James J. Austin, Superintendent  
Lyncourt Union Free School District  
2707 Court St.  
Syracuse, NY 13208

Dear Superintendent Austin:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

*Shannon L. Tahoe*

Shannon L. Tahoe  
Interim Commissioner

**Disclaimers**

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance.

The Department will review the contents of each local educational agency's (LEA) Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in an LEA's plan.

The Department reserves the right to request further information from an LEA to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Each LEA is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of an LEA's plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the LEA are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the LEA, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject or disapprove this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

**APPR Assurances****Please check all of the boxes below**

**Required Student Performance Subcomponent**

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

*100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.***Each teacher shall have a Student Learning Objective (SLO) locally determined, consistent with the goal-setting process determined by the Commissioner.****Student Learning Objectives (SLOs)**

For guidance on SLOs, see NYSED SLO Guidance.

**SLOs shall be used for the required student performance measure for all teachers. The following must be used as the evidence of student learning within the SLO.****MEASURES***SLO measures may be either individually attributed or collectively attributed.**Individually attributed measures*

An individually attributed SLO is based on the student population of a course for which the teacher directly contributes to student learning outcomes.

> Teacher and course-specific

- **Teacher and course-specific results:** scores and ratings will be based on the growth of students in the teacher's course in the current school year.

*Collectively attributed measures*

A collectively attributed SLO is based on a student population across multiple sections of the same course or across multiple courses where more than one teacher either directly or indirectly contributes to student learning outcomes. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where teachers have an opportunity to collectively impact student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> School- or program-wide

- **School- or program-wide results:** scores and ratings will be based on the growth of all students in a school or program who take the applicable assessments in the current school year.
- **School- or program-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses in the current school year.
- **School- or program-wide linked results:** scores and ratings will be based on the growth of students enrolled in the teacher's course in the current school year taking assessments in other grades/subjects.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses across buildings/programs in an LEA in the current school year.

**ASSESSMENTS***Any of the measures above may be used with one or more of the following assessment types.*

**SLO Assurances**

Please check the boxes below.

- Assure that the teacher has an SLO as determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- Assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- Assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- Assure that if a teacher's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.
- Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.

**Optional Student Performance Subcomponent**

For guidance on the Optional subcomponent of the Student Performance measure, see NYSED APPR Guidance.

*Percentage of Student Performance category to be locally determined if selected.*

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the LEA and be a locally selected measure of student growth or achievement based on State-created or -administered assessments or State-designed supplemental assessments.

Options for measures and associated assessments include:

- **Option (A)** A second SLO, provided that this SLO is different than that used in the required subcomponent;
- **Option (B)** A growth score based on a statistical growth model, where available, for either State-created or -administered assessments or State-designed supplemental assessments;
- **Option (C)** A measure of student growth, other than an SLO, based on State-created or -administered assessments or State-designed supplemental assessments;
- **Option (D)** A performance index based on State-created or -administered assessments or State-designed supplemental assessments;
- **Option (E)** An achievement benchmark on State-created or -administered assessments or State-designed supplemental assessments; or
- Any other collectively bargained measure of student growth or achievement included in the LEA's evaluation plan.

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

NO, the Optional subcomponent WILL NOT be used in the Student Performance category for any teacher.

**Annual Professional Performance Review - Education Law &sect;3012-d, amended in 2019****Task 4. TEACHERS: Observations - Rubric and Scoring**

Page Last Modified: 02/24/2020

**Teacher Observation Category**

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

**Teacher Practice Rubric**

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching (2013 Revised Edition)	(No Response)

**Rubric Assurances**

Please check all of the boxes below.

- Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the LEA, provided that LEAs may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year as indicated in the table above.
- Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

**Process for Weighting Rubric Domains/Subcomponents**

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., Domains 1 and 2 will be weighted 30% each and Domains 3 and 4 will be weighted 20% each).

All observable components will be weighted equally and averaged.

**Scoring Assurances**

Please check each of the boxes below.

- Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

**Teacher Observation Scoring Bands**

The overall Observation score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

**Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious manner.**

The following procedure is the exclusive means for initiating, reviewing and resolving any and all challenges and appeals related to a teacher's performance review and/or improvement plan.

A teacher who receives an effectiveness overall score rating of "ineffective" or "developing" may appeal his or her performance review. Ratings of "highly effective" or "effective" cannot be appealed.

