

CADEA Program Redesign Recommendations (January 23, 2018)

All programs (regardless of enrollee number) should be prepared to:

- Redesign in alignment with *PSELs* and forthcoming *NELP* standards

State Education Department in Albany should:

- Match redesign application to CAEP/NELP accreditation requirements
- Streamline the application to reduce redundancy
- Align assessment with PSEL & NELP so results can be used as evidence
- Require evidence of program effectiveness & prep of effective leaders
- Require proof of proactive steps to recruit diverse candidates
- Allow multi-site versions of a program to be registered as one program
- Plan for program re-registration after NELP standards are released.
- Allow 7 months for program redesign applications to be submitted
