# **<u>REPORT TO THE FINANCE COMMITTEE</u>**

JUNE 30, 2020

October 27, 2020

Finance Committee Neighborhood Charter Schools

We have audited the financial statements of Neighborhood Charter Schools as of and for the year ended June 30, 2020, and have issued our report thereon dated October 27, 2020. Professional standards require that we advise you of the following matters relating to our audit.

# Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated May 1, 2020, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of Neighborhood Charter Schools solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

### Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

#### **Compliance with All Ethics Requirements Regarding Independence**

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence. Safeguards in place to eliminate or reduce threats to independence to an acceptable level include a skilled, knowledgeable and experienced outsourced finance team who reviews the draft financial statements prior to issuance and accepts responsibility for them.

#### Qualitative Aspects of the Entity's Significant Accounting Practices

#### Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by Neighborhood Charter Schools is included in Note A to the financial statements. During 2020 the Charter School adopted new guidance for revenue recognition (ASC 606 and ASU 2018-08) which is further described in Note A to the financial statements. In addition, the Charter School changed its statement of cash flows presentation by adopting FASB ASC 230. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

#### Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements are the allocation of costs for the statement of functional expenses and the collectability of grants receivable. We evaluated the key factors and assumptions used to develop the estimates and determined that they are reasonable in relation to the basic financial statements taken as a whole.

#### Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting Neighborhood Charter Schools' financial statements relate to revenue and support recognition and lease commitments, which are referred to in the notes of the financial statements.

#### Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

### **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. Management has corrected all such misstatements. In addition, none of the misstatement detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

#### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to Neighborhood Charter Schools' financial statements or the auditor's report. We are pleased to report no such disagreements arose during the course of the audit.

#### **Representations Requested from Management**

We have requested certain written representations from management, which are included in the management representation letter.

#### Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

## **Other Significant Matters, Findings or Issues**

In the normal course of our professional association with Neighborhood Charter Schools, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the entity, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Neighborhood Charter Schools' auditors.

## **Other Matters**

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Should you desire further information concerning these matters, Michelle Cain or Kevin Kopp will be happy to meet with you at your convenience.

This report is intended solely for the information and use of the Board of Trustees, Finance Committee and management of Neighborhood Charter Schools and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

## **Report on the Financial Statements**

We have audited the accompanying financial statements of Neighborhood Charter Schools, which comprise the statement of financial position as of June 30, 2020, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Neighborhood Charter Schools' internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# <u>Opinion</u>

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Neighborhood Charter Schools as of June 30, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## Other Report Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 27, 2020 on our consideration of Neighborhood Charter Schools' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Neighborhood Charter Schools' internal control over financial reporting and compliance.

# **Emphasis of Matters**

As discussed in Note A to the financial statements, in 2020, Neighborhood Charter Schools adopted new accounting guidance for recognition of revenue, contributions received, and statement of cash flows presentation. Our opinion is not modified with respect to these matters.

## NOTE A: THE CHARTER SCHOOL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

## The Charter School

During 2018, the name of the Charter School was officially changed from Neighborhood Charter School of Harlem to Neighborhood Charter Schools. The Charter School is a New York State, not-for-profit educational corporation that was incorporated on September 13, 2011 to operate a charter school pursuant to Article 56 of the Educational Law of the State of New York. The Charter School operated one charter school until the Fall of 2019, Neighborhood Charter School: Harlem ("NCSH"). During 2017, the School determined it would open a second charter school in the Fall of 2019, Neighborhood Charter School: Bronx ("NCSB").

NCSH was granted a provisional charter on September 13, 2011, valid for a term of five years and renewable upon expiration by the Board of Regents of the University of the State of New York. On March 13, 2017, the Board of Regents of the University of the State of New York granted NCSH a provisional charter valid for a term of five years through June 30, 2022 and renewable upon expiration.

NCSH opened its doors in the fall of 2012 in Harlem, New York with a rigorous academic program and a highly structured and supportive school culture. NCSH serves a wide range of students, including students with disabilities and students whose native language is not English, drawn mostly from central Harlem, the community school district in which it is located. It offers a specialized inclusion program for students with high-functioning autism, who constitute approximately 14% of the student body.

During 2017, the Charter School applied for a charter for NCSB which would be located in Bronx, New York. NCSB was granted a provisional charter on November 14, 2017, valid for a term of five years through June 30, 2023 and renewable upon expiration by the Board of Regents of the University of the State of New York.

