Revised

Gordan Daniels, Superintendent
Greene Central School District
40 South Canal Street
Greene, NY 13778

Dear Superintendent Daniels:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia
Commissioner

NOTE:

Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

Annual Professional Performance Review - Education Law §3012-d

Task 1. General Information - Tasks 1.1, 1.2

Page Last Modified: 08/23/2017

Task 1) Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

1.1) Assurances

Please check all of the boxes below

- Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

1.2) Submission Status

Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?

Task 2. Original Student Performance - Required (Teachers) - Original Tasks 2.1 (Assurances), 2.2 (4-8 ELA/Math)

Page Last Modified: 08/14/2017

Task 2) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

2.1) Assurances

Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).

Please check the boxes below.

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

2.2) Grades 4-8 ELA and Math: Assessments (Original)

STATE-PROVIDED MEASURES OF STUDENT GROWTH

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

Using the drop-down boxes below, please select the assessment(s) that will be used for the back-up SLOs for the grade/subject listed beginning in the 2019-20 school year.

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

2.13) Assurances

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance.

Please check the boxes below.

- Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

2.14) Use of the Optional Subcomponent and Student Performance Category Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Page Last Modified: 08/14/2017

Task 2) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.

For guidance on the Required subcomponent of the Student Performance category or guidance on the use of alternate SLOs during the transition period, see NYSED APPR Guidance.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Using the table below, please first select a measure and assessment(s) that will be used for the alternate SLO during the 2016-17 through 2018-19 school years, then indicate the applicable courses. If all other courses listed in Original Task 2.10 are using Alternate SLOs, and such Alternate SLOs will be based on the same measures and assessments, please select "Other Courses as listed in Original Task 2.10" in the Applicable Course(s) column.

Task 4. Teacher Observation Category - Tasks 4.1-4.6

Page Last Modified: 08/14/2017

Task 4

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

4.1) Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
NYSUT Teacher Practice Rubric (2014 Edition)	(No Response)

4.2) Assurances

Please check all of the boxes below.

- Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year as indicated in Task 4.1 above.
- Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

4.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable domains/sub-components chosen from the NYSUT 2014 Teacher Evaluation Rubric will be weighted equally and averaged.

4.4) Calculating Observation Ratings

Assurances

Please check each of the boxes below.

- Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check each of the following boxes.

- Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.
- Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.4(d)(2)(i)(b)(2) of the Rules of the Board of Regents.

Page Last Modified: 08/14/2017

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.**APPEALS PROCESS:**

The purpose of the APPR appeal process is to foster and nurture the growth of the professional staff in order to maintain a highly qualified and effective work force. The appeal procedure shall provide for a timely and expeditious resolution of an appeal. All employees who meet the Grounds for an Appeal criteria identified below may use this appeal process for ratings of “ineffective” or “developing”. A teacher may not file multiple appeals regarding the same performance review. All grounds for an appeal must be identified on the initial appeal. The appeals process does not in any way limit any member’s right to submit written rebuttals of determinations.

Grounds for an Appeal:

An appeal may be filed challenging the APPR based upon one or more of the following grounds:

(1) the substance of the annual professional performance review; which shall include the following:

(i) in the instance of a teacher rated Ineffective on the Student Performance category, but rated Highly Effective on the Observation category based on an anomaly, as determined locally;

(2) the school district's/BOCES' adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d; and

(3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as well as the school district's/BOCES' issuance and/or implementation of the terms of the teacher or principal improvement plan, as required under Education Law §3012-d.

Notification of Appeal:

In order to be timely, the appeal shall be completed in writing and filed within five (5) school days after the teacher has received their Overall Composite Rating. Notification of the appeal shall be provided to the Supervising Administrator and copied to the Superintendent of Schools.

STEP 1:

Decision on Appeal: Upon filing and receipt of the written appeal, a conference will be held within five (5) school days. Appeal Committee will include the supervising administrator; the appealing teacher; a second administrator and teacher chosen by the respective parties; and another mutually agreed upon teacher. The conference shall be an informal meeting wherein the authoring administrator and the employee are able to discuss the evaluation and the areas of dispute. *A decision shall be rendered within two (2) school days of the conclusion of the Appeals Conference. The appealing teacher has the option of having an Association representative present.*

Appeal Committee Findings: The decision of the appeal committee will be put in written form and copies provided to the appealing teacher, supervising administrator and Superintendent of Schools.

If consensus (a majority vote of the 5 person Appeals committee) is reached, the decision of the appeal committee is binding. Failure to reach consensus will move the appeal process to the second step. This phase of Step 2 will occur regardless of teacher initiation within five school days of the decision.

