Revised

Tahira Dupree Chase, Interim Superintendent
Greenburgh Central School District
475 West Hartsdale Avenue
Hartsdale, NY 10530

Dear Superintendent Dupree Chase:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia
Commissioner

NOTE:

Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

Annual Professional Performance Review - Education Law §3012-d

Task 1. School District Information - Tasks 1.1, 1.2

Page Last Modified: 12/19/2016

Task 1) Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

1.1) Assurances**Please check all of the boxes below**

- Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

1.2) Submission Status

Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?

Task 2. Original Student Performance - Required (Teachers) - Original Tasks 2.1 (Assurances), 2.2 (4-8 ELA/Math)

Page Last Modified: 12/19/2016

Task 2) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

2.1) Assurances

Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).

Please check the boxes below.

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

2.2) Grades 4-8 ELA and Math: Assessments (Original)

STATE-PROVIDED MEASURES OF STUDENT GROWTH

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

Using the drop-down boxes below, please select the assessment(s) that will be used for the back-up SLOs for the grade/subject listed beginning in the 2019-20 school year.

2.12) Teachers with More Than One Growth Measure (Original)

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

2.13) Assurances

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please check the boxes below.

- Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

2.14) Use of the Optional Subcomponent and Student Performance Category Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Task 2. Transition Student Performance - Required (Teachers) - Task 2 Alternate SLOs

Page Last Modified: 12/19/2016

Task 2) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

For guidance on the use of alternate SLOs during the transition period, see: <https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations>.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Using the table below, please first select a measure and assessment(s) that will be used for the alternate SLO during the 2016-17 through 2018-19 school years, then indicate the applicable courses.

Assurances

Please check the boxes below.

- Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.
- Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.4(d)(2)(i)(b)(2) of the Rules of the Board of Regents.

APPEALS PROCESS - TEACHERS

- A. A teacher who receives a developing or ineffective rating on his/her annual composite APPR shall be entitled to appeal the annual APPR rating based upon a paper submission to the Superintendent of Schools or the Superintendent's administrative designee from the Human Resources Department, who shall be trained in accordance with the requirements of the statute and regulations and also possesses either an SDA or SDL Certification; provided, however, in the event that the Superintendent's administrative designee served as an evaluator or lead evaluator he or she shall not hear the appeal.
- B. The appeal must be brought in writing, specifying the area(s) of concern, but limited to those matters that may be appealed as prescribed in Section 3012-d of the Education Law. Further, a teacher who is placed on a Teacher Improvement Plan ("TIP") shall have a corresponding right to appeal concerns regarding the TIP in accordance with the requirements set forth in Section 3012-d of the Education Law.
- C. An appeal of an APPR evaluation or a TIP must be commenced within ten school days of the presentation of the document containing the final composite rating to the teacher or else the right to appeal shall be deemed waived in all regards; provided, however, that in the case of a TIP appeal, there shall be a second fourteen business day period for a TIP appeal following the end date of the TIP.
- D. The Superintendent or the Superintendent's administrative designee shall respond to the appeal with a written answer granting the appeal and directing further administrative action, or denying the appeal. The Superintendent or the Superintendent's administrative designee shall review the evidence underlying the observations of the teacher along with all other evidence submitted by the teacher prior to rendering a decision. Such decision shall be made within fourteen business days of the receipt of the appeal. If the Superintendent or designee upholds the evaluation, then the teacher shall be entitled to a meeting with the Superintendent and Union representative. The decision of the Superintendent or the Superintendent's administrative designee shall be final and binding in all regards and shall not be subject to review at arbitration, before any administrative agency or in any court of law.
- E. The provisions set forth above shall neither be construed to alter or affect the rights of probationary teachers pursuant to §3031 of the New York State Education Law.

6.5) Assurance: Evaluators

Please check the box below.