The mission of NCSB is to provide children in the Bronx with new educational opportunities through a rigorous, comprehensive K-8 program that cultivates the intellectual, social and emotional development of each child. NCSB opened its doors in the Fall of 2019 in Bronx, NY.

# Basis of accounting

The financial statements of the Charter School have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

## Classification of net assets

To ensure observance of limitations and restrictions placed on the use of resources available to the Charter School, the accounts of the Charter School are maintained in accordance with the principles of accounting for not-forprofit organizations. This is the procedure by which resources are classified for reporting purposes into net asset groups, established according to their nature and purpose. Accordingly, all financial transactions have been recorded and reported by net asset group.

# NOTES TO FINANCIAL STATEMENTS, Cont'd

# JUNE 30, 2020

# NOTE A: THE CHARTER SCHOOL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

The assets, liabilities, activities, and net assets are classified based on the existence or absence of donor or grantorimposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

## Net Assets Without Donor Restrictions

Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The Board of Trustees has discretionary control to use these in carrying on operations in accordance with the guidelines established by the Charter School. The Board may designate portions of the net assets without donor restrictions for specific purposes, projects or investments. At June 30, 2020, the Board had designated \$1,500,000 of net assets without donor restrictions to fund capital projects.

## Net Assets With Donor Restrictions

Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. The Charter School had no net assets with donor restrictions at June 30, 2020.

#### Revenue recognition

Revenue from Exchange Transactions: The Charter School recognizes revenue in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2014-09, Revenue from Contracts with Customers, as amended. ASU 2014-09 applies to exchange transactions with customers that are bound by contracts or similar arrangements and establishes a performance obligation approach to revenue recognition.

The Charter School records substantially all revenues over time as follows:

## State and local per pupil revenue

The Charter School recognizes revenue as educational programming is provided to students throughout the year. The Charter School earns state and local per pupil revenue based on the approved per pupil tuition rate of the public school district in which the pupil resides. The amount received each year from the resident district is the product of the approved per pupil tuition rate and the full-time equivalent student enrollment of the Charter School. Each NYS school district has a fixed per pupil tuition rate which is calculated annually by NYSED in accordance with NYS Education Law. Amounts are billed in advance every other month and payments are typically received in six installments during the year. At the end of each school year, a reconciliation of actual enrollment to billed enrollment is performed and any additional amounts due or excess funds received are agreed upon between the Charter School and the district(s) and are paid or recouped. Additional funding is available for students requiring special education services. The amount of additional funding is dependent upon the length of time and types of services provided by the Charter School to each student, subject to a maximum amount based upon a set rate for each district as calculated by NYSED.

# NOTES TO FINANCIAL STATEMENTS, Cont'd

# JUNE 30, 2020

## NOTE A: THE CHARTER SCHOOL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

## Rental assistance

Facilities rental assistance funding is provided by the New York City Dept of Education (NYCDOE) to qualifying charter schools located in the five boroughs of NYC. In order to receive rental assistance funding, a charter school must have commenced instruction or added grade levels in the 2014-15 school year or thereafter, and go through a space request process with the NYCDOE. If NYCDOE is not able to provide adequate space, the charter school can become eligible for rental assistance. Rental assistance is calculated as the lesser of 30% of the per-pupil tuition rate for NYC times the number of students enrolled, or actual total rental costs. As rental assistance is based on the number of students enrolled, revenue is recognized throughout the year as educational programming is provided to students. Rental assistance was \$2,514,620 for the year ended June 30, 2020.

The following table summarizes contract balances at their respective statement of financial position dates:

	June 30,					
	2020		2019		2018	
Grants and other receivables	\$	237,296	\$	38,517	\$	164,513

## Grant revenue

Some of the Charter School's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Charter School has incurred expenditures in compliance with specific contract or grant provisions. Certain grants are subject to audit and retroactive adjustments by its funders. Any changes resulting from these audits are recognized in the year they become known. Qualifying expenditures that have been incurred but are yet to be reimbursed are reported as grants receivable in the accompanying statement of financial position. Amounts received prior to incurring qualifying expenditures are reported as deferred revenue in the accompanying statement of financial position and amounted to \$191,651 at June 30, 2020. The Charter School received cost-reimbursement grants of approximately \$9,500 that have not been recognized at June 30, 2020 because qualifying expenditures have not yet been incurred.

