#### **Independent Auditors' Report**

To the Board of Trustees of South Bronx Charter School for International Culture & the Arts

#### Report on the financial statements

We have audited the accompanying financial statements of South Bronx Charter School for International Cultures & the Arts, which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of South Bronx Charter School for International Cultures & the Arts as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Other matters**

#### **Debt covenants**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of debt covenants calculations, shown on Page 16, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other reporting required by government auditing standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 29, 2020 on our consideration of South Bronx Charter School for International Cultures & the Arts internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering South Bronx Charter School for International Cultures & the Arts internal control over financial reporting and compliance.

#### Note 1 Organization

South Bronx Charter School for International Cultures & the Arts (the "School"), a 501(c) (3) tax-exempt organization, is a public charter school located in the Bronx, New York. The School opened in 2005 and through fiscal year 2018 operated classes from kindergarten to fifth grade. In fiscal year 2019, the School added the sixth grade. In fiscal year 2020, the School added the seventh grade. In fiscal year 2021, the School will add the eighth grade. The School's current charters renewal expires on June 30, 2023. The School provides scientifically research-proven standards-based educational programs, with an emphasis on international cultures, the arts, and mastery of a second language.

Friends of South Bronx Charter School for International Culture & the Arts, Inc. (the "Friends of SBCSICA"), is a non-profit organization, founded in October 2018 under Section 402 of the Not-for-Profit Corporate Law of the State of New York. Friends of SBCSICA is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The board of trustees of the School has control over the board of trustees of Friends of SBCSICA. As of June 30, 2020, Friends of SBCSICA has no financial activity, and as a result, the two entities did not consolidate as of and for the year ended June 30, 2020.

#### Note 2 Summary of significant accounting policies

**Basis of presentation and use of estimates.** The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**Cash and cash equivalents.** The School considers all short-term, highly liquid investments, such as money market funds, to be cash equivalents.

**Grants and other receivables.** Grants and other receivables are recorded at net realizable value and do not bear interest. The allowance for doubtful accounts is the School's best estimate of the amount of probable credit losses in existing receivables. Management determines the allowance based on historical write-off experience and reviews its allowance for doubtful accounts periodically. Past due balances are reviewed individually for collectability. Grants and other receivable amounted to \$270,304 and \$245,741 as of June 30, 2020 and 2019, respectively. There was no allowance recorded at June 30, 2020 and 2019, as all amounts are deemed collectible.

June 30, 2020 and 2019

#### **Note 2** Summary of significant accounting policies – (continued)

**Financial statements presentation.** The financial statements of the School have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the School to report information regarding its financial position and activities according to the following net asset classifications:

**Net assets without donor restrictions.** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the School.

**Net assets with donor restrictions.** Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

**Revenue recognition.** The School recognizes revenue from the state and local governments based on the School's charter status and the number of students enrolled. Such revenue is recorded when services are performed, in accordance with the charter agreement. The New York State Department of Education mandates the rate per pupil. Such revenue is recognized ratably over the related school year in which it is earned.

**Grant and contracts revenue.** Grants and contracts revenue are recognized when qualifying expenditures are incurred and/or services are provided to the students during the applicable school year. Funds received in advance or any unspent funds for which qualifying expenditures have not been incurred are recorded as refundable advances. Any unspent amounts might be returned to the granting agency or the granting agency can approve that those amounts be applied to a future grant period.

**Reclassifications.** Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financials. These reclassifications have no effect on the changes in net assets.

June 30, 2020 and 2019

#### **Note 2** Summary of significant accounting policies – (continued)

**Property and equipment.** Property and equipment are recorded at cost. Donated assets are capitalized at the estimated fair value at date of receipt. Maintenance and repairs are charged to expense as incurred; significant improvements are capitalized. The School capitalizes additions and significant improvements in excess of \$1,000. Depreciation is computed using the straight-line method over estimated useful lives of the respective asset. The estimated depreciable lives of the different classes of property are as follows:

| Asset                                   | Useful Life |
|---|-------------|
| Building                                | 39 years    |
| Furniture and fixtures                  | 7 years     |
| Computer, software and office equipment | 3 years     |

**Reserve contingency and escrow reserves.** Reserve contingency and escrow reserves relate to reserve and escrow accounts that are required to be maintained by the School in accordance with the bond indenture and charter requirements.

