Gordon Brosdal, Superintendent  
Mount Sinai Union Free School District  
North Country Road  
P.O. Box 397  
Mount Sinai, NY 11766

Dear Superintendent Brosdal:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia  
Commissioner

**NOTE:**

Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

### Task 1. School District Information - Tasks 1.1, 1.2

Page Last Modified: 09/21/2016

#### Task 1) Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

#### 1.1) Assurances

##### Please check all of the boxes below

- Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

#### 1.2) Submission Status

**Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?**

## Task 2) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

*100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.*

**(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.**

**(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.**

### 2.1) Assurances

*Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).*

**Please check the boxes below.**

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

### 2.2) Grades 4-8 ELA and Math: Assessments (Original)

#### STATE-PROVIDED MEASURES OF STUDENT GROWTH

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

**2.12) Teachers with More Than One Growth Measure (Original)**

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

**2.13) Assurances**

Task 2. Original Student Performance - Required (Teachers) - Original Tasks 2.10 (Other Courses), 2.11-2.14

Page Last Modified: 09/21/2016

**Please check the boxes below.**

- Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

**2.14) Use of the Optional Subcomponent and Student Performance Category Weighting**

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Page Last Modified: 09/21/2016

### Task 2) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

*The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.*

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

For guidance on the use of alternate SLOs during the transition period, see: <https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations>.

**100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.**

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

**During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.**

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

### 2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

**Using the table below, please first select a measure and assessment(s) that will be used for the alternate SLO during the 2016-17 through 2018-19 school years, then indicate the applicable courses.**

Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one alternate SLO, the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO.

(A) a second State-provided growth score on a State-created or administered test, provided that the State-provided growth measure is different than that used in the Required subcomponent, or

(B) a growth score based on a State-designed supplemental assessment, calculated using a State-provided or approved growth model.

For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

### 4.1) Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching	(No Response)

### 4.2) Assurances

Please check all of the boxes below.

- Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year.
- Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

### 4.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable sub-components will be weighted equally and averaged.

### 4.4) Calculating Observation Ratings

#### Assurances

Please check the boxes below.

- Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.
- Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.4(d)(2)(i)(b)(2) of the Rules of the Board of Regents.

## Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9

Page Last Modified: 09/21/2016

**Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.**

The annual evaluation of a teacher shall be presented to the teacher by the Principal/Department Director.  
Appealing the Annual Professional Performance Review.

Appeals shall be limited to those evaluations resulting in a rating of Developing or Ineffective. The results of the appeal process are final and are not subject to the grievance procedure of the CBA, except as to enforce violations of the procedural aspects of the APPR process as set forth herein. The decision of the committee, including that of the tie-breaker, is not reviewable in any other forum, except in the event the appellant is ultimately subject to a §3020-a or 3020-b hearing, as referenced in Regents Rules 30-3.12 (c).

These following are the identified steps in the appeals process. They must be followed sequentially and within the indicated timelines.

There are no exceptions to this process.

**Step 1:**

Within five (5) business days from the receipt of the final evaluation document for appeals of ratings or within five (5) business days of the receipt of the Teacher Improvement Plan, the recipient is required to submit to the building principal a written request to meet and review the evaluation document. The TIP is to be implemented by October 1, or as soon as practicable of the school year. The building principal may bring additional building administrators to this meeting. MSTA representation at this meeting shall be scheduled. Such meeting shall occur within five (5) business days of receipt of request. If at the end of this meeting, the recipient does not believe that his/her perspective was heard or the issue not addressed satisfactorily, he/she may choose to move forward to Step 2 as long as his/her request for appeal meets the aforementioned criteria.

**Step 2:**

Within five (5) business days after the meeting with the building principal, the recipient is required to submit to the Superintendent of Schools a written request to meet with the District Appeals Committee within five (5) business days of receiving the written request the meeting shall be completed.

The role of the Appeals Committee shall be to review any and all claims made by the appellant, which in accordance with §3012-d, may include the following:

- 1) The substance of the teacher's annual professional performance review including overall HEDI category.
- 2) The District's adherence to the standards and methodologies required for such reviews pursuant to Education Law §3012-d.
- 3) The District's adherence to the Commissioner's Regulations, as applicable to such reviews.
- 4) Compliance with any applicable locally negotiated procedures.
- 5) The District's issuance and/or implementation of the terms of the teacher improvement plan.

