f. APPROVED SCHOOL MISSION (Regents, NYCDOE, and Buffalo BOE authorized schools only)

MISSION STATEMENT

Syracuse Academy of Science and Citizenship Charter School will provide support, challenges and opportunities for its students, and it will instill the necessary skills and knowledge in math, science, and technology to empower students, through high intellectual standards, preparing them for college, career, and citizenship.

g. KEY DESIGN ELEMENTS (Regents, NYCDOE, and Buffalo BOE authorized schools only)

KEY DESIGN ELEMENTS (Briefly describe each Key Design Elements (KDE) as presented in the schools approved charter. KDEs are those general aspects of the school that are innovative or unique to the school’s mission and goals, are core to the school’s overall design, and are critical to its success.

KDE 1	College Preparation Aligned in every way with the school’s mission to graduate college-ready and civic-minded students, the importance of college readiness is understood very well at SASCCS. In addition to high quality instruction and curriculum, programs during school, after school, and during the summer that have been already developed and practiced to make sure that every student has an opportunity to attend college. Saturday Scholars, and Summer Scholars are examples of two programs where students are provided additional academic support and enrichment.
KDE 2	Focused on STEM and Environment In all K-5 levels, SASCCS promotes real-world problem solving & exploration in science and mathematics, interactive engagement and collaborative problem-solving opportunities, field trips to environmentally friendly locations and science museums, and regular use of technology:

computer laboratories, smartboard, IPAD one-on-one chromebooks, internet, apps.

KDE 3

Glocal Education

SASCCS has a celebratory atmosphere, and promotes positive attitudes through quarterly recognition and rewards for academic efforts and citizenship evidence through certificates, gift certificates and classroom celebrations. Students are encouraged to share cultural backgrounds, and teachers incorporate these backgrounds through culturally responsive teaching lessons. As students participate in community service opportunities, they become aware of the issues facing their region, and by becoming an active part of the solution, they become a more involved, caring citizen. By recognizing challenges and taking part in solving them, students become better problem solvers and gain real-life application experience. As part of the Commitment Letter signed by each student and his or her guardian, each student must complete 225 hours of community service as a graduation requirement through K-12. The total volunteer hour requirement for graduation will be pro-rated based on the grade level that each student enters the school. All community services will be tracked digitally on an ongoing basis as a method to celebrate student efforts. Professional development is provided to staff, in conjunction with specific ENL support services provided by a licensed ENL teacher. The ENL instructional model is emphasized based adjusting presentation of materials, extensive modeling demonstration and individualized directions. Beyond this, students inquire in groups where lessons are scaffolded using learning materials, tasks and adjusted groupings. Students then show what they know orally or in writing using language output method, which is then monitored for progress toward learning goals.

KDE 4

Student Centered School Structure

SASCCS schools offer a small, safe, nurturing

environment to its students in (K-5). The school has an academic leader called dean of the school and a dean of students who deals with daily Student support issues. By creating a small school environment at its location, SASCCS creates a family atmosphere in which all staff members know each other and students, and can provide a safer and more controlled environment to our students and staff members. Each classroom has two teachers to provide academic and emotional support. This reduces staff to student ratio to 12:1, optimizing ongoing support. Both parent and staff surveys showed that they find the school's small environment and individual attention extremely valuable and safe.

KDE 5

Parental Involvement and home visits

Students' success and performance are affected not only by teachers, but also by their parents and environment. Therefore, parental involvement is a significant part of our school's strategic goals. The school's teachers perform home visits to understand the students' problems and abilities and to create a better triad of parent-student-teacher relationships. During home visits, teachers encourage parents to take an active role in student's learning at home. Parent's also volunteer regularly in classrooms as guest readers, field trip chaperones and academic support during projects and hands-on learning tasks.

KDE 6

Performance based accountability

The school must achieve academic and organizational excellence through outstanding instructional quality coupled with the school's key design elements to remain a viable educational alternative in the community. Student performance and teaching and learning are measured monthly and/or quarterly through data collected and tracked by multiple assessment instruments, including STAR Math and Reader Testing, Benchmark Exams utilizing eDoctrina Software, Lexia, full-length practice tests for state

Assessments, and Fountas and Pinell running records. Student performance is documented and reviewed by teachers, and school administrators. From these performance results, teachers will create intervention plans to improve individual student achievement.

Teachers meet monthly with coaches and school administration to review student data. This data is used to create intervention plans for students, emphasizing individual goals in math and reading for each student. These goals are growth based, and annual checkpoints are set up as a means of progress monitoring. In monthly data meetings, progress is reviewed and specific academic intervention plans are adjusted regularly to maximize student growth. There is an extensive teacher observation and enrichment program, in which each and every teacher is visited regularly and given feedback, with resources tailored for their individual needs using NYSED approved models, such as the Danielson Framework for teacher evaluation and the Frontline Education program. SASCCS has several instructional coaches, peer mentors and administrators who perform class observations and provide feedback to improve instruction. Each teacher has an individualized improvement plan based on compiled data, allowing teachers to focus efforts on specific domains and performance indicators of the Danielson Framework.

VIII. Discussion Items

1. *Financial status and budget was reviewed.*
2. *Internal audit report was provided by internal auditor. There were no concerns.*
3. *SANY BoT capacity for expansions: Board has discussed to increase its capacity for governing additional schools as it applied for more schools. The board discussed to increase its meeting efficiency by utilizing online meeting management system. Some of the questions asked during a meeting can be brought up before the meeting using online tool on agenda items and school admins may answer them before the meeting, which may cut discussions on purchase/financial issues, which gives enough time for academic discussions. In addition, schools data management software which is in development by Terra will be provide constant access to Bot members for academic data.*
4. *Strategic goals for 2018-19 and their report: a) increasing ELL numbers for schools. SASC did very well, but not SAS, therefore asking for ELL preference, b) dual leadership model is established much better in its third year, c) ES deans get together to create a system wide SANY ES model, which should be expanded to middle school and high school eventually,*
5. *Strategic goals for 2019-2020: a) SANY Booklet to create a one band one sound system wide procedures and forms, b) reducing suspension rates (a grant will be submitted to DoE), c) 90% of students reading at the end of 2nd grade, c) Making SAS an ELL preference school by updating its enrollment policies*
6. *Terra Science and Education installed AC System to Utica Academy HS&ES building. The new system will bring AC to whole school building, which is almost \$100,000 investment.*
7. *Terra will update gym windows in Syracuse Citizenship Academy for around \$15,000.*
8. *Terra will provide \$25,000 as a grant for HR and recruitment, etc. Terra provided to all its high school graduates who are eligible (SANY Graduate, accepted into 4 year college, and College Ready) for his college scholarships (upto \$4,000) during its graduations.*
9. *Comptroller's reports: Dr. Damkaci reads comptroller reports for other schools and sends a summary for school to develop its own policies accordingly. This is what he sent last week: "Homer Central School District was included in the latest round of municipal audits from the state comptroller's office. The report looked at criminal history background checks and found that district officials did not consistently comply with education law regarding the finger printing of employees. The report found that district officials did not perform fingerprint-supported criminal history background checks on nine out of 157 employees tested. It's recommendations moving forward include discontinuing the allowance of employees to work with students until they get a fingerprint clearance, as well as periodic checks of employee files to ensure they've gone through a proper screening." Dr. Damkaci noted that school already adopted all these recommendations.*

Activity Report

SAS

1. Friday, May 17, 2019 – Girls Empowerment Night is a time honored middle school tradition which focuses on developing strong, independent, confident young ladies at Syracuse Academy of Science Charter School. The theme for 2019 was strong, independent women in fields that have been thought of as 'male dominated' professions.
2. Friday, May 17, 2019 – As part of project based learning, these industry titans (or should we say Atoms) team up to create a detailed business plan on how they would run the school store.

3. Friday, May 17, 2019 – Students from ten counties in Central New York competed in Destiny USA's Wonderworks WonderKid program. Nominated by their teachers, this program highlights the student achievement in categories such as: Academic Excellence, Service to Community and Future Scientist. 7th grade Atom, Maria, was named the 2019 WonderKid recipient in the category of Academic Excellence.
4. Wednesday, May 29, 2019 – Taking classroom curriculum and blending it with a hands on experience is just one way we continue to build success, one Atom at a time. The 5th grade Atoms visit Skä•noñh - Great Law of Peace Center for a social studies field trip
5. Thursday, May 30, 2019 – In efforts to raise funds for Project Based Learning Classes, Atoms host their middle school dance.
6. Thursday, May 30, 2019 – Visiting colleges and universities is a key element in our college-bound environment. Each spring, Atoms embark on a college tour circuit visiting colleges and universities in the area. Wrapping up this year's college tour, Atoms visited Hobart and William Smith Colleges.
7. Thursday, May 30, 2019 – It's not everyday that you get to spend the afternoon in the "Central Park of Central New York," otherwise known as Onondaga Lake Park.
8. Thursday, May 30, 2019 – Atoms dress to impress for an evening on the 'Red Carpet.' Reading Night, a tradition at our elementary school is an event for the whole family.
9. Saturday, June 1, 2019 – Three, two, one ... blast off! Middle school Atoms compete in a challenge that was out of this world, the 17th Annual Central New York Rocket Challenge.
10. Monday, June 3, 2019 – SASCS middle school choir have a 'homerun' of an experience on a beautiful sunny day at NBT Bank Stadium.
11. Tuesday, June 4, 2019 – Atoms take a walk on the 'wild' side for their latest field trip. Embarking on an adventure filled with a variety of domestic and exotic animals, The Wild Animal Park is certainly a class favorite.
12. Wednesday, June 5, 2019 – What a gorgeous day not only for a field trip, but for baseball and 'Education Day,' as well. The 4th grade Atoms visit Onondaga County Park's NBT Bank Stadium, the home of the Syracuse Mets, for an afternoon filled with popcorn, hot dogs and of course baseball.
13. Thursday, June 6, 2019 – The gym was filled with the sound of music ranging from vocal to instrumental, as Atoms celebrated a night of the fine arts. A favorite event amongst families, the spring concert and art show highlight art related events the Atoms have been working on throughout the year.

- 14.** Thursday, June 6, 2019 – Throughout the year, Atoms spent quality time through volunteer work with the residents of Van Duyn Center for Rehabilitation and Nursing.
- 15.** Friday, June 7, 2019 – Atoms rolled up their sleeves, put on gloves, grabbed some tongs and started picking up litter in our community, while en route to their field trip at Webster Duck Pond.
- 16.** Friday, June 7, 2019 – Atoms are on a roll, the Honor Roll that is. It's time to give a round of applause and kudos to all our Atoms for their hard work this school year. A time-honored tradition, the middle school Dean's List Dinner, recognizes students for their academic success.
- 17.** Monday, June 10, 2019 – Founder and chair of the Wisdom Thinkers, Ralph Singh, spoke with our first grade Atoms about creating a climate that nurtures character.
- 18.** Tuesday, June 11, 2019 – Having fun isn't hard when you have a library card! Atoms enjoyed an afternoon field trip to Betts Branch Library, one of eight branch libraries of the Onondaga County Public Library system.
- 19.** Wednesday, June 12, 2019 – Major award announcement for two of our high school Atoms! Recognized for their hard work in the STEM field, both Benjamin and Joseph were nominated for the Partners for Education and Business (an affiliate of MACNY)'s Student of the Year award.
- 20.** Wednesday, June 12, 2019 – Animals in action are so much fun ... especially when you have hands-on experience with a beautiful Painted Lady Butterfly. Atoms witnessed the stages of their soon to be butterfly.
- 21.** Thursday, June 13, 2019 – Atoms are poets and they didn't even know it! Stepping outside their comfort zone, these young poets stepped up to the microphone and presented their creative writing to not only their teachers but their parents, and peers, as well.
- 22.** June 13, 2019 – Inspired through cultivation and conservation, the middle school STEM club took in beautiful new sights, and floral smells at the Cornell Botanic Gardens. A favorite amongst Atoms was the Mundy Wildflower Garden.
- 23.** Thursday, June 13, 2019 – Fourth grade music students enjoy a night out at the ballpark with their families. Atoms cheer on the home team, Syracuse Mets, with a 6-5 victory over the Charlotte Knights.
- 24.** Friday, June 14, 2019 – Raised glazed, jelly filled, powdered sugar, sprinkles on top. Each so sweet, and uniquely different all on its own, just like dad! In honor of Father's

Day, Atoms celebrate dad and the father figures in their lives at our annual event, Donuts for Dad.

- 25.** Friday, June 14, 2019 – The weather outside may have been wet and dreary, but our elementary school Atoms said 'game on' to their Field Day! From bounce houses, to races, to games and challenges, our gymnasium was filled with laughter, excitement and ultimately fun.
- 26.** Tuesday, June 18, 2019 – On 14 acres of land, with both domestic and exotic animals, Atoms embarked on a 'wild' adventure. The Wild Animal Park, is a favorite field trip location for many of our students. For the first graders, a highlight was the Tiger Experience Show, where they witnessed a live feeding of Bengal Tigers Kiara and Oden.
- 27.** Wednesday, June 19, 2019 – Syracuse, New York is home to one of the largest Juneteenth celebrations in the nation. A yearly festival held in downtown Syracuse, communities from the surrounding area partake in the celebration. This year during the Juneteenth festival, our very own 6th grade Atom won the essay writing contest. What's more, Preston, read his essay to the city officials in front of City Hall. In attendance was Syracuse Mayor, Ben Walsh. Congratulations, Preston!
- 28.** Wednesday, June 19, 2019 – When creativity and technology mix in a competition it is a recipe for success for Atoms. 6th and 7th grade Atoms compete in the New York State Education Department and NYSCATE's Create-A-Thon: Creative Solutions for Equity and Access competition.
- 29.** Thursday, June 20, 2019 – Man to Man, 3-2 Zone, whatever it took to beat the Atom's fiercest opponent yet, the staff! The annual Student vs. Staff basketball game is a favorite.
- 30.** On Thursday, June 20, 2019, the Syracuse Academy of Science Charter School celebrated it's thirteenth annual commencement at the SRC Arena at Onondaga Community College. The keynote speaker was Judge Jawwaad Rasheed, Board Member of the Science Academies of New York. Congratulations to the #SASCS Class of 2019.
- 31.** Friday, June 21, 2019 – Students, teachers, families and friends gather together to join in on this once in a lifetime celebration for the Class of 2031, Kindergarten Graduation.
- 32.** Monday, June 24, 2019 – For the last field trip of the school year, Kindergarten and 3rd grade Atoms opted for an animal adventure at the Rosamond Gifford Zoo and The Wild Animal Park.
- 33.** Monday, June 24, 2019 – Atoms invite you to come and 'feel the magic in the air' with their end of year music video. A time-honored tradition, our elementary school students, teachers and staff from not only Syracuse Academy of Science, but Utica Academy of

Science and Syracuse Academy of Science and Citizenship schools partook in the event, as well.