STEP 2:

The appeal committee will meet with the Superintendent of Schools within five (5) school days from the date upon which the teacher received the Step One decision. This meeting will allow for all parties to re-state their case. *(An appeal shall not be decided by the same individual responsible for making the rating decision.)*

Decision: A written decision on the merits of the appeal shall be rendered by the Superintendent of Schools within five (5) school days from the date of the Second Step meeting. The decision shall be based all materials presented at the appeals process. A copy of the decision shall be provided to the teacher and the supervising administrator.

A member may choose to advance to a review by the Board of Education (Step Three) in the event that s/he receives consecutive “Ineffective” or

Annual Professional Performance Review - Education Law §3012-d**Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9**

Page Last Modified: 08/14/2017

“Developing” ratings and upon completion of Step 1 and Step 2 of the appeal process.

STEP 3:

An appeal to the BOE must occur within five (5) school days of receipt of the Superintendent's written decision in Step 2. The conference committee, Superintendent of Schools, and the Board of Education will meet, discuss the appeals and the Board of Education will render a final decision. A copy of the decision shall be provided to the teacher and the supervising administrator.

(The Board of Education will review within five school days of the receipt of the appeal. The decision of the BOE will be rendered within five (5) school days of the BOE review.)Regardless of any extension the appeals process will be timely and expeditious in accordance with Education Law 3012-d.

In compliance with subpart 30-3.12 of the Rules of The Board of Regents the appeals process does not deny a district authority to deny tenure or terminate probationary teachers during the pendency of an appeal for statutorily and constitutionally permissible reasons including the teacher's performance review is the subject of the appeal.

6.5) Assurance: Evaluators

Please check the box below.

- The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

TRAINING AND CERTIFICATION OF LEAD EVALUATORS AND EVALUATORS:

All evaluators (lead evaluators, independent evaluators, and evaluators) who participate in the evaluation of teachers or principals for the purpose of determining an APPR rating shall be fully trained and certified as required by Education Law §3012-d and the Regulations of the Commissioner of Education prior to conducting a teacher evaluation.

Initial training of all evaluators is conducted by a NYSUT qualified trainer. This training will focus on the use of the NYSUT Rubric, inter-rater reliability, articulation of the provided evidence and accurate assessment of teacher practice and will be conducted over a period of approximately 5 days. Retraining duration will be a minimum of 4.5 hours bi-annually. All training will be conducted by a qualified NYSUT trainer.

The “lead evaluator” is the administrator who is primarily responsible for a teacher’s evaluation.

All evaluators shall successfully complete a training course that meets the minimum requirements prescribed in Regents Rules 30-3.10 of the regulations thereunder. Such training shall include application and use of the State-approved teacher practice rubric selected by the District for use in evaluations.

Once an evaluator has successfully completed a training course meeting the minimum requirements prescribed in the law and regulations, he/she shall be deemed to be certified by the Superintendent of Schools.

All evaluators shall successfully complete an approved re-certification training course bi- annually.

Training for all evaluators will include nine (9) training elements prescribed by Regents Rules 30.3-10

All evaluators are trained in the use of the NYSUT Rubric, inter-rater reliability, articulation of the provided evidence, and accurate assessment of teacher practice. Training includes calibration and certification. Re-certification will occur bi-annually and will be conducted by NYSUT qualified trainers.

6.8) Assurances: Assessments**Please check all of the boxes below.**

- Assure that, where applicable, if students take more than one version of the Regents assessment for a particular content area, then the district/BOCES will use the higher of the two scores to determine whether a student has met his/her growth target.
- Assure that the amount of time devoted to traditional standardized assessments that are not specifically required by state or federal law for each classroom or program within a grade level does not exceed, in the aggregate, one percent of the minimum required annual instructional hours for the grade.
- Assure that individuals with vested interest in the outcome of their assessments are not involved, to the extent practicable, in the administration and scoring of those assessments.
- Assure that, where there is more than one version of a Regents assessment for a content area, that the district/BOCES will only administer both assessments within the timeframes prescribed by the Commissioner. Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

6.9) Assurances: Data**Please check all of the boxes below.**

- Assure that SED will receive accurate teacher and student data, including enrollment and attendance data, and any other student, teacher, school, course, and teacher/student linkage data necessary to comply with regulations, in a format and timeline prescribed by the Commissioner.
- Assure that the district/BOCES provides an opportunity for every classroom teacher to verify the subjects and/or student rosters assigned to them.
- Assure scores and ratings for all teachers will be reported to NYSED for each category, as well as the overall rating, as per NYSED requirements.
- Assure that enrolled students in accordance with teacher of record policies are included and may not be excluded.
- Assure that procedures for ensuring data accuracy and integrity are being utilized.

