Please provide an overview of the assessment for districts and schools. Please include:
- A description of the assessment;
- A statement on how the assessment is intended to be used;
- A description of how the Assessment Provider supports implementation of the assessment (including any technical assistance, if applicable).
Description: The District developed assessments are Grade Kindergarten and Grade 1 ELA and Math measures. The ELA assessments include with a read aloud passage followed by multiple choice questions and one open ended question. The Math assessments contain all multiple choice questions.

How Administered: Pretest and posttest assessments are computer based. Students complete the ELA pretest assessments in two thirty minute sessions and the posttest assessments in two thirty minute sessions. Headphones are utilized as students listen to the ELA passage and respond to the questions. The Math pretest and posttest assessments are administered in two thirty minute sessions. Headphones are utilized as students listen and respond to the questions.

Scores Reported: Scores are computer generated and computed by the Assistant Superintendent of Curriculum and Instruction and the District’s SLO Manager.

Technical Assistance: The assessments are administered in a computer lab with the technical assistance of a computer aide.

Scores are computer generated and reported to the Assistant Superintendent for Curriculum and Instruction and to the SLO Manager. Teachers with percentages from 75-100 are HE (18-20 points), 65-74 are E (15-17 points), 51-63 are D (13-14 points), and below 50 are I (0-12 points).