**Financing charge.** Financing charges are amortized over the terms of the bonds and are reported net of accumulated amortization as of June 30, 2020 and 2019 in bond payable – net, on the accompanying statements of financial position.

**Refundable advances.** Funds received in advance for which qualifying expenditures have not been incurred are reflected as refundable advances from state and local government grants in the accompanying statements of financial position.

**Donated goods and services.** The School receives donated services from unpaid volunteers. No amounts have been recognized in the accompanying statements of activities, since the services do not meet the specialized skill criteria for recognition under U.S. GAAP.

**Income taxes.** The School is tax-exempt under Section 501(c)(3) of the Internal Revenue Code (IRC) and has been classified as a publicly supported organization as described in IRC sections 509(A)(1) and 170(B)(1)(A)(II).

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken and recognize a tax liability (or asset) if the School has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken and has concluded that, as of June 30, 2020, there are no uncertain positions taken or expected to be taken that would require recognition or disclosure in the accompanying financial statements.

The School is no longer subject to income tax examination by federal, state or local tax authorities for years before June 30, 2017.

June 30, 2020 and 2019

#### **Note 2** Summary of significant accounting policies – (continued)

**Functional expenses.** The costs of providing program and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among program services, and supporting services. Such allocations are determined by management on an equitable basis.

The expenses that are allocated include the following:

| Salaries   | Time and effort   |
|--|-------------------|
| Payroll taxes and fringe benefits                  | Time and effort   |
| Contracted Services - financial and administrative | Direct allocation |
| Legal and professional                             | Time and effort   |
| Insurance  | Square footage    |
| Repairs and maintenance                            | Time and effort   |
|  |                   |

**Recently adopted accounting pronouncements.** On August 18, 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-14, *Not-for-Profit Entities* (Topic 958) – *Presentation of Financial Statements of Not-for Profit Entities*. The update addresses the complexity and understandability of net asset classification, efficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. We have implemented ASU 2016-14 and have adjusted the presentation in these financial statements accordingly.

In November 2016, FASB issued ASU 2016-18, *Statement of Cash Flows* (Topic 230): *Restricted Cash*, which requires restricted cash to be included within cash and cash equivalents when explaining the total change in cash for the period within the statement of cash flows. The standard requires retrospective application and represents a change in accounting principal. The adoption of ASU 2016-18 did not have an impact on the School's financial statements.

In June 2018, FASB issued ASU 2018-08, *Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made.* This standard assists entities in evaluating whether transactions should be accounted for as contributions or exchange transactions and determining whether a contribution is conditional or unconditional. The School implemented the provisions of ASU 2018-08 applicable to contributions received in the accompanying financial statements under a modified prospective basis. Accordingly, there is no effect on net assets in connection with the implementation of ASU 2018-08.

June 30, 2020 and 2019

#### Note 3 Liquidity and availability

Financial assets available for general expenditures, that is, without donor or other restrictions limiting their use, within one year of June 30, are:

| Financial assets:   | <br>2020        | ·  | 2019      |
|---|-----------------|----|-----------|
| 1   | \$<br>7,524,816 | \$ |           |

During fiscal year 2020, the School paid an earnest money deposit of \$500,000 for the future purchase of land and incurred various consulting costs to design and plan for a new building to expand its programs. Total expenditures in connection with this project were included in construction in progress at June 30, 2020. The earnest money deposit is fully refundable if the purchase is not consummated by December 31, 2020.

#### Note 6 Retirement plan

The School offers a 401(k) plan (the "Plan") for substantially all of its qualifying employees. Employees are eligible for the Plan immediately upon employment. Participation in the Plan is voluntary. Employees can make pretax contributions up to a maximum of 100% of their annual compensation, up to IRS limits for each calendar year. The School matches an employee's contribution up to 4% of the employee's annual compensation. For the years ended June 30, 2020 and 2019, the School's matching contribution was \$78,243 and \$90,113, respectively. Plan assets are held in a separate trust and are not included in the accompanying financial statements. All plan assets are held for the exclusive benefit of the Plan's participants and beneficiaries.