Task 7. Original Student Performance - Required (Principals) - Original Task 7.1 (State-Provided Growth Measures)

Page Last Modified: 08/14/2017

Task 7) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

7.1) State-Provided Measures of Student Growth (Original)

Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal’s students are taking assessments for which there is a State growth model (e.g., K-5, K-6, 6-8, 6-12, 9-12, etc.).

For principals where less than 30% of their students are covered under a State-provided growth measure, please use Task 7.2.

For the 2015-16 through 2018-19 school years, principals of buildings or programs that include all of grades 9-12 who receive State-provided growth scores based on Regents assessments set back-up SLOs based on Regents assessments.

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal. Principals of buildings or programs that include all of grades 9-12 who receive State-provided growth scores based on Regents assessments should continue to set back-up SLOs based on Regents assessments in the 2019-20 school year and thereafter.

Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, K-6, 6- 8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for back-up SLOs.

For each grade configuration indicate the following:

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: assessment(s) used**

Follow the examples below.

7.1) Assurances

Please check the boxes below.

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, for principals of buildings that do not include all of grades 9-12, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator in the event that a State-provided growth score cannot be generated for that principal and that principals of buildings that include all of grades 9-12 will have back-up SLOs set by the superintendent or another trained administrator in all school years.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

Page Last Modified: 08/14/2017

7.2) Student Learning Objectives (Original)

For guidance on SLOs, see NYSED SLO Guidance.

SLOs must be used for principals in buildings or programs in which fewer than 30% of students take Grades 4-8 ELA, math, and/or high school courses with State or Regents assessments. SLOs will be developed using the following rules:

- If any grade/course in the building has a State-provided growth measure AND the principal must have SLOs because fewer than 30% of students in the building are covered, then the SLOs must begin first with the SGP results.
- Additional SLOs must then be set based on grades/subjects with State assessments for which there is no State-provided growth measure, where applicable.
- If additional SLOs are necessary, principals must begin with the grade(s)/course(s) that have the largest number of students using school- or district-wide student results from one of the following assessment options:
 - State or Regents assessments;
 - State-approved 3rd party assessment; or
 - State-approved district, regionally, or BOCES-developed course-specific assessment.

For each grade configuration indicate the following:

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: measure used**
- **Column 4: assessment(s) used**

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) measure	(4) assessment(s)
Grades K-2 Building	K	2	District- or BOCES-wide results	ELA Regents, Algebra I Regents, Living Environment Regents, Global 2 Regents, US History Regents
Grades 11-12 Building	11	12	Principal-specific results	ELA Regents, US History Regents

Using the table below, please select the measure and assessment(s) that will be used for the SLOs for each grade configuration listed. During the 2016-17 through 2018-19 school years, SLOs that use grade 3-8 ELA/math State assessments as their underlying assessments must be excluded from the calculation of transition scores and ratings.

7.4) Principals with More Than One Growth Measure (Original)

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO Guidance.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

7.5) Assurances

Please check all of the boxes below.

- Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

7.6) Student Performance Subcomponent Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Page Last Modified: 08/14/2017

Task 7) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance and guidance on the use of alternate SLOs during the transition period.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

For each grade configuration indicate the following:

- Column 1: lowest grade that corresponds to the building or program
- Column 2: highest grade that corresponds to the building or program
- Column 3: measure used
- Column 4: assessment(s) used

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) measure	(4) assessment(s)

Grades 11-12 Building	11	12	Principal- specific results	ELA Regents, US History Regents

Using the table below, please select the assessment(s) that will be used for the alternate SLOs during the 2016-17 through 2018-19 school years for each grade configuration listed. In all other school years, the SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of principals each rubric applies to.
Marshall's Principal Evaluation Rubric	(No Response)

9.2) Assurances

Please check all of the boxes below.

- Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for a principal assigned to different grade level configurations or building types as indicated in Task 9.1 above.
- Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

9.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable domains/subcomponents of the Marshall's Principal Evaluation Rubric will be weighted equally and averaged.

9.4) Calculating School Visit Ratings

Assurances

Please check each of the boxes below.

- Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check each of the following boxes.

- Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver, the second school visit(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the school visit(s) required to be performed by the Superintendent/supervisor or his/her designee. See Section 30-3.5(d)(1)(ii)(a) of the Rules of the Board of Regents.
- Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 9 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.5(d)(1)(ii)(b) of the Rules of the Board of Regents.

