INDEPENDENT AUDITORS' REPORT

The Board of Trustees
Charter School for Applied Technologies and Affiliates

We have audited the accompanying consolidated balance sheets of Charter School for Applied Technologies and Affiliates (the Organization) as of June 30, 2020 and 2019, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements (the financial statements).

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2020 and 2019, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Additional Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 28, 2020 on our consideration of the Organization’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization’s internal control over financial reporting and compliance.

A handwritten signature in blue ink that reads "Lunden & McCormick, LLP". The signature is written in a cursive, flowing style.

Notes to Consolidated Financial Statements

1. Summary of Significant Accounting Policies:

Organization and Purpose:

The consolidated financial statements of Charter School for Applied Technologies and Affiliates (the Organization) include the accounts of Charter School for Applied Technologies (the School), EST, LLC (the LLC), and eDoctrina Corporation (the Corporation). All significant inter-entity accounts and transactions have been eliminated in the accompanying consolidated financial statements.

The School operates a charter school in Buffalo and Kenmore, New York approved by the Board of Regents of the State of New York. The School offers classes from kindergarten through grade 12. The School is chartered through June 2025, after which time the charter may be renewed, upon application.

The Corporation, of which the School was the sole stockholder through November 2018, was formed to serve as a technology resource and provided curriculum, assessment, educational software and related services to the School and other educational institutions. Pursuant to a sale of the Corporation's stock, the intellectual property and other assets of the Corporation were indirectly acquired by an unrelated third party in November 2018 and gain on the sale was recognized in the 2019 statement of activities.

The School is the sole member of the LLC, an organization established to provide management services to the School and Corporation. During 2020 and 2019, the LLC had limited activity as management is evaluating its continuance.

The CSAT Foundation was established in June 2020 and is related to the School through several common board members. There was insignificant activity in the Foundation during fiscal 2020.

New Accounting Standards Adopted:

During the year ended June 30, 2020, the Organization adopted two new comprehensive revenue recognition standards under Financial Accounting Standards Board (FASB) Accounting Standards Updates (ASU).

ASU 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, addresses the differences between contributions and exchange transactions including guidance on timing and revenue recognition. ASU 2018-08 was adopted using the modified prospective method.

ASU 2014-09, *Revenue from Contracts with Customers*, requires an organization to recognize revenue from exchange transactions to depict the transfer of goods or services at an amount that reflects the consideration it expects to receive in exchange for those goods or services. ASU 2014-09 was adopted using the full retrospective method.

The adoption of these standards did not impact the Organization's recognition of revenue and related accounts.

Subsequent Events:

Management has evaluated events and transactions for potential recognition or disclosure through October 28, 2020, the date the consolidated financial statements were available to be issued.

Cash:

Cash in financial institutions potentially subjects the Organization to concentrations of credit risk since it may exceed insured limits at various times throughout the year. The Organization complies with a requirement to hold no less than \$100,000 in reserve funds to pay legal and audit expenses that would be associated with a dissolution should it occur.

Property and Equipment:

Property and equipment is stated at cost net of accumulated depreciation. Depreciation is provided using the straight-line method over estimated useful asset lives. Maintenance and repairs are charged to operations as incurred; significant improvements are capitalized.

Investments:

Investments are stated at fair value as determined by quoted prices in active markets.

Revenue Recognition:***Enrollment Fees***

Enrollment fees are received from the public school district in which the student resides. The amount received each year from the resident district is the product of the approved operating expense per pupil and the full time equivalent enrollment of the students in the School residing in that district. The respective districts also reimburse the School for special education service based on approved applicable rates for the services provided. Revenues are recognized over the period the services are provided. The School generally invoices the resident district bimonthly and payment is due in 30 days. Enrollment fees received in advance are deferred and recognized when earned. The School's enrollment fees are received primarily from the Board of Education for the City of Buffalo School District (the District).

In June 2019, all New York State charter schools serving students in the fiscal 2019 school year received additional state aid. The additional aid received by each school was based on the number of students served and was paid directly from the New York State Education Department. Additional state aid totaling \$614,924 is included in enrollment fees receivable (Note 2) on the accompanying consolidated balance sheets as of June 30, 2019. No additional state aid was received for the year ended June 30, 2020.

In 2019, an audit by the Office of the New York State Comptroller determined the District provided incorrect special education rates from 2007 through 2018, and in February 2020, the District informed the School of its intent to recoup these funds from current payments beginning in March 2020. Consequently, the total recoupment of \$674,000 is included in other expenses on the 2020 consolidated statement of functional expenses, and \$337,000 has been recorded as a payable at June 30, 2020 on the accompanying consolidated balance sheets.

Contributions

Contributions, which include government awards, are reported at fair value at the date the pledge or award is received.

