Revised

Michelle Spasiano, Interim Superintendent
Bemus Point Central School District
P.O. Box 468
Bemus Point, NY 14712

Dear Superintendent Spasiano:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

Shannon L. Tahoe

Shannon L. Tahoe
Interim Commissioner

Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance.

The Department will review the contents of each local educational agency's (LEA) Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in an LEA's plan.

The Department reserves the right to request further information from an LEA to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Each LEA is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of an LEA's plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the LEA are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the LEA, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject or disapprove this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.

Each teacher shall have a Student Learning Objective (SLO) locally determined, consistent with the goal-setting process determined by the Commissioner.

Student Learning Objectives (SLOs)

For guidance on SLOs, see NYSED SLO Guidance.

SLOs shall be used for the required student performance measure for all teachers. The following must be used as the evidence of student learning within the SLO.

MEASURES

SLO measures may be either individually attributed or collectively attributed.

Individually attributed measures

An individually attributed SLO is based on the student population of a course for which the teacher directly contributes to student learning outcomes.

> Teacher and course-specific

- **Teacher and course-specific results:** scores and ratings will be based on the growth of students in the teacher's course in the current school year.

Collectively attributed measures

A collectively attributed SLO is based on a student population across multiple sections of the same course or across multiple courses where more than one teacher either directly or indirectly contributes to student learning outcomes. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where teachers have an opportunity to collectively impact student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> School- or program-wide

- **School- or program-wide results:** scores and ratings will be based on the growth of all students in a school or program who take the applicable assessments in the current school year.
- **School- or program-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses in the current school year.
- **School- or program-wide linked results:** scores and ratings will be based on the growth of students enrolled in the teacher's course in the current school year taking assessments in other grades/subjects.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses across buildings/programs in an LEA in the current school year.

ASSESSMENTS

Any of the measures above may be used with one or more of the following assessment types.

SLO Assurances**Please check the boxes below.**

- ☒ Assure that the teacher has an SLO as determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- ☒ Assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ Assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- ☒ Assure that if a teacher's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.
- ☒ Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.

Annual Professional Performance Review - Education Law & §3012-d, amended in 2019**Task 3. TEACHERS: Optional Student Performance - Use of the Optional Subcomponent**

Page Last Modified: 02/04/2020

Optional Student Performance Subcomponent

For guidance on the Optional subcomponent of the Student Performance measure, see NYSED APPR Guidance.

Percentage of Student Performance category to be locally determined if selected.

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the LEA and be a locally selected measure of student growth or achievement based on State-created or -administered assessments or State-designed supplemental assessments.

Options for measures and associated assessments include:

- Option (A) A second SLO, provided that this SLO is different than that used in the required subcomponent;
- Option (B) A growth score based on a statistical growth model, where available, for either State-created or -administered assessments or State-designed supplemental assessments;
- Option (C) A measure of student growth, other than an SLO, based on State-created or -administered assessments or State-designed supplemental assessments;
- Option (D) A performance index based on State-created or -administered assessments or State-designed supplemental assessments;
- Option (E) An achievement benchmark on State-created or -administered assessments or State-designed supplemental assessments; or
- Any other collectively bargained measure of student growth or achievement included in the LEA's evaluation plan.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used in the Student Performance category for any teacher.

Annual Professional Performance Review - Education Law §3012-d, amended in 2019**Task 4. TEACHERS: Observations - Rubric and Scoring**

Page Last Modified: 03/26/2020

Teacher Observation Category

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching (2013 Revised Edition)	N/A

Rubric Assurances

Please check all of the boxes below.

- ☒ Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- ☒ Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the LEA, provided that LEAs may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year as indicated in the table above.
- ☒ Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., Domains 1 and 2 will be weighted 30% each and Domains 3 and 4 will be weighted 20% each).

All observable components will be weighted equally and averaged.

Scoring Assurances

Please check each of the boxes below.

- ☒ Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Teacher Observation Scoring Bands

The overall Observation score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

Observation Assurances**Please check all of the boxes below.**

- ☒ Assure that the following elements will not be used in calculating a teacher's Observation category score and rating: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; and/or use of professional goal-setting as evidence of teacher effectiveness. Teacher Improvement Plan Assurances

Please check each of the boxes below.

- ☒ Assure that TIP plans developed and implemented by the superintendent or his/her designee, in the exercise of their pedagogical judgment, and subject to collective bargaining to the extent required under article 14 of the Civil Service Law, shall include: identification of needed areas of improvement, a timeline for achieving improvement, the manner in which the improvement will be assessed, and, where appropriate, differentiated activities to support a teacher's improvement in those areas.

