Revised

Jason A. Smith, Superintendent
Lyndonville Central School District
25 Housel Avenue
Lyndonville, NY 14098

Dear Superintendent Smith:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia
Commissioner

NOTE:

Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

Task 1. School District Information - Tasks 1.1, 1.2

Page Last Modified: 08/08/2016

Task 1) Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

1.1) Assurances**Please check all of the boxes below**

- ☒ Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- ☒ Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

1.2) Submission Status

Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?

Task 2) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

2.1) Assurances

Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).

Please check the boxes below.

- ☒ Assure that the growth score provided by NYSED will be used, where required.
- ☒ Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- ☒ For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

2.2) Grades 4-8 ELA and Math: Assessments (Original)

STATE-PROVIDED MEASURES OF STUDENT GROWTH

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

Using the drop-down boxes below, please select the assessment(s) that will be used for the back-up SLOs for the grade/subject listed beginning in the 2019-20 school year.

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO

Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

2.13) Assurances

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance:

<https://www.engageny.org/resource/appr-3012-d>.

Please check the boxes below.

- ☒ Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- ☒ Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ Assure that all growth targets are approved by the superintendent or another trained administrator.
- ☒ Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- ☒ Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

2.14) Use of the Optional Subcomponent and Student Performance Category Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Task 2) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)*The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.*

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

For guidance on the use of alternate SLOs during the transition period, see: <https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations>.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Using the table below, please first select a measure and assessment(s) that will be used for the alternate SLO during the 2016-17 through 2018-19 school years, then indicate the applicable courses.

4.1) Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching (2013 Revised Edition)	(No Response)

4.2) Assurances

Please check all of the boxes below.

- ☒ Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- ☒ Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year.
- ☒ Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

4.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable domains will be weighted equally and averaged.

4.4) Calculating Observation Ratings

Assurances

Please check the boxes below.

- ☒ Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- ☒ Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.
- ☒ Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.4(d)(2)(i)(b)(2) of the Rules of the Board of Regents.

Annual Professional Performance Review - Education Law §3012-d

Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9

Page Last Modified: 08/09/2016

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

This appeal provision is limited to unit members who are covered by N.Y. Education Law § 3012-d ("Covered Unit Members" or "teacher").

A Covered Unit Member may challenge only the substance of an APPR, the District's adherence to the standards and methodologies required for such review, the District's compliance with its procedures and timelines for conducting the APPR, and the issuance and the regulations of the Commissioner and/or implementation of a teacher improvement plan (TIP).

An APPR or TIP challenge under this Agreement must be submitted in writing to the Administrator performing the review, together with any supporting documentation. The challenge must explain in detail the specific reason(s) for the matter which is the subject of the challenge.

A teacher may not file multiple appeals regarding the same APPR or TIP. All grounds for appeal must be raised with specificity within one appeal.

Any grounds not raised at the time the appeal is filed shall be deemed waived, unless the teacher establishes during the appeals process that there is new information that was used by the evaluator that raises new concern related to the appeal. As part of the appeal, the teacher may also submit mitigating circumstances that he/she believes relevant to the appeal, including, but not limited to, class size, students and classes assigned, student attendance, teacher leave, and new initiatives/requirements, which shall be considered by the District. All supporting information must also be submitted at the time the appeal is filed. Any information not submitted at the time the appeal is filed shall not be considered. In an appeal, the teacher has the burden of demonstrating a legal right to the relief requested and the burden of establishing the facts upon which he or she seeks relief.

The challenge must be submitted within fifteen calendar days of the issuance of the Annual Professional Performance Review or Teacher Improvement Plan which is the subject of the challenge, or other act complained of, or it is deemed waived. For purposes of this appeals process, calendar days shall exclude the period of the Christmas, February and April recess.

The Administrator will schedule a meeting within 7 calendar days to discuss the challenge.

A Covered Unit Member may select a LTA representative and/or NYSUT Labor Relations Specialist/LTA president to participate in the meeting. Within fifteen calendar days of the meeting, the Administrator conducting the Annual Professional Performance Review shall submit to the teacher a detailed written response to the Appeal. The teacher initiating the appeal shall receive a copy of the entire response, including supporting documentation.