Contributions are recorded as restricted support if they are received with donor stipulations that limit their use. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions. Contributions received with donor-imposed restrictions that are met in the same reporting period are shown as support without donor restrictions.

Conditional contributions, which consist primarily of government awards, are recorded as revenue when the Organization meets requirements in compliance with specific agreements. Amounts received before the required conditions are met are reported as refundable advances on the accompanying consolidated balance sheets. These conditional contributions are subject to compliance and financial audits by the funding sources. Management believes no significant adjustments are necessary to recognized amounts.

Receivables

Receivables are stated at the amounts management expects to collect from outstanding balances. Balances that are still outstanding after reasonable collection efforts are written off through a charge to uncollectible receivables and a credit to accounts receivable. An allowance for doubtful accounts is considered unnecessary by management because all significant amounts deemed uncollectible are written off each year.

Income Taxes:

The School is a 501(c)(3) organization exempt from taxation under §501(a) of the Internal Revenue Code. The LLC is considered a disregarded entity for tax purposes. Consequently, all tax reporting for the LLC is consolidated with the activity of the School. The Corporation was taxed as a separate entity; taxable income and recognized income tax expense were not significant for 2019.

Transportation:

Several school districts provide the School with certain transportation services without cost. The value of these services has not been recorded in these financial statements.

Use of Estimates:

The preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Functional Expense Allocation:

The financial statements report certain categories of expenses that are attributable to program and supporting functions. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. These costs include salaries and benefits, which have been allocated based on estimates of time and effort, and interest, insurance, utilities, and depreciation expenses, which have been allocated based on management's estimate of function benefited.

2. Receivables:

	2020	2019
Enrollment fees	\$ 1,238,901	\$ 1,133,125
Contributions	892,822	988,311
Other	33,811	515,353
	<u>\$ 2,165,534</u>	<u>\$ 2,636,789</u>

3. Property and Equipment:

	2020	2019
Land	\$ 323,845	\$ 323,845
Building improvements	31,543,741	31,218,764
Furniture and fixtures	4,650,600	4,432,806
Vehicles	64,812	64,812
	<u>36,582,998</u>	<u>36,040,227</u>
Less accumulated depreciation	16,278,043	14,795,644
	<u>\$ 20,304,955</u>	<u>\$ 21,244,583</u>

4. Investments Held in Trust:

Investments held in trust consists of mainly of treasury obligations held in the following accounts by a trustee in compliance with the issuance of 2017 Series bonds (Note 6):

	2020	2019
Reserve fund	\$ 1,950,485	\$ 1,953,800
Project and other funds	114,460	157,541
Repair fund	153,788	102,085
	<u>\$ 2,218,733</u>	<u>\$ 2,213,426</u>

5. Other Investments:

	2020	2019
Money market	\$ 1,232,518	\$ 962,838
Equities	7,845,895	6,611,665
Mutual funds	2,131,165	1,836,822
Fixed income items	4,757,297	5,804,960
	<u>\$ 15,966,875</u>	<u>\$ 15,216,285</u>

Investment returns are as follows:

	2020	2019
Interest and dividends	\$ 401,950	\$ 256,323
Realized and unrealized gains	391,827	502,510
	<u>\$ 793,777</u>	<u>\$ 758,833</u>

6. Long-Term Debt:

	2020	2019
Buffalo and Erie County Industrial Land Development Corporation Tax-Exempt Revenue Bonds (The Charter School for Applied Technologies Project), Series 2017A Bonds, annual principal payments ranging from \$770,000 to \$1,845,000, plus interest at rates ranging from 2.0% to 5.0%, through June 2035.	\$ 20,335,000	\$ 21,290,000
Plus unamortized bond premium	1,056,613	1,127,053
Less unamortized debt issuance costs	671,592	716,364
	<u>20,720,021</u>	<u>21,700,689</u>
Less current portion	1,005,668	980,668
	<u>\$ 19,714,353</u>	<u>\$ 20,720,021</u>

In July 2017, the School entered into an agreement with Buffalo and Erie County Industrial Land Development Corporation to issue \$22,845,000 tax exempt 2017A Series Bonds to refund outstanding ECIDA Series 2005 Bonds. The Bonds are secured by mortgage and security agreements granting the trustee a mortgage lien on and security interest in real and personal property as well as certain revenues, subject to permitted encumbrances. The bonds are further secured by the reserve fund (Note 4). The bond agreement contains certain covenants related to debt service.

Bond premium associated with the issuance of the 2017A Series bonds is amortized over the life of the bonds. Unamortized bond premium is presented as an addition to the face amount of the bonds payable. Amortization of bond premiums was \$70,440 for each of the years ended 2020 and 2019.

Debt issuance costs are amortized as interest expense over the remaining term of the bonds. Amortization of bond issuance costs was \$44,772 for each of the years ended June 30, 2020 and 2019.

