Subject: Procedures for Obtaining NYSITELL/NYSESLAT Scores for Students Who Transfer Between New York State School Districts

This memorandum provides procedures for school districts to obtain the scores for the New York State Identification Test for English Language Learners (NYSITELL) or New York State English as a Second Language Achievement Test (NYSESLAT) for students who transfer between New York State (NYS) school districts. It is in the student’s best interest that districts provide the necessary information in a timely fashion and it is anticipated that districts will do so. This memo provides the necessary guidance and procedures for rare, unusual situations. Also included are the required forms to establish the identity and authorization of individuals who seek to access and/or disclose student’s NYSITELL/NYSESLAT scores.

Commissioner's Regulation Part 154 establishes legal requirements for the education of English Language Learners (ELLs) in New York State. Section 154-2.3 describes the responsibilities of school districts relating to the ELL identification process. In NYS, ELL screening, identification, and placement must be completed within 10 school days of enrollment. New students identified as potential ELLs based on a Home Language Questionnaire and an Individual Interview must take the NYSITELL. The NYSITELL determines English language proficiency and eligibility for ELL services. Original copies of NYSITELL score sheets and all results must be placed and remain in each student's cumulative record, whether or not he or she is found to be an ELL. On a yearly basis, students identified as ELLs take the NYSESLAT to ascertain whether the student continues to be an ELL. A school district may not re-administer the NYSITELL a second time when a student’s original district fails to send that student’s prior NYSITELL or NYSESLAT score.
