Centers for Disease Control and Prevention Under Violence Prevention/Intimate Partner Violence	Dating Matters	Curriculum with Lesson plans and activities		Grades 6-9	Evidence and Research based	Free	The Dating Matters youth programs provide middle school students— ages 11 to 14 — with the knowledge and skills they need to have healthy, safe relationships before they start dating. Research shows that supporting healthy emotional development can prevent a variety of negative outcomes, including teen dating violence. Research also shows that healthy relationship attitudes and behaviors start developing early.
Project Starfish		Helps to certify teachers to teach sex trafficking. Lesson plans with curriculum and activities.		Middle/High School		Free	STARFISH is an educational tool developed by academics, researchers, social workers, and teachers, designed to raise awareness and provide education about the social injustice of sex trafficking in the United States. This is a free resource for school administrators and educators to utilize that provides a safe and age-appropriate way to educate middle school and high school students on the issue of sex trafficking.

<p>PreventConnect A national project of CALCASA (California Coalition Against Sexual Assault)</p>	<p>Shifting Boundaries: Lessons on relationships for students in middle school.</p> <p>Program Profile: Shifting Boundaries</p>	<p>Lesson plan with curriculum, videos and activities.</p>		<p>Middle School</p>	<p>Evidence and Research based</p>	<p>Free</p>	<p>Shifting Boundaries is an evidence-based, multi-level prevention program for middle school students on sexual harassment and precursors to dating violence. The program is unique in that it embraces an environmental approach that identifies multiple strategies to support young people – both school-wide interventions and classroom lessons.</p> <p>PreventConnect is a national project of the California Coalition Against Sexual Assault with funding from the U.S. Centers for Disease Control and Prevention (CDC), National Center for Injury Prevention and Control and RALIANCE. The goal of PreventConnect is to advance the primary prevention of sexual assault and relationship violence by building a community of practice among people who are engaged in such efforts. PreventConnect also builds the capacity of local, state, territorial, national and tribal agencies and organizations to develop, implement and evaluate effective prevention initiatives</p>

Youth.gov	Safe Dates	The Safe Dates program includes a curriculum with nine 50-minute sessions, one 45-minute play to be performed by students, and a poster contest.		Middle/High School	Evidence Based	Cost	This evidence-based program helps teens recognize the difference between caring, supportive relationships and controlling, manipulative, or abusive relationships. It is during the critical pre-teen and teen years that young people begin to learn the skills needed to create and foster positive relationships. With Safe Dates, young people are given the tools needed to build these skills.
Stop It Now! National Sexual Violence Resource Center NSVRC	I Ask How To Teach Consent Early	Parent handout	2019	Not mentioned	Yes	Free	The National Sexual Violence Resource Center (NSVRC) is the leading nonprofit in providing information and tools to prevent and respond to sexual violence. NSVRC translates research and trends into best practices that help individuals, communities and service providers achieve real and lasting change
	6 Resources to Help Parents Talk to Kids About Consent	Parent postcard, Article, Tip sheet, and Resource sheet for parents and caregivers	Various-2013-2019	Not mentioned	Yes	Free	
IamLittlered					Major funding was provided by The Angel Foundation, JEB Charitable Fund, CoStar Group, The McCain Institute, The Laurie M. Tisch Illumination Fund, ARS Restoration, and Molly Gochman. With additional support from The William D. Lynch Foundation		I AM LITTLE RED is a 10-minute animated short aimed at children most at-risk for sex trafficking (e.g. foster-care, runaway, LGBTQ, homeless, and adopted children), with the goal of prevention and awareness. The film, narrated by Academy Award nominee Jessica Chastain (English) and Aislinn Derbez (Spanish), animated by Academy Award winners Gabriel Osorio and Pato Escala from Punkrobot, and written by 10 survivors of sex trafficking (aged 14-21) along with Alec Sokolow (Academy Award nominated writer of Toy Story) and Mary Mazzio (director/Producer of I AM JANE DOE), is a contemporary re-imagining of the classic fairy tale, Little Red

ERIN'S LAW RESOURCES

					for Children and Katharine Winthrop.	<p>Riding Hood. I AM LITTLE RED addresses the four tactics a “wolf” (trafficker/pimp) will typically use to lure a Little Red off their path.</p> <p>I AM LITTLE RED was created especially for middle school students (ages 11-14) of all genders. When coupled with the teaching guide’s 75-minute lesson plan, I AM LITTLE RED is a primary prevention tool aimed at reducing the risk of commercial sexual exploitation among children. By seeding entire grades within a school system or age groups within a community, a teaching session involving I AM LITTLE RED can be an important part of an inoculation approach to commercial sexual exploitation.</p>

Prevent Child Abuse NY - primary contact (local EAC sites are located statewide in 13 counties)	Enough Abuse Campaign	Multiple modules available (one module is intended specifically to educate school administrators, teachers, school coaches, parents, and other school employees; while another module is specifically intended for organizations that serve children and youth.	2003	Training for adults working with children K-12; one module is appropriate for MS/HS students.	Yes	Free	The Center for Disease Control (CDC) has hailed Massachusetts as a leader in the nation in working to prevent child sexual abuse. In 2008 Oregon leaders over the course of a year reviewed programs across the country and concluded: <i>"The Enough Abuse Campaign emerged as the most comprehensive and compelling program available."</i> In addition to the Massachusetts Enough Abuse Campaign, several states (including New York) have adopted the Campaign's model and more are exploring joining this multi-state effort.