Teacher Improvement Plan Forms

All TIP plans developed and implemented by the superintendent or his/her designee, in the exercise of his/her pedagogical judgment, must include:

- 1) identification of needed areas of improvement;
- 2) a timeline for achieving improvement;
- 3) the manner in which the improvement will be assessed; and, where appropriate,

Annual Professional Performance Review - Education Law §3012-d, amended in 2019**Task 6. TEACHERS: Additional Requirements - Appeals**

Page Last Modified: 02/05/2020

Appeal Assurance**Please check the box below.**

- ☒ Assure the LEA has collectively bargained appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.

Appeals

Pursuant to Education Law §3012-d, a teacher may only challenge the following in an appeal to their LEA:

(1) the substance of the annual professional performance review; which shall include the following:

(i) in the instance of a teacher rated Ineffective on the Student Performance category, but rated Highly Effective on the Observation category based on an anomaly, as determined locally;

(2) the LEA's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d;

(3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents; and

(4) the LEA's issuance and/or implementation of the terms of the teacher improvement plan, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

Annual Professional Performance Review - Education Law §3012-d, amended in 2019**Task 6. TEACHERS: Additional Requirements - Appeals**

Page Last Modified: 02/05/2020

Describe the procedure for ensuring that appeals of annual performance evaluations will be resolved in a timely and expeditious manner.**APPR Appeal Procedure**

The Bemus Point Faculty Association and the District agree the determination of the appeal pursuant to the following process is final and binding. The determination is not subject to any further appeal pursuant to the grievance procedure. However, failure to abide by the agreed upon appeal process is subject to the grievance procedure. A teacher is entitled to Association representation at the request of the teacher at any time during the appeals process.

Appeals of Developing and Ineffective Ratings

Appeals of an annual professional performance review (APPR) shall be limited only to those where the teacher has received an overall rating of "developing" or "ineffective" based on his/her single overall rating.

What May Be Challenged in an Appeal

A teacher may challenge his/her effectiveness rating based on one or more of the following grounds:

1. The school district's adherence to the standards and methodologies required for such reviews, pursuant to Education Law 3012-d;
2. The adherence to the Commissioner's regulations, as applicable to such reviews;
3. Compliance with any applicable locally negotiated procedures applicable to annual professional performance reviews or improvement plans; and
4. The school district's issuance and/or implementation of the terms of the teacher improvement plan under Education Law 3012-d.
5. The substance of the annual professional performance review, which shall include the following:

In the instance of a teacher rated ineffective on the Student

Performance category, but rated highly effective on the Observation category based on an anomaly, as determined locally.

Prohibition Against More Than One Appeal

A teacher may not file multiple appeals regarding the same performance review or teacher improvement plan. All grounds for appeal must be raised with specificity within one appeal provided that the teacher knew or should have known the grounds that existed at the time the appeal was filed. Any grounds, from which the teacher knew or should have known which are not raised at the time the appeal is filed, shall be deemed waived.

Burden of Proof

In an appeal, the teacher has the burden of demonstrating a clear legal right to the relief requested and the burden of establishing the facts upon which petitioner seeks relief.

Time Frame for Filing Appeal

The failure to file an appeal within these timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned.

However, the timelines set forth in the appeal process may be extended upon mutual agreement by both parties. Regardless of any extension the appeals process will remain timely and expeditious in accordance with Education Law §3012-d.

All appeals of an annual professional performance review must be submitted in writing to the Superintendent no later than 10 school days after receipt by the teacher of a copy of the APPR overall rating. If a teacher is challenging the issuance of a teacher improvement plan, appeals must be filed within 10 school days of the issuance of such plan. An appeal of the implementation of a teacher improvement plan must be filed within 10 school days of the district's failure to implement any component of the improvement plan. When filing an appeal, the teacher must submit a detailed written description of the specific areas of disagreement over his/her performance review, or the issuance and/or implementation of the terms of his or her improvement plan and any additional documents or materials relevant to the appeal. The performance review and/or improvement plan being challenged must also be submitted with the appeal. Any information not submitted

by the teacher at the time the appeal is filed, shall not be considered. The Association president will be notified by the district when an appeal is filed.

Time Frame for District Response**Step 1:**

Within 10 school days of receipt of an appeal, the school district staff member(s) who issued the performance review or were or are responsible for either the issuance and/or implementation of the terms of the teacher's improvement plan (TIP) will meet with the teacher who filed the appeal to

Annual Professional Performance Review - Education Law §3012-d, amended in 2019**Task 6. TEACHERS: Additional Requirements - Appeals**

Page Last Modified: 02/05/2020

attempt to resolve the appeal. Should such resolution be attained at the meeting, the appeal shall be considered resolved.