#### Note 7 Accrued payroll and benefits

Accrued payroll and benefits consist of amounts earned by the staff during the school year but paid over the summer months. As of June 30, 2020 and 2019, accrued payroll amounted to \$477,486 and \$482,692, respectively.

#### Note 8 SBA loan - paycheck protection program

On May 4, 2020, the School obtained a loan of \$697,569 (the "PPP loan") from a commercial bank pursuant to the Paycheck Protection Program ("PPP") administered by the Small Business Administration (the "SBA") pursuant to the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"). The PPP Loan and accrued interest will be forgivable after twenty-four weeks as long as the School uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. The PPP loan matures on May 4, 2022 and bears an interest rate of 1% per annum, with interest accruing on the unpaid principal balance. No payments of principal or interest are due during the six-month period beginning on the date of the PPP loan (the "Deferral Period"). The PPP loan balance as of June 30, 2020 was \$697,569.

June 30, 2020 and 2019

#### Note 9 Bonds payable

On June 11, 2013, Build NYC Resource Corporation provided construction and permanent financing of \$22,270,000 through the issuance of \$21,650,000 in Tax-Exempt Revenue Bonds (the "Series 2013A Bonds"), bearing interest at 2.75% to 5% per annum, with principal due at varying amounts annually through maturity on April 15, 2043, and \$620,000 in Taxable Revenue Bonds bearing interest at 6% per annum which were repaid in varying amounts through maturity on April 15, 2017. The proceeds of the bonds were used to construct a five-story building in the Bronx, New York, to be used as classroom, cafeteria, kitchen, art, music room and administrative space.

Future minimum principal payments for the next five years and in the aggregate thereafter are as follow:

| Year Ending June 30,         | Amount           |
|------------------------------|------------------|
| 2021                         | \$<br>500,000    |

| Bonds payable – long term    | 19,008,520       |
| Total bonds payable          | \$<br>19,508,520 |

As of June 30, 2020, the School was in compliance with all debt covenants pursuant to the bond agreement.

#### Note 10 Concentration of credit risk

The School maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The School has not experienced any losses in such accounts. The management of the School believes it is not exposed to significant credit risk on cash and cash equivalents.

The School received approximately 90% and 86% of its operating revenue, which is subject to specific requirements, from per pupil funding from the New York City Department of Education during the years ended June 30, 2020 and 2019, respectively. Additionally, the School's grants receivable consists of approximately 100% and 70% from the New York State Department of Education.

June 30, 2020 and 2019

#### Note 11 Contingency

The School participates in a number of federal and state programs. These programs require that the School comply with certain laws, regulations, contracts, and agreements applicable to the programs in which it participates. All funds expended in connection with government grants and contracts are subject to audit by government agencies. While the ultimate liability, if any, from such audits of government grants and contracts by government agencies is presently not determinable, it should not, in the opinion of the management, have a material effect on the financial position or results of operations. Accordingly, no provision for any such liability that may result has been made in the accompanying financial statements.

#### Note 12 Potential impact of the pandemic

In December 2019, an outbreak of a novel strain of coronavirus ("COVID-19") originated in Wuhan, China and has since spread to other countries, including the U.S. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. As a result of the pandemic, School officials prepared a reopening plan for the 2020-2021 school year. Under the plan, approximately one-third of the enrolled students will begin the school year in a classroom and about two-thirds of the students will continue in remote learning. The ultimate effect of COVID-19 on the School and its future operations cannot presently be determined.

#### Note 13 Subsequent events

Management has evaluated subsequent events through October 29, 2020, the date that the financial statements were available to be issued. Based on this evaluation, management has determined that no subsequent events have occurred which require disclosure in the financial statements.

#### Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Trustees of South Bronx Charter School for International Cultures & the Arts

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of South Bronx Charter School for International Cultures & the Arts, which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 29, 2020.

#### Internal control over financial reporting

In planning and performing our audit of the financial statements, we considered South Bronx Charter School for International Cultures & the Arts' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of South Bronx Charter School for International Cultures & the Arts' internal control. Accordingly, we do not express an opinion on the effectiveness of South Bronx Charter School for International Cultures & the Arts' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and other matters**

As part of obtaining reasonable assurance about whether South Bronx Charter School for International Cultures & the Arts' financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