Appeals are limited to those identified by Education Law, as follows:

1. The substance of the annual professional performance review, which shall include the following:
 - In the instance of a principal rated Ineffective on the Student Performance category but rated Highly Effective on the Observation/School Visit Category, based on an anomaly, as determined locally (Subpart 30-3.12 (a) (1) of the Rules of the Board of Regents);

Ratings That May Be Appealed

Appeals of annual professional performance reviews may be initiated by any principal for ineffective and developing ratings or any rating tied to compensation.

Prohibition Against More Than one Appeal

A principal may not file multiple appeals regarding the same performance review. The issuance of an improvement plan may prompt an appeal independent of the performance review. The implementation of an improvement plan may be appealed upon each alleged breach thereof. All grounds for appeal must be raised with specificity within such appeal. Any grounds not raised shall be deemed waived.

Time Frame for Filing Appeal

All appeals shall be filed in writing. The act of mailing the appeal shall constitute filing.

An appeal of a performance review must be filed no later than fifteen (15) business days of the date when the principal receives their final and complete annual professional performance review. If a principal is challenging the issuance of a principal improvement plan, appeals must be filed within fifteen (15) business days of issuance of such plan. An appeal of the implementation of an improvement plan shall be within fifteen (15) business days of the failure of the district to implement any component of the plan.

The failure to file an appeal within these timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned. An extension of this time in which to appeal may be granted by the Superintendent upon written request.

When filing an appeal, the principal must submit a written description of the specific areas of disagreement over his or her performance review, or the issuance and/or implementation of the terms of his or her improvement plan. Supportive evidence about the challenges may also be submitted with the appeal. Any additional documents or materials relevant to the appeal must be provided by the district upon written request for same. The performance review and/or improvement plan being challenged must also be submitted with the appeal.

Time Frame for District Response

Within ten (10) business days of receipt of an appeal, the district must submit a detailed written response to the appeal. The response must include all additional documents or written materials relevant to the point(s) of disagreement that support the district's response. Any such information that is not submitted at the time of the response is filed shall not be considered on behalf of the district in the deliberations related to the resolution of the appeal. The principal initiating the appeal shall receive a copy of the response filed by the school district, and all additional information submitted with the response, at the same time the school district files its response. Additional material supporting the challenges may be submitted by the principal up to the date of the hearing.

Decision Process for Appeal

Within five (5) business days of the district's response, a single individual hearing officer shall be chosen from the list of hearing officers approved mutually by the district and bargaining unit representing the principals.

The parties agree that:

- The hearing officer shall hear appeals in a timely manner after the appeal is made, but in no event shall it be less than five (5) business days or more than fifteen (15) business days after the hearing officer is selected.
- The hearing shall be conducted in no more than one business day unless extenuating circumstances are present and the hearing officer agrees to a second day.
- The parties shall have the ability to be represented by either legal counsel, union representative, or appear pro se;
- The parties shall exchange an anticipated witness list no less than two (2) business days before the scheduled hearing date;
- The principal shall have the prerogative to determine whether the appeal shall be open to the public or not;
- The district shall have the opportunity to present its case supporting the rating or improvement plan and then the principal may refute the presentation. These may include the presentation of material, witnesses and/or affidavits in lieu of testimony.

The reviewer must either affirm, set aside, or modify a district’s rating or improvement plan. A copy of the decision shall be provided to the principal and the district representative.

In addition to any further limitations agreed to with the APPR agreement, an evaluation shall not be placed in a principal’s personnel file until either the expiration of the fifteen (15) business day period in which to file a notice of appeal without action being taken by the principal or the conclusion of the appeal process described herein, whichever is later.
5. A principal who takes advantage of the appeals process described herein does not waive his/her right to submit a written rebuttal to the final evaluation. A principal who elects to submit a written rebuttal to his/her evaluation prior to the expiration of the fifteen (15) business days in which to file a notice of appeal does not waive his/her right to file an appeal.

- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

TRAINING AND CERTIFICATION OF LEAD EVALUATORS AND EVALUATORS

All evaluators (lead evaluators, evaluators, and independent evaluators) who participates in the evaluation of principals for the purpose of determining an APPR rating shall be fully trained and/or certified as required by Education Law §3012-d and sub-part §30-3.10 of the rules of the Board of Regents, the Regulations of the Commissioner of Education prior to conducting a principal evaluation.

Initial training by BOCES will constitute 40 hours. Re-training will be done on the two-day basis per BOCES.

All evaluators shall successfully complete a training course that includes the nine required elements prescribed in Regents Rules 30-3.10. Such training shall include application and use of the State-approved Marshall Principal Evaluation rubric selected by the District for use in evaluations.
