply.

Variance Details

*Please read the questions below and answer each prompt in a concise manner.*

**Rationale**

*Please provide a rationale for this variance request.*

> Your rationale should include information regarding the specific, identified COVID-related needs and/or challenges of the LEA, and how such needs and/or challenges inform development of the teacher observation variance request.

Given the impact that COVID-19 is having on our BOCES we may find it very difficult to complete the number of required observations we have indicated in our approved APPR plan. 1. Our approved plan calls for a minimum of two (2) announced observations by the Principal/Supervisor and one (1) unannounced observation by an Independent Evaluator for probationary teachers. 2. Our approved plan calls for a minimum of one (1) announced observation by the Principal/Supervisor and one (1) unannounced observation by an Independent Evaluator for tenured teachers. 3. Due to COVID: • We have already experienced a number of days this year where we have had to switch to remote learning. • We anticipate that we will have more instances where we will have to temporarily transition to remote instruction for one or more periods of time again this year given the current trend of COVID-19 cases in Western New York. • We have also had several instances thus far of our Principals/Supervisors needing to be quarantined due to contact with a person with COVID-19. Principals/Supervisors have had to rearrange their schedules on given days to cover for staff that is absent. Their doing so has allowed us to stay open. However, they would not be able to provide such assistance with coverage if they also had a scheduled observation. • The Principals/Supervisors are also spending extra time attending to the changes in schedules, instructional models, social emotional needs of students, etc.; further limiting their ability to dedicate time to observations. Given these issues unique to the COVID-19 Pandemic, this variance has been designed to offer increased flexibility to ensure meaningful observations, evaluations and conversations between teachers and principals/Supervisors centered around instructional practices and student achievement/learning. 4. This year our goal is to limit exposure of all staff members from outside people by having, as much as possible, only those assigned staff members report to their site. Hence, we do not want to have outside evaluators enter other programs and sites to limit exposure to COVID-19.
Standards and Procedures
Please provide a description of the standards and procedures that will be used in lieu of those included in the LEA’s most recently approved evaluation plan.

> This description should include a specific, detailed explanation of the approach that the LEA is seeking to implement as part of its variance request.

> This description should include, but not be limited to, a description of the alternate measures and/or evidence of teacher practice that will be used to evaluate educators.

Tenured Teachers will have 1 Announced Observation. The observation will count for 100% of the Teacher Performance Component of the Annual Professional Performance Review. Probationary Teachers will have 1 Announced Observation and 1 Unannounced Observation for the Teacher Performance Component of the Annual Professional Performance Review. The Announced Observation will count as 90% of the rating and the Unannounced will count as 10% of the Teacher Performance Component.

The BOCES will use a combination of Principals/Supervisors and Directors/Associate Directors to complete Unannounced Observations for Probationary Teachers.

The BOCES will continue to use the agreed upon observable indicators from 2011 Danielson Rubric for all observations (for both Tenured and Probationary Teachers). It is understood that observable indicators "via" teacher observations are aligned with the 2011 Edition of the Danielson Rubric and have been agreed to by the BOCES and the Teachers' collective bargaining unit. It is further understood that ALL indicators MUST be observed each year for each teacher. These indicators do not need to be observed in each observation BUT they MUST be observed in either the teacher’s announced or unannounced observation (and, they may be observed in both). Please note: If an indicator/indicators is/are not observed in the minimum number of required observations, the principal/supervisor may schedule additional observations to observe said indicator/indicators.

Under this model all tenured teachers will be observed at least one time, and probationary teachers will be observed at least two (2) times (one Announced and one Unannounced, both by the Lead Evaluator). Each indicator of the rubric is assigned a score of 1 through 4 and then totaled out of an expected 88 points and then converted to a 100 point scale. For each observed teacher, if one of the indicators is not observed, it will be scored as a 0. Each observation score will be weighted equally and averaged to form the overall observation score. Tenured teachers and observers will hold a collegial meeting in lieu of the "Independent Evaluator" observation for these teachers. This meeting will not be "scored," as it is designed to provide for meaningful, open, and honest dialogue. During this meeting, the teacher and principal/supervisor will discuss progress this year using the agreed upon observable indicators as a conversation guide.

Observation Assurances
Please check each of the boxes below as applicable to all teachers included in this teacher observation variance request.

- Assure that the process for assigning points for the Teacher Observation category will be consistent with the process described in the LEA's approved APPR plan and/or this variance application and in compliance with Education Law Section 3012-d.
- Assure that once all observations are complete, the process for determining an overall Teacher Observation category score and rating will incorporate the evidence collected across all observations to produce an overall Teacher Observation category rating on a HEDI scale.
- Assure that it is possible for a teacher to obtain any number of points in the applicable scoring ranges, including zero, in each subcomponent.
Category and Overall Ratings
For guidance on APPR scoring, see NYSED APPR Guidance.

Education Law §3012-d requires that each teacher be given a final score for both the Student Performance and Teacher Observation categories, which will be converted to a final category rating based on the HEDI scale, and that these ratings be used to provide an Overall Rating using the prescribed scoring matrix.

These requirements must be met through either the LEA’s current APPR plan or this variance. To the extent that the variance does not address a requirement, the currently approved APPR plan will apply.