- The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

Greenburgh Central School Lead Evaluators and Independent Evaluators participate in the SWBOCES Lead Evaluator initial training, with a minimal commitment of one day of training, which focuses on the following components:

- (1) The New York State Teaching Standards, and their related elements and performance indicators and the Leadership Standards and their related functions, as applicable
- (2) Evidence-based observation techniques that are grounded in research
- (3) Application and use of the student growth percentile model and any other growth model approved by the Department as defined in section 30-3.2
- (4) Application and use of the State-approved teacher rubric(s) selected by the district/BOCES for use in evaluations, including training on the effective application of such rubrics to observe a teacher's practice
- (5) Application and use of any assessment tools that the school district/BOCES utilizes to evaluate its classroom teachers
- (6) Application and use of any locally selected measures of student growth used in the Optional subcomponent of the Student Performance category used by the district/BOCES to evaluate its teachers
- (7) Use of the Statewide Instructional Reporting System
- (8) The scoring methodology utilized by the Department and/or the district/BOCES to evaluate a teacher under this Subpart, including the weightings of each subcomponent within a category; how overall scores/ratings are generated for each subcomponent and category and application and use of the evaluation matrix(es) prescribed by the Commissioner for the four designated rating categories used for the teacher's overall rating and their category ratings
- (9) Specific considerations in evaluating teachers of English language learners and students with disabilities

Independent Evaluators receive training minimally in elements 1, 2 and 4 above and will be recommended to the Board of Education for certification. Additionally, Lead Evaluators and Independent Evaluators participate in annual training offered through SWBOCES which includes webinars, administrator meetings and full day training focused on a process to maintain inter-rater reliability. The Board of Education certifies new Lead Evaluators and Independent Evaluators and recertifies Lead Evaluators and Independent Evaluators periodically.

6.7) Assurances: Teacher Evaluation

Please check all of the boxes below.

- Assure that the district/BOCES shall compute and provide to the teacher their score and rating for the Student Performance category, if available, and for the Teacher Observation category for the teacher's Annual Professional Performance Review, in writing, no later than the last school day of the school year for which the teacher is being measured, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- Assure that the evaluation system will be used as a significant factor for employment decisions.
- Assure that teachers will receive timely and constructive feedback as part of the evaluation process.
- Assure that the following prohibited elements listed in Education Law §3012-d(6) are not being used as part of any teacher's evaluation: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of teacher effectiveness; any district or regionally-developed assessment that has not been approved by the Department; and any growth or achievement target that does not meet the minimum standards as set forth in regulations of the Commissioner. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall compute and provide teachers whose Student Performance Category measures are based, in whole or in part, on the grades 3-8 ELA/math State assessments and/or State-provided growth scores with their APPR transition scores and ratings as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall provide such teachers with their original composite rating by September 1 of the school year next following the school year for which the teacher's performance is being measured, or as soon as practicable thereafter.

Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

6.9) Assurances: Data**Please check all of the boxes below.**

- Assure that the district/BOCES provides an opportunity for every classroom teacher to verify the subjects and/or student rosters assigned to them.
- Assure scores and ratings for all teachers will be reported to NYSED for each category, as well as the overall rating, as per NYSED requirements.
- Assure that enrolled students in accordance with teacher of record policies are included and may not be excluded.
- Assure that procedures for ensuring data accuracy and integrity are being utilized.

Page Last Modified: 12/19/2016

Task 7) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

7.1) State-Provided Measures of Student Growth (Original)

For principals with at least 30% of their students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model. Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal’s students are taking assessments with a State-provided growth measure, (e.g., K-5, PK-6, 6-8, 6-12, 9-12, etc.). For principals where less than 30% of their students are covered under a State-provided growth measure, such principals shall have an SLO consistent with a goal setting process determined or developed by the Commissioner that results in a student growth score; provided that for any grade-level/course that ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO. (See Guidance for more detail on principals with State-provided measures and SLOs.)

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal.

Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, PK-6, 6- 8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for the back-up SLO beginning in the 2019-20 school year.