The committee has no authority to review any claim of those matters covered under New York State Human Rights law, Title 7 of the Civil Rights Act 1965 or 1966 or other discriminatory law reviewable under federal EEOC.

The committee will be constituted as follows:

- Two (2) MSTA members chosen by the MSTA

**Annual Professional Performance Review - Education Law §3012-d**

## Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9

Page Last Modified: 09/21/2016

- Two (2) MSAA members
- The Superintendent

The MSTA and MSAA members must be chosen by mutual agreement between the MSTA and MSAA Presidents and will serve as voting members of the appeals committee. The MSAA members and Superintendent cannot serve on the committee if they were the evaluator of the appellant. The Superintendent will attend the appeals proceedings but will serve as a non-voting member, except in the case of a tie. The Appeal's committee will conclude its meeting within five (5) business days of all members being selected. A determination shall be by the committee within five (5) business days of hearing the appeal.

In the event of a 2-2 tie, for individuals who have been rated Developing or Ineffective, or in appealing their tip, the Superintendent will cast the deciding vote

on the matter of the appeal within five (5) business days of receipt of the Committee tie vote. This tie breaking procedure will remain in effect for as long as Gordon Brosdal is Superintendent. The Superintendent shall be responsible for breaking the tie within five (5) business days of being notified of deadlock.

When Gordon Brosdal is no longer Superintendent, the parties will re-negotiate the procedure for those appeals ending in a tie at the committee level. Any changes in the appeals process shall be in accordance with Education Law 3012-d and subject to approval by NYSED. Appeals will occur in a timely and expeditious fashion. While the parties are in negotiations, as described above, the following procedure will stay in effect: In the event of a 2-2 tie, for individuals who have been rated Developing or Ineffective, the parties will submit the matter to a neutral, third party who is not an employee of the District and who is experienced in evaluating classroom performance as well as the process of effective performance management in a K-12 and/or higher education setting. The appellant must notify the District of his or her intent to seek a tie-breaker within 5 days of the committee announcing that they are deadlocked. In reaffirming the scope of the panel's authority, the tie-breaker will be limited to determining in his or her judgment, whether the rating given to the teacher under the APPR is accurate and appropriate based on the information provided or if it should be raised as per the appellant's assertion.

The tie-breaker will not reconvene a hearing but will have authority to meet and/or speak with the appellant and evaluator along with any witnesses produced within five (5) days of receipt of notice. The tie-breaker will have full access to documents introduced and to any transcripts made. The tie-breaker, will have the sole determination over how involved he/she wishes to manage the process, subject to any budgetary cap that the parties set. The tie-breaker's findings are deemed final and binding.

The District shall maintain a current listing of individuals designated as tie-breakers. The parties will mutually make the selection from the list. Upon selection, a representative of the committee will notify the tie-breaker of their designation.

The list of approved tie-breakers may be modified from time to time, with either the MSTA or the District indicating to the other party a desire to replace a panelist. Provided the list contains at least five panelists, a removed panelist need not be replaced. Should either party seek to remove a panelist, resulting in the list falling below five panelists, the moving party is responsible for offering a replacement, who the other party must agree to seat. Upon mutual appointment, the panelist is deleted and new one is appointed. The final results of the appeal will be final.

All appeals will be handled in a timely and expeditious fashion in accordance with Education Law 3012-d. When Gordon Brosdal is no longer superintendent a new APPR plan will be submitted, subject to a material change request and subject to approval by NYSED.

- The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

**6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators**

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

Page Last Modified: 09/21/2016

**Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**

All Evaluators (evaluators, lead evaluators and independent evaluators) who participate in the evaluation of teachers for the purpose of determining an APPR rating shall be fully trained and/or certified as required by Education Law 3012-d and the implementing Regulations of the Commissioner of Education prior to conducting a teacher evaluation.