34. Monday, June 24, 2019 – The month of June is one filled with excitement, hard work, and bittersweet moments. For our 4th grade Atoms, we embraced and celebrated all that June offered especially at the Moving Up ceremony.
35. Tuesday, June 25, 2019 – As the school year came to a close, Atoms had one thing on their mind, summer vacation. As an end of year treat, one teacher got creative as a way to say thank you for a great year and to wish the students a safe and happy summer.

SAS Citizenship

1. Thursday, May 15, 2019 – The best day ever was had at the Rosamond Gifford Zoo. Atoms put their exploring and adventure hats on while learning about over 600 animals representing over 200 species.
2. Wednesday, May 29, 2019 – Positivity Night and a Book Fair, what more could an Atom ask for? As part of the Positivity Project, every Friday at Syracuse Academy of Science and Citizenship students gather together as a community to celebrate the 'Other People Matter' mindset.
3. Tuesday, June 11, 2019 – Our staff and faculty go above and beyond in many ways both inside and outside the classroom. From being involved in mentoring programs, active in their communities, they are true role models. We are excited to share with you our very own Dean of Students, Mr. Frisina was recognized for his contributions to both the students at Syracuse Academy of Science Citizenship, as well as, the families in the greater Syracuse community. Mr. Frisina was honored with Anointed Vision Ministry COGIC's Community Service Award.
4. Tuesday, June 11, 2019 – Lions, Tigers, bears and Atoms (oh my). What better place to go and visit after completing an end of year research project on animals than Onondaga County Park's Rosamond Gifford Zoo.
5. Thursday, June 13, 2019 – Lights, camera, Atoms! From singing to dancing and everything in between these young Atoms certainly do have talent. With a full house, students dazzle their family and friends with their performance.
6. Friday, June 14, 2019 – What do donuts and dads have in common? Each type of donut (like dad) is uniquely different, they can be sweet, and are filled with love. Atoms share delicious donuts with dads, grandfathers, uncles and other male role models in their lives at our annual Donuts for Dad event.

7. Monday, June 17, 2019— Atoms receive financial education and learn the value of a dollar with the help of Empower Federal Credit Union's Dollar Dog program. This program is made available to all students and helps them understand the benefits of responsible money management.
8. Wednesday, June 19, 2019— It is a great day to be an Atom, especially when you receive a surprise visit from Onondaga County Executive, Ryan McMahon.
9. Friday, June 21, 2019— Atoms get an up close look, hands-on experience with exotic and domestic animals from all around the world during a field trip to Fort Rickey Discovery Zoo.
10. Monday, June 24, 2019-The Citizenship Academy Family celebrated a year of success with our Kindergarten movin' on up ceremony. Congratulations to all of our bright young Atoms.
11. Monday, June 24, 2019— Atoms invite you to come and 'feel the magic in the air' with their end of year music video. A time-honored tradition, our elementary school students, teachers and staff not only from Syracuse Academy of Science and Citizenship, but Utica Academy of Science, and Syracuse Academy of Science Charter Schools partook in the event, as well.
12. Wednesday, June 26, 2019— Dean of Elementary, Dominic Frisina shares the success of Syracuse Academy of Science and Citizenship Charter School has experienced through The Positivity Project program. Through this program, the school has built a culture that emphasizes mutual respect and understanding. Every Friday, the school comes together and recognizes students acts of character and strength.

UAS

1. Wednesday, May 22, 2019— High school students explore various career paths at the second annual Career Day. This day allows our students the opportunity to gain knowledge of various career paths and professions. Atoms were able to connect with those in the medical field, sports medicine, public service, education, business and more!
2. Friday, May 24, 2019— It's not everyday that Atoms get to dress in 17th century clothing, practice on a cannon drill team and experience fort life. But it's business as usual when you visit Fort Stanwix National Monument and Oriskany Battlefield Historic Site.
3. Tuesday, May 28, 2019— Atoms share their green thumb expertise while giving back to their community at the Sitrin Health Care Center. As part of the Military-Civilian Coalition, students and veterans join forces to empower and educate through social endeavors.

4. Friday, June 7, 2019 – A beautiful sunny day filled with laughter, excitement, cheers, games and activities for the elementary school Atom's first ever Field Day event. Students partook in an epic game of Tug o' War, competed in various relay races, tested their tossing ability with corn hole, and much more! Students won medals and trophies if they exemplified team behavior, and good sportsmanship behavior.
5. Friday, June 10, 2019 – High School National Honor Society Atoms had their shades on and dipped their toes in the nice cold water at New York State Park's Delta Lake State Park.
6. Thursday, June 20, 2019 – Giving back to the community is one of the many ways we continue to build success, one Atom as a time. Middle school students in the Student Government program take the initiative to give back to an organization that provides resources to those who have served our country, the Veterans Outreach Center of Utica.
7. Monday, June 24, 2019 – Atoms invite you to come and 'feel the magic in the air' with their end of year music video. A time-honored tradition, our elementary school students, teachers and staff from not only the Utica Academy of Science, but Syracuse Academy of Science and Syracuse Academy of Science and Citizenship schools partook in the event, as well.
8. Friday, June 28 2019-the Utica Academy of Science Charter School celebrated it's third annual commencement at MVCC. The keynote speaker was Congressman, Anthony Brindisi. Congratulations to the #UASCS Class of 2019.

WHEREAS, SAS Elementary school and Citizenship academy will update its chromebooks with new touchscreen chromebooks. After this update with new additional chromebooks, every classroom in SAS elementary and Citizenship Academy will have their own chromebook set, and will make it 1:1 chromebook per student.. Classroom and intervention teachers will be able to assign a chromebook to students in their classroom. This will prevent moving chromebooks between classrooms. The old chromebooks will be donated to SAS middle school, SAS high school, and UAS, which will also help to assign a chromebook set to each classroom and will make these schools also have 1:1 ratio. SANY received 3 quotes. CDW-G provided the lowest quote and faster production time. SANY also has previous positive working experience with CDW-G. SANY would like to purchase 800 Acer touchscreen chromebooks with google chrome management console license, 25 chromebook carts, and 19 charging stations from CDW-G.

VIII. Discussion Items

1. 2018-19 SANY audit report presentation: 2018-19 audited financials were reviewed with the external auditor. There is no material weakness and nor any significant recommendations. School implemented all recommendations from previous report. Overall, school is doing well financially and its procedures are working well.
2. Academic data: Star test results were shared and discussed in comparison to NYS results. School is putting more efforts in identifying and supporting level 1-2 student to move them to level three.
3. UAS new bus purchasing: The need for UAS bus has been discussed
4. Comptroller report: Comptroller report on other local charter school was discussed in the light of how we are doing in terms of good house keeping of student data, especially student's sending home district. School will make additional effort to comply with regulations full based on what is learned from the report.

SANY Activity Report:**SAS**

- Monday, July 8, 2019 - Congratulations to Sophomore, Justine Bell for making the 2019 Section III All-Central New York outdoor girls track and field team! Justine's state qualifying event was the 100 meter hurdles.
- Wednesday, July 31, 2019—Ellen DeGeneres' game Heads Up is the game of the game of the summer and a favorite amongst Atoms. On the last day of school, 6th grade Project Based Learning students partook in the challenge and submitted their video to Ellen ... and they won! Atoms make an appearance on EllenTube and are thrilled to be selected.
- Thursday, August 15, 2019—One of our talented Atoms with an incredible vocal range was chosen to sing the National Anthem at the New York State Fair Reception, an event that was organized by the New York State Comptroller, Thomas P. DiNapoli.
- Tuesday, September 10, 2019—Looking to take a "bite out of the big apple," and to make New York City your campus? Junior and Senior Atoms find out how they could do just that if applied to New York University. Assistant Director of Admissions, Aurora Kearney, shared NYU's rich history, campus life, degree and course study, and much more!
- Thursday, September 12, 2019—A live band cranked up the jams at this year's Welcome Back BBQ. Atoms and their families enjoyed an evening filled with festivities, games, raffles and more. Needless to say this event was a huge hit and wouldn't have been possible without the help of many faculty and staff members.
- Friday, September 20, 2019—Ripe for the picking, third grade Atoms visit one of the top apple orchards in the country, Beak and Skiff.
- Friday, September 20, 2019—What type of change do you get when you combine water with a coffee filter? You probably don't notice too much of a change. But, let's say your coffee filter now has some colorful design created by a second grade Atom?
- Friday, September 20, 2019—Mrs. Cusano's first grade class kicked-off the start of the book fair by having a special visit from the Dean of School, Mrs. Miller. Mrs. Miller led the

students in story time, and read to them *How Rocket Learned to Read*, by Tad Hills. This book highlights the importance of reading, and its many benefits.

9. Tuesday, September 24, 2019—Many of our elementary school Atoms enjoy visiting the Betts Branch Library for a field trip.

10. Wednesday, September 25, 2019—Each month we celebrate our Atom's character traits, accomplishments and achievements during our Student of the Month ceremony. The character trait for the month of September is responsibility.

11. Thursday, September 26, 2019—Owl in a days work, 7th grade PBL Atoms gear up for a project that is egg-sighting. Students will be tasked with researching and designing their own bird nesting box.

12. Thursday, September 26, 2019—"□" marks the spot for any sort of treasure or scavenger hunt! Elementary Atoms enjoy an evening with their family at our Back to School Welcome, and work together to complete a scavenger hunt with a prize of a lifetime ... a dress down pass. Following the scavenger hunt families were able to peruse the book fair.

SAS Citizenship

1. Thursday, September 12, 2019—Syracuse Academy of Science and Citizenship school invited families to attend their Back to School Night. As the doors opened, families met with their student's teacher, learned about the school's mission, its curriculum, charter education and ways we can work together to ensure our Atoms are on track for success.

2. Monday, September 16, 2019—In preparation for the first "official" week of fall, kindergarten and first grade Atoms visited apple country, on a field trip to Navarino Orchard. Atoms had the luxury of not only picking apples, but they learned fun facts about this third generation orchard and farm.

3. Friday, September 20, 2019—It's not every day that you have a royal visit from Miss Spirit of New York, Kimberly Geniece, who shared with the Atoms her talents of singing (including Opera) and acting during story time. Kimberly brings the story, *The Book with No Pictures* by B.J. Novak, to life through her creativity, vocal range and expressions.

4. Thursday, September 26, 2019—Stop. Drop. And Roll! Kindergarten Atoms welcome Dan Connors from the Syracuse Fire Department for story time and fire safety. Mr. Connors not only read the story, *No Dragons for Tea*, which discusses the importance of fire safety, but taught both the teachers and students how to properly "stop, drop and roll" in case of a fire. What visit is complete without a firefighters hat to wear?! Thank you Mr. Connors and Syracuse Fire Department for sharing your time with us and for all that you do!

5. Friday, September 27, 2019—The first month of school is already in the books and it's hard to believe we are celebrating our first Student of the Month Ceremony.

UAS

1. Tuesday, August 20, 2019—With the school year starting in just a little over a week, we welcomed our new Atoms to the Utica Academy of Science Middle School Family at the New Parent Orientation.

2. Wednesday, September 4, 2019—Can you believe that school started a couple weeks ago? It seems like yesterday that our Elementary school families were attending our orientation!

3. Wednesday, September 11, 2019—Reading is a novel idea and our Elementary Atoms shared their love for books, literature and even Legos with their family at our annual Literacy Night. Literacy-based activities were held in the classroom for families to enjoy. In addition, Utica Academy of Science Elementary School hosted a Scholastic Book Fair.

4. Tuesday, September 17, 2019—Pump, pump, pump it up! Pump that Atom spirit up. Elementary Atoms show off their school spirit as they celebrate Utica Academy of Science High School's first-ever Homecoming.

5. Saturday, September 21, 2019—Homecoming Weekend was in full swing as the middle school teachers, faculty and staff geared up for their Welcome Back BBQ. An afternoon filled with families meeting their students' teachers, and students having an opportunity to sign up for school clubs and activities.
6. Saturday, September 21, 2019—The elementary and high school team up together to host a Welcome Back BBQ, to not only conclude the Homecoming festivities, but to celebrate new beginnings such as the start of a successful school year. From bounce houses, to face painting, to silent auctions, to of course delicious food, it was fun for the whole family.
7. Wednesday, September 25, 2019—Kindergarten Atoms kick-off the first field trip of the school year by visiting Fort Rickey Discovery Zoo. A day filled with exotic and domestic animals, students were able to feed, pet and hold baby goats (a class favorite).
8. Thursday, September 26, 2019—When it's an early dismissal, there is only one thing you can do. You got to "take your horse to the old town road" of course! Elementary Atoms sing their favorite song, Old Town Road by Lil Nas X, featuring Billy Ray Cyrus.
9. Friday, September 27, 2019—Goats, snakes, horses, deer ... oh yah, and more goats! Atoms enjoy a hands-on experience at Fort Rickey Discovery Zoo as they interact with both domestic, native, and exotic animals. The student's favorite animal was the African Pygmy Goats in the petting zoo area, followed closely by the snakes. Some were even brave enough to wear the snake on their shoulders. Atoms hopped on a fall inspired tractor ride that took them around the zoo to view a wide variety of animals. Thank you, Fort Rickey Discovery Zoo for an amazing fun filled day!
10. Monday, October 7, 2019—October is National Bullying Prevention Awareness month. Middle School Atoms have teamed up to help Stomp Out Bullying and cyberbullying by participating in the national campaign #BlueUp. On Monday, October 7th, Atoms will be permitted to wear a blue shirt to kick-off the campaign. In exchange for dressing down, students must commit to a weekly bullying awareness challenge, please see below.

Wayfare Facility Management	Installation of new gym floor, oil base sealer, logo and lettering	\$ 100,500.00	Delivery and Installation	included	\$ 100,500.00

COMMENTS:

Recommendation: Wayfare Facility Management: Comes highly recommended. Also accounting for the weight of bleachers with occupants on them as well as high traffic areas such as the doorways.