## Contributions

The Charter School recognizes contributions when cash, securities or other assets, an unconditional promise to give, or a notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

Contributions and unconditional promises to give are recorded as revenue in the appropriate class of net assets depending on the existence of any donor restrictions. A contribution that is received and expended in the same period for a specific purpose is classified as revenue without donor restrictions.

# NOTES TO FINANCIAL STATEMENTS, Cont'd

# JUNE 30, 2020

### NOTE A: THE CHARTER SCHOOL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

Contributions are recorded as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities and changes in net assets as net assets released from restrictions.

#### Cash and cash equivalents

Cash and cash equivalents, including bank deposit accounts and certain money market accounts, are maintained at financial institutions located in New York and are insured by the Federal Deposit Insurance Corporation up to \$250,000 at each institution. In the normal course of business, the cash account balances at any given time may exceed insured limits. However, the Charter School has not experienced any losses in such accounts and does not believe it is exposed to significant risk in cash and cash equivalents.

\$1,500,000 has been segregated on the statement of financial position at June 30, 2020, representing the board designated net assets for capital reserve.

#### Cash in escrow

The Charter School maintains cash in an escrow account in accordance with the terms of their charter agreement. The amount in escrow as of June 30, 2020 was \$150,918.

#### Grants and other receivables

Grants and other receivables are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts based on its assessment of the current status of individual receivables from grants, agencies and others. Balances that are still outstanding after management has used reasonable collection efforts are written off against the allowance for doubtful accounts. There was no allowance for doubtful accounts at June 30, 2020.

#### Property and equipment

Property and equipment are recorded at cost. Depreciation and amortization are computed using the straightline method on a basis considered adequate to depreciate the assets over their estimated useful lives, which range from two to five years. Leasehold improvements are amortized over the lesser of their estimated useful lives or the remaining lease term.

## Deferred lease liability

The Charter School leases its facilities. The NCSH lease contains significant pre-determined fixed escalations of the base rent. In accordance with accounting principles generally accepted in the United States of America ("GAAP"), the Charter School recognizes the related rent expense on a straight-line basis and records the difference between the recognized rental expense and the amounts paid under the lease as a deferred lease liability. The amount of additional rent expense in excess of rent paid under the lease was \$1,601,207 for the year ended June 30, 2020.

## Tax exempt status

The Charter School is a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code and applicable state regulations and, accordingly, is exempt from federal and state taxes on income.

# NOTES TO FINANCIAL STATEMENTS, Cont'd

# JUNE 30, 2020

## NOTE A: THE CHARTER SCHOOL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

The Charter School files Form 990 tax returns in the U.S. federal jurisdiction. The tax returns for the years ended June 30, 2017 through June 30, 2020 are still subject to potential audit by the IRS. Management of the Charter School believes it has no material uncertain tax positions and, accordingly it will not recognize any liability for unrecognized tax benefits.

#### Contributed services

The Charter School receives contributed services from volunteers to serve on the Board of Trustees. The Charter School received transportation services, nursing services, and occupational and physical therapy services from the local district. The Charter School was unable to determine a value for these services.

#### Marketing costs

The Charter School expenses marketing costs as they are incurred. Total marketing and recruiting costs approximated \$114,000 for the year ended June 30, 2020.

## Deferred revenue

The Charter School records grant revenue as deferred revenue until it is expended for the purpose of the grant, at which time it is recognized as revenue.

### Use of estimates in the preparation of financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

# Adoption of New Accounting Standards

#### Revenue from contracts with customers

In May 2014, the Financial Accounting Standards Board ("FASB") issued a new standard related to revenue recognition. Under the standard, revenue is recognized when a customer obtains control of promised goods or services in an amount that reflects the consideration the entity expects to receive in exchange for those goods or services. For nonpublic entities, the guidance in this new standard is effective for annual reporting periods beginning after December 15, 2018, and interim reporting periods within annual reporting periods beginning after December 15, 2019. The Charter School adopted ASC 606 with the date of initial application of July 1, 2019.

The Charter School applied ASC 606 using the cumulative effect method, which generally requires the recognition of the cumulative effect of initially applying the new guidance as an adjustment to the opening balance of net assets, at July 1, 2019. There was no adjustment to the opening balance of net assets at July 1, 2019, as a result of this new accounting standard. In addition, the comparative information has not been adjusted and continues to be reported under existing revenue guidance. The Charter School does not expect the adoption of the new revenue standard to have a material impact on its income on an ongoing basis.

