**APPR Plan - Variance**

Marie Testa, Superintendent  
North Bellmore Union Free School District  
2616 Martin Avenue  
Bellmore, NY 11710

Dear Superintendent Testa:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan variance application meets the criteria outlined in section 30-3.16 of the Rules of the Board of Regents and has been approved. As a reminder, we are relying on the information you provided in your variance application, including the narrative descriptions, certifications, and assurances that are included in the application. During the approved term of this variance, your LEA will implement the variance along with all other remaining provisions of your approved APPR plan. If any material changes are made to your approved plan and/or the terms of your approved variance, your LEA must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class school leader to support their professional growth, and every student achieves success.

Thank you again for your hard work.

Sincerely,

Betty A. Rosa  
Interim Commissioner

## NOTE:

Only documents that are incorporated by reference in your APPR variance application have been reviewed and are considered as part of your approved APPR variance application; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR variance application but are not incorporated by reference have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan or variance and/or require corrective action.

Pursuant to section 30-3.16 of the Rules of the Board of Regents, please note that an LEA with an approved variance shall provide to the Department, upon its request, any documentation related to the implementation and efficacy of the approach proposed in the variance, including but not limited to: reports on the correlation in assigned ratings for different measures of the LEA's evaluation system and differentiation among educators within each subcomponent and category of the evaluation system

Your variance is approved for the 2020-21 school year. Because you requested this variance to address issues related to COVID-19, the approval of this variance for any future school years (up to a three school year period) is contingent on the continuation of the current COVID-19 pandemic notwithstanding your request for this variance to apply in future school years. Upon expiration of state-imposed restrictions or emergency measures related to the pandemic, or abatement of the pandemic, it is expected that your variance will no longer be required. As such, SED may withdraw its approval of this variance for any subsequent school years or may require a separate application or other documentation for continuation of the variance in future school years. Upon expiration of the approved term of your variance, you must implement the terms of your current APPR plan as approved by the Commissioner.

**Annual Professional Performance Review Variance (Education Law 3012-d)**

For guidance related to the Annual Professional Performance Review variance, see NYSED APPR Guidance.

At its October 2019 meeting, the Board of Regents amended sections 30-3 of the Rules of the Board of Regents to allow LEAs to apply for a variance from Annual Professional Performance Review (APPR) plan requirements to permit them to develop and implement new and innovative approaches to evaluation that meet the specific needs of the LEA, upon a finding by the Commissioner that the new and innovative approach demonstrates how it will ensure differentiated results over time and how the results of the evaluation will be used to provide personalized professional learning opportunities to teachers and principals, while complying with the requirements of Education Law §3012-d.

In instances where a variance is approved, the term(s) described in the approved variance will replace the related sections of the LEA's currently approved APPR plan. However, please note that all other terms as are present in the LEA's currently approved plan will remain in effect and must be implemented without modification.

Once a variance is approved by the Department, it shall be considered part of the LEA's APPR plan during the approved term of the variance. **In any instance in which there is an approved variance and such variance contains information that conflicts with the information provided in the approved Education Law §3012-d APPR plan, the provisions of the approved variance will apply during the approved term of the variance.**

**Variance Application Timeline**

**Variance applications must be approved by the Department by December 1 of a school year to be implemented in that school year.**

*Submission by November 1* is suggested to allow time for review, revision and approval in order to meet the approval deadline for implementation in the same school year.

**Absent a finding by the Commissioner of extraordinary circumstances, a variance application approved after December 1 of a school year will not be implemented until the following school year.**

For more information regarding the variance approval deadline, including a possible extension, please contact APPRVariance@nysed.gov.

**Variance Details***Please read the questions below and answer each prompt in a concise manner.***Rationale****Please provide a rationale for this variance request.****> Your rationale should include information regarding the specific, identified needs and/or challenges of the LEA, and how such needs and/or challenges inform development of the teacher observation variance request.**