(Not recommending the lowest bid because of the lack of communication and vendor saying the bid needs to be readjusted)

RESOLVED, that updating Citizenship Academy's gym floor from Wayfare Facility Management for \$100,500 (this is higher than all, however it includes additional under

flooring support for the area which will stay under the bleachers accounting for the weight of bleachers and weight on bleachers, additional support under flooring at the entrance to make the flooring flat surface, and their services used by several schools and colleges, and the company provided extremely detailed proposal which does not leave anything for guessing (operation manager thinks that there will be some change or orders with the lowest proposal due to less detailed proposal)); installing bleacher and new boards (with the cost of all materials) from Facilities Equipment and Services for \$101,359 is hereby approved.

Resolution # 191112.6 was **adopted unanimously**

► **Motion #191112.7**

WHEREAS, SANY schools analyzed the alternative energy provider to compare the prices for gas and electricity. Per the most current data from the yearly gas consumption in the district, locking the rate with alternative energy provider is cost efficient for SANY. If the gas price drops, Marathon will adjust the rate according to National Grid price. However, if the gas price goes up, our rate will not change. This is not the same case for the electric service.

Annual National Grid Gas Supplier Cost per Historic Yearly Data: \$ 64,659 vs.
Marathon: \$ 49,345

Annual National Grid Electric Supplier Cost per Historic Yearly Data: \$ 57,888 vs.
Marathon: \$ 62,480

RESOLVED, that changing gas service provider from National Grid to Marathon for 2 year period is hereby approved.

Motion by Chanel Turnquest, seconded by Linda Spencer

Roll Call: All in favor but abstained by Murat baysal

Resolution # 191112.7 was **adopted with Majority**

► **Motion #191112.8**

WHEREAS, SANY Schools promoting the use of electric cars for its staff and planning to lease/buy its own e-cars, the school will install electric charging units at its Utica Frankford and Syracuse High school locations serving four cars at a time in each locations. The whole cost of the installation of these units should be paid by rebates, however school would like to get approval in case there is a cost associated with these units. Several cities, colleges in CNY has been working with ChargePoint company and the company also handles all rebates. \$32,000 is expected from NYSERDA and around \$15,000 from Nationalgrid as rebates, which should cover all expenses of installation and purchase of 8 car units.

RESOLVED, that e-charging units purchased and installed by their vendors of ChargePoint upto \$50,000, with the expectation portion of this will be paid by rebates, is hereby approved.

Motion by Linda Spencer, seconded by Murat Baysal

Roll Call: Adopted unanimously

Resolution # 191112.8 was **adopted unanimously**

VIII. Discussion Items

1. *Financial status and budget:* no presentation was made. Financial presentation will be made at least quarterly since they do not change month to month.
2. *Academic data:* Academic data has been shared using Datapooler dashboard system. The schools are doing much better with suspensions this year compared to last year.
3. *Datapooler software presentation:* School data management software, which is developed by Terra Science is presented to school. School started using the program for looking at all data at student and school level.
4. *Salary Increase Discussion:* School is looking at starting base salaries in comparison to school districts and looks like there is gap between our base salary and theirs and the school will make a presentation to make proposal to increase salaries accordingly to make them competitive and let teachers know the increases as early as February to retain them.
5. *Incident report:* The school shared information about an incident happen at the school today regarding a teacher and a student. The school shared the steps taken regarding the incident and reporting to state. Student's parent are informed and had a meeting with the school admins.

SANY Activity Report:

SAS

1. Tuesday, September 24, 2019—A crisp yet beautiful fall day, is perfect for a field trip to one of our beloved apple orchards in Central New York, Beak and Skiff. Second grade Atoms were eager to learn all about apples and get that 'insider scoop' from the apple experts themselves.

2. Saturday, September 28, 2019—We are excited to share one of Syracuse Academy of Science High School's newest student club and activity, Adventure Cooperative for Environmental Stewardship, or ACES. Atoms participated in various outdoor activities like hiking, GeoCaching, and exploring state parks, trails and more in the greater Syracuse and Central New York area.
3. Tuesday, October 1, 2019—Middle school Atoms welcome guest speaker, Ms. Aza Gradinic who came and shared her life story that was incredibly moving, and gripping. Ms. Gradinic shared with the students stories about her life growing up in Bosnia during the war, and connected them to the Universal Declaration of Human Rights (UDHR) - a document the Atoms have been learning about.
4. Thursday, October 3, 2019—Syracuse Academy of Science High School welcomed Admissions Counselor, Shaquan McDowell, from Brandeis University.
5. Friday, October 4, 2019—Students from the junior and senior class attended Hillrom's (formerly known as Welch Allyn) Manufacturer's Career Day.
6. Friday, October 4, 2019—Every Atom is an artist! During our merit point celebration, Atoms were able to unleash their creativity and paint not only outside the lines but also off the canvas.
7. Saturday, October 5, 2019—It's quite an honor to have five of our Syracuse Academy of Science High School Students become participants in The Congressional Award for Community Service.
8. Monday, October 7, 2019—No spectators or benchwarmers here! Elementary Atoms welcome guest speaker, John Wildhack, Director of Athletics at Syracuse University. Mr. Wildhack shared with the students a day in the life for Syracuse Athletics, various sports programs on campus, his life experiences, and even his previous job position at ESPN.
9. Monday, October 7, 2019—Sometimes a hospital can seem like a very scary place. First grade Atoms take a 'sick day' and visit Crouse Hospital's Hospital Land to learn all about being admitted to the hospital, as well as, what it's like to be a patient.
10. Monday, October 7, 2019—As we prepare our students on their next steps after Syracuse Academy of Science, we strive to have our students college-ready and civic minded. Throughout the year we provide opportunities for our Atoms to learn about colleges, universities and various trades.
11. Tuesday, October 8, 2019—The Middle School STEAM club met for the first time and lets just say things got a bit sticky and slimy! Atoms put their creative and scientific brains to work as they combine glue, Borax, shaving cream and food coloring to create everyone's favorite, slime.
12. Thursday, October 10, 2019—High school Atoms enjoy a field trip of a lifetime at SUNY ESF's Heiberg Memorial Forest - one of the field stations of SUNY ESF where students can participate in different activities in forest ecology.
13. Friday, October 11, 2019—A beautiful sunny fall day perfect for an outdoor scavenger hunt. Kindergarten English Language learners have been working on projects related to the five senses - sight, hearing, taste, touch and smell.
14. Wednesday, October 16, 2019—When science meets inquisitive Atoms, there is a reaction filled with learning, knowledge and excitement. Fifth grade Atoms visited the Milton J. Rubenstein Museum of Science & Technology (MOST), where they took their turn at being scientists for the day.
15. Friday, October 18, 2019—Art has the ability to transform, uplift and inspire - a belief held by Yoko Ono. Mrs. Merrithew's AP Art Class attended a tour of the Yoko Ono: Remembering the Future exhibit at the Everson Museum.
16. Saturday, October 19, 2019—Atoms competed in the MOST's CNY Steamboat Challenge, and did what our Atoms do best ... they came to compete and WON! With over 60 teams participating from across Central New York, we are proud of our students for taking home not only 1st place, but the 2nd, 3rd and 4th place, as well for the high

school competition. Middle School and the Elementary school were not far behind with taking home 3rd and 4th place.

17. Monday, October 21, 2019—Syracuse Academy of Science High School Robotics team hosted an outreach event on Monday, October 21st at The Palace Theater. During this event, Atoms shared their new initiative with the greater Syracuse community - FIRST Lego League (FLL) and FIRST Tech Challenge (FTC).
18. Tuesday, October 22, 2019—Elementary Atoms received a brief lesson in Civics as they learned about the important responsibilities of congressmen, specifically New York State's 24th Congressional District Congressman John Katko.
19. Wednesday, October 23, 2019 — Our Atoms took the Pledge to create a world without bullying.
20. Thursday, October 24, 2019—It's not every day that you receive VIP guests from the New York State Charter School Community and the Office of New York State Assemblyman, Marcos Crespo. Guests received a tour of both the Syracuse Academy of Science Elementary and Middle School, and were amazed at all the hard work not only our students accomplished this year but our teachers, faculty and staff.
21. Friday, October 25, 2019—Middle school Project Based Learning (PBL) students gear up for one of their biggest projects to date - their first Spaghetti Dinner. In efforts to raise funds for an upcoming field trip, students work together as a team to create an evening of fine Italian cuisine.
22. Tuesday, October 29, 2019—It's not every day that you get to witness a pumpkin flying. On a recent field trip to the Golub, "Our Farm," Atoms had a front row seat to this physics experiment.
23. Thursday, October 31, 2019—Scary good times were had at the annual Syracuse Academy of Science Elementary School Fall Festival. Atoms dressed in their favorite costumes and participated in Halloween games and activities.

SAS Citizenship

1. Thursday, September 26, 2019—Atoms didn't start the fire, but they certainly learned all about fire safety with a special visit from fireman Dan Connors of the Syracuse City Fire Department. Fireman Dan joined the Kindergarten Atoms for story time and read to them, No Dragons for Tea, which discusses the importance of fire safety.
2. Wednesday, October 9, 2019—A beautiful fall day calls for a field trip dedicated to team bonding and enhancing character strengths learned inside the classrooms. Our 4th grade Atoms visited Shove Park for an outdoor field trip.
3. Wednesday, October 23, 2019—It's the perfect time of year for pumpkin picking with this beautiful fall weather and the leaves changing. Kindergarten and first grade Atoms visit, The Pumpkin Hollow, for a fall field trip.
4. Friday, October 25, 2019—Kindergarten Atoms discover the culinary possibilities at their first ever Discovery Kitchen. Thanks to Mrs. Pittsley and the Chartwells team, students gained helpful kitchen tips, tricks and nutritious recipes.

UAS

1. Friday, October 11, 2019—Middle school Atoms take a step back in time at one of Cooperstown's most popular destinations, The Farmers' Museum.
2. Friday, October 11, 2019—There are many natural wonders in the world. One of them just so happens to be in our backyard. Atoms head out on an adventure that would take them over 150 feet below ground to a place that was discovered in the early 1770s, Howe Cavern.
3. Wednesday, October 16, 2019—A little rain never kept the elementary school Atoms and their families from participating in the first Family Night event, Math Night.

4. Friday, October 18, 2019—With a few clouds looming overhead and the weather looking grim, this never stopped our first grade Atoms from enjoying a fun filled day on a field trip to North Star Orchards.
5. Friday, October 18, 2019—What does the field of manufacturing, transformers and former Syracuse University basketball legend have in common? Funny you should ask, because they were all present at this year's Mohawk Valley Community College's Manufacturing Day.
6. Saturday, October 19, 2019—Elementary, middle and high school Atoms competed in the MOST's CNY Steamboat Challenge. Participants work in groups of three to engineer a steamboat made out of recycled materials and powered by steam created by the heat of a tea candle.
7. Saturday, October 19, 2019—Atoms roll up their sleeves along with over 500 youth from the greater Utica area to volunteer and give back to the senior citizen community by providing general yard clean-up services.
8. Saturday, October 19, 2019—It is no surprise that our Atoms have talent, both in academics and athletics. This young Atom in particular had a trip of a lifetime as she showcased her basketball talent and athletic ability on the court against the daughter of NBA legend (and future hall of famer), Kobe Bryant.
9. Thursday, October 24, 2019—Utica Academy of Science Girls Varsity Soccer team take on one of their most competitive opponents yet, Notre Dame. Location, a brand new soccer pitch with Utica VIP community members in leaders sitting and cheering in the stands. The crowd would go wild with each and every goal, but the Atoms rallied together which led to a victory and history being made. In attendance were community members such as Utica Mayor Robert M. Palmieri, representatives from Congressman Anthony Brindisi and Senator Griffo office, Assemblywoman Marianne, Oneida County Executive Mr. Picente and many others.
10. Thursday, October 24, 2019 — Ms. Brown took her 2nd Graders to Cullen Pumpkin Farm for their monthly field-trip to celebrate fall & to witness the turning of the season first-hand. UAS ES Atoms explored a winding corn maze and experienced a hayride through cornfields and pumpkin patches.
11. Thursday, October 31, 2019—A spooktacular day filled with fab-boo-lous activities, creative costumes and of course sweet treats to kick-off the start of Halloween. Elementary Atoms enjoyed their annual Fall Festival, where students could dress up in their favorite literary costumes.

► **Motion #191210.6**

WHEREAS, SANY and Terra Science and Education has an agreement to develop an educational software (currently called as TEDS-Datapooler) to support teachers and administration by providing easy access to all academic data to analyze data and plan timely and targeted intervention to all students. SANY attorney updated the current Confidentiality and Non-disclosure Agreement to make sure the required terms by FERPA and Education Law § 2-d are included. Also the software development agreement is updated by changing SAS, SASC, and UAS schools 5-year free use to unlimited free use as long as the software is owned by Terra Science.

RESOLVED, that updated TEDS-Datapooler Software Development and Confidentiality and Non-disclosure Agreements with Terra Science and Education is hereby approved.

Motion by Jawwaad Rasheed, seconded by Murat Baysal
Resolution # 191112.6 was **adopted unanimously**

► **Motion #191210.7**

WHEREAS, SANY schools will built new additions to the existing Frankfort locations including extension of elementary school and a high school gym. Property owner of the location is Terra Science and agreed to make the same agreement as we did with the previous addition a year ago. The project will bring all UAS schools into one location which should be a benefit for parents who have multiple students at different grades. School requested initial quotes for a possible draft project planned for \$3 million for total of 24-27K sqf. Lake Architectural managed a project for the school previously. Their price for this project is the least expensive. The architects are proposing to serve the below services for the amount they are asking:

Three architect companies

1. Lake Architectural 2% of the constructions cost, \$60,000
2. Holmes * King * Kallquist Associates Architects \$ 305,820
3. Zangrili Engineering \$ 118,000

The scope of the work

1. Visit the site to verify existing conditions and to obtain field measurements.
2. Attend design meeting with School personnel.
3. Design and detail the new gymnasium and classroom buildings. The design will include architectural design, structural design, and site design. This includes storm water management.
4. Provide specifications and contract documents in a Project Manual.
5. Assist with bidding.
6. Prepare contracts for the construction work.
7. Provide construction administration services including project meetings, inspections, review of contractor payment applications, and assisting with the independent special inspection company with their work.

RESOLVED, that Lake Architectural will be service provider for this project at 2% of the total project cost, projected at \$60,000 for a projected \$3million project (excluding flooring of gym, bleachers, and hoops), paid from SANY reserve funds and the same use of land and property ownership and maintenance agreement with Terra Science (40 years of no rent, SANY will be in charge of maintenance and improvements (including structural-roof, HVAC and etc), and insurance) is hereby approved.