For each grade configuration indicate the following:

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: assessment(s) used**

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) assessment(s)
Grades K-6 Building	K	6	NYS Grade 4 ELA, NYS Grade 5 ELA, NYS Grade 6 ELA, NYS Grade 4 Math, NYS Grade 5 Math, NYS Grade 6 Math

Using the table below, please select the assessment(s) that will be used for the back-up SLOs beginning in the 2019-20 school year for each grade configuration listed. The SLO will be based on the largest grades/courses in the principal’s school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

7.1) Assurances

Please check the boxes below.

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all principals who receive a State-provided growth score in the event that a State-provided growth score cannot be generated for that principal.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

7.2) Student Learning Objectives (Original)

For guidance on SLOs, see NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

SLOs must be used for principals in buildings or programs in which fewer than 30% of students take Grades 4-8 ELA, math, and/or high school courses with State or Regents assessments. SLOs will be developed using the grades/courses covering the most students in the school or program and continuing until at least 30% of students in the school or program are covered by SLOs. The district/BOCES must select the type of assessment that will be used with the SLO from the options below.

- If any grade/course in the building has a State-provided growth measure AND the principal must have SLOs because fewer than 30% of students in the building are covered, then the SLOs must begin first with the SGP results.
- Additional SLOs must then be set based on grades/subjects with State assessments for which there is no State-provided growth measure, where applicable.
- If additional SLOs are necessary, principals must begin with the grade(s)/course(s) that have the largest number of students using school-wide student results from one of the following assessment options:
- State-approved 3rd party assessment; or
- State-approved district, regionally, or BOCES-developed course-specific assessment.

For each grade configuration indicate the following:

- **Column 1:** lowest grade that corresponds to the building or program
- **Column 2:** highest grade that corresponds to the building or program
- **Column 3:** measure used
- **Column 4:** assessment(s) used

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) measure	(4) assessment(s)
Grades K-2 Building	K	2	District- or BOCES-wide results	Common Core English, Common Core Algebra, Living Environment, Global 2, US History
Grades 11-12 Building	11	12	Principal-specific results	Common Core English, US History

Using the table below, please select the measure and assessment(s) that will be used for the SLOs for each grade configuration listed. During the 2016-17 through 2018-19 school years, SLOs that use grade 3-8 ELA/math State assessments as their underlying assessments must be excluded from the calculation of transition scores and ratings.

7.4) Principals with More Than One Growth Measure (Original)

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

7.5) Assurances

Please check all of the boxes below.

- Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

7.6) Student Performance Subcomponent Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Page Last Modified: 12/19/2016

Task 7) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

For guidance on the use of alternate SLOs during the transition period, see: <https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations>.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

For each grade configuration indicate the following:

- **Column 1:** lowest grade that corresponds to the building or program
- **Column 2:** highest grade that corresponds to the building or program
- **Column 3:** measure used
- **Column 4:** assessment(s) used

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) measure	(4) assessment(s)
Grades K-2 Building	K	2	District- or BOCES-wide results	Common Core English, Common Core Algebra, Living Environment, Global 2, US History
Grades 11-12 Building	11	12	Principal-specific results	Common Core English, US History

Using the table below, please select the assessment(s) that will be used for the alternate SLOs during the 2016-17 through 2018-19 school years for each grade configuration listed. In all other school years, the SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

Up to 50% of Student Performance category, if selected.

Such second measure shall apply in a consistent manner, to the extent practicable, across all buildings with the same grade configuration or program in the district/BOCES and be either:

(A) a second State-provided growth score on a State-created or administered test, provided that a different measure is used than that for the Required subcomponent in the Student Performance category, or

9.1) Principal Practice Rubric

Select a principal practice rubric from the menu of State-approved rubrics to assess performance based on ISLLC 2008 Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of principals each rubric applies to.
Multidimensional Principal Performance Rubric	(No Response)

9.2) Assurances

Please check all of the boxes below.

- Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for a principal assigned to different grade level configurations or building types.
- Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

9.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable components will be weighted and averaged based on the following:
 Domain 1-16% weighting, Domain 2-26% weighting, Domain 3-26% weighting, Domain 4-16% weighting, Domain 6-16% weighting

9.4) Calculating School Visit Ratings

Assurances

Please check the boxes below.

- Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second school visit(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the school visit(s) required to be performed by the Superintendent/supervisor or his/her designee. See Section 30-3.5(d)(1)(ii)(a) of the Rules of the Board of Regents.
- Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 9 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.5(d)(1)(ii)(b) of the Rules of the Board of Regents.

All PIP plans developed and implemented by the superintendent or his/her designee, in the exercise of his/her pedagogical judgment, must include:

- 1) identification of needed areas of improvement;
- 2) a timeline for achieving improvement;
- 3) the manner in which the improvement will be assessed; and, where appropriate,
- 4) differentiated activities to support a principal's improvement in those areas.

Annual Professional Performance Review - Education Law §3012-d

Task 11. Additional Requirements (Principals) - Tasks 11.1-11.9

Page Last Modified: 12/19/2016

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

The District and Administrative Organization agree that only tenured principals receiving an "Ineffective" rating can initiate an appeal. The District will use the modified model provided by the New York State GUIDANCE ON NEW YORK STATE'S ANNUAL PROFESSIONAL PERFORMANCE REVIEW FOR TEACHERS AND PRINCIPALS TO IMPLEMENT EDUCATION LAW §3012-d AND THE COMMISSIONER'S REGULATIONS as indicated below.

APPEALS OF INEFFECTIVE RATINGS ONLY

Appeals of performance reviews should be limited to those that rate a Principal as "Ineffective" only (tenured only).

WHAT MAY BE CHALLENGED IN AN APPEAL

Appeal procedures should limit the scope of appeals under Education Law §3012-d to the following subjects:

- (1) the school district's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d;
- (2) the adherence to the Commissioner's regulations as applicable to such reviews;
- (3) compliance with any applicable locally negotiated procedures applicable to school visits

PROHIBITION AGAINST MORE THAN ONE APPEAL

A Principal may not file multiple appeals regarding the same performance review. All grounds for appeal must be raised with specificity within one appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

BURDEN OF PROOF

In an appeal, the Principal has the burden of demonstrating a clear legal right to the relief requested and the burden of establishing the facts upon which petitioner seeks relief.

TIMEFRAME FOR FILING APPEAL

All appeals must be submitted in writing no later than fifteen (15) calendar days of the date when a principal receives his or her ineffective rating. The failure to file an appeal within this timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned. When filing an appeal the principal must submit a detailed written description of the specific areas of disagreement over his or her performance review, and any additional documents or materials relevant to the appeal. The performance review being challenged must also be submitted with the appeal. Any information not submitted at the time the appeal is filed shall not be considered.

TIMEFRAME FOR DISTRICT

Within fifteen (15) calendar days of receipt of an appeal, the Superintendent or his designee must submit a detailed written response to the appeal. The response must include any and all additional documents or written materials specific to the point(s) of disagreement that support the school district's response and are relevant to the resolution of the appeal. Any such information that is not submitted at the time the response is filed shall not be considered in the deliberations related to the resolution of the appeal. The Principal initiating the appeal shall receive a copy of the response filed by the school district, and any and all additional information submitted with the response, at the same time the school district provides its response. A decision shall be rendered by the Superintendent of Schools or the Superintendent's designee except that an appeal may not be decided by the same individual who was responsible for making the final rating decision. The Superintendent or designee's decision is not subject to the grievance procedure.

EXCLUSIVITY OF §3012-d APPEAL PROCEDURE

The 3012-d appeal procedure shall constitute the exclusive means for initiating, reviewing and resolving any and all challenges and appeals related to a principal's performance review. A principal may not resort to any other contractual grievance procedures for the resolution of challenges and appeals related to a professional performance review, except as otherwise authorized by law.

The provisions set forth above shall neither be construed to alter or affect the rights of probationary principals pursuant to §3031 of the New York State Education Law.