The Building Principals will serve as the lead evaluators for the teachers in the Mount Sinai School District. The district has selected and received agreement with the Mount Sinai Teachers Association to utilize the Danielson Framework for Teaching Rubric. All Evaluators will participate in both the two (2) Full-Day trainings in the Danielson Framework for Teaching Rubric and will continue to participate in ongoing training that is offered by ESBOCES and the district throughout the school year. These sessions have targeted the key elements that are required for the certification as a lead evaluator. The district provides professional development to Principals and Administrators at monthly administrative meetings and at several training sessions for all Evaluators throughout the year.

The district will continue to require evaluators to attend BOCES and district sponsored trainings which will address the following areas from Regents Rules 30-3.10:

- (1) The New York State Teaching Standards, and their related elements and performance indicators and the Leadership Standards and their related functions, as applicable
- (2) Evidence-based observation techniques that are grounded in research
- (3) Application and use of the student growth percentile model and any other growth model approved by the Department as defined in section 30-3.2 of this Subpart
- (4) Application and use of the State-approved teacher rubric(s) selected by the district/BOCES for use in evaluations, including training on the effective application of such rubrics to observe a teacher's practice
- (5) Application and use of any assessment tools that the school district/BOCES utilizes to evaluate its classroom teachers
- (6) Application and use of any locally selected measures of student growth used in the Optional subcomponent of the Student Performance category used by the district/BOCES to evaluate its teachers
- (7) Use of the Statewide Instructional Reporting System
- (8) The scoring methodology utilized by the Department and/or the district/BOCES to evaluate a teacher under this Subpart, including the weightings of each subcomponent within a category; how overall scores/ratings are generated for each subcomponent and category and application and use of the evaluation matrix(es) prescribed by the Commissioner for the four designated rating categories used for the teacher's overall rating and their category ratings
- (9) Specific considerations in evaluating teachers of English language learners and students with disabilities

Two times per year, all Evaluators will engage in full-day re-training using videos of common lessons and use the evidence and Danielson Rubric to assess instruction. This is to maintain inter-rater reliability. All Evaluators will watch a video showing a classroom lesson and gather evidence from the viewing. At the end of the video, the evidence will be evaluated using the rubric. All Evaluators will compare the evidence gathered and the evaluation using the rubric. Discussion will focus on similarities and differences in observations to illustrate how to gather appropriate evidence and apply the rubric accurately and consistently among departments and buildings. All Evaluators will participate in full-day ESBOCES sponsored workshops to ensure that they maintain inter-rater reliability over time. Additional training and data analysis sessions will be planned as needed and as available through BOCES.

The evidence of all the training will be presented to the Board of Education who will certify that each principal is highly qualified to be the lead evaluator and that all Evaluators have received appropriate training. The Board will re-certify the lead evaluators each school year after reviewing the ongoing training they have received.

- Assure that the district/BOCES shall compute and provide to the teacher their score and rating for the Student Performance category, if available, and for the Teacher Observation category for the teacher's Annual Professional Performance Review, in writing, no later than the last school day of the school year for which the teacher is being measured, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- Assure that the evaluation system will be used as a significant factor for employment decisions.
- Assure that teachers will receive timely and constructive feedback as part of the evaluation process.
- Assure that the following prohibited elements listed in Education Law §3012-d(6) are not being used as part of any teacher's evaluation: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of teacher effectiveness; any district or regionally-developed assessment that has not been approved by the Department; and any growth or achievement target that does not meet the minimum standards as set forth in regulations of the Commissioner. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall compute and provide teachers whose Student Performance Category measures are based, in whole or in part, on the grades 3-8 ELA/math State assessments and/or State-provided growth scores with their APPR transition scores and ratings as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall provide such teachers with their original composite rating by September 1 of the school year next following the school year for which the teacher's performance is being measured, or as soon as practicable thereafter.

