Revised – §3012-d Supplemental Form for Alternate SLOs (Material Change)

Paul Jenkins, Superintendent
Glens Falls City School District
15 Quade St.
Glens Falls, NY 12801

Dear Superintendent Jenkins:

Congratulations. I am pleased to inform you that the material change you submitted to your currently approved Annual Professional Performance Review (APPR) plan on the Supplemental Form for Alternate SLOs meets the criteria outlined in Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the certifications and assurances that are part of your approved APPR plan and those found in the Supplemental Form for Alternate SLOs. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia
Commissioner

PLEASE NOTE:

Pursuant to section 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. During the 2016-17 through 2018-19 school years only, your district/BOCES must use the alternate SLOs described in your "Supplemental Form for Alternate SLOs" which have been incorporated into your approved §3012-d APPR plan for teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

During this transition period, your district/BOCES must also continue to provide affected teachers and principals with their original APPR scores and ratings calculated based on the measures in your currently approved APPR plan *without any modifications, substitutions, or replacements as a result of the transition regulations*. Original APPR scores and ratings must be used for advisory purposes only and shall have no impact on employment decisions, tenure determinations, or teacher and principal improvement plans.

Teachers and principals whose APPRs do not include grades 3-8 ELA and math State assessments or State-provided growth scores are not impacted by the transition regulations. Accordingly, APPR scores and ratings for such staff must be calculated pursuant to your district's/BOCES's approved APPR plan without any modifications, and no transition scores and ratings need be generated.

The transition period will end at the conclusion of the 2018-2019 school year. Beginning in the 2019-20 school year, each educator will receive only a single set of scores and ratings pursuant to the measures outlined in your district's/BOCES APPR plan.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

SUPPLEMENTAL FORM FOR ALTERNATE SLOs:
Section 30-3.17 of the Rules of the Board of Regents

Directions:

Pursuant to section 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 English Language Arts (ELA) and Math State assessments and any State-provided growth scores. During the 2016-17 through 2018-19 school years only, alternate student learning objectives (SLOs) must be generated to calculate transition scores and ratings for teachers and principals who have no remaining Student Performance Category measures as a result of the above exclusions. Please note that districts/BOCES must also continue to provide affected teachers and principals with their original APPR scores and ratings calculated based on the measures in their currently approved APPR plan *without any modifications, substitutions, or replacements as a result of the transition regulations* during the transition period. Original APPR scores and ratings must be used for advisory purposes only and shall have no impact on employment decisions, tenure determinations, or teacher and principal improvement plans.

Teachers and principals whose APPRs do not include grades 3-8 ELA and math State assessments or State-provided growth scores are not impacted by the transition regulations and their evaluations shall be calculated pursuant to their district's/BOCES' approved APPR Plan without any changes, and no transition scores and ratings need to be generated.

This supplemental form must be completed by districts/BOCES whose Education Law §3012-d Annual Professional Performance Review (APPR) plans were approved by the Department for use beginning in the 2015-16 school year in order to specify the alternate SLOs, as described above, that will be used for applicable teachers and principals during the remainder of the transition period (i.e., the 2016-17 through 2018-19 school years). Beginning in the 2019-20 school year, districts and BOCES will no longer be required to calculate transition scores and ratings, and will only calculate a single set of scores and ratings for each educator pursuant to the measures and assessments outlined in their approved §3012-d APPR plan. For more information please see the December 2015 Board of Regents item at <http://www.regents.nysed.gov/common/regents/files/1215bra10.pdf>, and the Department's Frequently Asked Questions Guidance document regarding sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents on EngageNY at <https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations>.