The scope of appeals under Education law 3012- d shall be limited to the following subjects:

1. The school district's adherence to the standards and methodologies required for such reviews, pursuant to Education Law 3012- d;
2. The adherence to the Commissioner's regulations, as applicable to such review;
3. Compliance with any applicable locally negotiated procedures applicable to annual professional performance reviews or improvement plans; and
4. The school district's issuance and/or implementation of the terms of the teacher improvement plan under Education law 3012- d.
5. The substance/rating of the Annual Professional Performance Review which may include, but not be limited to, the instance of a teacher rated Ineffective on the Student Performance Category but rated Highly Effective on the Observation Category based on an anomaly that the Review Panel determines resulted in an inaccurate rating for the teacher.

A teacher may not file multiple appeals regarding the same performance review or teacher improvement plan. All grounds for appealing a particular performance review must be raised within the same appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

All appeals must be submitted in writing no later than fifteen (15) calendar days of the date when the teacher receives his/her annual professional performance review. If a teacher is challenging the issuance of an improvement plan, appeals must be filed within fifteen (15) days of the issuance of such plan. The failure to file an appeal within these timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned. If a teacher is challenging the implementation of an improvement plan, the appeal must be filed within fifteen (15) calendar days of the completion of the improvement plan.

A teacher wishing to initiate an appeal must submit, in writing, to the Superintendent a detailed description of the precise point(s) of disagreement over his or her performance review, along with any and all additional documents or written materials that he or she believes are relevant to the resolution of the appeal. Any such additional information not submitted at the time the appeal is filed shall not be considered in the deliberations related to the resolution of the appeal.

Under this appeals process the teacher bears the burden of proving by substantial evidence the merits of his or her appeal.

After receiving an appeal, the Superintendent, working with the Lyncourt Teachers Association President will convene a three person review panel comprised of the Superintendent or other district lead evaluator, the LTA President or designee, and one other person mutually agreed upon by the Superintendent and LTA President within fifteen (15) calendar days of the receipt of the appeal. Any district lead evaluator sitting on the review panel must be a neutral administrator and shall not have been involved in the evaluation process of the teacher filing the appeal.

The panel shall issue a written decision on the merits of the appeal no later than thirty (30) calendar days from the date when the teacher filed his or her appeal. The decision of the panel shall be final and an appeal shall be deemed completed upon the issuance of that decision. The decision of the panel shall not be subject to any further appeal. All information presented and discussed through the appeals process is to remain confidential among the review panel and the teacher involved with the appeal.

The decision shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the teacher's appeal. If the appeal is sustained, the review panel may set aside a rating if it has been affected by substantial error or defect, modify a rating if it is affected by substantial error or defect if procedures have been violated. A copy of the decision shall be provided to the teacher and the evaluator(s) or the person(s) responsible for either issuing or implementing the terms of an improvement plan, if that person is different.

**Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**

The Board of Education will ensure that all evaluators, including independent evaluators have been trained and that all lead evaluators have been trained and certified in accordance with regulation. The district will utilize the OCM BOCES Instructional Support Services evaluator, independent evaluator/ lead evaluator training. Training will include: Upon completion of the initial year-long training of 28 hours for evaluators, independent evaluators/lead evaluators, administrators will be certified as lead evaluators by the OCM BOCES Instructional Support Services. Annual retraining for all evaluators is 9 hours per year. Administrators responsible for teacher evaluation will continue training on an annual basis through participation in the annual follow-up training for evaluators, independent evaluators/lead evaluators provided by OCM BOCES Instructional Support Services. This training along with the structured follow-up discussions with administrative staff will support the continued growth in understanding of the nine elements of performance review listed above.

(1) The New York State Teaching Standards and their related functions, as applicable

(2) Evidence-based observation techniques that are grounded in research

(3) Application and use of any methodology as part of an SLO and any optional second measures of student performance used by the LEA to evaluate its teachers

(4) Application and use of the State-approved teacher rubric(s) selected by the LEA for use in evaluations, including training on the effective application of such rubrics to observe a teacher's practice

(5) Application and use of any assessment tools that the LEA utilizes to evaluate its building teachers

(6) Application and use of any locally selected measures of student growth used in the Optional subcomponent of the Student Performance category used by the LEA to evaluate its teachers

(7) Use of the Statewide Instructional Reporting System

(8) The scoring methodology utilized by the Department and/or the LEA to evaluate a teacher under this Subpart, including the weightings of each subcomponent within a category; how overall scores/ratings are generated for each subcomponent and category and application and use of the evaluation matrix(es) prescribed by the Commissioner for the four designated rating categories used for the teacher's overall rating and their category ratings

(9) Specific considerations in evaluating teachers of English language learners and students with disabilities

All evaluators who complete the annual follow-up training will be recertified as lead evaluators by the OCM BOCES Instructional Support Services. The Board of Education designates the superintendent to ensure that lead evaluators participate in the initial year-long training for lead evaluators and then participate in ongoing training on an annual basis for purposes of continued growth in understanding of the teacher performance evaluation process. OCM BOCES Instructional Support Services will be utilized to provide the initial training as well as the ongoing annual training. The initial training for evaluators, independent evaluators/lead evaluators, the annual training, thereafter, for purposes of continued growth, along with the structured follow-up discussions with administrative staff on a quarterly basis will maintain inter-rater reliability of evaluators over time.