Aggregate maturities of net long-term debt subsequent to June 30, 2020 are:

2021	\$ 1,005,668
2022	1,040,668
2023	1,080,668
2024	1,130,668
2025	1,180,668
Thereafter	15,281,681
	\$ 20,720,021

7. Retirement Plans:

The Corporation maintained a defined contribution 401(k) profit sharing plan covering essentially all employees through November 2018. Employer discretionary contributions to the plan totaled \$25,597 for the year ended June 30, 2019.

The School maintains a 403(b) plan covering qualified employees. The plan does not require employer contributions.

The School participates in the New York State Teachers' Retirement System (TRS) and New York State and Local Employees' Retirement System (ERS) (the Systems), which are cost-sharing multiple employer public employee retirement systems. The Systems offer a wide range of plans and benefits which are related to years of service and final average salary, vesting of retirement benefits, death and disability.

New York State Teachers' Retirement System:

TRS is administered by the New York State Teachers' Retirement Board and provides benefits to plan members and beneficiaries as authorized by the Education Law and the Retirement and Social Security Law of the State of New York. TRS issues a publicly available financial report that contains financial statements and required supplementary information. The report may be obtained from TRS at www.nystrs.org.

New York State and Local Employees' Retirement System:

ERS provides retirement benefits as well as death and disability benefits. New York State Retirement and Social Security Law governs obligations of employers and employees to contribute and provide benefits to employees. ERS issues a publicly available financial report that includes financial statements and required supplementary information.

This report may be obtained from the New York State and Local Retirement System at www.osc.state.ny.us/retire.

Funding Policies:

No employee contribution is required for those whose service began prior to July 1976. The Systems require employee contributions of 3% of salary for the first 10 years of service for those employees who joined the System from July 1976 through December 2009. Participants whose service began on or after January 1, 2010 through March 31, 2012 are required to contribute 3% (ERS) or 3.5% (TRS) of compensation throughout their active membership in the Systems. Participants whose service began on or after April 1, 2012 are required to contribute a percentage ranging from 3% to 6% each year, based on their level of compensation.

For ERS, the Comptroller annually certifies the rates used, expressed as a percentage of the wages of participants, to compute the contributions required to be made by the School to the pension accumulation fund. The rates range from 9.3% to 15.8% for 2020 and 2019, dependent on the participant's tier. Required contributions for ERS were \$413,175 and \$370,595 for the years ended June 30, 2020 and 2019.

Pursuant to Article 11 of the Education Law, rates are established annually for TRS by the New York State Teachers' Retirement Board at an actuarially determined rate. The rate was 8.86% of the annual covered payroll for the year ended June 30, 2020, and 10.62% for the year ended June 30, 2019. The required contributions for TRS were \$1,159,492 and \$1,179,051 for the years ended June 30, 2020 and 2019.

8. Lease Obligations:

The Organization leases certain equipment and property under terms of operating leases. Rental expense for all operating leases amounted to \$831,434 and \$791,913 for the years ended June 30, 2020 and 2019.

Future minimum annual rentals due under noncancellable leases are:

2021	\$ 701,982
2022	663,879
2023	665,640
2024	685,608
2025	706,174
Thereafter	7,466,315
	\$ 10,889,598

9. Cash Flows Information:

Proceeds from the sale of assets that were held in escrow in the amount \$400,000 (as described in Note 1) were excluded from the 2019 statements of cash flows.

10. Financial Assets Available for Operations:

The Organization obtains financial assets generally through enrollment fees and contributions. The financial assets are acquired throughout the year to help meet the Organization's cash needs for general expenditures.

The Organization's financial assets available within one year of the balance sheet date to meet cash needs for general expenditures consist of the following at June 30, 2020 and 2019:

	<u>2020</u>	<u>2019</u>
Cash	\$ 11,012,122	\$ 8,014,977
Receivables	2,165,534	2,636,789
Investments	15,966,875	15,216,285
	<u>\$ 29,144,531</u>	<u>\$ 25,868,051</u>

11. Contingencies:

The Organization may be subject to claims and lawsuits that arise in the ordinary course of business. In the opinion of management, the outcome of any claims is not expected to have a material adverse effect upon the financial position of the Organization.

12. Risks and Uncertainties due to COVID-19:

On January 31, 2020, the United States Secretary of Health and Human Services (HHS) declared a public health emergency related to the global spread of coronavirus COVID-19, and a pandemic was declared by the World Health Organization in February 2020. Efforts to fight the widespread disease included limiting or closing many businesses and schools and resulted in a severe disruption of operations for many organizations.

In March 2020, the School transitioned to remote instruction for the remainder of the 2019-20 school year. Consequently, enrollment fees and revenue for the year ended June 30, 2020 were not reduced. The School's restart plan for the 2020-21 School year includes a remote instruction model in compliance with all government safety mandates.

