Revised

Tammy Sutherland, Superintendent
Greenville Central School District
P.O. Box 129
Greenville, NY 12083

Dear Superintendent Sutherland:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia
Commissioner

NOTE:
Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

Annual Professional Performance Review - Education Law §3012-d

Task 1. School District Information - Tasks 1.1, 1.2

Page Last Modified: 12/16/2016

Task 1) Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

1.1) Assurances

Please check all of the boxes below

- ☑ Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- ☑ Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- ☑ Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- ☑ Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

1.2) Submission Status

Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?

First-time submission under Education Law §3012-d

Task 2) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

2.1) Assurances

Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).

Please check the boxes below.

- ☑ Assure that the growth score provided by NYSED will be used, where required.
- ☑ Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- ☑ For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- ☑ Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

2.2) Grades 4-8 ELA and Math: Assessments (Original)

STATE-PROVIDED MEASURES OF STUDENT GROWTH

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

Using the drop-down boxes below, please select the assessment(s) that will be used for the back-up SLOs for the grade/subject listed beginning in the 2019-20 school year.

2.12) Teachers with More Than One Growth Measure (Original)

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance: https://www.engageny.org/resource/appr-3012-d.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

2.13) Assurances

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance: https://www.engageny.org/resource/appr-3012-d.

Please check the boxes below.

- ☑ Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- ☑ Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☑ Assure that all growth targets are approved by the superintendent or another trained administrator.
- ☑ Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- ☑ Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- ☑ Assure that processes are in place for the superintendent to monitor SLOs.
- ☑ Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

2.14) Use of the Optional Subcomponent and Student Performance Category Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Task 2) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

For guidance on the use of alternate SLOs during the transition period, see: https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Using the table below, please first select a measure and assessment(s) that will be used for the alternate SLO during the 2016-17 through 2018-19 school years, then indicate the applicable courses.

2.12) Teachers with More Than One Growth Measure (Transition)

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance: https://www.engageny.org/resource/appr-3012-d.

If educators have more than one alternate SLO, the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO.

Task 3) Optional Student Performance Subcomponent

For guidance on the Optional subcomponent of the Student Performance measure, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

Up to 50% of Student Performance category, if selected.

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the district/BOCES and be either:

(A) a second State-provided growth score on a State-created or administered test, provided that the State-provided growth measure is different than that used in the Required subcomponent, or

(B) a growth score based on a State-designed supplemental assessment, calculated using a State-provided or approved growth model.

3.1) Use of the Optional Subcomponent of the Student Performance Category

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used in the Student Performance category for any teacher.

For guidance on the Teacher Observation category, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

4.1) Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	**If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.**
Danielson's Framework for Teaching (2013 Revised Edition)	(No Response)

4.2) Assurances

Please check all of the boxes below.

- ☑ Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- ☑ Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☑ Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year.
- ☑ Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

4.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable components will be weighted equally and averaged.

4.4) Calculating Observation Ratings

Assurances

Please check the boxes below.

- ☑ Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- ☑ Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- ☑ Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.
- ☑ Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.4(d)(2)(i)(b)(2) of the Rules of the Board of Regents.

Please be sure the total of the weights indicated equals 100%.

** If the district is granted an annual Independent Evaluator Hardship Waiver by the Department, this subcomponent will be satisfied through the use of one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator.*

Please indicate the weighting of each subcomponent and be sure the total of the weights indicated equals 100%.

4.6) Assurances

Please check all of the boxes below.

- ☑ Assure that independent evaluator(s) are not employed in the same school building, as defined by BEDS code, as the teacher(s) they are evaluating.
- ☑ Assure that, if observations are being conducted by trained peer observer(s), these teacher(s) received an overall rating of Effective or Highly Effective in the previous school year.
- ☑ Assure that the following elements will not be used in calculating a teacher's Observation category score and rating: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of teacher effectiveness. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- ☑ Assure that the length of all observations for teachers will be conducted pursuant to the locally-determined durations.
- ☑ Assure that independent evaluator(s) will be trained and selected by the district/BOCES.
- ☑ Assure that peer observer(s), as applicable, will be trained and selected by the district/BOCES.
- ☑ Assure that at least one of the required observations will be unannounced.