**6.8) Assurances: Assessments****Please check all of the boxes below.**

- Assure that, where applicable, if students in Common Core courses are taking both the 2005 Learning Standards and Common Core versions of the Regents Assessment, then the district/BOCES will use the higher of the two scores to determine whether a student has met his/her growth target.
- Assure that the amount of time devoted to traditional standardized assessments that are not specifically required by state or federal law for each classroom or program within a grade level does not exceed, in the aggregate, one percent of the minimum required annual instructional hours for the grade.
- Assure that individuals with vested interest in the outcome of their assessments are not involved, to the extent practicable, in the administration and scoring of those assessments.
- Assure that, where applicable, if your district/BOCES has indicated that more than one version of a Regents assessment for a content area will be used as the underlying evidence for an SLO, that the district/BOCES will only administer both assessments within the timeframes prescribed by the Commissioner. Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

Task 7. Original Student Performance - Required (Principals) - Original Task 7.1 (State-Provided Growth Measures)

Page Last Modified: 09/21/2016

### Task 7) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

**100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent**

**(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.**

**(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.**

### 7.1) State-Provided Measures of Student Growth (Original)

For principals with at least 30% of their students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model. Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments with a State-provided growth measure, (e.g., K-5, PK-6, 6-8, 6-12, 9-12, etc.). For principals where less than 30% of their students are covered under a State-provided growth measure, such principals shall have an SLO consistent with a goal setting process determined or developed by the Commissioner that results in a student growth score; provided that for any grade-level/course that ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO. (See Guidance for more detail on principals with State-provided measures and SLOs.)

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal.

**Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, PK-6, 6-8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for the back-up SLO beginning in the 2019-20 school year.**

**For each grade configuration indicate the following:**

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: assessment(s) used**

*Follow the examples below.*

	(1) lowest grade	(2) highest grade	(3) assessment(s)
Grades K-6 Building	K	6	NYS Grade 4 ELA, NYS Grade 5 ELA, NYS Grade 6 ELA, NYS Grade 4 Math, NYS Grade 5 Math, NYS Grade 6 Math
Grades 7-12 Building	7	12	All applicable Regents assessments which are used to generate the principal's State-provided growth score

Page Last Modified: 09/21/2016

Using the table below, please select the assessment(s) that will be used for the back-up SLOs beginning in the 2019-20 school year for each grade configuration listed. The SLO will be based on the largest grades/courses in the principal’s school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

5	8	<input checked="" type="checkbox"/> Grade 5 ELA <input checked="" type="checkbox"/> Grade 6 ELA <input checked="" type="checkbox"/> Grade 7 ELA <input checked="" type="checkbox"/> Grade 8 ELA <input checked="" type="checkbox"/> Grade 5 Math <input checked="" type="checkbox"/> Grade 6 Math <input checked="" type="checkbox"/> Grade 7 Math <input checked="" type="checkbox"/> Grade 8 Math
9	12	<input checked="" type="checkbox"/> All applicable Regents assessments which are used to generate the principal's State-provided growth score

**7.1) Assurances**

Please check the boxes below.

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all principals who receive a State-provided growth score in the event that a State-provided growth score cannot be generated for that principal.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

Task 7. Original Student Performance - Required (Principals) - Original Tasks 7.2 (SLOs), 7.3-7.6

## 7.2) Student Learning Objectives (Original)

For guidance on SLOs, see NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

SLOs must be used for principals in buildings or programs in which fewer than 30% of students take Grades 4-8 ELA, math, and/or high school courses with State or Regents assessments. SLOs will be developed using the grades/courses covering the most students in the school or program and continuing until at least 30% of students in the school or program are covered by SLOs. The district/BOCES must select the type of assessment that will be used with the SLO from the options below.

- If any grade/course in the building has a State-provided growth measure AND the principal must have SLOs because fewer than 30% of students in the building are covered, then the SLOs must begin first with the SGP results.
- Additional SLOs must then be set based on grades/subjects with State assessments for which there is no State-provided growth measure, where applicable.
- If additional SLOs are necessary, principals must begin with the grade(s)/course(s) that have the largest number of students using school-wide student results from one of the following assessment options:
- State-approved 3rd party assessment; or
- State-approved district, regionally, or BOCES-developed course-specific assessment.

For each grade configuration indicate the following:

- **Column 1:** lowest grade that corresponds to the building or program
- **Column 2:** highest grade that corresponds to the building or program
- **Column 3:** measure used
- **Column 4:** assessment(s) used

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) measure	(4) assessment(s)
Grades K-2 Building	K	2	District- or BOCES-wide results	Common Core English, Common Core Algebra, Living Environment, Global 2, US History
Grades 11-12 Building	11	12	Principal-specific results	Common Core English, US History

Using the table below, please select the measure and assessment(s) that will be used for the SLOs for each grade configuration listed. During the 2016-17 through 2018-19 school years, SLOs that use grade 3-8 ELA/math State assessments as their underlying assessments must be excluded from the calculation of transition scores and ratings.