# NOTES TO FINANCIAL STATEMENTS, Cont'd

# JUNE 30, 2020

## NOTE A: THE CHARTER SCHOOL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

As part of the adoption of ASC 606, the Charter School elected to use the following transition practical expedients: (1) all contract modifications that occurred prior to the date of initial application when identifying the satisfied and unsatisfied performance obligation, determining the transaction price, and allocating the transaction price have been reflected in the aggregate; and (2) ASC 606 is applied only to contracts that are not completed at the initial date of application. Because contract modifications are minimal, there is not a significant impact as a result of electing these practical expedients.

#### Contributions received and contributions made

In June 2018, FASB issued Accounting Standards Update (ASU) 2018-08, "Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made". ASU 2018-08 assists entities in evaluating whether transactions should be accounted for as contributions or exchange transactions and determining whether a contribution is conditional. For most resource recipients, this standard is effective for annual reporting periods beginning after December 15, 2018. The Charter School adopted the provisions of ASU 2018-08 applicable to contributions received with a date of initial application of July 1, 2019 under a modified prospective basis. Accordingly, there is no effect on net assets.

#### Statement of cash flows

In November 2016, the FASB issued new guidance related to the statement of cash flows (ASC 230), which requires entities to include restricted cash in the reconciliation of the beginning-of-year to the endof-year of cash in the statement of cash flows. ASC 230 is effective for annual reporting periods beginning after December 15, 2018, and interim periods within fiscal years beginning after December 15, 2019. The Charter School adopted this standard as of July 1, 2019 using the retrospective transition method.

#### New accounting pronouncement - leases

In February 2016, the FASB issued a new standard related to leases to increase transparency and comparability among entities by requiring the recognition of right-of-use ("ROU") assets and lease liabilities on the statement of financial position. Most prominent among the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases under current U.S. GAAP. For nonpublic entities, the FASB voted on May 20, 2020, to extend the guidance in this new standard to be effective for fiscal years beginning after December 15, 2021, and interim periods within fiscal years beginning after December 15, 2022. The Charter School is currently evaluating the provisions of this standard to determine the impact the new standard will have on the Charter School's financial position or results of operations.

## Subsequent events

The Charter School has conducted an evaluation of potential subsequent events occurring after the statement of financial position date through October 27, 2020, which is the date the financial statements are available to be issued. No subsequent events requiring disclosure were noted.

# NOTES TO FINANCIAL STATEMENTS, Cont'd

# JUNE 30, 2020

# NOTE B: LIQUIDITY AND AVAILABILITY

The Charter School regularly monitors liquidity required to meet its operating needs and other contractual commitments. The Charter School's main source of liquidity is its cash accounts.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Charter School considers all expenditures related to its ongoing activities of teaching, and public service as well as the conduct of services undertaken to support those activities to be general expenditures.

In addition to financial assets available to meet general expenditures over the next 12 months, the Charter School operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources. Refer to the statement of cash flows which identifies the sources and uses of the Charter School's cash and shows positive cash generated by operations for fiscal year 2020.

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following at June 30, 2020:

	Amount
Cash and cash equivalents	\$ 4,273,492
Grants and other receivables	862,519
Total financial assets available to management	
for general expenditures within one year	\$ 5,136,011

The Charter School also has \$1,500,000 of cash which is board-designated as a capital reserve. Although the Charter School does not expect to spend from this board-designated cash, this amount could be made available if necessary.

## NOTE C: NET ASSETS

Net assets without donor restrictions are as follows:

	Amount
Undesignated	\$ 4,021,998
Designated by the Board for capital reserve	1,500,000
Invested in property and equipment	1,675,586
	\$ 7,197,584

#### NOTES TO FINANCIAL STATEMENTS, Cont'd

#### JUNE 30, 2020

#### NOTE D: PROPERTY AND EQUIPMENT

Property and equipment consisted of the following:

	Amount	
Furniture and fixtures	\$ 1,049,401	
Computers and equipment	1,086,674	
Leasehold improvements	1,032,132	
-	3,168,207	
Less accumulated depreciation and amortization	1,492,621	
	\$ 1,675,586	

Total depreciation expense was \$406,429 for the year ended June 30, 2020.