The extent of the impact of COVID-19 on the School's operational and financial performance will depend on further developments, including the duration and spread of the outbreak, and its impact on schools, including its students and families, employees, and vendors, none of which can be predicted.

Notes to Schedule of Expenditures of Federal Awards

1. Summary of Significant Accounting Policies:

Basis of Presentation

The accompanying schedule of expenditures of federal awards presents the activity of all federal award programs administered by Charter School for Applied Technologies and Affiliates (the Organization), an entity as defined in Note 1 to the Organization’s consolidated financial statements. Federal awards received directly from federal agencies, as well as federal awards passed through from other governmental agencies, are included on the schedule of expenditures of federal awards.

Basis of Accounting

The amounts reported as federal expenditures generally were obtained from the appropriate federal financial reports for the applicable programs and periods. The amounts reported in these federal financial reports are prepared from records maintained for each program, which are periodically reconciled with the Organization’s financial reporting system. The federal expenditures are recorded on the accrual basis of accounting.

Indirect Costs

The Organization does not use the 10% de minimis indirect cost rate permitted by the Uniform Guidance.

Non-Monetary Federal Program

The Organization is the recipient of a federal award program that does not result in cash receipts or disbursements, termed a “non-monetary program.” During the year ended June 30, 2020, the Organization used \$55,953 worth of commodities under the National School Lunch Program (CFDA Number 10.555).

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

The Board of Trustees
Charter School for Applied Technologies and Affiliates

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Charter School for Applied Technologies & Affiliates (the Organization), which comprise the consolidated balance sheet as of June 30, 2020, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated October 28, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

October 28, 2020

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

The Board of Trustees
Charter School for Applied Technologies and Affiliates

Report on Compliance for Each Major Federal Program

We have audited Charter School for Applied Technologies and Affiliates' (the Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2020. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Schedule of Findings and Questioned Costs

For the year ended June 30, 2020

Section I. Summary of Auditors' Results

Consolidated Financial Statements

Type of auditors' report issued: *Unmodified*

Internal control over financial reporting:

- Material weakness(es) identified? No
- Significant deficiency(ies) identified? None reported

Noncompliance material to consolidated financial statements noted? No

Federal Awards

Internal control over major programs:

- Material weakness(es) identified? No
- Significant deficiency(ies) identified? None reported

Type of auditors' report issued on compliance for major programs: *Unmodified*

Any audit findings disclosed that are required to be reported in accordance with section 2 CFR 200.516(a)? No

Identification of major programs:

Name of Federal Program or Cluster	CFDA #	Amount
Child Nutrition Cluster:		
School Breakfast Program	10.553	\$ 310,765
National School Lunch Program	10.555	777,161
Summer Food Service Program for Children	10.559	5,178
COVID-19 - Summer Food Service Program for Children	10.559	159,443
		<u>\$ 1,252,547</u>

Dollar threshold used to distinguish between type A and type B programs: \$750,000

Auditee qualified as low-risk auditee? Yes

Section II. Financial Statement Findings

No matters were reported.

Section III. Federal Award Findings and Questioned Costs

No matters were reported.

Annual Financial Statement Audit Report

for Board of Regents Authorized Charter Schools

School Name:	Charter School for Applied Technologies
Date (Report is due Nov. 1):	November 1, 2020
Primary District of Location (If NYC select NYC DOE):	Kenmore - Town of Tonawanda Union Free School District (Ken-Ton)
If located in NYC DOE select CSD:	-
School Fiscal Contact Name:	Tanya Moore

New York State Education Department

Request for Proposals to Establish Charter Schools Authorized by the Board of Regents

2020-21 Budget & Cash Flow Template

General Instructions and Notes for New Application Budgets and Cash Flows Templates

1	Complete ALL SIX columns in BLUE
2	Enter information into the GRAY cells
3	Cells containing RED triangles in the upper right corner in columns B through G contain guidance on that particular item
4	School district per-pupil tuition information is located on the State Aid website at https://stateaid.nysed.gov/charter/ . Rows may be inserted in the worksheet to accommodate additional districts if necessary.
5	The Assumptions column should be completed for all revenue and expense items unless the item is self-explanatory. Where applicable, please reference the page number or section in the application narrative that indicates the assumption being made. For instance, student enrollment would reference the applicable page number in Section I, C of the application narrative.

<Enter School Name Here>

PROJECTED BUDGET FOR 2020-2021							Assumptions
July 1, 2020 to June 30, 2021							DESCRIPTION OF ASSUMPTIONS - Please note assumptions when applicable
Please Note: The student enrollment data is entered below in the Enrollment Section beginning in row 155. This will populate the data in row 10.