## 7.4) Principals with More Than One Growth Measure (Original)

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

## 7.5) Assurances

**Please check all of the boxes below.**

- Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

## 7.6) Student Performance Subcomponent Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

**100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent**

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

**During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.**

### 7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

**Using the table below, please select the assessment(s) that will be used for the alternate SLOs during the 2016-17 through 2018-19 school years for each grade configuration listed. In all other school years, the SLO will be based on the largest grades/courses in the principal’s school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.**

### 9.2) Assurances

Please check all of the boxes below.

- Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for a principal assigned to different grade level configurations or building types.

All observable domains/sub-components will be weighted equally and averaged.

### 9.4) Calculating School Visit Ratings

#### Assurances

Please check the boxes below.

- Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second school visit(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the school visit(s) required to be performed by the Superintendent/supervisor or his/her designee. See Section 30-3.5(d)(1)(ii)(a) of the Rules of the Board of Regents.
- Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 9 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.5(d)(1)(ii)(b) of the Rules of the Board of Regents.

- (9) Specific considerations in evaluating principals of English language learners and students with disabilities

The Lead Evaluator will conduct one school visitation of each tenured principal using the Multidimensional Principal

Performance Rubric during the school year. The Independent Evaluator will conduct one school visitation of each tenured principal using the Multidimensional Principal Performance Rubric during the school year. The evidence gathered from each visitation will be reviewed jointly and aligned to the rubric to determine a rating. This process will be used to ensure inter-rater reliability.

## Teacher Improvement Plans (TIP)

The Teacher Improvement Plan (TIP) is a structured plan and approach aimed at supporting and encouraging focused, identified areas for professional reflection and growth. The purpose of a TIP is to increase awareness and assist individual educators to achieve their fullest potential.

The Mount Sinai Union Free School District recognizes that there is a substantial difference between teachers rated as ineffective or developing. In fact, during discussions the APPR committee shared how the make-up of a class could potentially influence the teacher's rating. With this in mind, we recognize that there may be different approaches to support a teacher depending upon what the APPR process indicates.

Upon receiving a rating of Developing or Ineffective, a teacher shall be provided with a TIP. The TIP shall be provided by October 1, or as soon as practicable. The Parties understand and agree that the sole and exclusive purpose of a TIP is the improvement of teaching practice. The TIP shall be developed in consultation with the teacher, and Association representation shall be afforded at the teacher's request. The teacher shall be advised of his/her right to such representation. Such notice shall be given at least 24 hours prior to the meeting in which the TIP will be developed. The Association president shall be timely informed whenever a teacher is placed on a TIP and, with the agreement of the teacher, shall be provided with a copy of the TIP.

A TIP shall clearly specify: (i) the area(s) in need of improvement; (ii) the performance goals, expectations, benchmarks, standards and timelines the teacher must meet in order to achieve an effective rating; (iii) how improvement will be measured and monitored, and provide for periodic reviews of progress; and (iv) the appropriate differentiated professional development opportunities, materials, resources and supports the District will make available to assist the teacher including, where appropriate, the assignment of a mentor teacher.

After the TIP is in place, the teacher, administrator, mentor (if one has been assigned) and an Association representative (if requested by the teacher) shall meet, according to the schedule identified in the TIP, to assess the effectiveness and appropriateness of the TIP, for the purpose of assisting the teacher to achieve the goals set forth in the TIP. Based on the outcome of such assessment(s), the TIP shall be modified accordingly.

If the individual educator feels that the TIP is not being addressed properly, they are required in writing to notify the Superintendent of Schools of their concerns. A copy of which shall be provided to the MSTA President within three (3) business days.

Reasonable costs associated with the implementation of a TIP including, but not limited to, tuition, fees, books and travel, shall be borne by the District in their entirety.