#### NOTE E: SCHOOL FACILITIES

During 2014, the Charter School entered into a twenty-year lease for a new facility to be constructed which will commence the later of July 1, 2015 or the time of occupancy. The lease was amended in 2015, 2016 and 2019. \$1,001,400 of deposits relate to this lease, which are being used to help fund the cost of the new building. Due to delays, construction was not completed until 2019 and the Charter School obtained occupancy of the facility in July 2019. Effective July 16, 2019, the lease agreement was amended and restated to assign the lessee to Friends of NCSH, Inc. ("Friends"), a related party, among other terms. The arrangement for the facility which will be occupied by NCSH, now calls for a thirty-year lease, through June 30, 2050, with base monthly rent of \$131,345 and annual rent increases of 3% each year thereafter. As of the execution of the lease, \$1,000,000 had been paid to the landlord as a tenant construction contribution. Upon completion of the facility, \$514,126 of the tenant construction contribution is to be converted into a security deposit held by the landlord with the remaining \$485,874 of the tenant construction contribution to be repaid to the Charter School in twelve equal monthly installments. In May 2020, the Charter School agreed to receive a total of 10 monthly payments of \$50,000 each. At June 30, 2020, one payment of \$50,000 was received. The remaining balance is expected to be received during the year ending June 30, 2021. The lease is guaranteed by the Charter School. As part of the lease, the Charter School is required to maintain certain financial covenants. At June 30, 2020, the Charter school was in compliance with these covenants. The future minimum payments to be paid by "Friends" on this agreement are as follows:

Year ending June 30,	Amount
2021	\$ 1,623,422
2022	1,672,125
2023	1,722,286
2024	1,773,957
2025	1,827,176
Thereafter	64,790,314
	\$ 73,409,280

#### NOTES TO FINANCIAL STATEMENTS, Cont'd

#### JUNE 30, 2020

#### NOTE E: SCHOOL FACILITIES, Cont'd

A thirty-five year sublease was entered into effective July 16, 2019 through June 30, 2050 between the Charter School and Friends relative to this property and was amended June 8, 2020. The sublease calls for base monthly rent of \$162,581 with annual rent increases of 3% each year thereafter. The future minimum payments required under this sublease agreement are as follows:

Year ending June 30,	Amount
2021	\$ 2,257,609
2022	2,325,337
2023	2,395,097
2024	2,468,230
2025	2,542,847
Thereafter	96,176,273
	\$ 108,165,393

During 2018, the Charter School entered into a twenty-year lease for an additional facility to accommodate NCSB, commencing no later than July 31, 2019. For the period July 31, 2019 to July 31, 2022, the Charter School will lease 26,000 square feet, increasing to 39,000 square feet by July 31, 2023 and 58,000 square feet through July 31, 2039. The lease calls for rent at \$38 per square foot through July 31, 2023 at which point rent increases to \$42 per square foot with subsequent annual increases of 2% per year. The Charter School also has a buyout option for leasehold improvements no later than July 31, 2026. In connection with the lease, the Charter School obtained a \$1,000,000 irrevocable standby letter of credit with a bank to serve as a security deposit. The irrevocable standby letter of credit is included in deposits on the accompanying statement of financial position at June 30, 2020.

The future minimum payments for this agreement is as follows:

Year ending June 30,	Amount
2021	\$ 988,000
2022	988,000
2023	1,482,000
2024	2,436,000
2025	2,494,000
Thereafter	40,765,300
	\$ 49,153,300

Rent expense for the year ended June 30, 2020 was approximately \$4,452,000.

#### NOTES TO FINANCIAL STATEMENTS, Cont'd

#### JUNE 30, 2020

#### NOTE F: RELATED PARTY TRANSACTIONS

Friends of NCSH, Inc. ("Friends"), a not-for-profit organization under Section 501(c)(3) of the Code, was formed to provide funding and administrative assistance to promote the application for a charter school, to provide ongoing financial and volunteer support for such school and to engage in any and all activities reasonably related to such purpose. A board member of Friends is also a board member of the Charter School.

During the year ended June 30, 2020, NCSH paid certain facility related costs on behalf of Friends and NCSB received other advances from Friends for startup costs. At June 30, 2020, \$697,062 was due to the Charter School from Friends and \$124,512 is due from the Charter School to Friends and are included in the accompanying statement of financial position.

The facts exclude the Charter School from the provisions of accounting principles generally accepted in the United States of America which would otherwise require consolidation with Friends.