Motion by Murat Baysal, seconded by Jawwaad Rasheed

Resolution # 191112.6 was **all in favor but abstained by Fehmi Damkaci due to his role at Terra Science and Education**

VIII. Discussion Items

1. *Utica Building Addition project is discussed in detail. Two phase plan is presented. The school will bid the construction once the drawings are approved by the school and the city.*
2. *Internal Auditor Former CFO at Syracuse School District and Springfield, MA school district. He is currently consultant for Cato and Baldwinsville, NY school districts for financial matters. He will start working 12/13/19 and will report to Board on a monthly basis.*
3. *Computer Lab Furniture for SAS MS with State Contract Price to inform the board since it is less than \$20K threshold for board approval.*
4. *Dr Hayali commented on increasing suspension rates at Utica Academy.*

SANY Activity Report:

SAS

1. Tuesday, October 15, 2019 - SUNY Oswego, founded in 1861, located on the lakeshore of Lake Ontario, has 60 undergraduate majors and over 70 minors was the college visit of choice for our sophomore Atoms.
2. Friday, October 18, 2019 - Syracuse Academy of Science High School had the privilege of welcoming Sgt Gabriel of the United States Marine Corp. Sgt Gabriel spoke with the juniors and seniors about the NROTC Marine Option Scholarship.
3. Tuesday, October 22, 2019 - High School Atoms welcome Brown University's Admission Counselor, James Walsh.
4. Tuesday, October 22, 2019 - Elementary Atoms didn't start the fire, but they certainly learned all about the importance of fire safety. Ms. Peryea's second grade class welcomed volunteer fireman with over 50 years of experience, Mr. Hudson.
5. Friday, October 25, 2019 - With the anticipation of guest speaker, Ms. Heidi from the Food Bank of Central New York, 5th and 6th grade Atoms in Mrs. Swidowski's social studies class, give back to the community through the efforts of collecting food donations for the organization.
6. Friday, October 25, 2019 - With their future after graduation on their minds, high school students had the opportunity to ask a handful of questions, gather information and introduce themselves to over 23 colleges, universities and post-high school learning opportunities.
7. Monday, October 28, 2019 - A 'gorgeous' college visit was in store for the junior class as they traveled to Ithaca, New York to learn more and experience first hand Ithaca College.
8. Wednesday, October 30, 2019 - Before the snow started to fly, the elementary Atoms adventured out to a beautiful park right in their backyard, Onondaga County Parks' Beaver Lake Nature Center.
9. Thursday, October 30, 2019 - Where Orange is more than just a color, high school students learn just what it takes to become a student at Syracuse University. Admission

counselors shared with the students about campus and academic life up on the hill, and how Syracuse University customizes its education so students are able to gain real world experience from industry leaders.

10. Friday, November 1, 2019 - Middle school Atoms learned about the importance of the Amazon rainforest and the dangers it can face. Students expressed what they recently learned with a mixed media, impasto painting. They could show either a healthy rainforest or one that is in danger.
11. Wednesday, November 6, 2019 - It's a beautiful day in the neighborhood to take a quick stroll to gather insight on an upcoming project. Middle school PBL students will be creating their very own Little Free Libraries - the world's largest book sharing movement.
12. Friday, November 8, 2019 - In honor of Veterans Day, elementary Atoms learned the importance of showing appreciation to those who served in the U.S. Military and what it means to be a Veteran.
13. Friday, November 8, 2019 - "There will be no foolish wand-waving or silly incantations," in this post, just middle school Atoms who received their 'official' letter to Hogwarts School of Witchcraft and Wizardry.
14. Friday, November 8, 2019 - It's not every day you receive a visit from your local assemblyman. Middle school PBL Atoms welcome guest speaker, Assemblyman Al Stirpe - Assembly District 127.
15. Saturday, November 9, 2019 - Imagine if you were given a bundle of wood and some glue, how strong can you make a bridge with these materials? Elementary, middle and high school Atoms competed against over 139 participants in the MOST's STEM Build 'Em & Bust 'Em competition. And of course, in true Atoms fashion, they won!
 1. Category 1 Winners
 1. 1st Place: Christina S and Sophia K - Led by Mrs. Smith
 2. 3rd Place: Wajih H., Yousif R., and Elijah N. - Led by Mr. Saritga
 2. Category 2 Winners (8th Grade)
 1. 1st Place: Malayshia Green & Maya Plaza
 2. 2nd Place: Yakina Sika, Grace O'Neil, and Jaylin Regner
 3. 3rd Place: Saige Collins
 3. Category 3 (High School)
 1. 1st Place: Anthony Losurdo
 2. 3rd Place: Joseph Capra & Caprianna Cornier
 3. 4th Place: Teng Kiir & Thiep Lual

Congratulations to all of our Atoms who participated, we are so proud of you!

16. Tuesday, November 12, 2019 - No treble makers on this field trip, only band members who want to sharpen their musical talent. High School band members visit Ithaca College for a clinic with band director, Dr. Ben Rochford. Under Dr. Rochford's guidance he shared with students various techniques that would help them enhance their music ability, listen to the various instrument sections, and shared ways on how they can reach their optimal performance capabilities as an ensemble.
17. Thursday, November 14, 2019 - With a little help from the U.S Army, high school Atoms not only experience a day in their boots through virtual reality and simulation, but they also discover what is their 'warrior.' Atoms were able to experience six different adventures in the self contained simulation system.
18. Thursday, November 14, 2019 - Calling all space rangers! Elementary Atoms and their families embark on an adventure in a galaxy far, far away for the 2019 - 2020 Literacy

Night. Atoms and their families participated in activities to practice their letter recognition, sight words, scrambled sentences, Scrabble and much more.

19. Thursday, November 14, 2019 - A little snow and cold didn't stop these Atoms from learning and having the 'best day ever' at one of their favorite field trip locations, The Rosamond Gifford Zoo.
20. Friday, November 15, 2019 - High school Atoms take the afternoon to celebrate all they have accomplished so far this school year at the Marking Period 1 award ceremony.
21. Friday, November 15, 2019 - PBL students packed their bags and visited the Nation's Capital. While in Washington D.C., students toured Capitol Hill where they visited the Library of Congress. Atoms walked around the National Mall where they saw the Capital Building, the Washington Monument, the White House and finally the Lincoln Memorial - where many stood in the same place as Dr. Martin Luther King, Jr.
22. Tuesday, November 19, 2019 - Each Student of the Month ceremony, there is a character trait that we encourage students to embrace both inside and outside the classroom.
23. Tuesday, November 19, 2019 - Elementary Atoms are ready to get moving and learn from the master himself at Five Star Martial Arts. Students were taught self defense, discussed bullying, and learned patience while perfecting each move.
24. Thursday, November 21, 2019 - With Thanksgiving Recess just a few short days away there were just a few things on these middle school Atom's mind. Keeping the true essence of the holiday in mind, students find a way to give back to their community and support a dear SAS teacher who is currently battling cancer, while enjoying their first Teen Center Night of the school year.
25. Tuesday, November 26, 2019 - As the school day was winding down the day before Thanksgiving Recess, high school Atoms took the time to celebrate in style with a pep rally.

SAS Citizenship

1. Thursday, October 24, 2019 – With Halloween right around the corner, second and third grade Atoms had just one thing on their mind - "where can we find the most 'perfect' or 'gourduous' pumpkin?" Lucky for them, a field trip to The Pumpkin Hollow was coming up and that would be where these pumpkins would be found. Students enjoyed a day at the pumpkin patch where they took a tractor ride to the many pumpkin fields to find the pumpkin their heart desired.
2. Monday, October 28, 2019 – Honorable Judge Brenda Sannes joins the first grade Atoms as a guest speaker for story time. Judge Sannes read the book, *We're All Wonders* by R.J. Palacio.
3. Thursday, October 31, 2019 – A costume parade, positive dance party and a Fall Festival?! Atoms showcased their fab-boo-lous creativity decorating their classrooms for this spooktacular day. Families and staff were invited to partake in the wickedly exciting event.
4. Monday, November 4, 2019 – What better way to wake up and greet the day than a brisk nature walk at Onondaga County Parks' Onondaga Lake Park. Atoms take in all the sights, sounds and smells when walking along the beautiful lake shore.
5. Tuesday, November 5, 2019 – If you were to walk past this classroom, singing, dancing, high-fiving are just some of the items you may witness. But for this teacher and the students, this high engagement level is one of the many ways used to motivate the students which produce incredible classroom results, and leave the parents singing his praises - "my kids love to learn to read because of Mr. Thayer." It was an honor to name

Ryan Thayer, a kindergarten teacher, as the 2019 Teacher of the Year at the recent Terra Conference.

6. Wednesday, November 6, 2019 – scientifically speaking, second grade Atoms had a hands-on, minds-on day when visiting the Sciencenter on a class field trip. Students were able to look, touch, listen and discover as they bounced their way through many exhibit galleries filled with full-body science fun.
7. Wednesday, November 13, 2019 – The goal of any field trip is for students to have a fun experience, learn something new and or build upon what they are already learning. Kindergarten students enjoy a day at The Ultimate Goal where they were able to continue to build on their Positivity Project Strengths such as teamwork, bravery, and integrity.

UAS

1. Friday, October 25, 2019 – I scream, you scream, middle school Atoms scream for ice cream! Students who received 25 merits were awarded with an ice cream social party, and the staff helped serve the ice cream.
2. Thursday, October 31, 2019 – Middle school Atoms would like to say thanks a ‘Latte’ for all the parents who were able to join us for our October Coffee & Conversation. Each month, the middle school will host its Coffee & Conversation which will allow parents to not only get to know the administration team, but will also have the opportunity to ask questions and learn about the school, discuss academic and other education related matters, and so much more!
3. Monday, November 4, 2019 – The middle school hosted a merit based activity that not only had rhythm but it certainly made us feel like dancing. Atoms who had two or less unexcused absences during the quarter were eligible to attend the quarterly AttenDANCE.
4. Tuesday, November 5, 2019 – After reading the historic play, The Crucible written by Arthur Miller in 1953, high school Atoms visited the town of Salem, Massachusetts to get a glimpse of history. Surrounded by all things ‘witchy’ students visited the Salem Witch Museum where they saw the documents of the Salem Witch Trial in 1692.
5. Friday, November 8, 2019 – In honor of Veterans Day, high school Atoms hosted its second annual Veterans Appreciation Program where Veterans were honored and thanked by the Utica Academy of Science Community.
6. Friday, November 8, 2019 – The middle school invited the community and stakeholders to join them for a session to discuss ways they can continue to enhance the educational experience for its students.
7. Monday, November 25, 2019 – Thanksgiving is a holiday in which many share what they express their gratitude, appreciation and give thanks. This year, the middle school team hosted a traditional Thanksgiving meal to show their appreciation for their teachers, faculty and staff.

SANY Activity Report:

SAS

1. Thursday, November 7, 2019—Rain or shine, sophomore Atoms visited Colgate University for a college visit.
2. Friday, November 8, 2019—It's time to celebrate the middle school Atoms for all their accomplishments in the month of November.
3. Tuesday, November 19, 2019—Each Student of the Month ceremony, there is a character trait that we encourage students to embrace both inside and outside the classroom.
4. Thursday, November 21, 2019—The Erie Canal plays an important role in the history of Syracuse. Fourth grade Atoms learned about the rich history of the canal along with its importance not only in Syracuse but for the trade and travel.
5. Thursday, November 21, 2019—High school robotics team had the privilege of welcoming guest speaker Robert Ringham, Enterprise AI Architect & Data Scientist at Avanade.
6. Thursday, November 21, 2019—The Adventure Cooperative for Environmental Stewardship Club, ACES, visited Central Rock Gym to practice cooperative climbing skills and move one step closer to larger outdoor adventures.
7. Monday, November 25, 2019—This was not your average Monday for Director of Dining Services - Chartwells K12, Tammy Pittsley. With balancing a full-time job, a family and planning on attending college in the fall, there was a lot on her mind. Little did she know, she was about to receive a surprise of a lifetime that would make things just a bit easier. The Chartwells team flew out to Syracuse, New York to surprise their National Scholarship recipient, Tammy, and present to her a full scholarship to attend DeVry University.

8. Tuesday, November 26, 2019—Former running back for the NFL's Jacksonville Jaguars, Leroy Collins spoke with the middle and high school on how he was able to overcome adversity and set his eye on the prize ... playing football in the NFL.
9. Sunday, December 8, 2019—High school Robotics team competed in the FTC Rochester Qualifier, and in true Atoms fashion won! With this recent victory, the Robotics team has qualified them for the next round of competition. Awards and Recognition:
 - a. Best Design Award
 - b. Second Alliance Team Award
 - c. Third Nominee for the Inspire AwardCongratulations, Atoms we are proud of all your hardwork and look forward to seeing you in the next round of competition.
10. Tuesday, December 10, 2019—First grade Atoms had the privilege of welcoming retired CNY Central news anchor, Laura Hand, who joined them as a guest reader. Ms. Hand read two short stories to the students, and also shared with them the inside scoop of being a news anchor.
11. Wednesday, December 11, 2019—It's not every day that story time turns into a theatrical experience. But with the help of the Executive Director of Redhouse Art Center, Samara Hannah, she made the characters come to life.
12. Thursday, December 12, 2019—Elementary Atoms or should we say 'karate kids' visited Five Star Martial Arts on a class field trip.
13. Thursday, December 12, 2019—Fourth grade Atoms take to the stage and show off their impressive vocabulary knowledge and spelling skills at the annual Spelling Bee competition, in hopes of advancing to the next round - the local Spelling Bee.
14. Thursday, December 12, 2019—SASCS Elementary Atoms in 2A counted and packaged markers that no longer work to be recycled by Crayola ColorCycle program. ColorCycle is a great opportunity for teachers and their students to explore and discuss eco-friendly practices.
15. Friday, December 13, 2019—A tradition at Syracuse Academy of Science Elementary School to participate in the making of a music video each year. Thanks to our friends at 325 Productions, this year our Atoms showed off their dance skills to the song, "Better When I'm Dancin'" by Meghan Trainor.
16. Friday, December 13, 2019—Elementary Atoms let their imagination run wild when on a field trip to Destiny USA's WonderWorks Museum.
17. Monday, December 16, 2019—A festive evening of sight and sound at the annual Winter Concert courtesy of the high school visual and performing arts team. Students in the 8th grade, as well as, the Atoms in the art electives displayed their masterpieces for everyone to see. Following the performance, a catered reception from Wegmans was held.
18. Tuesday, December 17, 2019—Known for its prestige, the high school robotics team share with the middle school Atoms how this program in particular has opened many doors for a handful of its team members. The robotics team has participated in tournaments near and far and inspired the middle school students to continue to participate and study the field of robotics.