For a tenured teacher who received a rating of highly effective or effective, or a non-tenured teacher who received any rating, the Administrator's determination shall be final; if that teacher disagrees with the response, the teacher may submit a written statement outlining the basis for that disagreement to be included in his or her file along with the disputed Annual Professional Performance Review or TIP.

If a tenured Covered Unit Member received a rating of developing or ineffective and disagrees with the Administrator's response to the challenge, the teacher may submit the challenge within 10 business days, the Administrator's response, and a written statement explaining in detail the reason(s) for disagreement with the response to a Professional Standards Panel (PSP) comprised of two District administrators – other than the evaluator and two representatives of LTA. Within ten calendar days, the PSP shall review the entire record of the appeal and determine whether the APPR and/or process had been followed, and if not, whether such non-compliance had an impact on the APPR and/or TIP. If the PSP's findings are negative, the initial determination shall be sustained. The teacher may appeal the PSP determination to the Superintendent within five calendar days. If the PSP finds there was a substantive or procedural error that had an impact on the APPR or TIP, the appeal shall be immediately referred to the Superintendent of Schools. Upon an appeal to the Superintendent, a meeting will be scheduled to discuss the appeal. A Covered Unit Member may select a LTA representative and/or NYSUT Labor Relations Specialist/LTA president to participate in the meeting. The Superintendent shall render a final determination on the challenge within ten calendar days thereafter.

A challenge or determination under this appeal process shall not be the subject of a grievance, and the arbitration provisions of the Collective Negotiations Agreement shall not apply to matters under this section. The teacher retains any defenses he or she may have in the event the APPR is utilized in a subsequent 3020-a proceeding and according to Education Law 3020-b. Nothing in this appeals process shall be construed to alter or diminish, or in any way restrict or affect the District's non-reviewable authority to terminate the appointment of or deny tenure to a probationary teacher for statutorily and constitutionally permissible reasons including the performance that is the subject of the appeal, at any time including during the pendency of an appeal under this section, and any such termination or denial shall not in any way be subject to the grievance and arbitration process of the Collective Negotiations Agreement.

Any TIP that was implemented as a result of an APPR that is subsequently modified as a result of the appeals process shall be modified (or eliminated if the appeals process eliminates the reason for the TIP) to reflect any change in the APPR as a result of that process.

All appeals will be concluded in a timely and expeditious manner, in accordance with Education Law 3012-d.

6.5) Assurance: Evaluators

Please check the box below.

- ☒ The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

All evaluators (district and independent) and lead evaluators of the district shall be trained annually and certified/recertified by the governing body of the district to conduct evaluations under the Education Law 3012d and Regents Rules 30-3. The Orleans-Niagara BOCES Network Team will provide the training in a three hour session once per year. Documentation and attendance rosters serve as evidence of participation. All evaluators and lead evaluators will continue to participate in refresher trainings.

In addition, the District will conduct at least two interrater reliability activities of at least one hour duration, bringing all evaluators together for the training using Danielson Rubric calibration materials. All evaluators will view lessons, evaluate them independently using the approved rubric, and compare the results on each of their independent calculations of the observed teacher's performance to create consistency among District raters.

6.7) Assurances: Teacher Evaluation

Please check all of the boxes below.

- ☒ Assure that the district/BOCES shall compute and provide to the teacher their score and rating for the Student Performance category, if available, and for the Teacher Observation category for the teacher's Annual Professional Performance Review, in writing, no later than the last school day of the school year for which the teacher is being measured, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- ☒ Assure that the evaluation system will be used as a significant factor for employment decisions.
- ☒ Assure that teachers will receive timely and constructive feedback as part of the evaluation process.
- ☒ Assure that the following prohibited elements listed in Education Law §3012-d(6) are not being used as part of any teacher's evaluation: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of teacher effectiveness; any district or regionally-developed assessment that has not been approved by the Department; and any growth or achievement target that does not meet the minimum standards as set forth in regulations of the Commissioner. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall compute and provide teachers whose Student Performance Category measures are based, in whole or in part, on the grades 3-8 ELA/math State assessments and/or State-provided growth scores with their APPR transition scores and ratings as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall provide such teachers with their original composite rating by September 1 of the school year next following the school year for which the teacher's performance is being measured, or as soon as practicable thereafter.