This form must be completed and submitted to EducatorEval (educatoreval@nysed.gov) ***no later than March 1, 2017 for the 2016-17 school year***. Please note that if your district/BOCES wishes to make changes to the measures and assessments used for the alternate SLOs in future school years, you must submit this form on or before March 1 of the school year in which the changes will take effect. The Department will not accept late submissions of this form. **Please type "Supplemental Form for Alternate SLOs" in the subject line of your email to ensure an expedited review of your alternate SLOs.**

Upon submission, the Department will only review the information included on this supplemental form and no other portions of the APPR plan will be reviewed by the Department for compliance with Education Law §3012-d. Therefore, it is the responsibility of the district/BOCES to assure that the changes requested in this form will not have an impact on the implementation of any other part of their approved APPR plan since the Department will not be reviewing the remaining portions of the approved APPR plan for compliance with Education Law §3012-d. The Department recommends that districts/BOCES consult with their local counsel before submitting this supplemental form or any material changes to their currently approved plan in the APPR Portal.

Task 1. School District Information

Disclaimers

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR Plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

Page 1: Task 2.1, Task 2.2 (4-8 ELA and Math)

Page 1: Task 2.1 (Assurances) and Task 2.2 (4-8 ELA and Math)

REQUIRED SUBCOMPONENT

(100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent)

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

2.1) Assurances

Please check the boxes below:

Assure that the growth score provided by NYSED will be used, where required.	Checked
Assure that back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.	Checked
For any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.	Checked

STATE-PROVIDED MEASURES OF STUDENT GROWTH

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved

by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO process in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

2.2) Grades 4-8 ELA and Math: Assessments

Using the drop-down boxes below, please select the assessment that will be used for the back-up SLOs for the grade/subject listed.

Please note: If your district/BOCES does not have grade/subject-specific teachers for one or more of the rows in task 2.2, choose "Not Applicable" from the drop-down box. This would be appropriate if, for example, the district/BOCES does not have certain grades; the district/BOCES does not offer a specific subject; etc. If a grade/subject ends in a State assessment, i.e., 4-8 ELA or Math, such assessment must be used as the underlying evidence for the SLO.

SLOs are the required student performance measure for teachers who do not receive a State-provided growth score. (Please note that for teachers with more than one grade and subject, SLOs must cover the courses taught with the largest number of students, combining sections with common assessments, until a majority of students are covered.) For guidance on SLOs, see NYSED SLO Guidance:

2.12) Teachers with More Than One Growth Measure

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO). For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

2.13) Assurances

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.	Checked
Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.	Checked
Assure that all growth targets are approved by the superintendent or another trained administrator.	Checked
Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.	Checked
Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.	Checked
Assure that processes are in place for the superintendent to monitor SLOs.	Checked
Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents.	Checked

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the district/BOCES and be either:

- (A) a second State-provided growth score on a State-created or administered test; provided that the State-provided growth measure is different than that used in the Required subcomponent, or
- (B) a growth score based on a State-designed supplemental assessment, calculated using a State-provided or approved growth model.

3.1) Use of the Optional Subcomponent of the Student Performance Category

Please indicate the use of the Optional subcomponent by making the appropriate selection below.

Last updated: 09/10/2015

Please note, within this section, task 4.1 may contain the rubric selection(s) from your plan as it existed on June 2, 2015.* The remaining tasks in this section will not contain data from your previous plan and must be completed.

** Please note that documents and language will not be pre-populated into the plan if your district/BOCES chose to start with a blank application.*

4.1) Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards. If your district has been granted a variance by NYSED through the variance process, select "district variance" from the menu.

If your district/BOCES is using an additional rubric, please select the rubric from the second menu below. If your district/BOCES will not use a second rubric, please select "N/A" from the end of the drop-down menu. (Note: Any district/BOCES may use multiple rubrics, as long as the same rubric is used for all classroom teachers in a grade/subject across the district/BOCES.)

Rubric 1

Rubric 2

N/A

4.2) Assurances

Please check all of the boxes below:

Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.	Checked
Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.	Checked
Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES; provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year.	Checked
Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.	Checked

4.3) Process for Weighting Rubric Domains/Subcomponents

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged). For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

All observable components will be weighted equally and averaged.