4.7) Number and Method of Observations

Indicate the minimum number of unannounced and announced observations for each type of observer, as well as the method of observation, in the tables below.

- ☑ Assure that each subcomponent and category score and rating and the Overall rating will be calculated pursuant to the requirements specified in Subpart 30-3 of the Rules of the Board of Regents.
- ☑ Assure that it is possible to obtain a zero in each subcomponent.
- ☑ Assure the overall rating determination for a teacher shall be determined according to the evaluation matrix.
- ☑ Assure that a student will not be instructed, for two consecutive school years, by any two teachers of the same subject in the same school district who have received Ineffective ratings under Education Law §3012-d in the year immediately prior to the school year in which the student is placed in the teacher's classroom unless the district has received a waiver from the Department.

6.1) Assurances: Teacher Improvement Plans

Please check all of the boxes below.

- ☑ Assure that the district/BOCES will formulate and commence implementation of a Teacher Improvement Plan (TIP) for all teachers who receive a Developing or Ineffective rating by October 1 following the school year for which such teacher's performance is being measured or as soon as practicable thereafter.
- ☑ Assure that TIP plans developed and implemented by the superintendent or his/her designee, in the exercise of their pedagogical judgment, and subject to collective bargaining to the extent required under article 14 of the Civil Service Law shall include: identification of needed areas of improvement, a timeline for achieving improvement, the manner in which the improvement will be assessed, and, where appropriate, differentiated activities to support a teacher's improvement in those areas.

6.2) Attachment: Teacher Improvement Plan Forms

All TIP plans developed and implemented by the superintendent or his/her designee, in the exercise of his/her pedagogical judgment, must include:

1) identification of needed areas of improvement;
2) a timeline for achieving improvement;
3) the manner in which the improvement will be assessed; and, where appropriate,
4) differentiated activities to support a teacher's improvement in those areas.

As a required attachment to this APPR plan, upload the TIP forms that are used in the school district/BOCES.

6.3) Assurance: Appeals

Please check the box below.

- ☑ Assure the district/BOCES has collectively bargained appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.

6.4) Appeals

Pursuant to Education Law §3012-d, a teacher may only challenge the following in an appeal to their district/BOCES:

(1) the substance of the annual professional performance review; which shall include the following:

(i) in the instance of a teacher rated Ineffective on the Student Performance category, but rated Highly Effective on the Observation category based on an anomaly, as determined locally;

(2) the school district's/BOCES' adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d; and

(3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as well as the school district's/BOCES' issuance and/or implementation of the terms of the teacher or principal improvement plan, as required under Education Law §3012-d.

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

Pursuant to Education Law §3012-d, a teacher may only challenge the following in an appeal to the district:

1. The substance of the annual professional performance review, which shall include the following:The instance of a teacher rated (i) Ineffective on the Student Performance category, but rated Highly Effective on the Observation category based on an anomaly, as determined locally;
2. The school district's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d; and
3. The adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as well as the school district's issuance and/or implementation of the terms of the teacher improvement plan, as required under Education Law §3012-d.

A. All annual APPR overall ratings of ineffective or developing may be appealed within ten (10) school days of the teacher's receipt of the rating. An issuance of a TIP may be appealed within ten (10) school days of the teacher's receipt of the final document. The implementation of a TIP may be appealed within ten (10) school days of a breach of the plan by the district.

B. In order to file an appeal, the teacher will be entitled to any and all evidence, both hard copy and electronic, used as the basis of the overall APPR rating/TIP. The hard copy and electronic evidence will be provided within five (5) school days of the teacher's written request to the evaluator.

C. All procedural issues can be appealed including the issuance and/or implementation of a TIP. Upon filing an appeal, the teacher will provide to the District any and all evidence of procedural error.