19. Wednesday, December 18, 2019—Ms. Dickinson and Mr. Scheemaker's classes serve up kindness, gratitude and appreciation just before the winter recess. Classes team up and work together to create a beautiful thank you card, sign and special treats for a team that ensures there are healthy options for them to eat, create specialty meals for those with food allergies and for always having a smile on their face - the lunch team.
20. Wednesday, December 18, 2019—Elementary Atoms rallied together to help those in need in the greater Syracuse community. A week before winter recess, students collected toys for all age groups, and donated them to the Syracuse Rescue Mission.
21. Friday, December 20, 2019—What do you get when you mix high school Atoms, with shaving cream, volleyball and a half-day of school? You get a day filled with school spirit, of course! To kick-off the day before winter recess, high school Atoms had an opportunity to participate in an intense game of student vs. staff volleyball.
22. Saturday, January 4, 2019—Atoms collided when the Syracuse Academy of Science took on the Utica Academy of Science for the second annual Superintendent's Match last Saturday during the Mohawk Valley Basketball Classic. While Utica started with a strong lead, the Syracuse team turned the game around and walked away with the trophy. Until next year, Atoms.

SAS Citizenship

1. Monday, November 18, 2019—When an object is in motion, it will stay in motion unless ... an elementary Atom acts upon it! The 4th grade class recently learned about energy, more specifically kinetic energy, during a recent lesson in science class. Eager to put that knowledge to the test for a little hands-on experiment, students visited The Ultimate Goal for a class field trip.
2. Wednesday, December 4, 2019—Atoms 'seas the day' on a class field trip to the Sciencenter. Having learned in the classroom about the ocean, students dive right in for this hands-on, minds-on experience. Atoms were able to interact and touch ocean animals such as starfish and hermit crabs in the large touch-tank, while learning about how animals survive in certain environments and how outside factors can affect those living conditions.
3. Wednesday, December 11, 2019—Swapping out boots for ice skates, Atoms get ready for the Winter Olympics. Okay, well maybe not ... but they did get ready for an 'ice day' out at Meachem Ice Rink.
4. Friday, December 13, 2019—Get up everybody and ... dance, because "We are Family" at Syracuse Academy of Science and Citizenship Elementary School. Each year, elementary Atoms participate in the making of a music dance video, thanks to our friends at 325 Productions. This year, their song of choice was "We are Family" by Sister Sledge.

UAS

1. Tuesday, November 19, 2019—High school Atoms visited the Marquee Cinema in New Hartford to see the new movie, Harriet - starring Cynthia Erivo as Harriet Tubman.

2. Thursday, November 21, 2019—Middle school Atoms head out on a college visit field trip, courtesy of Terra Science and Education, and visited both Hartwick College and SUNY Oneonta.
3. Friday, November 22, 2019—Each month, Utica Academy of Science middle school hosted their Coffee & Conversation event which allows parents/guardians to meet and speak with the school's dean, counselor, teachers and behavior specialist. This is an incredible opportunity to get involved in your Atom's education.
4. Monday, November 25, 2019—Everyone's favorite hedgehog, Sonic, or well in this case Gus Gus, woke up from his nocturnal nap to meet the 7th grade Atoms during their Health class.
5. Tuesday, November 26, 2019—Ninth grade Atoms had an opportunity to participate in a hands-on, minds-on STEM immersion program courtesy of Mohawk Valley Community College (MVCC) and the National Science Foundation (NSF).
6. Tuesday, November 26, 2019—Celebrating student success and achievement is always a highlight of the school year. The middle school hosted its Award Ceremony that rewarded the success of both the Atoms and teachers.
7. Tuesday, November 26, 2019—National Honor Society, a student based high school club at Utica Academy of Science, hosted its first-ever on campus student lock-in. This event allowed for Atoms to bond, strengthen friendships and build a community through a variety of activities.
8. Tuesday, November 26, 2019—Students in Mrs. Brown's class learned how a simple letter could brighten up someone's day, especially someone who is stationed overseas. In honor of Veteran's Day, Atoms learned why we commemorate Veterans on Veteran's Day.
9. Tuesday, December 10, 2019—High school staff, Mrs. Paul, Mr. Kovar and Mrs. Grabovica give back to the greater Utica area and community through Fidelis Care's Stuff the Bus Camp Out. Teachers donated toys to help those less fortunate this holiday season.
10. Tuesday, December 10, 2019—We are excited to announce a new initiative brought to you by the high school Guidance Department. Throughout the remainder of the school year, they will be inviting a variety of colleges and career professionals to come in and speak to the students during the lunch hour at the Colleges and Career Spotlight Table.
11. Tuesday, December 10, 2019—With winter recess right around the corner, the 10th grade Atoms enjoyed a team bonding field trip to the Clinton Arena for ice skating.
12. Thursday, December 12, 2019—The 2019-2020 National Honor Society (NHS) inductees represent the first-ever class for Utica Academy of Science high school. It was quite the privilege to have 25 high school Atoms inducted.
13. Friday, December 13, 2019— Each year, Utica Academy of Science Elementary school participates in the making of a music dance video. Thanks to our friends at 325 Productions, students danced to the song "Better When I'm Dancin'" by Meghan Trainor.
14. Friday, December 13, 2019—Elementary Atoms, or should we say little chefs visit UNO Pizzeria on a class field trip. Each student had an opportunity to make their very own personal pan pizza.
15. Tuesday, December 17, 2019—With snow falling outside and looking like a winter wonderland, elementary Atoms cozied up for the day while creating some delicious masterpieces. Using graham crackers, frosting, candy canes, Twizzlers, and other sweet

treats, Atoms went to work to create their very own gingerbread houses. Some of the construction material may have been eaten during the building process.

16. Wednesday, December 18, 2019—The week before Winter Recess, middle school Atoms (and their teachers) get competitive during a can-drive and see who can collect the most non-perishable food items to donate to the Veterans Outreach Center.
17. Wednesday, November 20, 2019—National Honor Society (NHS) is founded on the principle of service, character, leadership and scholarship. Giving back to the community is just one of the many ways our Atoms provide acts of service. One of the first outings for the NHS members was visiting the Masonic Care Community of New York.
18. Friday, December 20, 2019—Middle school Atoms enjoyed a fun-filled day leading up to winter recess. From music and dancing, to a variety of station activities to even a friendly class competition of soccer it was certainly a day to remember. Oh, did we mention that it was also a pajama day, and teachers and staff sang their parody ‘Ten Days Before Break My Students Said to Me?!’
19. Friday, December 20, 2019—The weather outside was ‘frightful’ but the sound of classic holiday tunes filling the halls right before winter recess was, oh so delightful. Elementary Atoms take the stage singing and performing music pieces during their Winter Concert. This event wouldn’t be possible without the tremendous help from parents, faculty and staff. Thank you for your generosity, and making this concert unforgettable.
20. Saturday, January 4, 2019—Atoms collided when the Utica Academy of Science took on the Syracuse Academy of Science for the second annual Superintendent's Match last Saturday during the Mohawk Valley Basketball Classic. While Utica started with a strong lead, the Syracuse team turned the game around and walked away with the trophy. Until next year, Atoms.

VIII. Discussion Items

1. *Internal audit report:* Internal audit report was reviewed and discussed. No exceptions were reported. He has been reviewing board policies and procedures. He made two recommendations: a- include board minutes for purchases required for board, b- have cross-training for staff for payroll process and do it on a regular basis as the process may change over time and staff is comfortable with taking over the responsibility when needed. Based on his recommendations, the school brought an update for its refreshments policy.
2. *Academics Report:* Assistant superintendent provided two reports. One provided information regarding the correlation of STAR tests of 2019 vs actual state results. In addition, February 2020 STAR results were discussed. All schools performing better compared to last year.
3. *Utica Academy Additions:* Architect posted the projects on Mohawk valley Builders Exchange and Syracuse Builders Exchange for bids. He also notified Rich& Gardner, Granger and Burke about the bidding project. Bids will open before the next board meeting.

SAS Citizenship

1. Tuesday, November 26, 2020—The first graders of 1C visited Hospital Land at Crouse Hospital! With the help of Nurse Jackie, we learned all about going to the hospital, X-Rays, and the fun food choices you have if you stay overnight.
2. Friday, December 20, 2020—We are so thankful for our WONDERFUL students at #SASCCS. The character strengths focused on during the first quarter were: Curiosity, Teamwork, Open-Mindedness, Being present and giving others attention, Integrity, Perspective, and Creativity. These Students did an amazing job of displaying these character traits in and out of the classroom while simultaneously being exceptional scholars.
3. Friday, December 20, 2020—Congratulations to our star students of the second quarter. For the 2nd Quarter, our students focused on the character strengths of Bravery,

Knowing my words & actions affect others, Gratitude, Kindness, Humility, Self-Control, Optimism, Prudence, and Perseverance.

4. Wednesday, January 8, 2020—Are you getting the MOST out of your day? Fourth-grade Atoms from the Citizenship Academy certainly are #SASCAatoms went to the Museum of Science & Technology - MOST and learned how to make clouds, walked with dinosaurs and scaled a rock wall. Talk about a busy afternoon.
5. Monday, January 13, 2020—You may remember that one of our #SASCAatoms took it upon himself to raise funds for the homeless during the holidays. Well, guess what, he did in a big sort of way. Giancarlo was able to raise \$770. He created bags full of items that would be useful to individuals without stable housing. He created 72 bags filled with the following items
 - a. Hat
 - b. Pair of Gloves
 - c. Pair of Socks
 - d. Emergency Blanket
 - e. Pair of Handwarmers
 - f. Washcloth
 - g. 3 Bars of Travel Soap
 - h. 2 Travel tubes of toothpaste
 - i. Bar of deodorant
 - j. Chapstick
 - k. Roll of toilet paper
 - l. 3 Travel bottles of shampoo/conditioner
 - m. Nutrigrain bar

All of his bags were packed into drawstring backpacks that also have a reflector for added safety at night. The bags will be donated to Road to Emmaus Ministry of Syracuse. Let us never forget, one voice, one child, can change the world.

6. Thursday, January 16, 2020 & Friday, January 17, 2020—First and Second-grade Atoms kicked their kinesthetic brain into gear by visiting a school favorite, The Museum of Science and Technology, in downtown Syracuse. Atoms explored exhibits focused on the human body, our magnificent brains, dinosaurs, earth science, different kinds of energy, and toothpick world!
7. Thursday, December 5, 2020 & Tuesday, January 21, 2020—That's a wrap! Over two separate trips this winter, Third-Grade Atoms ventured to the Cazenovia Public Library & Museum to bring their studies to life. Students met a real mummy, named Hen.
8. Monday, February 3, 2020—Atoms jumped right into #BlackHistoryMonth with a visit from members of the Syracuse Police Department for the #28Speakersin28Days speaking tour. Officer Brandon Hanks, Officer Marlena Jackson, Officer Shaquille Muhammed, CSO Officer Nilioka Brown, and Information Aide Lenwand Terry-Brantley engaged with students in Kindergarten through fourth-grade. Officers participated in a group yoga class, read to students, shared insight from what their job is like and the importance of community involvement.

1. Tuesday, November 26, 2020—Do you want to build a snowman? #UASCS First graders definitely did after their field trip to Marquee Cinema to watch Frozen 2. Sometimes it's important to kick back and celebrate hard work with a field trip.
2. Tuesday, January 7, 2020—Watch out folks, the kids are making dinner! #UASAtoms enjoyed a cooking demonstration from our very own Director of Dining Services, Tammy Pittsley, of Chartwells K12. Scholars observed the process of cooking and discussed all the pieces that need to come together in order to make a delicious meal.
3. Wednesday, January 15, 2020—Our Atoms give us all the courage we need to create, learn, grow and discover. The Elementary school recently held an art show for parents and students to actively engage and collaborate on various art pieces. It was such an amazing event, and a true joy to see all of our scholar's artwork come to life.
4. Tuesday, January 21, 2020—There's nothing to WAFFLE about on this one. These #UASAtoms are awesome! December Dojo and student of the month winners at the Elementary School celebrated their hard work with a Waffle Bar Breakfast.
5. Thursday, January 23, 2020—Councilman Delvin J. Moody spoke with Middle School #UASAtoms about his lifelong role within the community and the importance of quality education and embracing leadership opportunities. Thank you, Councilman Moody, for sharing your wisdom and insight with our #UASCS Community!
6. Friday, January 24, 2020—First-grade #UASAtoms spent the afternoon running, dodging, and ducking at Accelerate Sports. These kinesthetic field trips integrate character lessons about sportsmanship and teamwork with the value of play.
7. Friday, January 24, 2020— A rounded education emphasizes the importance of civic engagement. At #UASCS it is a part of our core charter to graduate college-ready and civic-minded students. Two #UASAtoms attended the 15th Annual Legislative Breakfast Forum in Utica, New York. Local elected officials laid out their plans for the upcoming year and answered questions from the audience. Officials who took part in the event included Congressman Rep. Anthony Brindisi Senator Joseph A. Griffo Oneida County Executive Anthony J. Picente Jr. and Utica Mayor Robert M. Palmieri Herkimer County Legislature Chairman Vincent Bono and Assembly members Assemblywoman Marianne Buttenschon Assemblyman Brian Miller and Assemblyman Robert Smullen.
8. Monday, January 27, 2020—#UASCS Elementary honored select Atoms during the January Student of the Month ceremony. It was a wonderful opportunity to celebrate our #UASAtoms for their growth with parents and staff.
9. Wednesday, January 29, 2020—Second Grade Atoms rolled over to AMF Pin-O-Rama Lanes for a field trip to learn a little about bowling, a little about sportsmanship, and a lot about fun.
10. Friday, January 31, 2020—Middle School #UASAtoms Celebrate Success during the winter award ceremony. While the staff celebrated student success, our Atoms took a moment to acknowledge a Staff Member of the Month. After careful consideration, our Atoms chose Mr. Velic. Atoms wanted Mr. Velic, the first UAS-MS Employee, to know how much they appreciate his hard work and dedication.
11. Friday, January 31, 2020—Collaboration matters. At Utica Academy of Science, we want to hear from our parents, which is why we host Coffee & Conversations sessions. Our

last meeting, held on January 31, served as an opportunity for parents and school administrators to connect. Discussions ranged from utilizing school tool, potential school problems, and community building.

12. Friday, January 31, 2020—The Power of Play. At #UASCS we know that play is absolutely critical to developing confident and thoughtful citizens. In order to provide some hands-on play, Kindergartners took a field trip to Utica Children's Museum.