In accordance with current regulations, a TIP must be developed whenever a teacher receives a rating of Developing or Ineffective in their summative evaluation. Noting the aforementioned appeal process the teacher has the right to appeal the rating; the TIP process will be initiated no later than October 1st. If the teacher chooses not to appeal, then the principal will initiate the TIP process as indicated below.

Please note that this document speaks to TIPs resulting from APPR; it should be clear that should the District deem that a TIP is indicated before the annual APPR process concludes or at any time during the school year,

there is nothing to preclude the District from developing a TIP for a teacher for what they have determined is just cause. No TIP will be developed or initiated without the knowledge of the MSTA and the Superintendent.

After at least one (1) unsatisfactory formal observation, the teacher shall receive a written warning, followed by a meeting with the Association Representative where the teacher will receive specific written instructions/suggestions for improvement, for the purpose of keeping their position. A first year teacher has 60 school days to improve, a second year teacher has 45 school days to improve, and a third year teacher has 30 school days to improve. If the administrator makes a determination that “no improvement has been shown”, Education Law 3031 will be followed for dismissal.

## **Principal Improvement Plan**

The **Principal Improvement Plan (PIP)** is a structured plan designed to identify specific concerns in instruction and outlines a plan of action to address these concern. The purpose of a PIP is to assist principals to work to their fullest potential. The PIP provides assistance and feedback to the principal and establishes a timeline for assessing its overall effectiveness.

A PIP must be initiated whenever a principal receives a rating of *developing or ineffective* in any school year. The PIP must be in place no later than September 10th of the next school year following the developing or ineffective rating. Prior to its implementation the PIP will be signed and dated by all parties. The specific area or areas in need of improvement will be drawn from the evaluation criteria contained in the agreed upon rubric. The attached forms must be used during the PIP plan.

Each individual PIP shall be designed between the Superintendent or his/her designee and Association President in collaboration with the building principal with any differences to be resolved by a consensus determination. The association president will be notified when the district notifies the principal of an ineffective or developing rating.

The PIP plan developed must offer the Principal an experienced outside mentor mutually agreed upon by the Association and District. With the cost of said mentor being paid by the district. All conversations and dealings between the mentor and principal will be confidential, unless principal provides written permission to disclose.

A statement of differentiated activities designed to support improvement in the areas identified within the PIP shall be developed by the Superintendent or his/her designee after consultation with the principal. These activities may include, but are not limited to:

- Visitations and shadowing
- Workshops and seminars
- On-line courses and webinars
- Advanced degree work
- Professional texts, periodicals, and other literature
- Collegial Circles
- Guided observations
- Self-assessments
- Modeling from leader evaluator

All costs associated with any differentiated activities shall be born by the District.

No later than November 15<sup>th</sup> shall the Superintendent meet with the Building Principal on the PIP to discuss and assess the building principal's progress and provide written feedback to the principal regarding his/her progress on the PIP; on or before February 15<sup>th</sup> the Superintendent shall again meet with the Building Principal on the PIP to discuss and assess the building principal's progress and provide written feedback to the principal regarding his/her progress on the PIP; on or before April 15<sup>th</sup> the Superintendent shall again meet with the Building Principal on the PIP to discuss and assess the building principal's progress and provide written feedback to the principal regarding his/her progress on the PIP. If at anytime, the Superintendent believes that the goals have been met by the principal he/she shall sign a written acknowledgement of attainment.

In addition to the above meetings with the Superintendent, the building principal shall meet with the Assistant Superintendent in charge of Curriculum or its equivalent non-bargaining unit administrative position

periodically throughout the school year in order to discuss and assess the building principal's progress on the PIP and to be provided written feedback regarding his/her progress on the PIP. All meetings shall be documented on the attached form.

If at the end of the year the PIP goals are met or the administrator is rated "effective" the PIP will terminate.

If the principal is rated as *developing or ineffective* for any school year in which a PIP was in effect, a new plan will be developed by the principal and the Superintendent in collaboration with the Association adhering to the requirements contained herein with any additional measures in that subsequent school year the following the guidelines below.

**Any PIP plan created must consist of the following components:**

- I. **SPECIFIC AREAS FOR IMPROVEMENT**: Identify specific areas in need of improvement. Develop specific, behaviorally written goals for the principal to accomplish during the period of the Plan.