**Required Student Performance Subcomponent**

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

*100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.*

**Required Student Performance Measures**

**Student performance for principals may be measured by either a student learning objectives (SLO) or an Input Model where the principal's overall rating shall be determined based on evidence of principal practice that promotes student growth related to the Leadership Standards.**

**STUDENT LEARNING OBJECTIVES**

For guidance on SLOs, see NYSED SLO Guidance.

*SLO measures may be either individually attributed or collectively attributed.*

*Individually attributed measures*

An individually attributed SLO is based on the learning outcomes of a student population within the principal's building or program.

> Principal and building/program-specific

- **Principal and building/program-specific results:** scores and ratings will be based on the growth of students in the principal's building/program in the current school year.

*Collectively attributed measures*

A collectively attributed SLO is based on a student population across multiple buildings/programs of similar grade configuration or across multiple building/programs where the learning activities of one building/program directly contribute to student learning outcomes in another building/program. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where there is an opportunity for a collective impact on student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of principals will be based on the growth of students in the group/team of principals' buildings/programs in an LEA in the current school year.

**ASSESSMENTS**

*Any of the measures above may be used with one or more of the following assessment types.*

- **State assessment(s);** or  
Assessment(s) that are selected from the list of State-approved:
- **third party assessments;** or
- **locally-developed assessments** (district-, BOCES- or regionally-developed).

**Assurances****Please check all of the boxes below.**

- Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.
- For principals evaluated using an SLO, assure that such SLO is determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- For principals evaluated using an SLO, assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- For principals evaluated using an SLO, assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- For principals evaluated using an SLO, assure that if the principal's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- For principals evaluated using an input model, assure that all applicable principals will be evaluated using the procedures described herein and approved by the Commissioner.
- Assure that processes are in place for the superintendent to monitor SLOs and input models.
- Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

**Principal School Visit Category**

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Principals' professional performance shall be evaluated based on a State-approved rubric using multiple sources of evidence collected and incorporated into the school visit protocol. Where appropriate, such evidence may be aligned to building or district goals; provided, however, that professional goal-setting may not be used as evidence of teacher or principal effectiveness. Such evidence shall reflect school leadership practice aligned to the Leadership Standards and selected practice rubric.

**Principal Practice Rubric**

**Rubric Assurances**

**Please check all of the boxes below.**

- Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the LEA, provided that LEAs may locally determine whether to use different rubrics for a principal assigned to different programs or grade configurations as indicated in the table above.
- Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

**Process for Weighting Rubric Domains/Subcomponents**

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

**Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., Domains 2 and 3 will be weighted 30% each and Domains 1, 4, 5 and 6 will be weighted 10% each).**

All observable components will be weighted equally and averaged.

**Scoring Assurances**

**Please check each of the boxes below.**

- Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all school visits, a score of 0 will be assigned.

**Principal School Visit Scoring Bands**

**Annual Professional Performance Review - Education Law &sect;3012-d, amended in 2019****Task 11. PRINCIPALS: Additional Requirements - Appeals**

---

Page Last Modified: 03/24/2020

**Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious manner.**

Appeals of annual professional performance reviews shall be limited to those that rate a principal as ineffective or developing only. What may be challenged in an appeal: The scope of appeals under Education law 3012-d shall be limited to the following subjects:

1. The school district's adherence to the standards and methodologies required for such reviews, pursuant to Education Law 3012-d;
2. The adherence to the Commissioner's regulations, as applicable to such review;
3. Compliance with any applicable locally negotiated procedures applicable to annual professional performance reviews or improvement plans; and
4. The school district's issuance and/or implementation of the terms of the principal improvement plan under Education law 3012-d.

Prohibition against more than one appeal: A principal may not file multiple appeals regarding the same performance review or improvement plan. All grounds for appeal must be raised with specificity within one appeal. Any grounds not raised at the time the appeal is filed shall be deemed null and void.

