New York, N.Y. 10007

Dear Mr. Londa:

I write on behalf of the New York State Board of Regents and Commissioner of Education, in their role as an institutional accrediting agency, to acknowledge your March 6, 2017, notification that you intend to close New York Career Institute (NYCI).

This confirms that that NYCI will cease operations as a degree-granting institution effective May 31, 2017. As a result, NYCI's accreditation through the New York State Board of Regents and Commissioner of Education will terminate on that date.

Thank you for keeping us apprised of NYCI's arrangements to teach-out current students and to maintain student records.

Sincerely,

Leslie E. Templeman
Director
Office of College and University Evaluation