6.8) Assurances: Assessments

Page Last Modified: 08/09/2016

Please check all of the boxes below.

- ☒ Assure that, where applicable, if students in Common Core courses are taking both the 2005 Learning Standards and Common Core versions of the Regents Assessment, then the district/BOCES will use the higher of the two scores to determine whether a student has met his/her growth target.
- ☒ Assure that the amount of time devoted to traditional standardized assessments that are not specifically required by state or federal law for each classroom or program within a grade level does not exceed, in the aggregate, one percent of the minimum required annual instructional hours for the grade.
- ☒ Assure that individuals with vested interest in the outcome of their assessments are not involved, to the extent practicable, in the administration and scoring of those assessments.
- ☒ Assure that, where applicable, if your district/BOCES has indicated that more than one version of a Regents assessment for a content area will be used as the underlying evidence for an SLO, that the district/BOCES will only administer both assessments within the timeframes prescribed by the Commissioner. Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

6.9) Assurances: Data**Please check all of the boxes below.**

- ☒ Assure that SED will receive accurate teacher and student data, including enrollment and attendance data, and any other student, teacher, school, course, and teacher/student linkage data necessary to comply with regulations, in a format and timeline prescribed by the Commissioner.
- ☒ Assure that the district/BOCES provides an opportunity for every classroom teacher to verify the subjects and/or student rosters assigned to them.
- ☒ Assure scores and ratings for all teachers will be reported to NYSED for each category, as well as the overall rating, as per NYSED requirements.
- ☒ Assure that enrolled students in accordance with teacher of record policies are included and may not be excluded.

Annual Professional Performance Review - Education Law §3012-d**Task 7. Original Student Performance - Required (Principals) - Original Task 7.1 (State-Provided Growth Measures)**

Page Last Modified: 08/08/2016

Task 7) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

7.1) State-Provided Measures of Student Growth (Original)

For principals with at least 30% of their students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model. Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments with a State-provided growth measure, (e.g., K-5, PK-6, 6-8, 6-12, 9-12, etc.). For principals where less than 30% of their students are covered under a State-provided growth measure, such principals shall have an SLO consistent with a goal setting process determined or developed by the Commissioner that results in a student growth score; provided that for any grade-level/course that ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO. (See Guidance for more detail on principals with State-provided measures and SLOs.)

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal.

Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, PK-6, 6-8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for the back-up SLO beginning in the 2019-20 school year.

For each grade configuration indicate the following:

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: assessment(s) used**

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) assessment(s)
Grades K-6 Building	K	6	NYS Grade 4 ELA, NYS Grade 5 ELA, NYS Grade 6 ELA, NYS Grade 4 Math, NYS Grade 5 Math, NYS Grade 6 Math
Grades 7-12 Building	7	12	All applicable Regents assessments which are used to generate the principal's State-provided growth score

Using the table below, please select the assessment(s) that will be used for the back-up SLOs beginning in the

7.1) Assurances

Please check the boxes below.

- ☒ Assure that the growth score provided by NYSED will be used, where required.
- ☒ Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all principals who receive a State-provided growth score in the event that a State-provided growth score cannot be generated for that principal.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

7.4) Principals with More Than One Growth Measure (Original)

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO

Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

7.5) Assurances**Please check all of the boxes below.**

- ☒ Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- ☒ Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- ☒ Assure that all growth targets are approved by the superintendent or another trained administrator.
- ☒ Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- ☒ Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

7.6) Student Performance Subcomponent Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Task 7) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)*The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.*

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

For guidance on the use of alternate SLOs during the transition period, see: <https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations>.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

For each grade configuration indicate the following:

- **Column 1:** lowest grade that corresponds to the building or program
- **Column 2:** highest grade that corresponds to the building or program
- **Column 3:** measure used
- **Column 4:** assessment(s) used

Follow the examples below.