Burden of proof: In an appeal, the principal has the burden of demonstrating a clear and legal right to the relief requested and the burden of establishing the facts upon which petitioner seeks relief.

Timeframe for filing an appeal: All appeals must be submitted in writing no later than seven (7) calendar days of the date when the principal receives his/her annual professional performance review. If a principal is challenging the issuance of an improvement plan, appeals must be filed within seven (7) calendar days of the issuance of such plan. If a principal is challenging the implementation of an improvement plan, the appeal must be filed within seven (7) calendar days of the completion of the improvement plan. The failure to file an appeal within these timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned. Appeal process: When filing an appeal, the principal must submit a detailed written description of the specific areas of disagreement over his or her performance review, or the issuance and/or implementation of the terms of his or her improvement plan and any additional documents or materials relevant to the appeal. The performance review and/or improvement plan being challenged must also be submitted with the appeal. Any information not submitted at the time the appeal is filed shall not be considered. After receiving a principal appeal, the superintendent will convene a Review Team comprised of the superintendent or designee, the LA president or designee, another association member and another qualified administrator within seven (7) calendar days of the receipt of the appeal. In the event it is a principal making the appeal, a neutral administrator, selected through consultation with the BOCES District Superintendent, may be appointed to the Review Team at the request of either the evaluator or principal. The role of the review team will be to evaluate facts and evidence submitted by the principal.

The presence of the appellant and the evaluator(s) are requested on the day of the Review Team meeting. If the person making the appeal chooses not to be present, the appeal moves directly to the decision of the superintendent.

Results of the Review Team fact-finding are submitted to the superintendent or superintendent's designee within twenty-four (24) hours of the review team meeting. The superintendent or designee then has seven (7) calendar days to provide the principal with his/her decision.

Decision-maker on appeal: A decision shall be rendered by the superintendent of schools or the superintendent's designee within (7) calendar days except that an appeal may not be decided by the same individual who was responsible for making the final rating decision. In such case, the board of education shall appoint another person to decide the appeal, within 14 days of receipt of appeal.

Decision: A written decision based on the merits of the appeal shall be rendered by the superintendent or his/her designee no later than seven (7) calendar days after the Review Team submits its findings. The appeal shall be based on the written record, submitted to the Review Team, comprised of the principal's appeal papers and any documentary evidence accompanying the appeal, as well as the school district's response to the appeal and additional documentary evidence submitted with such papers to the Review Team. Such decision shall be final and binding and shall not be subject to further appeal under the collective bargaining agreement or in any administrative or judicial forum.

The decision shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the principal's appeal. A copy of the decision shall be provided to the principal and the evaluator or person responsible for either issuing or implementing the terms of an improvement plan, if that person is different.

Exclusivity of section 3012-d appeal procedure: The 3012-d appeal procedure shall constitute the exclusive means for initiating, reviewing and resolving any and all challenges and appeals related to a principal performance review and/or improvement plan. A principal may not resort to any other contractual grievance procedures, or to any other administrative or judicial forum, for the resolution of challenges and appeals related to a professional performance review and/or improvement plan.

Annual retraining for all evaluators is 9 hours per year. Administrators responsible for teacher/principal evaluation will continue training on an annual basis through participation in the annual follow-up training for evaluators, independent evaluators/lead evaluators provided by OCM BOCES Instructional Support Services. This training along with the structured follow-up discussions with administrative staff will support the continued growth in understanding of the nine elements of performance review listed above.

- (1) The Leadership Standards and their related functions, as applicable

  - (8) The scoring methodology utilized by the Department and/or the LEA to evaluate a principal under this Subpart, including the weightings of each subcomponent within a category; how overall scores/ratings are generated for each subcomponent and category and application and use of the evaluation matrix(es) prescribed by the Commissioner for the four designated rating categories used for the principal's overall rating and their category ratings
  - (9) Specific considerations in evaluating principals of English language learners and students with disabilities
- All evaluators who complete the annual follow-up training will be recertified as lead evaluators by the OCM BOCES Instructional Support Services. The Board of Education designates the superintendent to ensure that lead evaluators participate in the initial year-long training for lead evaluators and then participate in ongoing training on an annual basis for purposes of continued growth in understanding of the principal performance evaluation process. OCM BOCES Instructional Support Services will be utilized to provide the initial training as well as the ongoing annual training. The initial training for evaluators, independent evaluators/lead evaluators, the annual training, thereafter, for purposes of continued growth, along with the structured follow-up discussions with administrative staff on a quarterly basis will maintain inter-rater reliability of evaluators over time.