For the 2020-2021 school year, the District is seeking to modify the observation protocols for our current situation—for health and safety reasons and to narrow the scope of the typically observed rubric components (since some are antithetical to the new in-person and virtual environments). Given the current set up and environment of our classrooms (ex: desks spread apart, desk shields, mask wearing, social distancing, etc), our APPR Committee met and analyzed our current plan. It was mutually decided with the North Bellmore Teachers' Association that the revised plan (as proposed above) would better serve during these unprecedented times. During our collective analysis of the rubric components, we ultimately decided that removing the components described above would better match our new environment, also allowing each observation to be shorter in duration to assist with our health and safety goals. In terms of reducing the number of formal observations from 3 to 2 for Year 2, 3, and 4 Probationary Teachers, based on their performance over the past year(s), we are confident that these teachers meet or exceed District standards. The District strategically planned to begin observations later this school year to allow our teachers and students to become acclimated to the new school environment. The decrease in the number of formal observations for this select group will assist our observers in completing all required observations in a timely manner. Since our Year 1 Probationary Teachers are new to the District, we will continue to conduct 3 formal observations for this cadre of teachers. The changes would be in effect for all teachers; those who instruct in-person classes and those who instruct virtual classes.

**Standards and Procedures**

Please provide a description of the standards and procedures that will be used in lieu of those included in the LEA's most recently approved evaluation plan.

> This description should include a specific, detailed explanation of the new and innovative approach that the LEA is seeking to implement as part of its variance request.

> This description should include, but not be limited to, a description of the alternate measures and/or evidence of teacher practice that will be used to evaluate educators.

For the 2020-2021 school year only, we are seeking to eliminate some of the Danielson rubric components we typically observe. Additionally, we are looking to decrease the number of formal observations that Year 2, 3 and 4 Probationary Teachers receive from 3 formal observations to 2 formal observations. All Year 1 Probationary Teachers will still receive 3 formal observations. All Tenured Teachers will still receive 1 formal observation. All teachers, Probationary and Tenured, will still receive 1 informal observation. The weighting associated with each type of observation for the purpose of calculating end of year overall scores will not change.

The components typically observed during formal/ announced observations are listed below. For 2020-2021 only, we are seeking to eliminate the components that are marked in ***bold italicized text***, labeled as ***(Eliminate)***. Even though we are reducing the number of subcomponents observed and reducing one observation for a small group of teachers (Year 2, 3 and 4 Probationary), we believe this subset of subcomponents will provide enough evidence to sufficiently determine a teacher's practice for all observations.

**Rigor**

**Please provide a description of how the LEA will ensure that evaluations are rigorous and enable strong and equitable inferences about the effectiveness of the LEA's educators.**

**> This description should include how rigor is achieved and maintained, including relevant processes and methodologies.**

**> This description may include, but is not limited to, how data will be used to draw inferences, including how the derived data informs decisions and guidance for the LEA's educators.**

The District is committed to upholding our typical rigorous observation process which includes comprehensive pre and post observation conferences, required lesson plan submittal, and substantive pre and post observation forms. Additionally, it was decided that while certain components would be temporarily eliminated for scoring purposes, the components would be discussed during pre and post observation conferences. In terms of reducing the number of formal observations from 3 to 2 for Year 2, 3, and 4 Probationary Teachers, based on their performance over the past year(s), we are confident that these teachers meet or exceed District standards. The data we gather will be used to make informed decisions regarding teacher effectiveness, instruction and professional development.

**Professional Learning**

**Please provide a description of how the LEA will use the information collected through the evaluation system, including the assigned effectiveness ratings, to provide personalized professional learning opportunities for educators.**

**> This description may include, but is not limited to, methodologies and procedures for:**

- **collecting information about educator effectiveness to inform professional learning,**
- **specific details regarding both the type(s) and extent of professional learning opportunities anticipated,**
- **processes for delivery of personalized learning opportunities, and**
- **use of data to measure the efficacy of such professional learning.**

The District is committed to the continued implementation of personalized professional learning opportunities for educators. The methodologies and procedures for collecting information about educator effectiveness to inform professional learning include teacher observation data and observer anecdotal notes, walk through observations, pre and post observation form analysis, teacher survey results as well as focus group conversations. The extent of professional learning opportunities include daytime and afterschool workshop sessions based on a variety of topics which include, but are not limited to, best practices in remote teaching and learning, enhancing literacy practices in reading and writing, mathematics, and mental health. Our processes for delivery of personalized learning opportunities capitalizes on our contractual 90 minute afterschool professional development sessions which are currently reliant on digital video conference platforms such as Zoom in addition to strategic and purposeful in-person sessions which adhere to health, safety and social distancing protocols.