Grades 11-12 Building	11	12	Principal-specific results	Common Core English, US History

Using the table below, please select the assessment(s) that will be used for the alternate SLOs during the 2016-17 through 2018-19 school years for each grade configuration listed. In all other school years, the SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

Task 11. Additional Requirements (Principals) - Tasks 11.1-11.9

Page Last Modified: 08/09/2016

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

While a principal is not authorized to trigger the appeal process until he or she receives a composite rating, principals are encouraged to seek clarification or ask questions at any point in the evaluation process. Only a principal who is covered by N.Y. Education Law § 3012d ("Covered Unit Member" or "principal") may appeal the result of a performance review and/or an improvement plan pursuant to the following procedure: a. A principal may challenge only the substance of an APPR, the District's adherence to the statutory standards and methodologies required for such review, the District's compliance with its own procedures and timelines for conducting the APPR and the Regulations of the Commissioner of Education and/or the issuance or implementation of a principal improvement plan ("PIP"). Such challenge must be submitted in writing to the Administrator performing the review, together with any supporting documentation. The challenge must explain in detail the specific reason(s) why the matter identified is the subject of the challenge. A principal may not file multiple appeals regarding the same APPR or PIP. All grounds for appeal must be raised with specificity within one appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived. All supporting information must also be submitted at the time the appeal is filed. Any information not submitted at the time the appeal is filed shall not be considered. In an appeal, the principal has the burden of demonstrating a clear legal right to the relief requested and the burden of establishing the facts upon which he or she seeks relief. The challenge must be submitted within fifteen calendar days of the receipt of the APPR and/or PIP which is the subject of the challenge, or other act complained of, or it is deemed waived. For purposes of this appeals process, calendar days shall exclude the periods of the Winter, Mid-Winter and Spring recesses. The administrator involved will schedule a meeting within 15 calendar days of receipt of a written appeal to discuss the challenge. Within fifteen calendar days of the meeting, the Administrator who issued the APPR and/or PIP shall submit to the principal a detailed written response to the Appeal. The response must include any additional documents or written materials specific to the point(s) of disagreement that support the response and are relevant to the resolution of the appeal. For a tenured principal who received a rating of "highly effective", or "effective" or a non-tenured principal who received any rating, including "ineffective", the Administrator's determination shall be final. If that principal disagrees with the response, the principal may submit a written statement outlining the basis for that disagreement to be included in his or her file along with the disputed Annual Professional Performance Review. b. If a tenured principal received a rating of "ineffective" or "developing" and disagrees with the Administrator's response to the challenge, the principal may submit the challenge, the Administrator's response, and a written statement explaining in detail the reason(s) for disagreement with the response to the Superintendent of Schools within 15 calendar days of receipt of the administrator's response. A meeting will be scheduled within 15 days of the receipt of the written appeal of the administrator's decision of the appeal in part A to discuss the appeal. . The Superintendent shall render a final determination on the challenge within 15 calendar days thereafter. 3 of 5 c. A challenge or determination under this appeal process shall not be the subject of a grievance, and the arbitration provisions of the Collective Negotiations Agreement shall not apply to any such challenge or determination. The principal retains any defenses he or she may have in the event the APPR or PIP is utilized in a subsequent 3020-a proceeding and according to Education Law 3020b. Nothing in this appeals process shall be construed to alter or diminish, or in any way restrict or affect the District's non-reviewable authority to terminate the appointment of or deny tenure to a probationary principal at any time including during the pendency of an appeal for statutorily and constitutionally permissible reasons. d. An evaluation that is the subject of an appeal shall not be sought to be offered in evidence or placed in evidence in any proceeding conducted pursuant to Education Law § 3020a, 3020b, or any locally negotiated alternate disciplinary procedure until the appeal process is concluded. e. Nothing in this section shall be construed to alter or diminish the authority of the governing body of a district to grant or deny tenure to or terminate probationary principals or probationary building principals during the pendency of an appeal pursuant to this section for statutorily and constitutionally permissible reasons, including the principal's performance that is the subject of the appeal.