Motion by Jawwaad Rasheed, seconded by Murat Baysal
Resolution # 200310.2 was **adopted unanimously**

► **Motion #200310.3**

WHEREAS, we are experiencing teacher shortage in almost every subject area. Finding highly qualified and certified teachers is becoming very difficult. According to NYSUT data, in New York, state officials estimate that we will need approximately 180,000 new teachers over the next decade or up to 18,000 new teachers annually. Currently we are also experiencing shortage of certified elementary school teachers. Therefore, as SANY, we would like to start a Teacher Certification Program (Master's Degree Program at institutions with an agreement with SANY), which will provide loan forgiveness for our current non-certified teachers and co-teachers in return of five-year service in SANY schools after being certified. The school will make an agreement with a teacher and a financial institution to set up this program. Teacher will sign a line of credit or loan agreement with the financial agreement. School will pay for the loan and its interest; the interest for three years as the teacher works towards the certification and pay off the principal and interest within five years after the teacher finishes the program gets certified. In the case, the teacher could not finish the program or get certified or leave SANY school before five years, the teacher is liable and responsible to pay the remaining portion of the loan/credit line and interest payments. This is also subject to teacher's ability to get approved by the financial institution for the program.

RESOLVED, that Teacher Certification Program as described at Mercy College, including double and triple certification program with 20% discount, in return of five-year service in SANY schools after completion of the program, and pay for interest only during the master's program and pay the principal and loan after finishing the master's program within five years, is hereby approved.

Motion by Linda Spencer, seconded by Murat Baysal
Resolution # 200310.3 was **adopted unanimously**

► **Motion #200310.4**

WHEREAS, we have been experiencing difficulties with SchoolTool being not user friendly as the school's student database system. SchoolTool hasn't been fulfilling our needs and became insufficient; therefore we were searching the market for compatible and better Student Information System (SIS) to replace SchoolTool. Three alternative companies are compared for their features and services: Infinite Campus, eSchoolData, and Rediker. After attending their online webinars and presentations and reviewing their demo sites, SANY would like to purchase Rediker, which is cheaper compared to SchoolTool, provides free hosting, and additional features.

RESOLVED, that purchasing Rediker to replace SchoolTool for \$12.00 per student for 2020-2021, 2021-2022, and 2022-2023 school years is hereby approved.

Motion by Chanel Turnquest, seconded by Murat Baysal
Resolution # 200310.4 was **adopted unanimously**

► **Motion #200310.5**

WHEREAS, based on the approved architectural design for new elementary school and gym construction at the Frankford location, the SANY started an open bidding process by posting its bidding (February 6 and bidding open until March 9 by noon) on Mohawk valley Builders Exchange and Syracuse Blueprint Planroom, and architect of the project also invited Rich&Gardner, Burke Construction, MCK, Granger Construction, which are well known local companies to bid. In addition, five companies downloaded the bids from the online platform. The school received the bids in closed envelope and opened the bids by the architect on Monday March 9th. One of the companies, which was interested in, decided not to submit a bid since the project does not include prevailing wages. Gaetano Construction called the school for more information, however they never returned the schools attempts to answer their questions. The school received one full proposal and two partial proposals for the part of the projects (HVAC or masonry). Since the project needs to be done by September 2020, SANY would like to continue with the best offer.

RESOLVED, that Frankford construction of elementary school building and gym by Majic Construction at \$3,240,000 as the only full proposal and below market value is hereby approved.

Motion by Chanel Turnquest, seconded by Murat Baysal

SANY Activity Report:

SAS

1. Saturday, February 1, 2020—The SASCS Middle School carnival was a snow joke. Atoms and their families beat the winter blues by hosting a daytime carnival filled with

games, a football throw, face painting, an "Escape the Room" challenge, lollipop pull, photo booth, bounce house, and sumo wrestling.

2. Tuesday, February 4, 2020—How do we support our Atoms in becoming caring and involved citizens? To start, we teach them how the system works. Freshman and sophomore Atoms took a field trip to the Onondaga County Courthouse and Justice Center where they toured the new and old courthouse, witnessed court proceedings, learned about various career opportunities within the court system, and attended a question and answer session with deputies at the justice center.
3. Tuesday, February 4, 2020—The SASCS middle school STEAM club competed in a global art competition revolving around the theme, 'Endangered.' Students created both drawings and sculptures of animal species seriously at risk of extinction.
4. Thursday, February 6, 2020—Several of our fourth graders participated in our annual SASCS Geography Bee. These Atoms were a picture of perseverance, courage and hard work portrayed by their immense knowledge of questions that ranged from facts about the United States to multiple continents throughout the world.
5. Thursday, February 6, 2020—The Trophy goes to the kindergarten SASAtoms for having a blast at The Ultimate Goal. Sharks & Minnows, soccer, and musical chairs were just a few of the team games students played. The highlight of the trip for Atoms was definitely jumping from one rug to another while swinging on a rope.
6. Friday, February 7, 2020—At the Syracuse Academy of Science, we believe in celebrating our SASAtoms victories. Throughout the first week of February, we rewarded scholars who earned the highest number of DOJO points in January.
7. Saturday, February 8, 2020—Three SASCS MS teams attended the SUNY Oswego Nor'Easter Robotics Competition. The teams competed in nine qualifying rounds in team-building challenges. After the qualifying rounds, all teams were paired up and competed one more time in the final round. Team Roboquad took 1st place with an impressive 105 points, Team Gear took 5th place and Team Let's Code came in 10th overall.
8. Monday, February 11, 2020—We believe in preparing our students for their futures with practical support. According to 2018-2028 Employment Projections from the U.S. Bureau of Labor Statistics, of the 30 fastest growing occupations, 18 are in healthcare and related occupations. To better help our students understand what opportunities exist for them in the healthcare industry, we took a group of 21 SASCS Juniors to Upstate Medical University to attend a medical careers panel which included twelve professional staff members. The panel shared heartwarming personal stories and great information about potential career paths.
9. Wednesday, February 12, 2020—The SASCS Elementary Health Office is celebrating HealthyHeart Month by teaching our students on ways to keep our hearts healthy.
10. Thursday, February 13, 2020—Kuukua Yomekpe, The Owner and Head Chef of Asempe Kitchen, LLC stopped by Ms. Dickinson and Mr. Scheemaker's first-grade class. Ms. Yomekpe makes and serves Ghanaian cuisine in downtown Syracuse.
11. Thursday, February 13, 2020—Our fourth-grade SASAtoms have been testing and experimenting tirelessly for two months in preparation for their Science Fair. Judges from SUNY-ESF, SRC, Inc., The Tech Garden, The VA Hospital, and other great Syracuse

organizations joined us on Thursday, 2/13 to help judge our Atoms Science Fair projects.

12. Thursday, February 13, 2020—We are supporting the next generation of scientific innovators. With parents and teachers by their side, our SASAtoms enjoyed the first-ever STEM night at the SASCS Elementary School.
13. Thursday, February 13, 2020—Stand tall and proud of who you are in this body. You have strength, energy, confidence and beauty to offer the world, and it flows from your head to your toes. Holly Lowery, a representative from Ophelia's Place, presented to SASCS middle school scholars about the importance of body positivity and healthy eating practices.
14. Friday, February 14, 2020—Ms. Figueroa's kindergarten class believes the best way to celebrate American Heart Month is a happy, healthy heart for the ones you love! On Friday, February 14th students celebrated this mentality and transformed into Doctors for the morning to perform "surgery" during their centers time. They worked in groups to treat their "patients" hearts by using skills that they have learned thus far this year.
15. Friday, February 14, 2020—The best gifts are from the heart. 3rd Grade took a field trip to Painting with a Twist where they showcased their artistic abilities and worked on some great pieces for the ones they loved.
16. Friday, February 14, 2020—Some days you gotta dance. Particularly when celebrating the second-quarter success of our SASCS High School Atoms! Atoms received certificates of achievement for Dean's List, High Honor Roll, Honor Roll, and Merit Achievement.
17. Wednesday, February 26, 2020—In celebration of BlackHistoryMonth the owner of Crave Dessert Studio and role model, Tykemia Carman, shared her journey with our first-grade SASAtoms. Tykemia, a graduate of the Syracuse Academy of Science, encouraged our young scholars to dream big and take risks.
18. Wednesday, February 26, 2020—This month's Student of the Month Award Assembly featured a special performance from our very own Step Team in honor of BlackHistoryMonth. The performance included a step, a brief introduction about the importance of Black History Month, and highlighted influential leaders such as Rosa Parks.
19. Wednesday, February 26, 2020—A group of SAS Seniors traveled to OCM B.O.C.E.S. for an information session and a tour of the facility led by Adult & Continuing Education Coordinator Matt Tarolli. Students were informed of the various trade programs available on campus, and they were able to get a grasp of a handful of the programs by visiting classrooms and workshops.
20. Thursday, February 27, 2020—Syracuse Academy of Science Elementary School Atoms donated six bags of gently used coats to the Syracuse Rescue Mission to help other children in need. Thank you to all of our community members who helped make this coat drive such a success.
21. Thursday, February 27, 2020—Second-grade Atoms raced, competed, laughed and learned during their field trip to Ultimate Goal. Students participated in many team-oriented games and activities, with a focus on working together, physical activity and FUN!

22. Friday, February 28, 2020—In celebration of Black History Month, first graders spent time with News Channel 9 anchor Jennifer Sanders! She spent some time with us explaining that she doesn't only share news on TV, but she also plays many roles behind the scenes.
23. Friday, February 28, 2020—Scholars from 8th and 9th grade attended a presentation by Jerome Walker from 100 Black Men Of America, Inc.. His presentation uncovered truths regarding Black History Month and why it's celebrated in the month of February.
24. Friday, February 28, 2020—It's ReadAcrossAmerica week! The middle school kicked off the celebrations last Friday by celebrating Dr. Seuss' (belated) birthday!
25. Saturday, February 29, 2020—The SASCS High School Robotics Team won big this weekend at the FIRST Tech Challenge Clarkson University Qualifying Tournament. Our Atoms won their first F I V E matches of the day. Although they fell short in the final match, our SASAtoms robotics team achieved the Second Alliance Captain Award and the Best Design Award at the competition. Junior Umesh Dahal was honored for his Dean's List status as well.

RESOLVED, that hiring of teachers and staff listed in the attached document is hereby approved.

Motion by Jawwaad Rasheed, seconded by Chanel Turnquest
Resolution # 200414.1 was Adopted unanimously

► Motion #200414.2

WHEREAS, during recent developments the Paycheck Protection Program (“PPP”) is allowable for non-profit organizations and it is introduced as forgivable loans to non-profit to pay their employees during the COVID-19 crisis. The loan amounts will be forgiven as long as the loan proceeds are used to cover payroll costs, and the most mortgage interest, rent, and utility costs (up to 25% of the total request) over the 8 weeks period after the loan is made; and employee and compensation levels are maintained. The school will request the maximum amount for its payroll only as allowed within the program (2.5 x Monthly payroll average in 2019 (obtained from ADP)). The loan can be

forgiven as the best option or will be paid back with 0.5% interest over 2 years term, which can be extended.

RESOLVED, that applying to the PPP loan in the amount of \$3,000,933 is hereby approved.

Motion by Murat Baysal, seconded by Chanel Turnquest
Resolution # 200414.2 was Adopted unanimously

► **Motion #200414.3**

WHEREAS, the E-rate application and evaluation process is finalized and SANY would like to improve the Category 1 eligible services in all locations starting from 2020-2021 and SANY would like to improve the Category 2 eligible services in order to upgrade the infrastructure of the schools.

► **Motion #200414.5**

WHEREAS, SANY staff has been paying 20% of the cost and the school would like to keep their benefits as it is and the school is expecting increases in the health insurance

premiums for next years and an increase in the staff contribution may help the school to keep its benefits as it is and reduce its impact next year as the school gets budget cut.

RESOLVED, that the staff contribution for health insurance is raised up to 25% starting in September 2020 is hereby approved.

Motion by *Jawwaad Rasheed* , seconded by *Murat Baysal*
Resolution # 200414.5 was Adopted unanimously

► **Motion #200414.6**

WHEREAS, SAS High School storage roof needs repair, however instead of repair, the school would like to get it replaced and talked to Landlord. The landlord does not have the funding to replace the roof but willing to replace the roof if the schools pays for it and the landlord will pay it back over two years period. It is expected be around \$30-40,000.

RESOLVED, that the agreement between landlord and SANY describing that the landlord will replace the roof of the big storage at SAS HS, the school will pay for it (around \$30-40,000), and landlord will pay back the full amount over two years starting at the annual rent increase after the job is completed, is hereby approved.

Motion by *Murat Baysal*, seconded by *Jawwaad Rasheed*
Resolution # 200414.6 was All in favor but abstained by *Fehmi Damkaci*

► **Motion #200414.7**

WHEREAS, SASCitizenship would like to get a new and high energy efficient HVAC system, including 11 energy efficient roof top units, new duck work, asbestos work, new 3-phase electric line. The landlord added AC units in classrooms its first year, however the school would like to have HVAC system in the whole school and save in the long term with the new energy efficient system. Since the landlord just changed the roof in this school with an energy efficient roof system, it does not have the funding for this project and stated that current system should be sufficient for the school at the moment. The school may obtain stimulus funding for it up to \$200,000, and even if not, the school will save the amount in the long run by lowered utility payments.

RESOLVED, that agreement between landlord and SANY describing that the lanloadr will replace the existing HVAC system at SASCitizenship, the school will pay \$200,000 of the total cost of estimated \$450,000 or more (estimate is based on architect and the school will receive a quote for the projects), and the school will pay also the remaining portion of the cost, which will be paid back by the landlord over five years as rental payment decreases, starting as the July 1st after the job is completed, is hereby approved.

Motion by *Jawwaad Rasheed*, seconded by *Chanel Turnquest*
Resolution # 200414.7 was All in favor but abstained by *Fehmi Damkaci*

► **Motion #200414.8**

WHEREAS, UAS's building construction project will cost more than UAS surplus and there it needs funds to continue for the project. SANY has the surplus and fund the project once the UAS surplus is spent for the project, and UAS will pay it back it over ten years.

RESOLVED, that SANY fund the approved UAS building projects once the UAS reserve funds is spent for the projects and the UAS should pay the funds back to SANY over ten years starting July 2021, is hereby approved.

Motion by Chanel Turnquest, seconded by Coskun Cetinkaya
Resolution # 200414.8 was Adopted unanimously

► **Motion #200414.9**

WHEREAS, due to grade expansion in the Utica ES and SAS Citizenship ES, additional classroom furniture RFP is finalized. Based on the competitive analysis, SANY would like to work with lowest bidder for all items in total per the below chart.