Variance Request
LEAs may use this variance application to define the HEDI ranges for the Student Performance and/or Teacher Observation category that is different than those included in the Commissioner’s regulations.

Any teachers not covered by this variance request will be evaluated under the terms of the LEA’s currently approved APPR plan.

Please make the appropriate selection below.

☑ A variance is not requested for category ratings for teachers.
Additional Requirements for Teachers

For more information on the additional requirements for teachers, see NYSED APPR Guidance.

Education Law §3012-d requires that a complete APPR plan must include a process for teacher improvement plans, appeals, and evaluator training as determined by the Commissioner. The following minimum requirements under Education Law §3012-d are applicable to teachers:

- A form for development of a Teacher Improvement Plan,
- A timely and expeditious process for resolving educator’s appeals of APPR ratings,
- A process for training all evaluators of applicable educators.

*These requirements must be met through either the LEA’s current APPR plan or this variance. To the extent that the variance does not address a requirement, the currently approved APPR plan will apply.*

Variance Request

LEAs may use this variance application to develop a process for Teacher Improvement Plans, appeals and/or training in a manner that differs from the process described in the Commissioner’s regulations.

Therefore, the required student performance subcomponent variance request for principals must be aligned to the teacher evaluation requirements.

This requirement must be met through either the LEA’s current APPR plan or this variance. To the extent that the variance does not address a requirement, the currently approved APPR plan will apply.

Variance Request
LEAs may use this variance application to develop a process to demonstrate student growth based on principal practice for a principal or group of principals that differs from the process described in the Commissioner’s regulations.

Please provide a rationale for this variance request.

> Your rationale should include information regarding the specific, identified COVID-related needs and/or challenges of the LEA, and how such needs and/or challenges inform development of the principal school visit variance request.

Given the impact that COVID-19 is having on our BOCES we may find it very difficult to complete the number of required school visits we have indicated in our approved APPR plan. 1. Our approved plan calls for a minimum of two (2) announced and one (1) unannounced school visits by the Director and two (1) unannounced school visits by an Independent Evaluator for probationary principals/supervisors. 2. Our approved plan calls for a minimum of two (2) announced school visits by the Principal and one (1) unannounced school visit by an Independent Evaluator for tenured principals/supervisors. 3. Due to COVID: • We have already experienced a number of days this year where we have had to switch to remote learning.  • We anticipate that we will have more instances where we will have to temporarily transition to remote instruction for one or more periods of time again this year given the current trend of COVID-19 cases in Western New York,  • Principals/Supervisors have had to rearrange their schedules on given days to cover for staff that is absent. Doing this has allowed us to stay open. However, classroom coverage does not allow an observer to document all of the required domains and components that a building level leader will need to demonstrate on the MPPR  • The Principals/Supervisors are also spending extra time attending to the changes in schedules, instructional models, social emotional needs of students, technology, meals and meal delivery, COVID testing, etc.; further limiting their ability to dedicate time to instructional leadership. Given these issues unique to the COVID-19 Pandemic, this variance has been designed to offer increased flexibility to ensure principals/supervisors spend their time centered around the activities needed to ensure we can remain open with in-person instruction. 4. The BOCES has been cognizant about our safety protocols to limit exposure of staff and students by having administrators limit their travel/visits to other programs/locations. In this manner, we reduce the risk of transmission of COVID-19.
Standards and Procedures
Please provide a description of the standards and procedures that will be used in lieu of those included in the LEA’s most recently approved evaluation plan.
> This description should include a specific, detailed explanation of the approach that the LEA is seeking to implement as part of its variance request.
> This description should include, but not be limited to, a description of the alternate measures and/or evidence of principal practice that will be used to evaluate educators.

Tenured Principals/Supervisors will have 1 School Visit. The School Visit will count for 100% of the Principal Performance Component of the Annual Professional Performance Review. Probationary Principals/Supervisors will have 1 Announced School Visit and 1 Unannounced School Visit conducted by an Independent Evaluator for the Principal Performance Component of the Annual Professional Performance Review. The Announced School Visit will count as 90% of the rating and the Unannounced School Visit will count as 10% of the Principal Performance Component. The Assistant Superintendent for Curriculum and Instruction will complete all Unannounced School Visits for Probationary Principals/Supervisors. The BOCES will continue to use the agreed upon observable indicators from the Multi-Dimensional Principals Performance Rubric for all School Visit for both tenured and probationary principals/supervisors. The Lead Evaluator(s) will be conducting all Announced school visits and the Independent Evaluator will conduct all Unannounced school visits. It is understood that observable indicators "via" principal school visits are aligned with the Multi-Dimensional Principals Performance Rubric and have been agreed to by the District and the Principals/Supervisors collective bargaining unit. It is further understood that ALL agreed upon indicators MUST be observed each year for each principal/supervisor. These indicators do not need to be observed in each school visit BUT they MUST be observed in either the principals/supervisors announced or unannounced school visits (and, they may be observed in both). The Lead Evaluator should plan sufficient time for the school visit in order to obtain enough evidence to complete the practice rubric. In the event that additional evidence is needed to complete the practice rubric, the return time for a continued school visit will be scheduled at a mutually agreeable time. Each indicator of the rubric is assigned a score of 1 through 4 and then totaled out of an expected 88 points and then converted to a 100 point scale. Then the total is reconverted to a scale out of 1 through 4 for each school visit. Each school visit score will be weighted equally and averaged to form the overall school visit score. Each school visit score will be weighted equally and averaged to form the overall school visit score. Please note: If an indicator/indicators is/are not observed in the minimum number of required school visits, the Lead Evaluator will schedule additional school visits to observe said indicator/indicators. Under this model all tenured principals/supervisors will have at least one school visit, and probationary principals/supervisors will have at least two (2) school visits (one conducted by the Director and one conducted by the "Independent Evaluator"). The Principal/Supervisor may request in writing up to two additional school visits by the Lead Evaluator. Tenured Principals/Supervisors and Lead Evaluators will hold a collegial meeting in lieu of the "Independent Evaluator" school visits for these principals/supervisors. This meeting will not be "scored," as it is designed to provide for meaningful, open, and honest dialogue. During this meeting, the director (Lead Evaluator) and principal/supervisor will discuss progress this year using the agreed upon observable indicators as a conversation guide. The Overall Rating Form should be reviewed, signed, and returned to the Director.