11.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

Greenburgh Central School Lead Evaluators and Independent Evaluators participate in the SWBOCES Lead Evaluator initial training, with a minimal commitment of one day of training, which focuses on the following components:

- (1) The New York State Teaching Standards, and their related elements and performance indicators and the Leadership Standards and their related functions, as applicable
- (2) Evidence-based observation techniques that are grounded in research
- (3) Application and use of the student growth percentile model and any other growth model approved by the Department as defined in section 30-3.2 of this Subpart
- (4) Application and use of the State-approved principal rubric(s) selected by the district/BOCES for use in evaluations, including training on the effective application of such rubrics to observe a principal's practice
- (5) Application and use of any assessment tools that the school district/BOCES utilizes to evaluate its building principals
- (6) Application and use of any locally selected measures of student growth used in the Optional subcomponent of the Student Performance category used by the district/BOCES to evaluate its principals
- (7) Use of the Statewide Instructional Reporting System
- (8) The scoring methodology utilized by the department and/or the district/BOCES to evaluate a principal under this Subpart, including the weightings of each subcomponent within a category; how overall scores/ratings are generated for each subcomponent and category and application and use of the evaluation matrix(es) prescribed by the Commissioner for the four designated rating categories used for the principal's overall rating and their category ratings
- (9) Specific considerations in evaluating principals of English language learners and students with disabilities

Independent Evaluators receive training minimally in elements 1, 2 and 4 above and will be recommended to the Board of Education for certification. Evaluators of Principals attend the initial training and annual ongoing training focusing on the training elements above and topics specific to the evaluation of principals.

Additionally, Lead Evaluators and Independent Evaluators participate in annual training offered through SWBOCES which includes webinars, administrator meetings and full day training focused on a process to maintain inter-rater reliability. The Board of Education certifies new Lead Evaluators and Independent Evaluators, and recertifies Lead Evaluators and Independent Evaluators periodically.

Teacher Improvement Plan

- A. Upon receiving a rating of “developing” or “ineffective”, a teacher shall be provided with a Teacher Improvement Plan (“TIP”). The TIP shall be provided as soon as practicable, but in no case later than ten (10) school days after the opening of classes for the school year.
- B. The parties understand and agree that the sole and exclusive purpose of a TIP is the improvement of teaching practice and that the issuance of a TIP is not a disciplinary action. The TIP shall be created by the lead evaluator with input from the teacher and union representative, if one is assigned. The Federation President shall be informed of the District’s intent to provide a TIP to a teacher within ten (10) days of the teacher’s annual composite “developing” or “ineffective” rating. Whenever a teacher is placed on a TIP and the teacher agrees, the Federation President shall be provided with a copy of the TIP. A teacher who is on a TIP may not have their assignment (building, grade level) changed, or, on the secondary level, have new courses added, without their consent.
- C. A TIP shall clearly specify: (i) the area(s) in need of improvement; (ii) the performance goals, expectations, benchmarks, standards and timeliness the teacher must meet in order to achieve an effective rating; (iii) how improvement will be measured and monitored, and provide for periodic reviews of progress and goal achievement; (iv) the anticipated frequency and duration of meetings of the teacher, administrator, and peer assistant (if one is assigned); and (v) the appropriate differentiated professional development opportunities, materials, resources and supports the District will make available to assist the teacher, including, where appropriate, the assignment of a peer assistant.
- D. The length of a TIP for a probationary teacher shall be two (2) to five (5) months in duration, as determined by the District. The length of a TIP shall be not less than five (5) months in duration for a tenured faculty member, as determined by the District. Notwithstanding the foregoing, if the District, GTF and the member mutually agree, a TIP for a tenured member may be less than five (5) months.
- E. In the event that the administrator recommends coursework, any tuition costs or registration fees shall be borne by the District in their entirety. A teacher on a TIP shall not be required to perform work beyond the school day, week or year to comply with the requirements of a TIP. At the teacher’s option, the teacher may elect to pay tuition for classes that are ordered as part of the TIP and receive salary credit for the classes to the extent such credit is available under the collective bargaining agreement. No disciplinary action predicated upon ineffective performance shall be taken by the District against a teacher until a TIP has been fully implemented. However, nothing herein shall prevent the District from introducing into evidence an evaluation or a TIP in a subsequent disciplinary action.
- F. A TIP shall be in narrative form, or other mutually agreed upon format.
- G. Note - Subpart 30-3 of the Rules of the Board of Regents provides that “nothing [in that subpart] shall be construed to affect the unfettered statutory right of a district to terminate a probationary (non-tenured) teacher or principal for any statutorily and constitutionally permissible reasons.”