RESOLVED, that purchasing classroom furniture for both ESs from the School Specialty for \$57,266.31 as the lowest bid for all items total is hereby approved.

VIII. Discussion Items

1. *Financial status and budget:* Dr. Hayali provided financial plan for next year with the possibilities of cuts. Currently, 5.5% cut is projected with the possibility of more cuts based on state budget.
2. *Internal audit report: cancelled for this month*
3. *Citizenship Academy LED lights and Ceiling:* The school would like to update the lights in the school with LED in order to save in the long term and get more lighting in the classrooms and building. Since we have 12 years lease in the building, the school would like to update them to save money over the time by having LED lights as part of the utilities.
4. *UAS construction update:* The school paid \$1million and the steel has been ordered, excavation work started. The construction received exemption as an essential work to continue.

5. *Online Education at SANY schools due to COVID-19 school closings:* The school shared the communication plan since NY Pause, distribution of Chromebooks to students and also providing tech help twice a week in each city, also provided Elmos, laptops to teachers to use at their homes. In addition, they created several online PD for teachers in order to utilize several tools that school made available to teachers. School also provided one-on-one PD how to use the software and do live sessions, screenshots, etc. All teachers holding office hours in addition to their live session, and post homework to Google classroom. They content they create also record their lectures and share them with students which can be watched by students. A teacher has been made available throughout the day as an academic support teacher if any of the student is stuck with any homework. Mrs Miller from SAS-ES provided what they have been doing since March 13. They have been following each students' attendance or response to homework on a daily basis and principals can follow the list and make contact to parents. Principals are checking on teacher on a daily basis through an online survey, including asking how do you feel today and what is accomplished today, what to day need as a support services. In addition, they are also checking on families and how they are doing in terms emotionally and their student's inclusion in their courses. ES also asked for community leaders to record themselves for Read Aloud sessions to be shared with students.
6. *Online lottery for 2020-21 school year:* UAS will be held on April 23, and SAS and SASC will be held on April 25. The school received around 15-18% ELL students in the applications.
7. Letter of Intent for CSARochester charter school was submitted to charter school office. There are 13 applications and only three were for Rochester. We will update about the final application at the next meeting.
8. *Appeal of a suspension case – attorney's response:* discussed in executive session and decided to ask the parents to come for the next meeting and not to share any evidence with the parent other than the first text message the student send which start the incident. However, the school should hide the student's name that the text was sent to.

SANY Activity Report:

SAS

1. Friday, February 28, 2020—A cornerstone of the #SASCS foundation is our commitment to promoting scientific literacy. Scholars at the Middle School recently presented their annual science fair projects to judges from around the community, including SANY Alumni.
2. Friday, February 28, 2020—February 28th marked the annual science fair at the Syracuse Academy of Science High School. Students from grades 8-12 shared student-driven research projects in a public forum and received feedback from valued community members.
3. Monday, March 2, 2020—The SASCS choir visited Syracuse University. We went to an admissions session, took a campus tour, ate lunch in a dining hall, and attended a rehearsal of the Syracuse University Singers Choir in the School of Music. Students spent the day experiencing college-life and music in college!
4. Tuesday, March 3, 2020—Middle School Atoms were awarded certificates for their hard work in their core classes as well as special presentations for robotics and PBIS. This is a great time for students and faculty alike as we get the opportunity to recognize the amazing efforts of our Atoms.
5. Thursday, March 5, 2020—Here at the elementary school, art is created, celebrated and shared. We began sharing out student artwork with families through Artsonia at the beginning of the school year and are proud to continue to use this tool. Each month a newsletter is sent through email, sharing the artful news of the month and upcoming events related to art. Along with the newsletter, each project students create is uploaded to their personalized portfolio.
6. Thursday, March 5, 2020—Seventh-grade students in the Middle School PBL class presented their projects on their Little Free Library; and the importance of literacy. The students designed a Little Free Library box to be built and placed at the Boys & Girls Clubs of America on East Fayette St.

7. Thursday, March 5, 2020—A mini-celebration was held for fifth grade Pro and All-Star students. These students were rewarded with board games for following the school norms of respect, safety, and responsibility with due diligence.
8. Thursday, March 5, 2020—Students and families enjoyed an evening of math games last Thursday. Some of the favorites were Bowling, Shape Twister, and Cup Stacking. Through these fun games, math concepts were practiced as such basic math facts, geometry, vocabulary, and estimating.
9. Friday, March 6, 2020—Friday marked the end of an exciting Read Across America Week. Students celebrating reading and Dr. Seuss with crazy sock, hair, hat, and mustache day. They learned about the authors and the importance of reading not just during this week, but all the time!
10. Friday, March 6, 2020—Have you ever been turned upside down in order to enter a building? The kinder atoms have! Going through the purple tunnel as they call it was definitely one of the highlights of their trip to WonderWorks. They also enjoyed watching a 4D movie, laying down on a bed of nails and writing words on a gigantic light brite. Playing connect four and pretending to be eaten by a dinosaur were also fun things to do.
11. Tuesday, March 10, 2020—Ms. Dickinson and Mr. Scheemaker's first-grade students explored the Betts Branch Library this week. They listened to a read aloud from the librarian Ms. Quinn, got to make their very own buttons, and bring some books home!
12. Tuesday, March 10, 2020—At Painting With a Twist Dewitt, Atoms were able to connect their space knowledge from their science unit to make a masterpiece of their own. Instructors guided students through the steps to create a twinkling outer space background with a unique planet. We played pass the paintbrush and took some time to view each other's art and give them compliments. This was a great opportunity to remember that we are all unique with different strengths and abilities.
13. Wednesday, April 1, 2020—Who said you need to be in the same location to celebrate success? Not #SASCS! Please join us in celebrating our March Student of the Month Award Recipients at Syracuse Academy of Science Elementary School.
14. Thursday, April 2, 2020—Congratulations to Freey Pleasants for her Honorable Mention in the All CNY Girls Basketball Team for the 2019-20 Season.
15. Thursday, April 2, 2020—Congratulations, ZACCHAEUS SMITH ☐☐☐ The Senior Forward was named to the 2019-20 All-CNY boys basketball team.
16. Tuesday, April 7, 2020—Curator of Education at the Everson Museum, Kimberly Griffiths took the time to read one of her favorite childhood stories to Syracuse Academy of Science Elementary Students. Even though we could not have an in-person visit from Ms. Griffiths, the students enjoyed it just as much. Thank you, Ms. Griffiths, for your ongoing support for our children!
17. Thursday, April 9, 2020—The educators from SAS Elementary wanted to let their students know just how much they miss them! We hope this video brings a smile to your face.

SAS Citizenship

1. Thursday, March 26, 2020—Central New York teachers are getting creative in their efforts to keep kids learning while schools are closed during the COVID-19 pandemic. In

the video above, Lucas Cognetti, a first-grade teacher at Syracuse Academy of Science and Citizenship Charter School on Valley Drive, shows how he is being creative. He and his fellow teachers are using social media as a platform to connect with the kids. Cognetti's special classroom reading chair is still in the classroom, so he made his own out of snow! He then shared the story "How to Make a Shark Smile!"

UAS

1. Friday, February 14, 2020—Last February, our #UASCS Scholars kicked back and enjoyed an Atoms Day. A chance to spend quality time with friends and celebrating their hard work throughout the quarter. The next ATOMS Day will be held at the end of the third marking period.
2. Thursday, February 27, 2020—Everyone loves a great book, especially our kindergartners at #UASCS! Ms. Sharon at Dunham Public Library gave our kindergartners a little tour of their library, read us a story, and even prepared a craft. Some of the kindergartners even received their first library cards.
3. Saturday, February 29, 2020—Did you know March 1 is Bosnian Independence day? To celebrate, UASCS held it's second annual Bosnian Culture Night. Over three hundred community members attended the event. The evening was filled with successful Bosnian speakers, community leaders, Bosnian music, Bosnian traditional folk dance " Behar" from Utica, poems, historical facts and Bosnian cuisine.
4. Tuesday, March 10, 2020—First-grade scholars enjoyed a cooking demonstration from Tammy Pittsley, who is the Director of Dining Services at Chartwells where our school food is provided from. This cooking demonstration activity helped students to observe the process of preparing a meal to help them better understand where their food comes from.
5. Thursday, March 12, 2020—The second-grade team played hard during their last field trip to Accelerate Sports. The students played a game of kickball, dodgeball, and even had a nerf war! Students practiced teamwork and good sportsmanship.
6. Thursday, March 19, 2020—We asked our entire teaching staff to change the way they handle student engagement and curriculum in the course of 24 hours—and it's remarkable to see how they have risen to the challenge. Our PE Teacher has already created a microsite for her classroom. The site is filled with activities and resources for her students. Not only that, but Ms. Digristina found a way to seamlessly continue the American Heart Association's challenge that students began a few weeks ago.
7. Wednesday, April 1, 2020—Congratulations to all of our February Class Dojo and Student of the Month Winners! We wish we could celebrate your success and hard work in person, but we want you to know that we miss you and can't wait to see all the amazing learning you'll be doing online until we can see one another again!
8. Friday, April 3, 2020—Zoom Meetings, Lego Masterpieces, Science Experiments... we miss our scholars in the classroom, but we are so proud of their hard work in keeping up with their education while at home. So really, that's a big shout-out to all the parents out there making sure your students are staying engaged. Y'all are the real MVP's right now.
9. Thursday, April 2, 2020—Pajama Party! UASCS Elementary Scholars participated in a Zoom PJ Party. Our young scholars were accompanied by their favorite stuffed animal,

and some even brought their pet along! Atoms enjoyed story time, and engaging with their community.

WHEREAS,

The school would like to update the lights in the school with LED in order to save in the long term and get more lighting in the classrooms and building. Since we have 12 years lease in the building, the school would like to update them to save money over the time by having LED lights as part of the utilities. The ceiling needs to be updated where new LED lighting will be installed.

WHEREAS,

The Center for Educational Innovation (CEI), a not-for-profit organization chartered by the State of New York, and SANY Charter School a charter school local educational agency (LEA) in the State of New York. CEI is applying to the US Department of Education

(ED) as lead applicant and [SCHOOL NAME] is applying as a member of the consortium of LEAs that CEI is leading, for a grant award under the fiscal year (FY) 2020 Teacher and School Leader Incentive Fund (TSL) competition. The purpose of this MOU is to establish the framework through which, if ED approves the application, CEI and the LEA will collaborate between and amongst themselves and to articulate the specific roles and responsibilities of each entity in implementing the approved TSL project, i.e. the Partnership for Innovation and Collaboration among Charter Schools (PICCS).

1. Implement a Human Capital Management System (HCMS) that is aligned with the purpose and goals of the TSL application.
2. Establish a sustainable Performance-based Compensation System (PBCS).
3. Participate in the Aspiring Teachers Program.
4. Participate in the New Teacher Mentoring Program.
5. Participate in the School Leader Development Program.
6. Participate in the Social Emotional Learning Growth Program.
7. Participate in the Diversity, Equity and Inclusion Program.
8. Implement customized professional development for teachers and school leaders in collaboration with CEI.
9. Use sub-grant funds to advance the purpose, goals and programs included in this application.
10. Provide additional support as may be required.

11. Participate, as requested, in any evaluations of this grant conducted by ED or by evaluators working at the request of the group.

RESOLVED, that MoU with CEI to submit a grant proposal to DoE is hereby approved.

Motion by Linda Spencer, seconded by Chanel Turnquest

VIII. Discussion Items

1. *Online lottery for 2020-21 school year: All grades have a waiting list*
2. *Utica Academy and Citizenship Academy Stimulus Grant Applications: Each for \$200,000 for building purposes. Utica funding will be used for the new construction and SASC will be used for the approved HVAC project.*
3. *Paycheck Protection Program (PPP): Approved for little over \$3million and will be used for payroll purposes.*
4. *Rochester Full application will be sent this Friday.*
5. *Terra Science Education Financial Status and Support for SANY Schools: Terra's 2019 Audit resulted following:*

1- Management and general expenses (non-programmatic) is around 7.5% (this was 9.6% last year) -the national median for nonprofits for MGE is around 13.5 - 18%. Lower the number better for nonprofits. This means we spend most of the funds on programs and Terra is very efficient with its structure.

2- Audit found no material weaknesses or issues or recommendations, means following all regulations and accounting practices.

3- Terra Science and Education received Platinum Seal (highest level) from GuideStar, a leading national non-profit transparency monitoring agency. This seal puts Terra on top of 0.1% of non-profits in terms of transparency.

Here is our actual support for SANY Schools last three years:

2019 Terra Scholarships and Grant given to SANY Schools: \$84,983.69

2018 Terra Scholarships and Grant given to SANY Schools: \$84,365.88

2017 Terra Scholarships and Grant given to SANY Schools: \$53,597.76

2020 Building improvements by Terra at SANY Schools (planned) worth to \$800K including SASC HVAC, SASC gym windows, SASHS storage roof, SAS gym roof, etc.

2019 Building improvements by Terra at SANY Schools worth up to \$400K including SASC roof, etc.

2018 Building improvements by Terra at SANY Schools worth up to \$700K including SASC Flooring, SAS MS HVAC, SASHS new pipe, etc.

2017 Building improvements by Terra at SANY Schools worth up to \$750K including SASC renovations.

SANY Activity Report:

SAS

1. Wednesday, April 8, 2020— Syracuse City Fire Fighter, Kelly Wilcox paid a virtual visit to our elementary atoms. She read one of her daughter's favorite books called Dinosaurs Love Underpants to our students.
2. Monday, April 13, 2020— Joanna Masingila read eight stories to our students! Ms. Masingila is the Dean of the School of Education at Syracuse University. We thank you for your support during this difficult time, and for being there for our students.