Angola, NY 14006

Dear Superintendent O’Rourke:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner’s Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers’ or principals’ overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia
Commissioner

NOTE:
Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.
Task 1) Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

1.1) Assurances

Please check all of the boxes below

☑ Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

☑ Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

☑ Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.

☑ Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

1.2) Submission Status

Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?

First-time submission under Education Law §3012-d
Task 2) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

2.1) Assurances

Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

2.2) Grades 4-8 ELA and Math: Assessments (Original)

STATE-PROVIDED MEASURES OF STUDENT GROWTH

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

Using the drop-down boxes below, please select the assessment(s) that will be used for the back-up SLOs for the grade/subject listed beginning in the 2019-20 school year.

- District-determined assessments from list of State-approved 3rd party assessments; or
- State-approved district, regionally or BOCES-developed course-specific assessments; or
- School- or program-wide, group, team, or linked results; or
- District- or BOCES-wide results

Using the table below, please select the measure and assessment(s) that will be used for SLOs for Global Studies.

STUDENT LEARNING OBJECTIVES: Courses without State Assessments or Regents Exams

For guidance on SLOs, see NYSED SLO Guidance: https://www.engageny.org/resource/appr-3012-d.

SLOs shall be used for the required student performance measure for teachers who do not receive a State-provided growth score. (Please note that for teachers with more than one grade and subject, SLOs must cover the courses taught with the largest number of students, combining sections with common assessments, until a majority of students are covered.)

For other grades/subjects: district-determined assessments from options below may be used as evidence of student learning within the SLO:

- State-approved district, regionally or BOCES-developed course-specific assessments; or
- School- or program-wide, group, team, or linked results; or
- District- or BOCES-wide results

Fill in the following, as applicable, for all other teachers in additional grades/subjects that have SLOs (you may combine into one course listing any groups of teachers for whom the measure and assessment(s) are the same including, for example, "All courses not named above"):

- Column 1: lowest grade that corresponds to the course

#### 2.12) Teachers with More Than One Growth Measure (Original)

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance: https://www.engageny.org/resource/appr-3012-d.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).
2.13) Assurances

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance:
https://www.engageny.org/resource/appr-3012-d.

Please check the boxes below.

☑ Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.

☑ Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.

☑ Assure that all growth targets are approved by the superintendent or another trained administrator.

☑ Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.

☑ Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.

☑ Assure that processes are in place for the superintendent to monitor SLOs.

☑ Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

2.14) Use of the Optional Subcomponent and Student Performance Category Weighting

• If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.

• If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.
Task 2) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

For guidance on the use of alternate SLOs during the transition period, see: https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

2.12) Teachers with More Than One Growth Measure (Transition)

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance: https://www.engageny.org/resource/appr-3012-d.

If educators have more than one alternate SLO, the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO.
Task 3) Optional Student Performance Subcomponent

For guidance on the Optional subcomponent of the Student Performance measure, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

*Up to 50% of Student Performance category, if selected.*

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the district/BOCES and be either:

(A) a second State-provided growth score on a State-created or administered test, provided that the State-provided growth measure is different than that used in the Required subcomponent, or

(B) a growth score based on a State-designed supplemental assessment, calculated using a State-provided or approved growth model.

3.1) Use of the Optional Subcomponent of the Student Performance Category

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

| NO, the Optional subcomponent WILL NOT be used in the Student Performance category for any teacher. |
For guidance on the Teacher Observation category, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

4.1) Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

<table>
<thead>
<tr>
<th>Rubric Name</th>
<th>If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.</th>
</tr>
</thead>
</table>

4.2) Assurances

Please check all of the boxes below.

☑ Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.

☑ Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.

☑ Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year.

☑ Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

4.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable domains/subcomponents of the Danielson 2011 Rubric will be weighted equally and averaged.

4.4) Calculating Observation Ratings

Assurances

Please check the boxes below.

☑ Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.

☑ Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

☑ Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.

☑ Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the district’s/BOCES’ approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.4(d)(2)(i)(b)(2) of the Rules of the Board of Regents.