Step 2:

If the meeting between the teacher and the aforementioned evaluator fails to result in a resolution, the evaluator must submit a detailed written response to the appeal within 5 school days from the conclusion of the meeting. The response must include any and all additional documents or written materials specific to the point(s) of disagreement that support the school district's response and are relevant to the resolution of the appeal.

Any such information that is not submitted by the evaluator at the time of the response is filed shall not be considered in the

deliberations related to the resolution of the appeal. The teacher initiating the appeal shall receive a copy of the response to be filed in the teacher's personnel file by the school district, and any and all additional information submitted with the response, at the same time the school district files its response.

Final Decision-Maker on Appeal

A final decision shall be rendered by the superintendent of schools, or that individual's designee, except that an appeal may not be decided by the same individual who was responsible for making the final rating decision. In such case, the Board of Education shall appoint another person to decide the appeal.

Decision

A written decision on the merits of the appeal shall be rendered no later than 35 school days from the date upon which the teacher filed his/her appeal. However, the number of school days may be extended upon mutual agreement by both parties. In no case will the written decision on the merits of the appeal be rendered more than 45 school days from the date upon which the teacher filed his/her appeal. In any event, regardless of any extension the appeals process will remain timely and expeditious in accordance with Education Law §3012-d. The appeal shall be based on the written record, comprised of the teacher's appeal papers and any documentary evidence which accompanied the appeal, as well as, the school district response to the appeal and additional documentary evidence submitted with such papers. Such decisions shall be final and binding. The Superintendent's determination is not subject to any further appeal pursuant to the grievance procedure. However, failure to abide by the agreed upon Appeal process is subject to the grievance procedure. The decision shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the teacher's appeal. If an appeal is sustained, the Superintendent may set aside a rating if it has been affected by substantial error or defect or modify a rating or improvement plan if it is affected by substantial error or defect. A copy of the decision shall be provided to the teacher and the evaluator or the person responsible for either issuing or implementing the terms of an improvement plan, if that person is different.

Appeals by probationary teachers will end at Step 2.

Step 3 - Labor-Management Panel

The third step shall be initiated by the tenured unit member notifying the Superintendent in writing, within five (5) school days of receipt of the Superintendent's ruling at Step 2. Appeals shall be decided in a final and binding manner, by a three member labor-management panel consisting of one representative designated by the association president or his designee, one member designated by the superintendent of schools or his/her designee and a third member from a pre-established list. The third panel member shall be determined by rotation from the pre-established list of 3 panelists. The pre-established list shall be formed by joint agreement of the Association and the school district. Such list shall be approved by the Association and the Superintendent by September 1 of each year. The selection of the panel shall be completed within (5) school days of the written notice submitted by the teacher. The panel shall meet within (10) school days. The panel shall have its determination within (10) school days of its meeting to discuss and determine the appeal. The decision shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the appeal. The panel may set aside a rating if it has been affected by substantial error or defect or modify a rating or improvement plan if it is affected by substantial error or defect. A copy of the decision shall be provided to the teacher and the evaluator or the person responsible for either issuing or implementing the terms of an improvement plan, if that person is different.

Annual Professional Performance Review - Education Law & §3012-d, amended in 2019**Task 6. TEACHERS: Additional Requirements - Training**

Page Last Modified: 03/26/2020

Training Assurance**Please check the box below.**

- ☒ The LEA assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the approximate duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

All evaluators (lead evaluators, evaluators, and independent observer) are trained as lead evaluator and trained on the nine (9) elements of Subpart 30-3.10 of the Board of Regents rules. The training will be provided by the Erie 2 Chautauqua-Cattaraugus BOCES lead evaluator training team who are authorized to train on behalf of an evaluation rubric approved by NYSED.

This initial training includes approximately two (2) full days (6 hours/day) and approximately 12 hours of training yearly. Upon completion of this training, all evaluators, will be certified annually and re-certified by the Bemus Point Board of Education as recommended by the Superintendent.

The District will maintain a process of inter-rater reliability including data analytics, periodic comparison of assessments and/or calibration across evaluators.

The Bemus Point Central School District will work to ensure that all evaluators:

- maintain inter-rater reliability over time;
- Receive updated/retraining provided by Erie 2 Chautauqua-Cattaraugus BOCES and the District on any changes in the law, regulations, or applicable collective bargaining agreements. These trainings are ongoing and will be attended by evaluators as required.

Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.

Required Student Performance Measures

Student performance for principals may be measured by either a student learning objectives (SLO) or an Input Model where the principal's overall rating shall be determined based on evidence of principal practice that promotes student growth related to the Leadership Standards.

STUDENT LEARNING OBJECTIVES

For guidance on SLOs, see NYSED SLO Guidance.