The data used to measure the efficacy of such professional learning include, but are not limited to, teacher observation data and anecdotal notes, data from formative and summative assessments, and survey responses.

**Effectiveness of Implementation**

**Please provide a description of how the LEA will assess the effectiveness of the implementation of the variance.**

**> This description may include, but is not limited to, processes and procedures for:**

- **collection and analysis of both short- and long-term data,**
- **the standard(s) used to measure the effectiveness of implementation, and**
- **how results will be used to inform future implementation.**

As always, the District will assess the effectiveness of the implementation of our teacher observation plan, including the changes as requested in the variance. Short- and long-term data collection and analysis will be conducted on an ongoing basis as well as at the end of the year. The standards used to measure the effectiveness will include, but are not limited to, teacher observation data and observer anecdotal notes, walk through observations, pre and post observation form analysis, teacher survey results, focus group conversations, and data from formative and summative assessments. These results will be used to inform future implementation.

Marie Testa, Superintendent  
North Bellmore Union Free School District  
2616 Martin Avenue  
Bellmore, NY 11710

Dear Superintendent Testa:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia  
Commissioner

**NOTE:**

Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

## Task 1. School District Information - Tasks 1.1, 1.2

Page Last Modified: 09/27/2016

**Task 1) Disclaimers**

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

**1.1) Assurances****Please check all of the boxes below**

- ☒ Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- ☒ Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

**1.2) Submission Status**

**Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?**

Task 2. Original Student Performance - Required (Teachers) - Original Tasks 2.1 (Assurances), 2.2 (4-8 ELA/Math)

Page Last Modified: 09/06/2016

**Task 2) Original Required Student Performance Subcomponent**

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

*100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.*

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

**2.1) Assurances**

*Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).*

**Please check the boxes below.**

- ☒ Assure that the growth score provided by NYSED will be used, where required.
- ☒ Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- ☒ For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

**2.2) Grades 4-8 ELA and Math: Assessments (Original)****STATE-PROVIDED MEASURES OF STUDENT GROWTH**

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO

Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

**2.13) Assurances**

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance:

<https://www.engageny.org/resource/appr-3012-d>.

**Please check the boxes below.**

- ☒ Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- ☒ Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ Assure that all growth targets are approved by the superintendent or another trained administrator.
- ☒ Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- ☒ Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

**2.14) Use of the Optional Subcomponent and Student Performance Category Weighting**

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

**During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.**

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

**2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)**

**Using the table below, please first select a measure and assessment(s) that will be used for the alternate SLO during the 2016-17 through 2018-19 school years, then indicate the applicable courses.**

For guidance on the Optional subcomponent of the Student Performance measure, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

*Up to 50% of Student Performance category, if selected.*

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the district/BOCES and be either:

(A) a second State-provided growth score on a State-created or administered test, provided that the State-provided growth measure is different than that used in the Required subcomponent, or

(B) a growth score based on a State-designed supplemental assessment, calculated using a State-provided or approved growth model.

**3.1) Use of the Optional Subcomponent of the Student Performance Category**

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

NO, the Optional subcomponent WILL NOT be used in the Student Performance category for any teacher.

Page Last Modified: 09/06/2016

For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.**4.1) Teacher Practice Rubric**

**Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.**

Rubric Name	<b>If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.</b>
Danielson's Framework for Teaching (2013 Revised Edition)	(No Response)

**4.2) Assurances**

**Please check all of the boxes below.**

- ☒ Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- ☒ Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year.
- ☒ Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

**4.3) Process for Weighting Rubric Domains/Subcomponents**For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

**Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).**

Announced Observations will rate the following components from Danielson's Framework for Teaching (2013 version): Component 1e, All Components in Domain 2 and Domain 3, and Component 4a

Unannounced Observations will rate the following components from Danielson's Framework for Teaching (2013 version): Components 2a, 2b, 3a, 3b and 3c

All observable components within the announced and unannounced observations will be weighted equally and averaged. These two average scores will be weighted based on the information provided in Task 4.5 to assign the final score for the Observation Category.

**4.4) Calculating Observation Ratings****Assurances**

**Please check the boxes below.**

- ☒ Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

**Please also check the boxes below.**

- ☒ Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.
- ☒ Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.4(d)(2)(i)(b)(2) of the Rules of the Board of Regents.

## Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9

Page Last Modified: 09/23/2016

**Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.**

WHEREAS, Section 3012-d of the Education Law establishes a comprehensive annual evaluation system for classroom teachers, as well as the issuance and implementation of improvement plans for teachers whose performance is assessed as either developing or ineffective; and

WHEREAS, consistent with the aforementioned law, the parties have entered into negotiations to implement an appeals process in the event that a teacher wishes to challenge a performance review and/or improvement plan under the new evaluation system; and

WHEREAS, the appeal procedure set forth herein is intended to address a teacher's due process rights while ensuring that appeals are resolved in an expeditious manner.

The parties hereby agree as follows:

**1. APPEALS OF INEFFECTIVE AND DEVELOPING RATINGS ONLY**

Appeals of annual professional performance reviews will be available only to tenured teachers who are rated as ineffective or developing. Appeals of teacher improvement plans will be available only to tenured teachers.

**2. WHAT MAY BE CHALLENGED IN AN APPEAL**

Appeals will be limited to the following subjects:

- (1) the District's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d;
- (2) the adherence to the Commissioner's regulations, as applicable to such reviews;
- (3) compliance with any applicable locally negotiated procedures applicable to annual professional performance reviews or improvement plans; and
- (4) the District's issuance and/or implementation of the terms of a teacher improvement plan under Education Law §3012-d.

**3. PROHIBITION AGAINST MORE THAN ONE APPEAL**

A teacher may not file multiple appeals regarding the same performance review or improvement plan. All grounds for appeal must be raised with specificity within one appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

**4. BURDEN OF PROOF**

In an appeal, the teacher has the burden of demonstrating a clear legal right to the relief requested and the burden of establishing the facts upon which petitioner seeks relief.

**5. TIME FRAME FOR FILING APPEAL**

All appeals must be submitted in writing no later than 12 calendar days of the date when the teacher receives his/her annual professional performance review. If a teacher is challenging the issuance of a teacher improvement plan, an appeal must be filed within 12 calendar days of issuance of such plan. The failure to file an appeal within these timeframes shall be deemed a waiver of the right of appeal and the appeal shall be deemed abandoned.

When filing an appeal, the teacher must submit a detailed written description of the specific areas of disagreement over his or her performance review, or the issuance and/or implementation of the terms of his or her improvement plan and any additional documents or materials relevant to the appeal. If a teacher is challenging the implementation of a teacher improvement plan, an appeal must be filed within 12 calendar days of each alleged failure by the district to implement a part of such plan. The performance review and/or improvement plan being challenged must also be submitted with the appeal. Any information not submitted at the time the appeal is filed shall not be considered.

Page Last Modified: 09/23/2016

**6. DECISION-MAKER ON APPEAL**

A decision shall be rendered by the superintendent of schools or the superintendent's designee, except that an appeal may not be decided by the same individual who was responsible for making the final rating decision.

**7. DECISION**

A written decision on the merits of the appeal shall be rendered no later than 12 calendar days from the date upon which the teacher filed his or her appeal. The appeal shall be based on a written record, comprised of the teacher's appeal papers and any documentary evidence accompanying the appeal, as well as the school district response to the appeal and additional documentary evidence submitted with such papers. Such decision shall be final.

The decision shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the teacher's appeal. If the appeal is sustained, the review may set aside a rating if it has been affected by substantial error or defect, modify a rating if it is affected by substantial error or defect, or order a new evaluation if procedures have been violated. A copy of the decision shall be provided to the teacher and the evaluator or the person responsible for either issuing or implementing the terms of an improvement plan, if that person is different. All steps of the appeal procedure will be resolved in a timely and expeditious fashion in accordance with education law section 3012-d.

**8. EXCLUSIVITY OF SECTION 3012-D APPEAL PROCEDURE**

The 3012-d appeal procedure shall constitute the exclusive means for initiating, reviewing and resolving any and all challenges and appeals related to a teacher performance review and/or improvement plan. A teacher may not resort to any other contractual grievance or judicial procedures for the resolution of challenges and appeals related to a professional performance review and/or improvement plan, except as otherwise authorized by law, and the appeal shall be final and not subject to further review.