#### NOTE G: OPERATING LEASE

The Organization has entered into certain non-cancelable lease agreements for office equipment expiring at various dates through November 2022. The future minimum payments on these agreements are as follows:

Year ending June 30,	 Mount
2021	\$ 38,000
2022	27,000
2023	 11,000
	\$ 76,000

#### NOTE H: RETIREMENT PLAN

The Charter School sponsors a 401(k) retirement plan (the "Plan") covering most employees. The Charter School matches employees' contributions up to 3% of their annual salaries. The Charter School's total contribution to the Plan for the year ended June 30, 2020 approximated \$211,000.

#### NOTE I: CONTINGENCY

Certain grants and contracts may be subject to audit by funding sources. Such audits might result in disallowance of costs submitted for reimbursement by the Charter School. Management is of the opinion that such disallowances, if any, will not have a material effect on the accompanying financial statements. Accordingly, no amounts have been provided in the accompanying financial statements for such potential claims.

#### NOTES TO FINANCIAL STATEMENTS, Cont'd

#### JUNE 30, 2020

#### NOTE J: CONCENTRATIONS

At June 30, 2020, grants and other receivables are comprised of the following:

	Amount
Federal Government	61%
New York State	28%

For the year ended June 30, 2020, approximately 93% of total operating revenue and support came from perpupil funding provided by New York State. The per-pupil rate is set annually by the State based on the school district in which the Charter School's students are located.

#### NOTE K: FUNCTIONAL EXPENSES

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. All expenses that are allocated to more than one program or supporting function are allocated on the basis of estimates of time and effort.

## NOTE L: ACCOUNTING IMPACT OF COVID-19 OUTBREAK

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of corona virus (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Charter School's financial condition, liquidity, and future results of operations. Management is actively monitoring the global situation on its financial condition, liquidity, operations, suppliers, industry, and workforce. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the Charter School is not able to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition, or liquidity for fiscal year 2021.

# INDEPENDENT AUDITOR'S REPORT ON FINANCIAL INFORMATION

Board of Trustees Neighborhood Charter Schools

We have audited the financial statements of Neighborhood Charter Schools as of and for the year ended June 30, 2020, and we have issued our report thereon dated October 27, 2020, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The 2020 financial information hereinafter is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements for the year ended June 30, 2020, as a whole.

#### INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Trustees Neighborhood Charter Schools

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Neighborhood Charter Schools, which comprise the statement of financial position as of June 30, 2020 and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 27, 2020.

#### **Internal Control over Financial Reporting**

Management of Neighborhood Charter Schools is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit of the financial statements, we considered Neighborhood Charter Schools' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Neighborhood Charter Schools' internal control. Accordingly, we do not express an opinion on the effectiveness of Neighborhood Charter Schools' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Neighborhood Charter Schools' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM; <u>REPORT ON INTERNAL CONTROL OVER COMPLIANCE;</u> <u>AND REPORT ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS</u> <u>IN ACCORDANCE WITH THE UNIFORM GUIDANCE</u>

Board of Trustees Neighborhood Charter Schools

#### **Report on Compliance for Each Major Federal Program**

We have audited Neighborhood Charter Schools' compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Compliance Supplement that could have a direct and material effect on each of Neighborhood Charter Schools' major federal program for the year ended June 30, 2020. Neighborhood Charter Schools' major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Neighborhood Charter Schools' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Neighborhood Charter Schools' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on Neighborhood Charter Schools' compliance.

# **Opinion on Each Major Federal Program**

In our opinion, Neighborhood Charter Schools complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2020.

## **Report on Internal Control over Compliance**

Management of Neighborhood Charter Schools is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit, we considered Neighborhood Charter Schools' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program as a basis for designing auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Neighborhood Charter Schools' internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance requirement of a federal program with a type of compliance requirement of a federal program. *A significant deficiency* in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance is a deficiency or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance is a deficiency or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Purpose of the Report**

The purpose of this report on internal control over compliance is solely to describe the scope of our testing on internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

## Report on Schedule of Expenditures of Federal Awards in Accordance with the Uniform Guidance

We have audited the financial statements of Neighborhood Charter Schools as of and for the year ended June 30, 2020, and have issued our report thereon dated October 27, 2020, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

#### NOTE A: BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes the federal grant activity of Neighborhood Charter Schools and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

#### NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following, as applicable, the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Neighborhood Charter Schools has elected not to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.