D. In a ratings appeal, the teacher will identify the specific element(s) of the rating being challenged and state the basis for the challenge. This shall include an instance where a teacher is rated Ineffective on the Student Performance Category but rated Highly Effective on the Teacher Observation Category based on an anomaly as determined locally such as but not limited to the number of student refusals or other circumstances beyond the teacher's control that can be shown to have had a disproportionately negative effect on the Student Performance Category rating resulting in skewed data that is no longer representative of the overall performance of the students linked to the teacher.

E. Whenever possible, a teacher's ratings appeal and procedural appeal shall be consolidated for the appeal process.

F. Both procedural and ratings appeals will be conducted in the same manner.

G. The teacher will have the right to Association representation during all stages of the appeal. The Association will be the sole representative for the teacher unless the Association otherwise notifies the District that the teacher chooses to represent him or herself.

H. If the schedules of all parties permit, it is desirable to process appeals during the summer months, before the start of the next school year.

I. Appeals will follow the following procedure:

Stage 1: The teacher will appeal to the evaluator in writing. Within five (5) school days of the receipt of the written request for an appeal, the evaluator and teacher will meet to discuss the appeal. The evaluator will render a determination in writing to the teacher within ten (10) school days of the teacher's submission of the written appeal.

For all tenured teachers, when an appeal has not been resolved to the teacher's satisfaction at Stage 1, the appeal will move to Stage 3. For all non-tenured teachers, when an appeal has not been resolved to the teacher's satisfaction at Stage 1, the teacher will request in writing within five (5) school days of the receipt of the evaluator's determination that the appeal move to Stage 2 for a review of that determination by the Superintendent.

Stage 2: Within five (5) school days of the untenured teacher's written request for a review of the Stage 1 determination, the Superintendent will schedule a meeting with the teacher to discuss the appeal. The Superintendent will render a written decision on the appeal to the teacher within ten (10) school days after the meeting. The Superintendent's decision shall be final and binding upon the parties.

Stage 3: If the tenured teacher is not satisfied with the Stage 1 appeal decision, the teacher may appeal in writing to the APPR Appeals Panel within ten (10) school days of the receipt of the Stage 1 decision. The APPR Appeals Panel will consist of an administrator (other than the involved evaluator), chosen by the Superintendent; an Association representative, chosen by the Association President; and a third independent party whose membership on the Appeals Panel has been mutually agreed to by the Superintendent and Association President. The Superintendent and Association President will consult with each other before making their selections for the Appeals Panel.

All hard copy evidence, electronic evidence, and the appeal record from Stage 1 shall be provided to the Appeals Panel. If the Panel members agree, in addition to considering the written records and other evidence when making its decision, the panel may request additional written information. Such may include questions addressed to the teacher and/or the evaluator. Both the teacher and the Superintendent will be notified of the Panel's information requests. In the event the Panel's request for information delays the process, such delay shall not be longer than ten (10) school days, and the subsequent timeline will be adjusted accordingly.

The three members of the APPR Appeals Panel will review and confer on the information provided. Then, each Panel member will independently prepare a written advisory opinion, all of which shall be submitted simultaneously to the Superintendent and Association President. These written opinions will be submitted to the Superintendent and Association President within ten (10) school days of the filing of the Stage 3 appeal.

When the advisory opinions of the APPR Panel members agree, the Superintendent will follow the Panel's recommendation. When the advisory opinions of the Panel members differ on the outcome of the appeal, the Superintendent will follow the Panel's majority recommendation. If no majority recommendation exists, the appeal shall be considered denied.

The Superintendent will notify the teacher and the Association President of the Stage 3 decision within five (5) school days of the receipt of the