4.4) Calculating Observation Ratings

Please check the boxes below:

Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the chart shown below.

Checked

Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

6.3) Assurance: Appeals

Please check the box below:

Assure the district/BOCES has appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.	Checked
--	---------

6.4) Appeals

Pursuant to Education Law §3012-d, a teacher may only challenge the following in an appeal:

- (1) the substance of the annual professional performance review; which shall include the following:
 - (i) in the instance of a teacher rated Ineffective on the Student Performance category, but rated Highly Effective on the Observation category based on an anomaly, as determined locally;
- (2) the school district's/BOCES' adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d; and
- (3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as well as the school district's/BOCES' issuance and/or implementation of the terms of the teacher or principal improvement plan, as required under Education Law §3012-d.

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way:

Definitions - For purposes of this Agreement, the terms are defined as follows:

- 1) "Performance review" shall mean a teacher's annual professional performance review required by the Education Law and regulations of the Commissioner of Education,
- 2) "Highly effective," "effective," "developing" and "ineffective" (HEDI) shall have the same meaning given to those terms in regulations of the Commissioner of Education applicable to the Annual Professional Performance Review of teachers.
- 3) "Days" shall mean school days.

Right to Appeal – A teacher may appeal his or her annual professional performance review and the School District's issuance and/or implementation of a legally required improvement plan in accordance with the procedures and conditions set forth in this Agreement. Such procedures and conditions constitute the exclusive means for initiating, reviewing and resolving any and all challenges and appeals related to a teacher's performance review and/or improvement plan.

Scope of Performance Appeals –

- 1) For tenured teacher, only a teacher who receives a rating of "developing" or "ineffective" may appeal his or her performance review.
- 2) For probationary teachers, only a teacher who receives a rating of "ineffective" may appeal her or her performance review.
- 3) A teacher may appeal only the substance of his or her performance review, the School District's adherence to standards and methodologies required for such reviews, adherence to the applicable regulations of the Commissioner of Education, and compliance with the negotiated procedures applicable to the conduct of the performance reviews set forth in the District's annual professional performance review plan. No appeal may challenge the selection of locally developed assessments.
- 4) A teacher may not file multiple appeals regarding the same performance review. All grounds for appealing a particular performance review must be raised within the same appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

Scope of Improvement Plan Appeals –

- 1) A probationary teacher must be provided an improvement plan upon receiving a final performance rating of "developing" or "ineffective." A tenured teacher must be provided an improvement plan upon receiving a final performance rating of "developing" or "ineffective." Such a teacher may appeal the School District's issuance of such a plan and/or implementation of the terms of an improvement plan.
- 2) A teacher may appeal only the issues regarding compliance with the requirements prescribed in applicable law and regulations for the issuance or implementation of improvement plans.

Timelines for Commencement of an Appeal:

- 1) Appeals concerning a teacher's performance review must be filed no later than fifteen (15) days from the first day of school classes in September of the school year following the evaluation year.
- 2) Appeals concerning the issuance of an improvement plan must be filed within (15) days of the School District's alleged failure to comply with any of the requirements prescribed in applicable law and regulations for the issuance of improvements plans.

- 3) Appeals concerning implementation of the terms of an improvement plan must be filed within (15) days from the date of the School District's alleged failure to implement any of the terms of the plan.
- 4) No appeal shall be entertained and will be deemed waived unless it was filed within the applicable timeline referenced in this Agreement. The subject matter of any timely appeal or any untimely appeal shall not be reviewed in any other forum.