Evaluator training will be conducted by certified Nassau BOCES Network Team personnel. Evaluator training will occur regionally and will incorporate the Regulations that were enacted to implement Education Law §3012-d. Turn-key training will be provided for lead evaluators. This training will include the following requirements for evaluators and the district will certify lead evaluators upon presentation of evidence of completion of training:

The training course shall provide training on:

- (1) the New York State teaching standards and their related elements and performance indicators and the leadership standards and their related functions, as applicable;
- (2) evidence-based observation techniques that are grounded in research;
- (3) application and use of the student growth percentile model and any other growth model approved by the department
- (4) application and use of the State-approved teacher or principal rubric(s) selected by the district for use in evaluations, including training on the effective application of such rubrics to observe a teacher or principal's practice;
- (5) application and use of any assessment tools that the district utilizes to evaluate its classroom teachers or building principals;
- (6) application and use of any locally selected measures of student growth used in the optional subcomponent of the student performance category used by the district to evaluate its teachers or principals;
- (7) use of the statewide instructional reporting system;
- (8) the scoring methodology utilized by the department and/or the district to evaluate a teacher or principal, including the weightings of each subcomponent within a category; how overall scores/ratings are generated for each subcomponent and category and application and use of the evaluation matrix(es) prescribed by the commissioner for the four designated rating categories used for the teacher's or principal's overall rating and their category ratings; and
- (9) specific considerations in evaluating teachers and principals of English language learners and students with disabilities.

Independent evaluators shall receive training on the following elements:

- (1) the New York State teaching standards and their related elements and performance indicators and the leadership standards and their related functions, as applicable;
- (2) evidence-based observation techniques that are grounded in research; and
- (3) application and use of the State-approved teacher or principal rubric(s) selected by the district for use in evaluations, including training on the effective application of such rubrics to observe a teacher or principal's practice;

- ☒ Assure that, where applicable, if your district/BOCES has indicated that more than one version of a Regents assessment for a content area will be used as the underlying evidence for an SLO, that the district/BOCES will only administer both assessments within the timeframes prescribed by the Commissioner. Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

Page Last Modified: 09/06/2016

**Task 7) Original Required Student Performance Subcomponent**

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

**100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent**

**(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.**

**(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.**

**7.1) State-Provided Measures of Student Growth (Original)**

For principals with at least 30% of their students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model. Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments with a State-provided growth measure, (e.g., K-5, PK-6, 6-8, 6-12, 9-12, etc.). For principals where less than 30% of their students are covered under a State-provided growth measure, such principals shall have an SLO consistent with a goal setting process determined or developed by the Commissioner that results in a student growth score; provided that for any grade-level/course that ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO. (See Guidance for more detail on principals with State-provided measures and SLOs.)

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal.

**Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, PK-6, 6-8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for the back-up SLO beginning in the 2019-20 school year.**

**For each grade configuration indicate the following:**

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: assessment(s) used**

- ☒ Assure that the growth score provided by NYSED will be used, where required.
- ☒ Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all principals who receive a State-provided growth score in the event that a State-provided growth score cannot be generated for that principal.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

**7.4) Principals with More Than One Growth Measure (Original)**

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO

Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

**7.5) Assurances****Please check all of the boxes below.**

- ☒ Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- ☒ Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- ☒ Assure that all growth targets are approved by the superintendent or another trained administrator.
- ☒ Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- ☒ Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

**7.6) Student Performance Subcomponent Weighting**

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

**During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.**

Domain 1- Culture

Domain 2- Culture, Instructional program, Capacity Building

Domain 3- Culture, Sustainability, Instructional program

Domain 4- Sustainability

Domain 5- Culture

All observable components listed above will be weighted equally and averaged.

**9.4) Calculating School Visit Ratings****Assurances**

**Please check the boxes below.**

- ☒ Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. **PRINCIPAL APPEAL PROCEDURES**

Section 3012-d of the Education Law establishes a comprehensive annual evaluation system for building principals, as well as the issuance and implementation of improvement plans for teachers and principals whose performance is assessed as either developing or ineffective.

To the extent that a principal wishes to challenge a performance review and/or improvement plan under the new evaluation system, the law requires the establishment of an appeals procedure.

This appeal procedure is proposed to address a principal's due process rights while ensuring that appeals are resolved in an expeditious manner.

**APPEALS OF INEFFECTIVE AND DEVELOPING RATINGS ONLY**

Appeals of annual professional performance reviews will be limited to those that rate a principal as ineffective or developing only. (In the future, if a rating is tied to compensation, then such rating may be appealed using the procedures described herein.)