Panel's recommendations.
If the teacher is not satisfied with the Stage 3 appeal decision, the teacher may appeal in writing to the Superintendent within ten (10) school days of the decision for a review. The Superintendent will then issue a final determination within five (5) school days of the receipt of the teacher's review request.
J. If at any stage of the appeals process, where the rating is being appealed, a decision is made in favor of the teacher, the decision must include a recalculation of the rating consistent with the decision.
K. The parties agree that the APPR process, its documentary and other evidence, and appeal record are to be accorded confidentiality. In the event of an inquiry regarding any teacher, the only information to be provided is the appeal-outcome rating.
L. Determinations under this appeal process shall not be the subject of a grievance or submitted to arbitration under the parties' collective bargaining agreement by an individual teacher. This appeals process is the process for an individual teacher to claim procedural and substantive challenges to the annual APPR rating/TIP. However, the teacher retains any defenses he or she may have in the event the APPR or TIP is utilized in a subsequent 3020-a and 3020-b proceeding. Nothing in this appeals process shall be construed to alter or diminish the authority of the governing body of the district to grant or deny tenure to or terminate probationary teachers during the pendency of an appeal for statutorily and constitutionally permissible reasons, including the teacher's performance that is the subject of the appeal.

6.5) Assurance: Evaluators

Please check the box below.

☑ The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
2) the process for the certification and re-certification of lead evaluators;
3) the process for ensuring inter-rater reliability; and
4) the nature (content) and the duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

The District will ensure that all Lead Evaluators/Evaluators/Independent Evaluators are properly trained and certified to complete an individual's performance review. The training will be provided by Questar III, CASDA or an appropriately certified provider.
The Board of Education will certify evaluators, lead evaluators and independent evaluators upon receipt of proper documentation that the individual has fully completed training by an appropriately qualified facilitator.
Evaluators, Lead Evaluators and Independent Evaluators will be re-certified on an annual basis, certified by the Board of Education. The District will maintain a process for inter-rater reliability in accordance with NYSED guidance's and protocols recommended in training for evaluators, lead evaluators and independent evaluators. These protocols include but are not limited to: data analysis; periodic comparisons of assessments; and calibration sessions across evaluators. The training for Evaluators, Lead Evaluators and Independent Evaluators will include but not limited to the elements consistent with the requirements of Regents Rules 30-3.10 for a minimum of eight (8) hours a year.

6.7) Assurances: Teacher Evaluation

Please check all of the boxes below.

- ☑ Assure that the district/BOCES shall compute and provide to the teacher their score and rating for the Student Performance category, if available, and for the Teacher Observation category for the teacher's Annual Professional Performance Review, in writing, no later than the last school day of the school year for which the teacher is being measured, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- ☑ Assure that the evaluation system will be used as a significant factor for employment decisions.
- ☑ Assure that teachers will receive timely and constructive feedback as part of the evaluation process.
- ☑ Assure that the following prohibited elements listed in Education Law §3012-d(6) are not being used as part of any teacher's evaluation: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of teacher effectiveness; any district or regionally-developed assessment that has not been approved by the Department; and any growth or achievement target that does not meet the minimum standards as set forth in regulations of the Commissioner. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- ☑ Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall compute and provide teachers whose Student Performance Category measures are based, in whole or in part, on the grades 3-8 ELA/math State assessments and/or State-provided growth scores with their APPR transition scores and ratings as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- ☑ Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall provide such teachers with their original composite rating by September 1 of the school year next following the school year for which the teacher's performance is being measured, or as soon as practicable thereafter.

6.8) Assurances: Assessments

Please check all of the boxes below.

- ☑ Assure that, where applicable, if students in Common Core courses are taking both the 2005 Learning Standards and Common Core versions of the Regents Assessment, then the district/BOCES will use the higher of the two scores to determine whether a student has met his/her growth target.
- ☑ Assure that the amount of time devoted to traditional standardized assessments that are not specifically required by state or federal law for each classroom or program within a grade level does not exceed, in the aggregate, one percent of the minimum required annual instructional hours for the grade.
- ☑ Assure that individuals with vested interest in the outcome of their assessments are not involved, to the extent practicable, in the administration and scoring of those assessments.
- ☑ Assure that, where applicable, if your district/BOCES has indicated that more than one version of a Regents assessment for a content area will be used as the underlying evidence for an SLO, that the district/BOCES will only administer both assessments within the timeframes prescribed by the Commissioner. Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

6.9) Assurances: Data

Please check all of the boxes below.