Filing of an Appeal:

- 1) An appeal must be submitted to the Superintendent or Director of Curriculum, in writing containing a detailed description of the precise point(s) of disagreement over his or her performance review, or the issuance and/or implementation of the terms of his or her improvement plan. In addition, the teacher must submit any and all additional documents or written materials specific to the point(s) of disagreement that support the teacher's appeal and are relevant to the resolution of the appeal including the particular performance review and/or improvement plan, as appropriate. Any such additional information not submitted at the time the appeal is filed will not be considered in the Superintendent's Appeal Panel deliberations related to the appeal. There will be no oral argument of the appeal to the Superintendent's Appeal Panel unless the Panel requires clarification and makes the request.
- 2) The Superintendent's Panel shall consist of two teachers chosen by the association (one from the K-6 elementary level and one from the 7-12 secondary level) and two administrators chosen by the Superintendent. Neither of the two administrators on the Superintendent's Panel can be the evaluator of the teacher. There will be only one of the administrators on the panel who is from the same level (K-6 and 7-12) as the appealing teacher. If the Superintendent's Appeal Panel cannot reach a majority decision on the outcome of the appeal, the Superintendent will make the final determination. All panelists will attend a workshop held by the Director of Curriculum in order to receive the necessary training.
- 3) Notwithstanding any other provision of this Agreement, the teacher bears the burden of proving by substantial evidence the merits of his or her appeal.

Resolution of an Appeal:

- 1) Upon a majority decision, the Superintendent's Appeal Panel will submit a written decision on the merits of the teacher's appeal no later than fifteen (15) days from the date the teacher filed his/her appeal. This majority decision shall be final and binding. Any appeal shall be deemed completed upon the issuance of that decision.
- 2) If there is no majority decision within the fifteen (15) days, the Superintendent or Director of Curriculum shall issue a written decision on the merits of the teacher's appeal no later than fifteen (15) days from the date when the Superintendent's Panel was unable to reach a majority decision.
- 3) The decision of the Superintendent or the Director of Curriculum shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the appeal.

6.5) Assurance: Evaluators

Glens Falls City School District will work to ensure that lead evaluators and evaluators will be properly trained for certification and will maintain inter-rater reliability over time and that they are re-certified on a regular basis and receive updated training on any changes in the law, regulations or applicable collective bargaining agreements. All training will be conducted by the Washington-Saratoga-Warren-Hamilton-Essex BOCES staff, NYS Council of School Superintendents or another entity that has expertise on the State's APPR law and regulation. The training will be on a schedule as recommended by the same. The training will include a process to maintain inter-rater reliability over time in accordance with NYSED guidance and protocols recommended in training for lead evaluators and independent evaluators. The training will address all nine of the required elements found in Section 30-3.10B of the Regents Rules. The independent evaluators will receive the same training.

REQUIRED SUBCOMPONENT

(100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent)

(A) For a principal in grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

7.1) STATE-PROVIDED MEASURES OF STUDENT GROWTH

For principals with at least 30% of their students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model. Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments with a State-provided growth, (e.g., K-5, PK-6, 6-8, 6-12, 9-12, etc.). For principals where less than 30% of their students are covered under a State-provided growth measure, such principals shall have a SLO consistent with a goal setting process determined or developed by the Commissioner that results in a student growth score; provided that for any teacher whose course ends in a State created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO. (See Guidance for more detail on principals with State-provided measures and SLOs.)

For those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO process in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal.

Please list the grade configurations of the schools or principals where State-provided growth measures will apply (please list, e.g., K-5, PK-6, 6-8, 6-12, 7-12, 9-12). For each configuration, also indicate the measure and assessment(s) used for the back-up SLO.

For each grade configuration indicate the following:

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Use the checkboxes to indicate the State assessments or Regents exams used**

7.1) Assurances

Assure that the growth score provided by NYSED will be used, where required.	Checked
Assure that back-up SLOs will be set by the superintendent or another trained administrator for all principals who receive a State-provided growth score in the event that a State-provided growth score cannot be generated for that principal.	Checked

7.2) STUDENT LEARNING OBJECTIVES

SLOs must be used for principals in buildings or programs in which fewer than 30% of students take Grades 4-8 ELA, math, and/or high school courses with State or Regents assessments. SLOs will be developed using the assessments covering the most students in the school or program and continuing until at least 30% of students in the school or program are covered by SLOs. For guidance on SLOs, see NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>. The district/BOCES must select the type of assessment that will be used with the SLO from the options below.