**WHAT MAY BE CHALLENGED IN AN APPEAL**

Appeal procedures will limit the scope of appeals under Education Law §3012-d of the following subjects:

- (1) The substance of the annual professional performance review;
- (2) the school district's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d;
- (3) the adherence to the Commissioner's regulations, as applicable to such reviews;
- (4) compliance with any applicable locally negotiated procedures applicable to annual professional performance reviews or improvement plans; and
- (5) the school district's issuance and/or implementation of the terms of a principal improvement plan under Education Law §3012-d.

**PROHIBITION AGAINST MORE THAN ONE APPEAL**

A principal may not file multiple appeals regarding the same performance review or improvement plan. All grounds for appeal must be raised with specificity within one appeal.

Any grounds not raised at the time the appeal is filed shall be deemed waived.

**BURDEN OF PROOF**

In an appeal, in order to prevail, the principal has the burden of demonstrating by a preponderance of the evidence that the review is deficient in one or more of the 5 areas enumerated above.

**TIME FRAME FOR FILING APPEAL**

All appeals must be submitted in writing no later than 30 calendar days of the date when the principal receives his/her annual professional performance review. If a principal is challenging the issuance of a principal improvement plan, an appeal must be filed within 30 calendar days of issuance of such plan. If a principal is challenging the implementation of a PIP, an appeal must be filed within 30 calendar days of each alleged failure by the district to implement a part of such plan. The failure to file an appeal within these timeframes shall be deemed a waiver of the right of appeal and the appeal shall be deemed abandoned.

When filing an appeal, the principal must submit a detailed written description of the specific areas of disagreement over his or her performance review, or the issuance and/or implementation of the terms of his or her improvement plan and any additional documents or materials relevant to the appeal. The performance review and/or improvement plan being challenged must also be submitted with the appeal. Any information not submitted at the time the appeal is filed shall not be considered.

**TIME FRAME FOR DISTRICT RESPONSE**

Within 10 calendar days of receipt of an appeal, the school district staff member(s) who issued the performance review or was/were or are responsible for either the issuance and/or implementation of the terms of the principal's improvement plan must submit a detailed written response to the appeal. In the case of an intervening school break during which the staff members will not be required to report to work for 5 or more work days, this time period will be extended by the length of such break. The response must include any and all additional documents or written materials relevant and specific to the point(s) of disagreement that support the school district's response and are relevant to the resolution of the appeal. Any such information that is not submitted at the time the response is filed shall not be considered in the deliberations related to the resolution of the appeal. The principal initiating the appeal shall receive a copy of the response filed by the school district, and any and all additional information submitted with the response, at the same time the school district files its response and the principal shall have 5 days to submit a Reply to the District's submission.

**DECISION-MAKER ON APPEAL**

A decision shall be rendered by the superintendent of schools or the superintendent's designee, except that an appeal may not be decided by the same individual who was responsible for making the final rating decision.

## Task 11. Additional Requirements (Principals) - Tasks 11.1-11.9

Page Last Modified: 09/23/2016

A written decision on the merits of the appeal shall be rendered no later than 30 calendar days from the date upon which the principal filed his or her appeal. The appeal shall be based on a written record, comprised of the principal's appeal papers and any documentary evidence accompanying the appeal, as well as the school district response to the appeal and additional documentary evidence submitted with such papers. Such decision shall be final.

The decision shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the principal's appeal. If the appeal is sustained, the review may set aside a rating if it has been affected by substantial error or defect, modify a rating if it is affected by substantial error or defect, or order a new evaluation if procedures have been violated. Within 2 business days, a copy of the decision shall be provided to the principal and the evaluator or the person responsible for either issuing or implementing the terms of an improvement plan, if that person is different. All steps in the appeals procedure will be timely and expeditious in accordance with education law 3012-d.

**EXCLUSIVITY OF SECTION 3012-D APPEAL PROCEDURE**

The 3012-d appeal procedure shall constitute the exclusive means for initiating, reviewing and resolving any and all challenges and appeals related to a principal performance review and/or improvement plan. A principal may not resort to any other contractual grievance or judicial procedures for the resolution of challenges and appeals related to a professional performance review and/or improvement plan, except as otherwise authorized by law. Nothing herein shall restrict a principal's right to appeal a 3020-a determination pursuant to Article 75 of the New York Civil Practice Law and Rules, as provided by law.