- ☑ Assure that SED will receive accurate teacher and student data, including enrollment and attendance data, and any other student, teacher, school, course, and teacher/student linkage data necessary to comply with regulations, in a format and timeline prescribed by the Commissioner.
- ☑ Assure that the district/BOCES provides an opportunity for every classroom teacher to verify the subjects and/or student rosters assigned to them.
- ☑ Assure scores and ratings for all teachers will be reported to NYSED for each category, as well as the overall rating, as per NYSED requirements.
- ☑ Assure that enrolled students in accordance with teacher of record policies are included and may not be excluded.
- ☑ Assure that procedures for ensuring data accuracy and integrity are being utilized.

Task 7) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

7.1) State-Provided Measures of Student Growth (Original)

For principals with at least 30% of their students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model. Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments with a State-provided growth measure, (e.g., K-5, PK-6, 6-8, 6-12, 9-12, etc.). For principals where less than 30% of their students are covered under a State-provided growth measure, such principals shall have an SLO consistent with a goal setting process determined or developed by the Commissioner that results in a student growth score; provided that for any grade-level/course that ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO. (See Guidance for more detail on principals with State-provided measures and SLOs.)

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal.

Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, PK-6, 6- 8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for the back-up SLO beginning in the 2019-20 school year.

For each grade configuration indicate the following:

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: assessment(s) used**

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) assessment(s)
Grades K-6 Building	K	6	NYS Grade 4 ELA, NYS Grade 5 ELA, NYS Grade 6 ELA, NYS Grade 4 Math, NYS Grade 5 Math, NYS Grade 6 Math
Grades 7-12 Building	7	12	All applicable Regents assessments which are used to generate the principal's State-provided growth score

Using the table below, please select the assessment(s) that will be used for the back-up SLOs beginning in the 2019-20 school year for each grade configuration listed. The SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

Grade From	Grade To	State or Regents Assessment(s)
K	5	☑ Grade 4 ELA ☑ Grade 5 ELA ☑ Grade 4 Math ☑ Grade 5 Math
6	8	☑ Grade 6 ELA ☑ Grade 7 ELA ☑ Grade 8 ELA ☑ Grade 6 Math ☑ Grade 7 Math ☑ Grade 8 Math
9	12	☑ All applicable Regents assessments which are used to generate the principal's State-provided growth score

- ☑ Assure that the growth score provided by NYSED will be used, where required.
- ☑ Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all principals who receive a State-provided growth score in the event that a State-provided growth score cannot be generated for that principal.
- ☑ Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

7.3) HEDI Scoring Bands

Highly Effective			Effective			Developing		Ineffective											
20	19	18	17	16	15	14	13	12	11	10	9	8	7	6	5	4	3	2	1	0
97-100%	93-96%	90-92%	85-89%	80-84%	75-79%	67-74%	60-66%	55-59%	49-54%	44-48%	39-43%	34-38%	29-33%	25-28%	21-24%	17-20%	13-16%	9-12%	5-8%	0-4%

7.4) Principals with More Than One Growth Measure (Original)

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO Guidance: https://www.engageny.org/resource/appr-3012-d.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

7.5) Assurances

Please check all of the boxes below.

- ☑ Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- ☑ Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- ☑ Assure that all growth targets are approved by the superintendent or another trained administrator.
- ☑ Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- ☑ Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- ☑ Assure that processes are in place for the superintendent to monitor SLOs.
- ☑ Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

7.6) Student Performance Subcomponent Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Task 7) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

For guidance on the use of alternate SLOs during the transition period, see: https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

For each grade configuration indicate the following:

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: measure used**
- **Column 4: assessment(s) used**

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) measure	(4) assessment(s)
Grades K-2 Building	K	2	District- or BOCES-wide results	Common Core English, Common Core Algebra, Living Environment, Global 2, US History
Grades 11-12 Building	11	12	Principal-specific results	Common Core English, US History

Using the table below, please select the assessment(s) that will be used for the alternate SLOs during the 2016-17 through 2018-19 school years for each grade configuration listed. In all other school years, the SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

(A) a second State-provided growth score on a State-created or administered test, provided that a different measure is used than that for the Required subcomponent in the Student Performance category, or

(B) a growth score based on a State-designed supplemental assessment, calculated using a State-provided or approved growth model.