SLO measures may be either individually attributed or collectively attributed.

Individually attributed measures

An individually attributed SLO is based on the learning outcomes of a student population within the principal's building or program.

> Principal and building/program-specific

- **Principal and building/program-specific results:** scores and ratings will be based on the growth of students in the principal's building/program in the current school year.

Collectively attributed measures

A collectively attributed SLO is based on a student population across multiple buildings/programs of similar grade configuration or across multiple building/programs where the learning activities of one building/program indirectly contribute to student learning outcomes in another building/program. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where there is an opportunity for a collective impact on student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of principals will be based on the growth of students in the group/team of principals' buildings/programs in an LEA in the current school year.

ASSESSMENTS

Any of the measures above may be used with one or more of the following assessment types.

- **State assessment(s);** or
Assessment(s) that are selected from the list of State-approved:
- **third party assessments;** or
- **locally-developed assessments** (district-, BOCES- or regionally-developed).

INPUT MODEL

Selection of the Input Model will require:

Annual Professional Performance Review - Education Law & §3012-d, amended in 2019**Task 7. PRINCIPALS: Required Student Performance - Information and Assurances**

Page Last Modified: 07/07/2020

- a description of the areas of principal practice that will be evaluated;
- a description of how the selected areas of principal practice promote student growth;
- a description of the evidence of student growth and principal practice that will be collected; and
- a description of how the district will use the evidence to differentiate effectiveness resulting in a score from 0 to 20 and ratings of Highly Effective, Effective, Developing, or Ineffective.

Assurances**Please check all of the boxes below.**

- ☒ Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.
- ☒ For principals evaluated using an SLO, assure that such SLO is determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- ☒ For principals evaluated using an SLO, assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ For principals evaluated using an SLO, assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- ☒ For principals evaluated using an SLO, assure that if the principal's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- ☒ For principals evaluated using an input model, assure that all applicable principals will be evaluated using the procedures described herein and approved by the Commissioner.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs and input models.
- ☒ Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

Annual Professional Performance Review - Education Law & § 3012-d, amended in 2019**Task 9. PRINCIPALS: School Visits - Rubric and Scoring**

Page Last Modified: 02/04/2020

Principal School Visit Category

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Principals' professional performance shall be evaluated based on a State-approved rubric using multiple sources of evidence collected and incorporated into the school visit protocol. Where appropriate, such evidence may be aligned to building or district goals; provided, however, that professional goal-setting may not be used as evidence of teacher or principal effectiveness. Such evidence shall reflect school leadership practice aligned to the Leadership Standards and selected practice rubric.

Principal Practice Rubric

Select a principal practice rubric from the menu of State-approved rubrics to assess performance based on ISLLC 2008 Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of principals each rubric applies to.
Multidimensional Principal Performance Rubric	N/A

Rubric Assurances

Please check all of the boxes below.

- ☒ Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- ☒ Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the LEA, provided that LEAs may locally determine whether to use different rubrics for a principal assigned to different programs or grade configurations as indicated in the table above.
- ☒ Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., Domains 2 and 3 will be weighted 30% each and Domains 1, 4, 5 and 6 will be weighted 10% each).

All observable components will be weighted equally and averaged.

Please check each of the boxes below.

- ☒ Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all school visits, a score of 0 will be assigned.

Page Last Modified: 03/11/2020

all additional information submitted with the response, at the same time the school district files its response. Additional material supporting the challenges may be submitted by the principal up the date of the hearing.

2. The hearing shall be conducted in no more than one (1) business day unless extenuating circumstances are present and the hearing officer agrees to the second day.
3. The parties shall have the ability to be represented by legal counsel and/or union representation or appear pro se on the scheduled hearing date(s).

The decision shall set forth the reasons and factual basis for the determination on each of the specific issues raised in the appeal. The reviewer must either affirm, set aside or modify a district's rating or improvement plan. A copy of the decision shall be provided to the principal and the district representative.

Exclusivity of Section 3012-d Appeal Procedure

This appeal procedure shall constitute the means for initiating, reviewing and resolving challenges to a principal performance review or improvement plan. A principal may not resort to any other contractual grievance procedures for the resolution of challenges and appeals related to a professional performance review and/or improvement plan.

Other

2. Appeals shall be assigned to hearing officers on a rotational basis, alphabetically by last name.
3. The costs for the hearing officer(s), hearing date(s), analysis of documents and the production of the decision shall be borne by the district.
4. In addition, to any further limitations agreed to within the APPR agreement, an evaluation shall not be placed in a principal's personnel file until either the expiration of the fifteen (15) business day period in which to file a notice of appeal without action being taken by the principal or the conclusion of the appeal process described herein, whichever is later.