- If any grade/course in the building has a State-provided growth measure AND the principal must have SLOs because fewer than 30% of students in the building are covered, then the SLOs must begin first with the SGP results.
- Additional SLOs must then be set based on grades/subjects with State assessments for which there is no State-provided growth measure, where applicable.
- If additional SLOs are necessary, principals must begin with the grade(s)/course(s) that have the largest number of students using school-wide student results from one of the following assessment options:
 - State-approved 3rd party assessment; or
 - State-approved district, regional, or BOCES-developed assessment.

For each grade configuration indicate the following:

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: measure used**
- **Once a measure is selected, a corresponding menu will appear for the selection of the name(s) of the assessment(s) used.**

7.4) Principals with More Than One Growth Measure

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO). For more information on principals with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

7.5) Assurances

Please check all of the boxes below:

Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.	Checked
Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.	Checked
Assure that all growth targets are approved by the superintendent or another trained administrator.	Checked
Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.	Checked
Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.	Checked
Assure that processes are in place for the superintendent to monitor SLOs.	Checked
Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents.	Checked

9.2) Assurances

Please check all of the boxes below:

Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.	Checked
Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.	Checked

Assure the district/BOCES has appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.	Checked
--	---------

11.4) Appeals

Pursuant to Education Law §3012-d, a principal may only challenge the following in an appeal:

- (1) the substance of the annual professional performance review; which shall include the following:
 - (i) in the instance of a principal rated Ineffective on the student performance category, but rated Highly Effective on the school visit category based on an anomaly, as determined locally;
- (2) the school district's/BOCES' adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d; and
- (3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as well as the school district's/BOCES' issuance and/or implementation of the terms of the teacher or principal improvement plan, as required under Education Law §3012-d.

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way:

Right to Appeal –

A principal may appeal his or her annual professional performance review and the School District's issuance and/or implementation of a legally required improvement plan in accordance with the procedures and conditions set forth in this Agreement. Such procedures and conditions constitute the exclusive means for initiating, reviewing, and resolving any and all challenges and appeals related to a principal's performance review and/or improvement plan.

Scope of Performance Appeals –

- 1) For tenured principals, only a principal who receives an overall rating of “developing” or “ineffective” may appeal his or her performance review.
- 2) For probationary principals, only a principal who receives an overall rating of “ineffective” may appeal his or her performance review.
- 3) A principal may appeal only the substance of his or her performance review, the School District's adherence to standards and methodologies required for such reviews, adherence to the applicable regulations of the Commissioner of Education, and compliance with the negotiated procedures applicable to the content of performance reviews set forth in the School District's annual professional performance review plan.
- 4) A principal may not file multiple appeals regarding the same performance review. All grounds for appealing a particular performance review must be raised within the same appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

Scope of the Improvement Plan Appeals –

- 1) A probationary principal must be provided an improvement plan upon receiving a final performance rating of “developing” or “ineffective.” A tenured principal must be provided an improvement plan upon receiving a final performance rating of “developing” or “ineffective.” Such principal may appeal the School District's issuance of such a plan and/or implementation of the terms of an improvement plan.
- 2) A principal may appeal only the issues regarding compliance with the requirements prescribed in applicable law and regulations of the issuance or implementation of improvement plans.
- 3) A principal may not file multiple appeals regarding the same improvement plan. All grounds for appealing the issuance of an improvement plan must be raised within the same appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

Timelines for the Commencement of an Appeal –

- 1) Appeals concerning the principal's performance review must be filed no later than fourteen (14) days of the date when the principal receives it.
- 2) Appeals concerning the issuance of any improvement plan must be filed within twenty-one (21) days of the School District's alleged failure to comply with any of the requirements prescribed in applicable law and regulations for the issuance of improvement plans.
- 3) Appeals concerning implementation of the terms of an improvement plan must be filed within twenty-one (21) days from the date of the School District's alleged failure to implement any of the terms of the plan.