8.1) Use of the Optional Subcomponent for Student Performance Measures

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

- ☑ Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

9.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

All observable components will be weighted equally and averaged.

9.4) Calculating School Visit Ratings

Assurances

Please check the boxes below.

- ☑ Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- ☑ Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- ☑ Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second school visit(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the school visit(s) required to be performed by the Superintendent/supervisor or his/her designee. See Section 30-3.5(d)(1)(ii)(a) of the Rules of the Board of Regents.
- ☑ Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 9 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.5(d)(1)(ii)(b) of the Rules of the Board of Regents.

11.3) Assurance: Appeals

Please check the box below.

- ☑ Assure the district/BOCES has collectively bargained appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.

11.4) Appeals

Pursuant to Education Law §3012-d, a principal may only challenge the following in an appeal to their district/BOCES:

(1) the substance of the annual professional performance review; which shall include the following:

(i) in the instance of a principal rated Ineffective on the student performance category, but rated Highly Effective on the school visit category based on an anomaly, as determined locally;

(2) the school district's/BOCES' adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d; and

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

"APPR" and "evaluation" are used interchangeably herein.

Eligibility to appeal

Only principals who receive a rating of "ineffective" or "developing" on their APPR rating may appeal their APPR rating through the procedure herein. Ratings of "effective" and "highly effective" may not be appealed unless in the future these categories are connected to additional compensation. Any change in eligibility to appeal would have to be both agreed to by the parties and approved by the Commissioner as part of a material change request.

Those eligible for an appeal shall simply be referred to as "principal" below.

Timeframe for filing an appeal

All appeals shall be filed in writing. A principal has fifteen (15) school days from receipt of his or her rating (final evaluation) to submit a written appeal setting forth any and all objections to the APPR. The act of mailing the appeal shall constitute filing. Failure to file an appeal within these timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned. An extension of the time in which to appeal may be granted by the Superintendent upon written request. Any extension would in all cases, remain timely and expeditious in accordance with Education Law 3012-d.

An issuance of a PIP may be appealed within fifteen (15) school days of the principal's receipt of the PIP. The implementation of a PIP may be appealed within fifteen (15) school days of an alleged breach of the implementation of the PIP by the district.

Substance of an appeal

Pursuant to Education Law Section 3012-d, a principal may only challenge the following in an appeal:

1. the substance of the annual professional performance review, which includes receiving a rating of Ineffective in the student performance component and a rating of Highly Effective in the school visit category based on an anomaly, as determined locally;
2. the District's adherence to the standards and methodologies required for such reviews, pursuant to Education Law Section 3012-d;
3. the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures; or
4. the District's issuance and/or implementation of the terms of the principal improvement plan, as required under Education Law Section 3012-d.

The written appeal document prepared by the principal must clearly identify the grounds for appeal, and shall explain, in detail, why and how the APPR should be modified. Supportive evidence about the challenges may also be submitted with the appeal. Any additional documents or materials relevant to the appeal must be provided by the district upon written request from the principal for said items. The burden of proving a violation shall be on the principal.

The principal will initiate his/her appeal in writing by submitting a letter of appeal and a copy of the APPR evaluation and Principal Improvement Plan, if applicable, to the Superintendent of Schools. It is recommended that the principal filing the appeal also notify the Association President of the appeal.

The Superintendent will inform the Association President that the principal has initiated the appeals process.

Submission and response requirements

Within ten (10) school days of receipt of the appeal from the evaluated principal, the Superintendent will provide a copy of the appeal and the evaluation to the evaluating administrator, if not the Superintendent, and to the Association President. The Superintendent will provide a copy of the appeal and the evaluation to the APPR Appeals Committee described below within one school day of its being convened. The Superintendent or, if another administrator prepared the APPR, the evaluating administrator shall provide a written response to the appeal. The response shall include any additional documents and/or written materials relevant to and/or supporting the district's response to relevant issues raised by the appealing principal. The written response must be submitted to the appealing principal and Association President within twenty (20) school days of receipt of the written appeal. The written response must be submitted to the APPR Appeals Committee described below, for consideration within five (5) school days of its submission. Taken together such documents comprise the record on appeal.