Greenburgh Central School District Professional Improvement Plan

The **Professional Improvement Plan (PIP)** is a structured plan designed to support principals at the end of the school year. It addresses specific concerns and outlines a plan of action to address these concerns within a specific timeframe.

A PIP must be initiated whenever a principal receives a rating of *developing* or *ineffective* in an annual evaluation. A PIP shall be designed by the principal and the superintendent and/or his/her designee in collaboration with the president of the GAO or his/her designee over the course of the summer to be in place as soon as practicable, but in no case later than ten (10) school days after the opening of classes for the school year. An initial conference shall be held at the beginning of the school year where the PIP is discussed, signed and dated at the beginning of its implementation.

After the first quarter, the Superintendent and/or his/her designee will assess the effectiveness of the intervention and the level of improvement. Based on that assessment, the PIP may be adjusted appropriately and quarterly meetings among all parties will continue. If the PIP goals are met, the PIP will terminate. The culmination of the PIP will be communicated in writing to the principal and both parties will sign off on the PIP (at the end of the school year).

If the principal is rated as *developing* or *ineffective* for any school year in which a PIP was in effect, a new plan will be developed by the principal and the superintendent in collaboration with the Greenburgh CSD Administrative Organization according to these guidelines for the subsequent year.

Note - Subpart 30-3 of the Rules of the Board of Regents provides that “nothing [in that subpart] shall be construed to affect the unfettered statutory right of a district to terminate a probationary (non-tenured) teacher or principal for any statutorily and constitutionally permissible reasons.”

Additional Appeals Process (Teachers)

1a) Notwithstanding the appeals process delineated in Task 6 of GCSD APPR Education Law §3012-d, in the event that a tenured teacher has received two consecutive ineffective APPR evaluation ratings, if the Board finds probable cause to convene §3020-a disciplinary proceedings based upon those evaluation ratings a further appeal shall lie with an arbitrator selected on a rotating basis from a list of active arbitrators appointed by NYSED, based on order and reasonable timeframe of availability, who shall make a final and binding decision upon the appeal of the APPR evaluation and/or the TIP (the "Stage 1 Arbitration"). The arbitrator's decision will be made in a timely and expeditious manner. The documentation to be furnished to the arbitrator on behalf of the tenured teacher and by the District shall be exchanged between the tenured teacher and the administration on an immediate basis at the time of submission to the arbitrator. In the event that either party has a question regarding the authenticity of such documentation, the same shall be presented in writing immediately to the arbitrator and copied to the other party for the arbitrator's review and consideration. The Arbitrator shall review the evidence underlying the observations of the teacher along with all other evidence submitted by the teacher and the administration prior to rendering a decision.

b) If the arbitrator upholds the evaluation and/or the TIP then he/she shall be appointed to be the §3020-a hearing officer in the matter (the "Stage 2 Arbitration"). Notwithstanding the aforementioned language, nothing herein shall be construed as limiting the right of the employee to challenge said evaluation in any proceeding brought pursuant to Education Law §3020-a, so long as the identical issue wasn't resolved in the appeal before the arbitrator or clearly should have been presented in the appeal but was not. It is expected that the cost of said hearing shall be paid for in accordance with the provision of the Education Law.

c) In the event that the State Education Department will not appoint the arbitrator as the described above, then the Stage 1 Arbitration will be determined as a contractual arbitration with the GTF and the District splitting the cost equally. If the above-mentioned arbitrator upholds the evaluation, and the matter proceeds to the Stage 2 Arbitration, the District shall bear the costs of second-stage arbitration which shall be considered an alternative to §3020-a (see below.)

d) Alternative to Education Law §3020-a: Any Education Law §3020-a proceeding commenced by the District against a tenured teacher related to a second consecutive ineffective rating where the State Education Department will not appoint the Stage 1 arbitrator as the §3020-a hearing officer shall follow in all respects mandates of §3020-a and the Commissioner's Regulations related thereto except that the SED forms shall not be filed with the Commissioner of Education and instead will be filed with the arbitrator selected through this procedure together with a notice of appointment from the District Clerk. The cost of the arbitrator together with cost of any transcript shall be paid by the District.