11.5) Assurance: Evaluators**Please check the box below.**

- ☒ The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a principal's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

11.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;

- 4) the nature (content) and the duration (how many hours, days) of such training.

Annual Professional Performance Review - Education Law §3012-d**Task 11. Additional Requirements (Principals) - Tasks 11.1-11.9**

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

- A. The District must ensure evaluators have appropriate training before conducting evaluations. All evaluators will be appropriately trained on the new APPR requirements, but only lead evaluators need to be certified. The District and ON BOCES shall provide appropriate training and certify lead evaluators.
- B. The lead evaluator is the primary person responsible for a teacher or principal evaluation. Typically, the lead evaluator is the person who completes and signs the summative APPR. To the extent possible, the principal shall be the lead evaluator of a classroom teacher.
- C. An evaluator is any individual who conducts an evaluation of a teacher, including any person who conducts an observation or assessment as part of a teacher evaluation. For teachers, an evaluator may be a principal or other trained administrator.
- D. The District has chosen to use the SED Training Program issues through ON BOCES for their certification process.
- The District will provide training to evaluators and lead evaluators through the process established and provided by the ON BOCES. The duration of the training has been determined by the ON BOCES. This training process includes, but is not limited to, the required 9 training elements set forth under Section 30-3.10(b) of the Regents Rules.
- E. Training shall be linked to the selected rubric. The District shall coordinate with ON BOCES in regards to the training and certification of evaluators and lead evaluators. Such training and recertification, shall, as required by the Commissioner's regulations, include a process of ensuring maintenance of certification, a process for ensuring inter-rater reliability and a process for recertifying lead evaluators.
- F. In order to address the issue that there may not be a sufficient number of certified evaluators, the APPR regulations were adjusted to allow for certified school administrators and superintendents of schools to conduct classroom observations as part of an APPR. The certified school administrator must be enrolled in the training and successfully complete the program prior to the completion of the principals evaluation. The Superintendent shall annually review the status of each evaluator and lead evaluator to ensure satisfactory completion of the training program. Updates on training will be held annually through the ON BOCES and the Superintendent shall annually certify or recertify lead evaluators. The Superintendent's process shall include, but not be limited to, a review and analysis of the lead evaluators' inter-rater reliability over time and comparisons of a lead evaluator's assessment with another evaluator's assessment of the same teacher as set forth under Section 30-3.10(b) of the Regents Rules.
- G. As part of the APPR Plan, the district sets forth below its agreed upon training strategy and designated evaluators and lead evaluators accordingly:
 **All lead evaluators will attend the SED developed training programs provided at ON BOCES. Additionally, the district will provide for monthly calibration to insure inter-rater reliability among evaluators.
- H. The duration of the training is 3-5 days.

11.7) Assurances: Principal Evaluation**Please check all of the boxes below.**

- ☒ Assure that the district/BOCES shall compute and provide to the principal their score and rating for the Student Performance category, if available, and for the Principal School Visit category for the principal's Annual Professional Performance Review, in writing, no later than the last school day of the school year for which the principal is being measured, but in no case later than September 1 of the school year next following the school year for which the principal's performance is being measured.
- ☒ Assure that the evaluation system will be used as a significant factor for employment decisions.
- ☒ Assure that principals will receive timely and constructive feedback as part of the evaluation process.
- ☒ Assure that the following prohibited elements listed in Education Law §3012-d(6) are not being used as part of any principal's evaluation: evidence of student development and performance derived from lesson plans, other artifacts of principal practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of principal effectiveness; any district or regionally-developed assessment that has not been approved by the department; and any growth or achievement target that does not meet the minimum standards as set forth in regulations of the Commissioner. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall compute and provide principals whose Student Performance Category measures are based, in whole or in part, on the grades 3-8 ELA/math State assessments and/or State-provided growth scores with their APPR transition scores and ratings as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the principal's performance is being measured.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall provide such principals with their original composite rating by September 1 of the school year next following the school year for which the principal's performance is being measured, or as soon as practicable thereafter.