DECISION PROCESS FOR APPEAL

APPR Appeal Committee

Appeals shall be referred for consideration to an APPR Appeal Committee ("Committee"). Within five (5) school days of receipt of the district's response, the committee of three (3) reviewers shall be chosen. All members of the Committee must be or have been a certified school administrator. The President of the Association shall select one committee member; the Superintendent shall select one committee member, and they shall mutually agree on the third member. Neither the principal appealing his/her APPR rating nor the Superintendent, if the Superintendent is the evaluator, may serve on the Committee. If the Superintendent and Association President cannot come to an agreement on a third member within five (5) school days of receipt of District's Response the District Superintendent, or his/her designee, for Questar III BOCES shall be the third member.

The parties agree that:

a. The hearing panel shall hear appeals in a timely manner after the appeal is made, but in no event shall it be less than five (5) business days or more than fifteen (15) school days after the panel is selected.

b. The hearing shall be conducted in no more than one day unless extenuating circumstances cause both parties to agree to a second day.
c. The parties shall have the ability to be represented by either legal counsel, union representative, or appear pro se.
d. The parties shall exchange an anticipated witness list and have all evidence no less than two (2) business days before the scheduled hearing date.
e. Additional material supporting the challenges may be submitted by the principal up to one (1) days before the hearing.
f. The principal shall have the opportunity to present his/her case, demonstrating a clear legal right to the relief requested and establishing the facts upon which they seek relief and then the district may present evidence supporting the APPR rating awarded. These presentations may include the presentation of material, witnesses and/or affidavits in lieu of testimony. The substance of these presentation shall be limited to issues and facts raised in the appeal and response documents.
g. All Committee deliberations will be conducted confidentially and privately.
DECISION
A written decision on the merits of the appeal shall be rendered no later than ten (10) school days from the close of the hearing. Such decision shall be final and binding. The decision shall set forth the reasons and factual basis for the determination on each of the specific issues raised in the appeal. The panel must reach consensus and either, affirm, set aside, or modify a district's rating or improvement plan. If the panel does not reach consensus, the principal may appeal in writing to the Superintendent within ten (10) school days of the decision of the review. When the advisory opinions of the Panel members differ on the outcome of the appeal, the Superintendent will follow the Panel's majority recommendation. If no majority recommendation exists, the appeal shall be considered denied. The Superintendent will notify the principal and the Association president of the final determination within five (5) school days of the receipt of the principal's review request. A copy of the decision shall be provided to the principal and the district representative.
A copy of the written determination and record on appeal shall be placed in the principal's personnel file.

11.5) Assurance: Evaluators

Please check the box below.

☑ The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a principal's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

11.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
2) the process for the certification and re-certification of lead evaluators;
3) the process for ensuring inter-rater reliability; and
4) the nature (content) and the duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

The District will ensure that all Lead Evaluators/Evaluators/Independent Evaluators are properly trained and certified to complete an individual's performance review. The training will be provided by Questar III, CASDA or an appropriately certified provider.
The Board of Education will certify evaluators, lead evaluators and independent evaluators upon receipt of proper documentation that the individual has fully completed training by an appropriately qualified facilitator.
Evaluators, Lead Evaluators and Independent Evaluators will be re-certified on an annual basis, certified by the Board of Education. The District will maintain a process for inter-rater reliability in accordance with NYSED guidance's and protocols recommended in training for evaluators, lead evaluators and independent evaluators. These protocols include but are not limited to: data analysis; periodic comparisons of assessments; and calibration sessions across evaluators. The training for Evaluators, Lead Evaluators and Independent Evaluators will include but not limited to the elements consistent with the requirements of Regents Rules 30-3.10 for a minimum of eight (8) hours a year.

11.7) Assurances: Principal Evaluation