#### 4.5) Teacher Observation Subcomponent Weighting

Required Subcomponents:
- Observations by Principal(s) or Other Trained Administrators: At least 80% of the Teacher Observation category score
- Observations by Impartial Independent Trained Evaluator(s)*: At least 10%, but no more than 20%, of the Teacher Observation category score

Optional Subcomponent:
- Observations by Trained Peer Observer(s): No more than 10% of the Teacher Observation category score when selected

Please be sure the total of the weights indicated equals 100%.

* If the district is granted an annual Independent Evaluator Hardship Waiver by the Department, this subcomponent will be satisfied through the use of one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator.

Please indicate the weighting of each subcomponent and be sure the total of the weights indicated equals 100%.
Task 4. Teacher Observation Category - Tasks 4.1-4.6

4.6) Assurances

Please check all of the boxes below.

☑ Assure that independent evaluator(s) are not employed in the same school building, as defined by BEDS code, as the teacher(s) they are evaluating.
☑ Assure that, if observations are being conducted by trained peer observer(s), these teacher(s) received an overall rating of Effective or Highly Effective in the previous school year.
☑ Assure that the following elements will not be used in calculating a teacher's Observation category score and rating: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of teacher effectiveness. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
☑ Assure that the length of all observations for teachers will be conducted pursuant to the locally-determined durations.
☑ Assure that independent evaluator(s) will be trained and selected by the district/BOCES.
☑ Assure that peer observer(s), as applicable, will be trained and selected by the district/BOCES.
☑ Assure that at least one of the required observations will be unannounced.

* If a teacher is rated Ineffective on the Student Performance category, and a State-designed supplemental assessment was included as an Optional subcomponent of the Student Performance category, the teacher can be rated no higher than Ineffective overall (see Education Law §3012-d (5)(a) and (7)).

5.3) Assurances

Please check all of the boxes below.

- ☐ Assure that each subcomponent and category score and rating and the Overall rating will be calculated pursuant to the requirements specified in Subpart 30-3 of the Rules of the Board of Regents.
- ☐ Assure that it is possible to obtain a zero in each subcomponent.
- ☑ Assure the overall rating determination for a teacher shall be determined according to the evaluation matrix.
- ☑ Assure that a student will not be instructed, for two consecutive school years, by any two teachers of the same subject in the same school district who have received Ineffective ratings under Education Law §3012-d in the year immediately prior to the school year in which the student is placed in the teacher's classroom unless the district has received a waiver from the Department.
For more information on the additional requirements for teachers, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

6.1) Assurances: Teacher Improvement Plans

Please check all of the boxes below.

- Assure that the district/BOCES will formulate and commence implementation of a Teacher Improvement Plan (TIP) for all teachers who receive a Developing or Ineffective rating by October 1 following the school year for which such teacher's performance is being measured or as soon as practicable thereafter.

- Assure that TIP plans developed and implemented by the superintendent or his/her designee, in the exercise of their pedagogical judgment, and subject to collective bargaining to the extent required under article 14 of the Civil Service Law shall include: identification of needed areas of improvement, a timeline for achieving improvement, the manner in which the improvement will be assessed, and, where appropriate, differentiated activities to support a teacher's improvement in those areas.

6.2) Attachment: Teacher Improvement Plan Forms

All TIP plans developed and implemented by the superintendent or his/her designee, in the exercise of his/her pedagogical judgment, must include:

1) identification of needed areas of improvement;
2) a timeline for achieving improvement;
3) the manner in which the improvement will be assessed; and, where appropriate,
4) differentiated activities to support a teacher's improvement in those areas.

As a required attachment to this APPR plan, upload the TIP forms that are used in the school district/BOCES.

6.3) Assurance: Appeals

Please check the box below.

- Assure the district/BOCES has collectively bargained appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.

6.4) Appeals

Pursuant to Education Law §3012-d, a teacher may only challenge the following in an appeal to their district/BOCES:

(1) the substance of the annual professional performance review; which shall include the following:

   (i) in the instance of a teacher rated Ineffective on the Student Performance category, but rated Highly Effective on the Observation category based on an anomaly, as determined locally;

(2) the school district's/BOCES' adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d; and

(3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as well as the school district's/BOCES' issuance and/or implementation of the terms of the teacher or principal improvement plan, as required under Education Law §3012-d.
Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

**APPEAL PROCESS**
The purpose of the internal APPR appeal process is to foster and nurture growth of the professional staff in order to maintain a highly qualified and effective work force. All tenured and probationary employees who were rated Ineffective or Developing and meet the appeal process criteria identified below may use this appeal process. All appeals will be handled in a timely and expeditious manner. A TBEA member may not file multiple appeals regarding the same performance review or a TIP. All grounds for appeal must be raised within one appeal, provided the TBEA member knew or could have reasonably known the ground(s) existed at the time the appeal was initiated, in which instance a further appeal may be filled but only based upon such previously unknown grounds.

**APPR SUBJECT TO APPEAL PROCEDURE**
In accordance with Education Law 3012-d an APPR which is the subject of a pending appeal shall not be sought to be offered in evidence or placed in evidence in any Educational Law 3020-a and/or 3020-b proceeding, or any locally negotiated procedure, until the appeal process is concluded.

**PROHIBITION AGAINST MORE THAN ONE APPEAL**
A TBEA member may not file multiple appeals regarding the same performance review or Teacher Improvement Plan All grounds for appeal must be raised with specificity within one appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

**BURDEN OF PROOF**
In an appeal, the teacher has the burden of demonstrating by clear and convincing evidence that his/her overall rating of either “developing” or “ineffective” was affected by substantial error or defect.

**GROUNDS FOR APPEAL**
An appeal may be filed challenging the APPR based upon one or more of the following grounds:
1. The substance of the APPR,
2. The BOCES failure to adhere to the standards and methodologies required for the APPR, pursuant to Education Law 3012-d and applicable rules and regulations,
3. The BOCES failure to comply with either the applicable regulations of the Commissioner of Education, or locally negotiated procedures,
4. The BOCES failure to issue and/or implement the terms of the TIP, where applicable, as required under Education Law 3012-d.

**NOTIFICATION OF THE APPEAL**
The notification of the APPR appeal (members who receive developing or ineffective) shall be filed, in writing to the TBEA member’s evaluator, within 15 calendar days after the TBEA member has received the APPR’s final composite rating. The response must include any and all additional documents or written materials that are specific to the point(s) of disagreement and/or are relevant to the resolution of the appeal. Material not submitted at the time the response is filed shall not be considered in the deliberations related to the resolution of the appeal. Notification of the appeal shall be provided to the program director and superintendent or his/her designee.

**SUPERVISING ADMINISTRATOR’S WRITTEN RESPONSE TO THE APPEAL**
Within 15 calendar days of receipt of an appeal, the TBEA member’s evaluator must submit a detailed written response. This response must include any and all additional documents or materials that are specific to the point(s) of disagreement and/or are relevant to the resolution of the appeal. Material not submitted at the time the response is filed shall not be considered in the deliberations related to the resolution of the appeal. This response shall be provided to the program director and superintendent or his/her designee.

The conference will be held within 15 calendar days of receipt of the response and shall be a meeting wherein the authorizing administrator, TBEA member and bargaining unit representative (if desired by the TBEA member), are able to discuss the evaluation and the area(s) of dispute. The TBEA member is not satisfied with the outcome he/she may proceed to the second step.
Step Two – Initiated by the TBEA member
Within 15 calendar days of the conclusion of the conference the TBEA member will notify the District Superintendent/designated Assistant Superintendent in writing requesting a meeting to discuss the dispute.

Step Three – Meeting with District Superintendent/Designee
Within 15 calendar days of receipt of meeting request from TBEA member, the District Superintendent/designated Assistant Superintendent will schedule a meeting with the TBEA member, Union representative, and evaluator responsible for the APPR to discuss the reason(s) for appeal. The appeal documents, related information/supporting statements will be presented to the District superintendent/designated Assistant Superintendent in advance.

DECISION-MAKER ON APPEAL
The District Superintendent/designated Assistant Superintendent shall render a final decision, in writing within 15 calendar days of the requested meeting. This decision will include all issues outlined in the dispute on all appeals filed.

• NOTE: These timeframes may be modified upon mutual agreement of the BOCES District Superintendent and the TBEA President, however, these modifications shall be timely and expeditious as required under Education Law 3012-d.

6.5) Assurance: Evaluators
Please check the box below.
☐ The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators
The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
2) the process for the certification and re-certification of lead evaluators;
3) the process for ensuring inter-rater reliability; and
4) the nature (content) and the duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

Erie 2 - Chautauqua - Cattaraugus BOCES will work to ensure that all evaluators, including lead evaluators, evaluators, and Independent evaluators will be properly trained for certification and will maintain inter-rater reliability over time and that they are re-certified on a regular basis and receive updated training on any changes in the law, regulations or applicable collective bargaining agreements.

All training will conducted by the Erie 2 staff, NYS Council of School Superintendents or School Administrators Association of NYS or another entity that has expertise on the State's APPR law and regulation. The training will be on a schedule as recommended by the same.

The training will include a process to maintain inter-rater reliability over time in accordance with NYSED guidance and protocols recommended in training for all evaluators. The training will address all nine of the required elements found in Section 30-3.10B of the Regents Rules.

The independent evaluators will receive the same training. E2CC BOCES anticipates that these protocols will include measures such as: data analysis; periodic comparisons of assessments; and/or annual calibration sessions across evaluators. Each year all evaluators will participate in a minimum of 2 hours of training in the district in August/September followed by 1-2 hours per month throughout the school year.

All evaluators will be initially certified or re-certified annually and all new evaluators will receive full training as required by law. Based upon the participation in these activities, District evaluators and independent evaluators will be certified by the Superintendent and Board of Education annually.

6.7) Assurances: Teacher Evaluation
Please check all of the boxes below.

- Assure that the district/BOCES shall compute and provide to the teacher their score and rating for the Student Performance category, if available, and for the Teacher Observation category for the teacher's Annual Professional Performance Review, in writing, no later than the last school day of the school year for which the teacher is being measured, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- Assure that the evaluation system will be used as a significant factor for employment decisions.
- Assure that teachers will receive timely and constructive feedback as part of the evaluation process.
- Assure that the following prohibited elements listed in Education Law §3012-d(6) are not being used as part of any teacher's evaluation: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of teacher effectiveness; any district or regionally-developed assessment that has not been approved by the Department; and any growth or achievement target that does not meet the minimum standards as set forth in regulations of the Commissioner. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall compute and provide teachers whose Student Performance Category measures are based, in whole or in part, on the grades 3-8 ELA/math State assessments and/or State-provided growth scores with their APPR transition scores and ratings as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall provide such teachers with their original composite rating by September 1 of the school year next following the school year for which the teacher's performance is being measured, or as soon as practicable thereafter.

6.8) Assurances: Assessments

Please check all of the boxes below.

- Assure that, where applicable, if students in Common Core courses are taking both the 2005 Learning Standards and Common Core versions of the Regents Assessment, then the district/BOCES will use the higher of the two scores to determine whether a student has met his/her growth target.
- Assure that the amount of time devoted to traditional standardized assessments that are not specifically required by state or federal law for each classroom or program within a grade level does not exceed, in the aggregate, one percent of the minimum required annual instructional hours for the grade.
- Assure that individuals with vested interest in the outcome of their assessments are not involved, to the extent practicable, in the administration and scoring of those assessments.
- Assure that, where applicable, if your district/BOCES has indicated that more than one version of a Regents assessment for a content area will be used as the underlying evidence for an SLO, that the district/BOCES will only administer both assessments within the timeframes prescribed by the Commissioner. Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

6.9) Assurances: Data

Please check all of the boxes below.

- Assure that SED will receive accurate teacher and student data, including enrollment and attendance data, and any other student, teacher, school, course, and teacher/student linkage data necessary to comply with regulations, in a format and timeline prescribed by the Commissioner.
- Assure that the district/BOCES provides an opportunity for every classroom teacher to verify the subjects and/or student rosters assigned to them.
- Assure scores and ratings for all teachers will be reported to NYSED for each category, as well as the overall rating, as per NYSED requirements.
- Assure that enrolled students in accordance with teacher of record policies are included and may not be excluded.
- Assure that procedures for ensuring data accuracy and integrity are being utilized.
Task 7) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

7.1) State-Provided Measures of Student Growth (Original)

For principals with at least 30% of their students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model. Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments with a State-provided growth measure, (e.g., K-5, PK-6, 6-12, 9-12, etc.). For principals where less than 30% of their students are covered under a State-provided growth measure, such principals shall have an SLO consistent with a goal setting process determined or developed by the Commissioner that results in a student growth score; provided that for any grade-level/course that ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO. (See Guidance for more detail on principals with State-provided measures and SLOs.)

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal.

Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, PK-6, 6-8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for the back-up SLO beginning in the 2019-20 school year.

For each grade configuration indicate the following:

• Column 1: lowest grade that corresponds to the building or program
• Column 2: highest grade that corresponds to the building or program
• Column 3: assessment(s) used

7.1) Assurances

Please check the boxes below.

☑ Assure that the growth score provided by NYSED will be used, where required.
☑ Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all principals who receive a State-provided growth score in the event that a State-provided growth score cannot be generated for that principal.
☑ Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.
7.2) Student Learning Objectives (Original)

For guidance on SLOs, see NYSED SLO Guidance: https://www.engageny.org/resource/appr-3012-d.

SLOs must be used for principals in buildings or programs in which fewer than 30% of students take Grades 4-8 ELA, math, and/or high school courses with State or Regents assessments. SLOs will be developed using the grades/courses covering the most students in the school or program and continuing until at least 30% of students in the school or program are covered by SLOs. The district/BOCES must select the type of assessment that will be used with the SLO from the options below.

- If any grade/course in the building has a State-provided growth measure AND the principal must have SLOs because fewer than 30% of students in the building are covered, then the SLOs must begin first with the SGP results.
- Additional SLOs must then be set based on grades/subjects with State assessments for which there is no State-provided growth measure, where applicable.
- If additional SLOs are necessary, principals must begin with the grade(s)/course(s) that have the largest number of students using school-wide student results from one of the following assessment options:
  - State-approved 3rd party assessment; or
  - State-approved district, regionally, or BOCES-developed course-specific assessment.

For each grade configuration indicate the following:
- Column 1: lowest grade that corresponds to the building or program
- Column 2: highest grade that corresponds to the building or program
- Column 3: measure used
- Column 4: assessment(s) used

Follow the examples below.

Using the table below, please select the measure and assessment(s) that will be used for the SLOs for each grade configuration listed. During the 2016-17 through 2018-19 school years, SLOs that use grade 3-8 ELA/math State assessments as their underlying assessments must be excluded from the calculation of transition scores and ratings.

### 7.4) Principals with More Than One Growth Measure (Original)

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO Guidance: https://www.engageny.org/resource/appr-3012-d.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which

districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

7.5) Assurances

Please check all of the boxes below.

- Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

7.6) Student Performance Subcomponent Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.
Task 7) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

For guidance on the use of alternate SLOs during the transition period, see: https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

For each grade configuration indicate the following:

- Column 1: lowest grade that corresponds to the building or program
- Column 2: highest grade that corresponds to the building or program
- Column 3: measure used
- Column 4: assessment(s) used

Using the table below, please select the assessment(s) that will be used for the alternate SLOs during the 2016-17 through 2018-19 school years for each grade configuration listed. In all other school years, the SLO will be based on the largest grades/courses in the principal’s school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

#### 7.4) Principals with More than One Growth Measure (Transition)

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO Guidance: https://www.engageny.org/resource/appr-3012-d.

If educators have more than one alternate SLO, the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO.
Task 8) Optional Student Performance Subcomponent

For guidance on the Optional subcomponent of the Student Performance category, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

*Up to 50% of Student Performance category, if selected.*

Such second measure shall apply in a consistent manner, to the extent practicable, across all buildings with the same grade configuration or program in the district/BOCES and be either:

(A) a second State-provided growth score on a State-created or administered test, provided that a different measure is used than that for the Required subcomponent in the Student Performance category, or

(B) a growth score based on a State-designed supplemental assessment, calculated using a State-provided or approved growth model.

8.1) Use of the Optional Subcomponent for Student Performance Measures

*Please indicate if the Optional subcomponent will be used by making the appropriate selection below.*

For guidance on the Principal School Visit category, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

### 9.2) Assurances

Please check all of the boxes below.

- ☑ Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- ☑ Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☑ Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for a principal assigned to different grade level configurations or building types.
- ☑ Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

### 9.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable components will be weighted and averaged.

### 9.4) Calculating School Visit Ratings

**Assurances**

Please check the boxes below.

- ☑ Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- ☑ Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- ☑ Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second school visit(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the school visit(s) required to be performed by the Superintendent/supervisor or his/her designee. See Section 30-3.5(d)(1)(ii)(a) of the Rules of the Board of Regents.
- ☑ Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 9 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.5(d)(1)(ii)(b) of the Rules of the Board of Regents.

**Erie 2 - Chautauqua - Cattaraugus BOCES APPR Principal/Supervisor Appeal Process**

**APPEAL PROCESS:**
The purpose of the internal APPR appeal process is to foster and nurture growth of the professional staff in order to maintain a highly qualified and effective workforce. All tenured and probationary employees who meet the appeal process criteria identified below may use this appeal process. A BOCES PSA member may not file multiple appeals regarding the same performance review or PIP. All grounds for appeal must be raised within one appeal, provided the PSA member knew, or could have reasonably known, the grounds existed at the time the appeal was initiated, in which instance a further appeal may be filed but only based upon such previously unknown grounds.

**APPR SUBJECT TO APPEAL PROCEDURE:**
In accordance with Education Law 3012d an APPR which is the subject of a pending appeal shall not be sought to be offered in evidence or placed in evidence in any Educational Law 3020-a and/or 3020-b proceeding, or any locally negotiated procedure, until the appeal process is concluded.

**PROHIBITION AGAINST MORE THAN ONE APPEAL:**
A PSA member may not file multiple appeals regarding the same performance review or PIP. All grounds for appeal must be raised with specificity within one appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

**BURDEN OF PROOF:**
In an appeal, the principal has the burden of demonstrating by clear and convincing evidence that his/her overall rating of either "developing" or "ineffective" was affected by substantial error or defect.

**GROUNDS FOR APPEAL:**
An appeal may be filed challenging the APPR based upon one or more of the following grounds...
1. The substance of the APPR inclusive of the overall composite rating
2. The BOCES failure to adhere to the standards and methodologies required for the APPR, pursuant to Education Law 3012-d and applicable rules and regulations
3. The BOCES failure to comply with either the applicable regulations of the Commissioner of Education, or locally negotiated procedures
4. The BOCES failure to issue and/or implement the terms fo the PIP, where applicable, as required under Education Law 3012-d

**NOTIFICATION OF THE APPEAL:**
The notification of the APPR appeal (members who receive "ineffective") shall be filed in writing to the PSA member's evaluator, within 15 business days after the PSA member has received the APPR's final composite rating. The response must include any and all additional documents or written materials that are specific to the point(s) of disagreement and/or are relevant to the resolution of the appeal. Material not submitted at the time the response is filed shall not be considered in the deliberations related to the resolution of the appeal. This response shall be provided to the Assistant Superintendent for Curriculum and Instruction and the District Superintendent.

**SUPERVISING ADMINISTRATOR'S WRITTEN RESPONSE TO THE APPEAL:**
Within 15 business days of receipt of an appeal, the PSA member's evaluator must submit a detailed written response. This response must include any and all additional documents or materials that are specific to the point(s) of disagreement and/or are relevant to the resolution of the appeal. Material not submitted at the time the response is filed shall not be considered in the deliberations related to the resolution of the appeal. This response shall be provided to the Assistant Superintendent for Curriculum and Instruction and the District Superintendent.

**DECISION OF THE APPEAL:**
Step One - Conference
Within 15 business days of the district's response, a conference shall take place wherein the authorizing administrator (Division Director and/or Assistant Superintendent for Curriculum and Instruction), PSA member and bargaining unit representative (if desired by the PSA member), are able to discuss the evaluation and the area(s) of dispute. If the PSA member is not satisfied with the outcome he/she may proceed to the second step.

Step Two - Discussion of Dispute (Initiated by the PSA Member)
Within 15 business days of the conclusion of the conference the PSA member will notify the District Superintendent in writing requesting a meeting to discuss the dispute.

Step Three - Meeting with District Superintendent
Within 15 business days of receipt of meeting request from PSA member, the District Superintendent will schedule a meeting with the PSA member, Union representative, and evaluator responsible for the APPR to discuss the reason(s) for appeal. The appeal documents, related information/supporting statements will be presented to the District Superintendent in advance.

**DECISION MAKER**
The District Superintendent shall render a final decision, in writing within 15 business days. The District Superintendent will include all issues outlined in the dispute on all appeals filed.
11.5) Assurance: Evaluators

Please check the box below.

☐ The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a principal's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

11.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

2) the process for the certification and re-certification of lead evaluators;
3) the process for ensuring inter-rater reliability; and
4) the nature (content) and the duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

Erie 2 - Chautauqua - Cattaraugus BOCES will work to ensure that all evaluators, including lead evaluators, evaluators, and independent evaluators will be properly trained for certification and will maintain inter-rater reliability over time and that they are re-certified on a regular basis and receive updated training on any changes in the law, regulations or applicable collective bargaining agreements.

All training will conducted by the Erie 2 staff, NYS Council of School Superintendents or School Administrators Association of NYS or another entity that has expertise on the State's APPR law and regulation. The training will be on a schedule as recommended by the same.

The training will include a process to maintain inter-rater reliability over time in accordance with NYSED guidance and protocols recommended in training for lead evaluators and independent evaluators. The training will address all nine of the required elements found in Section 30-3.10B of the Regents Rules.

The independent evaluators will receive the same training. E2CC BOCES anticipates that these protocols will include measures such as data analysis; periodic comparisons of assessments; and/or annual calibration sessions across evaluators.

Each year all evaluators will participate in a minimum of 2 hours of training in the district in August/September followed by 1-2 hours per month throughout the school year.

All evaluators will be certified or re-certified annually and all new evaluators will receive full training as required by law. Based upon the participation in these activities, District evaluators will be certified by the Superintendent and Board of Education annually.

☑ Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall compute and provide principals whose Student Performance Category measures are based, in whole or in part, on the grades 3-8 ELA/math State assessments and/or State-provided growth scores with their APPR transition scores and ratings as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the principal's performance is being measured.

☑ Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall provide such principals with their original composite rating by September 1 of the school year next following the school year for which the principal's performance is being measured, or as soon as practicable thereafter.

Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

11.9) Assurances Data

Please check all of the boxes below.

Erie 2-Chautauqua-Cattaraugus BOCES Annual Professional Performance Review Teacher Improvement Plan (TIP)

Erie 2-Chautauqua-Cattaraugus BOCES Annual Professional Performance Review process (APPR) is designed to recognize, support, and improve the teaching-learning process. The majority of teachers (as defined in the TBEA contract) will be well served by the APPR process and will find it to be a valuable experience for professional growth.

There may be a smaller number of individuals, however, who need additional support. Upon rating a teacher as Developing or Ineffective through the annual professional performance review the BOCES will formulate and commence implementation of a teacher improvement plan (TIP). That support will come through a mutually developed TIP related to the Annual Professional Performance Review process. Implementation will begin no later than October 1st of the school year next following the school year in which an educator was rated Ineffective or Developing overall or as soon as practicable thereafter. All cost associated with the implementation of the TIP including, but not limited to, tuition, fees and travel shall be borne by E2CC BOCES in their entirety. This APPR Plan will replace the Collective Bargaining Agreement language for the grievance process as it pertains to the Annual Professional Performance Review process only.

The TIP – Teacher Improvement Plan – is designed to recognize, support, and improve the teaching-learning process. The TIP is also designed to help teachers address areas in need of improvement based on one or more of the eight New York State Criteria for Evaluation. The eight criteria are: (1) content knowledge; (2) preparation; (3) instructional delivery; (4) classroom management; (5) student development; (6) student assessment; (7) collaboration; and (8) reflective and responsive practice.

THE PURPOSES OF THE TIP
- To demonstrate the commitment of the BOCES to the professional growth and development of all teachers;
- To improve the performance of teachers who are identified by the administration as needing improvement in any of the eight criteria for evaluation;
- To implement a process that is a good faith effort to provide a supportive and structured plan for improvement within a certain timeframe.

THE TIP PROCEDURES
The TIP procedures are guidelines for the administrator and teacher involved in the TIP process. The teacher may involve a selected representative, such as the Instructional Leader, veteran teacher, mentor, or a TBEA representative.
- Document incidents related to the area(s) of concern;
- Identify the area(s) of concern;
- List the members of the support team;
- Develop a TIP plan.
THE TIP PLAN
The teacher and the administrator will draft and complete a TIP document using the BOCES model to guide the development of the TIP language. The TIP document will be signed by the teacher, the administrator, and a TBEA representative. Every effort will be made to ensure confidentiality. The plan will include:

- Clear description of the professional learning activities that the educator must complete;
  - These activities should be connected directly to the areas needing improvement.
  - Artifacts the teacher must produce can serve as benchmarks of improvement and as evidence for the final stage of the improvement plan; these may include but not be limited to:
    - Lesson plans, supporting materials including student work, logs etc.
- Definition of specific standards-based goals that the teacher must make progress toward attaining within a specific period of time;
- Identification of areas that need improvement;
- A timeline for achieving improvement;
- The manner in which improvement will be assessed and;
- Where appropriate, differentiated activities to support improvement in these areas.