3. Wednesday, April 15, 2020 – When the coronavirus pandemic put a stop to in-person band practice, music teacher Lexi Carlson and her band students knew they had to keep the music going. After trial, error, and six weeks of hard work, the Syracuse Academy of Science High School Band is releasing their first-ever recording – “Ode to Joy,” the theme from Beethoven’s Ninth Symphony that for centuries has been a symbol of hope and the resilience of the human spirit. The recording is available at <https://youtu.be/IHE1SCxpesU>
4. Friday, April 17, 2020 – Congratulations are in order for the following Atoms! Owyn Blue, Umesh Dahal, Savanna McMullen, Zyreeanah Shepard, Kaina Vidal. These scholars were all awarded the George H. Ball Community Achievement Award. The scholarship is named after the Keuka College founder, Rev. Dr. George Harvey Ball, whose vision is continued at Keuka College by educating young students and adult learners who “bring strength to our nation and to help humanity” through combined classroom and experiential learning. This award includes a \$10,000 annual scholarship for a total of \$40,000. Congrats, Atoms!
5. Monday, April 20, 2020 – Syracuse Academy of Science Elementary Staff collaborated on uplifting messages of encouragement for their students. While nothing can replace being in a classroom, it is our hope that these little messages can help lift our Atoms spirits!
6. Monday, April 20, 2020 – Syracuse City Fire Department Lieutenant Dan Conners gave a virtual visit to our students. With everyone home during this time, we were lucky enough to have our friends at the fire department give a cooking lesson to us! Students learned safety tips and how to properly cook in your home. We were shown the importance of fire safety in the kitchen.
7. Wednesday, April 22, 2020 – “Just keep your grades up and good luck,” Nicholson said. Motivating words from current senior, Beloved Nicholson. Read the full article about how students are staying positive throughout the pandemic. 9. Monday, April 27, 2020 – This #MotivationMonday, the #SASCs Middle School staff wanted to let all their students know how much they are missed! Oh, and that now would be a great time to pick up a book! Full video is at <https://www.facebook.com/syracuseacademy/posts/3045396398851851>
10. Thursday, April 30, 2020 – Congratulations to all our SASCs Elementary Student of the Month Atoms! Last month’s character trait was Perseverance! □ With everything happening in the world we can honestly say our students, parents, teachers, administrators and community are all persevering and putting in □ percent!
11. Friday, May 1, 2020 – Way to go, SASCs Elementary School, and the rest of the SANY Staff! We are so proud of you and all you do for our community of scholars! Full video is at <https://www.localsyr.com/community/tell-me-something-good/tell-me-something-good-teachers-going-the-distance/>
12. Monday, May 4, 2020 – Across the country, teachers are recognized on a special day each year: Teacher Appreciation Day. At SANY schools, we believe our teachers deserve recognition year-round. During these unprecedented times, we are especially grateful for their dedication to their students. Take a moment to hear from our students as they thank their teachers, today and every day. Full video is at <https://www.youtube.com/watch?v=daOmMD2iqfg>
13. Wednesday, May 6, 2020 – Congratulations to Alexius Pierce, SAS, 2022 & Freely Pleasants, SAS, 2020 for being awarded Section III All-State Team Co-Player of the Year Class B Honorable Mention by the New York State Sportswriters Association! Full article

VIII. Discussion Items

1. *Financial status and budget:* Budgets were discussed, and school budget cuts were discussed, and schools plans to absorb the cuts made by the state. There is a possibility of 20% cut but hoping that it will stay around 10% rate. The school has reserve funds which may be used to absorb part of the cuts. Some of the non-essential staff may be cut or positions may not be filled based on needs. Dashboard will not be given to any of the schools for the year to save positions.
2. *Mid-term site visit schedule;* Friday June 12 at 3 pm.
3. *Online instruction:* Videos developed by school principals describing the schools' efforts are shared with board members. The school is planning a summer school to close the gap. The teachers continue to do home visits to keep the personal touch with parents. Graduation will be during the first week of August.
4. *Addition of cafeteria to construction project to Utica Academy:* In order to separate cafeterias, the schools would like to build an additional cafeteria as part of phase 2 for elementary school connected to newly built ES building, so that ES student does not go through HS for lunch.

5. CSARochester charter application is submitted: We should know the outcome in August for interview if invited.
6. Terra will replace the SAS high school roof and connector and adds additional insulation to make the school save with utilities bill. It received quotes for half of the gym roof only around \$95K-130K, but terra will replace the whole roof plus the connector between gym and main building, which is an around \$300K worth job.

SANY Activity Report:

SAS

1. Monday, May 11, 2020—It's #CharterSchoolsWeek & #CollegeWeek!! #SASCS Elementary kicked off our annual college week with an inspirational video message from our staff.
2. Friday, May 8, 2020—Earlier this month, Christine Kitano, an assistant professor at Ithaca College gave our #SASAtoms a special virtual visit. Ms. Kitano teaches courses in poetry and Asian American Literature. She is also an author and has written two poetry books of her own. Our students had the privilege of being read two of her wonderful poems.
3. Monday, May 18, 2020—When the pandemic halted everything in the American Sign Language (ASL) interactive classroom, #SASAtoms found a way to share the love of ASL remotely.
4. Monday, May 18, 2020—Do you know what makes #SASCS special? Well, there's a lot of things, but at the TOP of our list is the fact that our teachers come to you. Even though our Home Visits have had to shift gears dramatically to ensure the safety of our families--the Kindergarten team found a way. Ms. Figueroa and Ms. Martinez developed a plan to safely deliver a bag of goodies to each of their students.
5. Tuesday, May 19, 2020 through Thursday, May 28th, 2020, SANY College Guidance Counselors had six workshops for students from 7th grade to 12th grade in various topics like College & Career Readiness, Transition to College, Academics, Enrollment Process, Financial Aid Package, and Extracurricular Activities.
6. Thursday, May 21, 2020—With horns blaring, pom poms waving, and lawn signs in-hand the #SASCS staff drove through Syracuse to surprise and congratulate our graduating Seniors. To all of our Seniors, we miss you, we miss you, we miss you. Thank you for being so patient and kind during this time. Wishing the Class of 2020 success and joy in the future.
7. Monday, June 1, 2020—The Syracuse Academy of Science Middle School has been busy traveling the world...virtually! The students took a virtual field trip to the Musée d'Orsay museum in Paris, France. It houses the largest collection of impressionist and post-impressionist masterpieces in the world! They were asked to replicate an artwork and the results were amazing.
8. Wednesday, June 3, 2020—Teamwork makes the DREAM work □□□□□□ May Student of the Month Ceremony Link □

UAS

1. Tuesday, May 5, 2020—Assemblywoman Marianne Buttenschon (D-Utica/Rome) announced the winners of her 2020 Teaching Recognition Awards in the 119th Assembly District.
2. “Teachers and principals aren’t given enough credit for their important work,” said Buttenschon. “It’s no small feat to help guide the next generation, and their work has only grown more difficult during the COVID-19 pandemic. These awards are a way to celebrate the achievements of our educators and remind them that we appreciate all that they do for our kids. I’m proud to recognize Mohawk Valley’s finest educators for making a difference in students’ lives.”
3. The 2020 Teaching Recognition Awards highlight the contributions of teachers and principals in the 119th Assembly District who have had a positive impact on their students.

The winners of Assemblywoman Buttenschon’s 2020 Teaching Recognition Awards are:

- a. Aysenur Ersoy – Utica Academy of Science
 - b. Megan Fallone – Utica Academy of Science
 - c. Michael Farnach – Utica Academy of Science
 - d. Rachel German – Utica Academy of Science
 - e. Yagmur Kasimogullari – Utica Academy of Science
 - f. Anthony Kulesa – Utica Academy of Science
 - g. Bobbi Latray – Utica Academy of Science
 - h. Aaron McElroy – Utica Academy of Science
 - i. Marco Rodegher – Utica Academy of Science
 - j. Allison Taft Keysor – Utica Academy of Science
 - k. William Wares – Utica Academy of Science
4. Friday, May 15, 2020—The UASES 1st Grade Team has been hard at work looking for ways to show our students we’re still thinking about them despite the distance. Here’s a special message from your teachers, we love and miss you all! Keep up the hard work atoms! Until we see you again.
 5. Tuesday, May 19, 2020 through Thursday, May 28th, 2020, SANY College Guidance Counselors had six workshops for students from 7th grade to 12th grade in various topics like College & Career Readiness, Transition to College, Academics, Enrollment Process, Financial Aid Package, and Extracurricular Activities.
 6. Friday, May 29, 2020—73 Days. We have been at this distance learning for 73 days. And you know what is the biggest lesson we have learned? We miss you. It’s that simple. Our scholars are why we come to work every day. With so much uncertainty in the world, there is one thing we know for sure, we really are here for you. If you are struggling in class, or just want to chat, reach out to any #UASCS staff member. We would love to hear from you. <https://www.youtube.com/watch?v=thlfu7ia7YA>
 7. Monday, June 1, 2020—Can you find flour, salt, and water in your pantry? We thought so. Ms. Ferguson’s scholars dug into the cabinet to craft DIY Play Dough for their Zoom meeting. Who said distance learning wasn’t hands-on?

II. Public Comment on Any Agenda Item

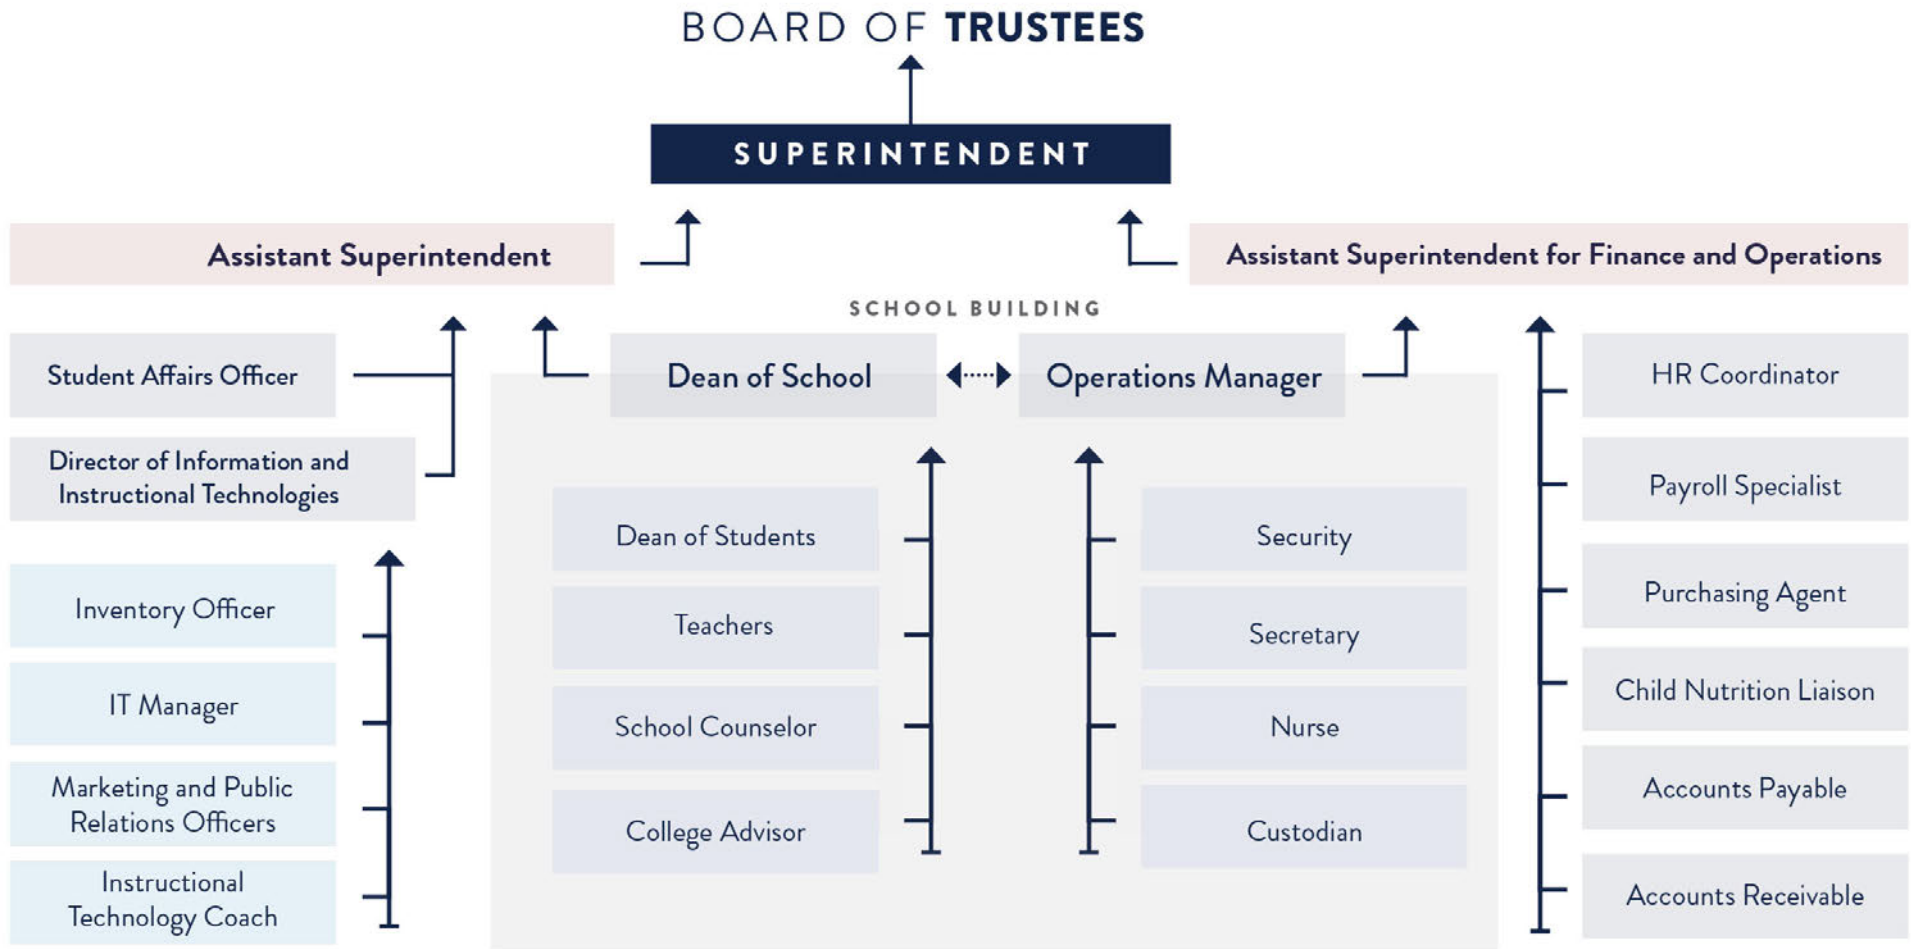

Board President or designee opens the public comment session on any agenda item. Each person is limited to speak for a period of one (1) minute and will be asked to give their full name, spell their last name and provide their address.

Board President or designee closes the public comment session on any topic.

- III. Motion by Jawwaad Rasheed, seconded by Murat Baysal, to adjourn the meeting at 8.25 pm.
Roll Call: Adopted unanimously