2. In order to take advantage of the procedure outlined above, the tenured teacher must consent in writing, following consultation with a Federation representative, to the use of an arbitrator (Hearing Officer) from the arbitration panel set forth in paragraph (1a) above, when notified of the District's intent to have a probable cause determination under Section 3020-a of the Education Law. If the tenured teacher is unwilling to do so, the appeal shall be heard by the Superintendent or the Superintendent's administrative designee.

Additional Appeals Process (Principals)

1a) Notwithstanding the appeals process delineated in Task 11 of GCSD APPR Education Law §3012-d, in the event that a tenured principal has received two consecutive ineffective APPR evaluation ratings, if the Board finds probable cause to convene Section 3020-a disciplinary proceedings based upon those evaluation ratings a further appeal shall lie with an arbitrator selected on a rotating basis from the a list of active arbitrators appointed by NYSED, based on order and reasonable timeframe of availability, who shall make a final and binding decision upon the appeal of the APPR evaluation and/or the PIP (the "Stage 1 Arbitration"). The arbitrator's decision will be made in a timely and expeditious manner. The documentation to be furnished to the arbitrator on behalf of the tenured principal and by the District shall be exchanged between the tenured principal and the administration on an immediate basis at the time of submission to the arbitrator. In the event that either party has a question regarding the authenticity of such documentation, the same shall be presented in writing immediately to the arbitrator and copied to the other party for the arbitrator's review and consideration. The Arbitrator shall review the evidence underlying the observations of the principal along with all other evidence submitted by the principal and the administration prior to rendering a decision.

b) If the arbitrator upholds the evaluation and/or the PIP then he/she shall be appointed to be the §3020-a hearing officer in the matter (the "Stage 2 Arbitration"). Notwithstanding the aforementioned language, nothing herein shall be construed as limiting the right of the employee to challenge said evaluation in any proceeding brought pursuant to Education Law §3020-a, so long as the identical issue wasn't resolved in the appeal before the arbitrator or clearly should have been presented in the appeal but was not. It is expected that the cost of said hearing shall be paid for in accordance with the provision of the Education Law.

c) In the event that the State Education Department will not appoint the arbitrator as the described above, then the Stage 1 Arbitration will be determined as a contractual arbitration with the GAO and the District splitting the cost equally. If the above-mentioned arbitrator upholds the evaluation, and the matter proceeds to the Stage 2 Arbitration, the District shall bear the costs of second-stage arbitration which shall be considered an alternative to §3020-a (see below.)

d) Alternative to Education Law §3020-a, any §3020-a Education Law proceeding commenced by the District against a tenured principal related to a second consecutive ineffective rating where the State Education Department will not appoint the Stage 1 arbitrator as the §3020-a hearing officer shall follow in all respects the §3020-a mandates and the Commissioner's Regulations related thereto except that the SED forms shall not be filed with the Commissioner of Education and instead will be filed with the arbitrator selected through this procedure together with a notice of appointment from the District Clerk. The cost of the arbitrator together with cost of any transcript shall be paid by the District.

2. In order to take advantage of the procedure outlined above, the tenured principal must consent in writing, following consultation with a GAO representative, to the use of an arbitrator (Hearing Officer) from the arbitration panel set forth in paragraph (1a) above, when notified of the District's intent to have a probable cause determination under Section 3020-a of the Education Law. If the tenured principal is unwilling to do so, the appeal shall be heard by the Superintendent or the Superintendent's administrative designee.