4) No appeal shall be entertained and will be deemed waived unless it was filed within the applicable timeline referenced in this Agreement. The subject matter of any timely appeal or an untimely appeal shall not be reviewed in any other forum.

Filing of an Appeal –

- 1) An appeal must be submitted to the Superintendent or his/her designee, in writing, containing a detailed description of the precise point(s) of disagreement over his or her performance review, or the issuance and/or implementation of the terms of his or her improvement plan. In addition, the principal must submit any and all additional documents or written materials specific to the point(s) of disagreement that support the principal's appeal and are relevant to the resolution of the appeal including the particular performance review and/or improvement plan, as appropriate. Any such additional information not submitted at the time the appeal is filed will not be considered in the Superintendent's deliberations related to the resolution of the appeal. There will be no oral argument of the appeal to the Superintendent or his/her designee.
- 2) Notwithstanding any other provision of this Agreement, the principal bears the burden of providing the merits of his or her appeal.

Resolution of an Appeal –

- 1) The Superintendent or his or her designee shall issue a written decision on the merits of the principal's appeal no later than twenty-one (21) days from the date when the principal filed her or her appeal.
- 2) The decision of the Superintendent or Superintendent's designee shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the appeal.
- 3) The decision of the Superintendent or the Superintendent's designee shall be final and binding, unless the principal appeals the Superintendent's decision no later than twenty-one (21) days, from the date when the Superintendent or Superintendent's designee issues a decision, to a Committee comprised of the Director of Curriculum, and administrator selected by the President of the Glens Falls Administrators Association, and a District employee mutually agreed upon by the Superintendent and the President of the GFAA. The Committee will meet and render its decision within twenty-one (21) days of receiving the appeal. The decision of the Committee shall not be subjected to any further appeal or review.
- 4) A decision sustaining an appeal regarding the substance of a principal's particular performance review and/or the issuance of an improvement plan for the principal shall require that the School District revise the performance review and/or improvement plan as appropriate, in accordance with the decision. A revised version of the performance review and/or improvement plan shall be placed in the principal's personnel file, and the original successfully appealed performance review and/or improvement plan shall be redacted accordingly. The principal shall have the right to include his/her response to the decision in his/her personnel file.
- 5) A decision sustaining an appeal regarding implementation of the terms of a principal's improvement plan shall require the School District to take appropriate steps to ensure compliance with and the achievement of those terms.

11.5) Assurance: Evaluators

(9) Specific considerations in evaluating principals of English language learners and students with disabilities

11.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators. Your description must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers,
- 2) the process for the certification and re-certification of lead evaluators,
- 3) the process for ensuring inter-rater reliability,
- 4) the nature (content) and the duration (how many hours, days) of such training.

Glens Falls City School District will work to ensure that lead evaluators and evaluators will be properly trained for certification and will maintain inter-rater reliability over time and that they are re-certified on a regular basis and receive updated training on any changes in the law, regulations or applicable collective bargaining agreements. All training will be conducted by the Washington-Saratoga-Warren-Hamilton-Essex BOCES staff, NYS Council of School Superintendents or another entity that has expertise on the State's APPR law and regulation. The training will be on a schedule as recommended by the same. The training will include a process to maintain inter-rater reliability over time in accordance with NYSED guidance and protocols recommended in training for lead evaluators and independent evaluators. The training will address all nine of the required elements found in Section 30-3.10B of the Regents Rules. The independent evaluators will receive the same training.

The duration of any and all training will be consistent or surpass the requirements of the Network Teams trained by the New York State Education Department. Evaluators and lead evaluators will receive 24 hours of training the first year and will receive a minimum of 3 hours of training each year beyond. All lead evaluators and independent evaluators will be certified/re-certified yearly by the Board of Education President and all new lead evaluators will receive full training as required by law.

11.7) Assurances: Principal Evaluation

Please check all of the boxes below:
