William J. Hecht, Superintendent
Orange-Ulster BOCES
53 Gibson Road
Goshen, NY 10924

Dear Superintendent Hecht:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

Betty A. Rosa
Commissioner

## Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance.

The Department will review the contents of each local educational agency's (LEA) Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in an LEA's plan.

The Department reserves the right to request further information from an LEA to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Each LEA is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of an LEA's plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the LEA are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the LEA, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject or disapprove this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

## Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

***100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.***

**Each teacher shall have a Student Learning Objective (SLO) locally determined, consistent with the goal-setting process determined by the Commissioner.**

## Student Learning Objectives (SLOs)

For guidance on SLOs, see NYSED SLO Guidance.

**SLOs shall be used for the required student performance measure for all teachers. The following must be used as the evidence of student learning within the SLO.**

**MEASURES**

*SLO measures may be either individually attributed or collectively attributed.*

*Individually attributed measures*

An individually attributed SLO is based on the student population of a course for which the teacher directly contributes to student learning outcomes.

> Teacher and course-specific

- **Teacher and course-specific results**: scores and ratings will be based on the growth of students in the teacher's course in the current school year.

*Collectively attributed measures*

A collectively attributed SLO is based on a student population across multiple sections of the same course or across multiple courses where more than one teacher either directly or indirectly contributes to student learning outcomes. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where teachers have an opportunity to collectively impact student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> School- or program-wide

- **School- or program-wide results**: scores and ratings will be based on the growth of all students in a school or program who take the applicable assessments in the current school year.
- **School- or program-wide group or team results**: scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses in the current school year.
- **School- or program-wide linked results**: scores and ratings will be based on the growth of students enrolled in the teacher's course in the current school year taking assessments in other grades/subjects.

> District- or BOCES-wide

- **District- or BOCES-wide results**: scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results**: scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses across buildings/programs in an LEA in the current school year.

**ASSESSMENTS**

*Any of the measures above may be used with one or more of the following assessment types.*

Page Last Modified: 02/26/2020

- **State assessment(s)**; or

  Assessment(s) that are selected from the list of State-approved:

- **third party assessments**; or
- **locally-developed assessments** (district-, BOCES- or regionally-developed).

### SLO Assurances

**Please check the boxes below.**

- ☑ Assure that the teacher has an SLO as determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- ☑ Assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☑ Assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- ☑ Assure that if a teacher's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- ☑ Assure that processes are in place for the superintendent to monitor SLOs.
- ☑ Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.
- ☑ Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.

Page Last Modified: 09/29/2020

## Optional Student Performance Subcomponent

For guidance on the Optional subcomponent of the Student Performance measure, see NYSED APPR Guidance.

***Percentage of Student Performance category to be locally determined if selected.***

**Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the LEA and be a locally selected measure of student growth or achievement based on State-created or -administered assessments or State-designed supplemental assessments.**

**Options for measures and associated assessments include:**

- **Option (A) A second SLO, provided that this SLO is different than that used in the required subcomponent;**
- **Option (B) A growth score based on a statistical growth model, where available, for either State-created or -administered assessments or State-designed supplemental assessments;**
- **Option (C) A measure of student growth, other than an SLO, based on State-created or -administered assessments or State-designed supplemental assessments;**

## Teacher Observation Category

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

## Teacher Practice Rubric

**Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.**

| Rubric Name | **If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.** |
|---|---|
| Marshall's Teacher Evaluation Rubric (2012 Revised Edition) | N/A |

## Rubric Assurances

**Please check all of the boxes below.**

- ☑ Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- ☑ Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☑ Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the LEA, provided that LEAs may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year as indicated in the table above.
- ☑ Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

## Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

**Please describe the process for rating and scoring the selected practice rubric consistent with the Department's regulations.**

**Your description should provide the complete process, including the following:**

- **The process for designating observable components (please note: all educators of the same grade/subject must be evaluated based on the same set of observable components);**
- **The level at which components of the chosen rubric are rated (i.e., domain, subdomain, indicator, etc.);**
- **How the final score and rating for each observable component of the practice rubric is determined for each observer; and**
- **How the final score for the required (i.e., lead evaluator/evaluator; independent evaluator) and/or optional (peer observer, as applicable) subcomponent of the Observation category is determined based on the final score and rating for each observable component.**

**Example: All subcomponents of Domains 2-4 of the Danielson rubric have been negotiated as observable. Domains 2 and 3 are weighted as 40% each, and Domain 4 is weighted as 20%. For each observation, all observed subcomponents in a domain are weighted equally and averaged to create a domain score, which is then weighted as above and averaged to reach a final score for each observation. Scores for each observation are weighted equally and averaged to reach a final score for each observation type. The district will ensure that all subcomponents designated as observable will be observed at least once across the observation cycle.**

All domains of the Marshall Rubric have been negotiated as observable. All observations are rated at the domain level but not scored. The evaluator will look at all ratings from previous observations in order to holistically determine a final score on the summative form. Each domain must have a minimum of six subcomponents rated in each observation. All domains will be weighted equally and averaged. The BOCES will ensure that all domains are observed and rated across the observations cycle.

## Scoring Assurances

Page Last Modified: 05/05/2021

**Please check each of the boxes below.**

- ☑ Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- ☑ Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

### Teacher Observation Scoring Bands

The overall Observation score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

| | **Overall Observation Category Score and Rating** | |
|---|---|---|
| | Minimum | Maximum |
| **H** | 3.5 to 3.75 | 4.0 |
| **E** | 2.5 to 2.75 | 3.49 to 3.74 |
| **D** | 1.5 to 1.75 | 2.49 to 2.74 |
| **I** | 0.00* | 1.49 to 1.74 |

** In the event that an educator earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.*

**HEDI Ranges**

**Using the dropdown menus below, please indicate the locally-determined rubric scoring ranges based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents for each of the rating categories.**

## Observation Assurances

**Please check all of the boxes below.**

- ☑ Assure that the following elements will not be used in calculating a teacher's Observation category score and rating: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; and/or use of professional goal-setting as evidence of teacher effectiveness. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.

See Section 30-3.4(c)(1)(ii)(a) of the Rules of the Board of Regents.
- ☑ Assure that if the LEA is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the LEA's approved Section 3012-d APPR plan, the provisions of the approved waiver will apply. - ☑ Assure that the LEA will formulate and commence implementation of a Teacher Improvement Plan (TIP) for all teachers who receive an overall rating of Developing or Ineffective by October 1 following the school year for which such teacher's performance is being measured or as soon as practicable thereafter.
- ☑ Assure that TIP plans developed and implemented by the superintendent or his/her designee, in the exercise of their pedagogical judgment, and subject to collective bargaining to the extent required under article 14 of the Civil Service Law, shall include: identification of needed areas of improvement, a timeline for achieving improvement, the manner in which the improvement will be assessed, and, where appropriate, differentiated activities to support a teacher's improvement in those areas.

## Teacher Improvement Plan Forms

All TIP plans developed and implemented by the superintendent or his/her designee, in the exercise of his/her pedagogical judgment, must include:

1) identification of needed areas of improvement;
2) a timeline for achieving improvement;

## Appeal Assurance

**Please check the box below.**

☑ Assure the LEA has collectively bargained appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.

## Appeals

Pursuant to Education Law §3012-d, a teacher may only challenge the following in an appeal to their LEA:

(1) the substance of the annual professional performance review; which shall include the following:

(i) in the instance of a teacher rated Ineffective on the Student Performance category, but rated Highly Effective on the Observation category based on an anomaly, as determined locally;

(2) the LEA's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d;

(3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents; and

(4) the LEA's issuance and/or implementation of the terms of the teacher improvement plan, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

**Describe the procedure for ensuring that appeals of annual performance evaluations will be resolved in a timely and expeditious manner.**

**Appeal Process**

A. A teacher who receives an ineffective rating on their APPR shall be entitled to appeal their annual APPR rating, based upon a paper submission (including email) to the Central Office Administrative Designee of the Superintendent of Schools/Chief Operating Officer, who shall be trained in accordance with the requirements of statute and regulations and also possesses either an SDA or SDL Certification.

B. The appeal must be brought in writing, specifying the area(s) of concern, but limited to those matters that may be appealed as prescribed in §3012-d of the Education Law. Further, a teacher with an ineffective rating, who is placed on a Teacher Improvement Plan (TIP) shall have a corresponding right to appeal concerns regarding the TIP in accordance with the requirements set forth in 3012-d of the Education Law.

C. For a tenured or probationary teacher, an appeal of an evaluation or a TIP must be commenced within seven (7) school days of the presentation of the document to the teacher or else the right to appeal shall be deemed waived in all regards.

D. The Superintendent's/Chief Operating Officer's Administrative Designee shall respond to the appeal with a written answer granting the appeal and directing further administrative action or deny the appeal. Such decision shall be made within seven (7) school days of the receipt of the appeal. In the event that the teacher is unsatisfied with the result of the appeal, a further appeal may be taken to the Superintendent of Schools/Chief Operating Officer or if this is a second appeal (two consecutive, ineffective ratings on their APPR), for a Tenured Teacher, to an Arbitration Panel referenced in F, within seven (7) school days of receipt of the Superintendent's/Chief Operating Officer's Designee's decision upon the appeal.

E. The Superintendent of Schools/Chief Operating Officer shall make his or her decision in writing regarding the further appeal within seven (7) school days of receipt of that appeal. The decision of the Superintendent of Schools/Chief Operating Officer shall be final and binding in all regards and shall not be subject to review at arbitration before any administrative agency or in any court of law.

F. Notwithstanding the above, in the event that a tenured teacher has received two consecutive ineffective APPR evaluation ratings, the second tier appeal shall be to an Arbitrator. Said appeal shall be filed within seven (7) school days of receipt of the findings of the initial appeal. Arbitrators will be selected on a rotating basis from an approved list, based on order and reasonable timeframe of availability. The selected Arbitrator shall make a final and binding decision upon the appeal of the APPR evaluation and/or the Teacher Improvement Plan on an expedited basis not to exceed sixty days (60) from the date the appeal was received. The documentation to be furnished to the Arbitrator on behalf of the tenured teacher and by the district shall be exchanged between the tenured teacher and the administration on an immediate basis at the time of submission to the Arbitrator. In the event that either party has a question regarding the authenticity of such documentation, the same shall be presented in writing immediately to the Arbitrator and copied to the other party for the Arbitrator's review and consideration.

G. The provisions set forth above, shall neither be construed to alter or affect the rights of probationary teachers pursuant to §3031 of the New York State Education Law.

## Training Assurance

**Please check the box below.**

☑ The LEA assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

## Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
2) the process for the certification and re-certification of lead evaluators;
3) the process for ensuring inter-rater reliability; and
4) the nature (content) and the approximate duration (how many hours, days) of such training.

**Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**

Orange-Ulster BOCES will ensure that all Evaluators/Lead Evaluators and Independent Evaluators are properly trained, certified and re-certified in accordance with requirement §3012-d.
Training of all evaluators will be conducted by Orange-Ulster Professional Development Specialists. New evaluators will attend a nine hour initial certification training which includes in-person and independent review of teacher practice videos for inter-rater reliability. Evaluators will reveiw multiple classroom observations videos and score them based on the teachers lesson delivery, instructional materials/tools used and student data analysis from lesson against the rubric. Through practice, the evaluators will demonstrate the ability to agree and assign the same rating for each teacher reviewed.
Administrative teams will participate in a three hour re-certification course, every three years, that includes in-person and independent review of teacher practice videos for inter-rater reliability. All administrators are certified as Lead Evaluators and certified by the Assistant Superintendent. Additional training is provided on My Learning Plan, our electronic platform for professional development, on the Marshall Rubric and best practices conducting observations. Training for all evaluators will include the nine criteria for evaluators in accordance with the requirements of Regents 30-3.10. Orange-Ulster BOCES will not use peer observations.

## Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

***100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.***

## Required Student Performance Measures

**Student performance for prinicpals may be measured by either a student learning objectives (SLO) or an Input Model where the principal's overall rating shall be determined based on evidence of principal practice that promotes student growth related to the Leadership Standards.**

**STUDENT LEARNING OBJECTIVES**

For guidance on SLOs, see NYSED SLO Guidance.

*SLO measures may be either individually attributed or collectively attributed.*

*Individually attributed measures*

An individually attributed SLO is based on the learning outcomes of a student population within the principal's building or program.

> Principal and building/program-specific

- **Principal and building/program-specific results**: scores and ratings will be based on the growth of students in the principal's building/program in the current school year.

*Collectively attributed measures*

A collectively attributed SLO is based on a student population across multiple buildings/programs of similar grade configuration or across multiple building/programs where the learning activities of one building/program indirectly contribute to student learning outcomes in another building/program. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where there is an opportunity for a collective impact on student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> District- or BOCES-wide

- **District- or BOCES-wide results**: scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results**: scores and ratings for a group or team of principals will be based on the growth of students in the group/team of principals' buildings/programs in an LEA in the current school year.

**ASSESSMENTS**

*Any of the measures above may be used with one or more of the following assessment types.*

- **State assessment(s)**; or

  Assessment(s) that are selected from the list of State-approved:

- **third party assessments**; or
- **locally-developed assessments** (district-, BOCES- or regionally-developed).

**INPUT MODEL**

*Selection of the Input Model will require:*

- a description of the areas of principal practice that will be evaluated;
- a description of how the selected areas of principal practice promote student growth;
- a description of the evidence of student growth and principal practice that will be collected; and
- a description of how the district will use the evidence to differentiate effectiveness resulting in a score from 0 to 20 and ratings of Highly Effective, Effective, Developing, or Ineffective.

## Assurances

**Please check all of the boxes below.**

- ☑ Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.
- ☑ For principals evaluated using an SLO, assure that such SLO is determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- ☑ For principals evaluated using an SLO, assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☑ For principals evaluated using an SLO, assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- ☑ For principals evaluated using an SLO, assure that if the principal's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- ☑ For principals evaluated using an input model, assure that all applicable principals will be evaluated using the procedures described herein and approved by the Commissioner.
- ☑ Assure that processes are in place for the superintendent to monitor SLOs and input models.
- ☑ Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

## Principal School Visit Category

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Principals' professional performance shall be evaluated based on a State-approved rubric using multiple sources of evidence collected and incorporated into the school visit protocol. Where appropriate, such evidence may be aligned to building or district goals; provided, however, that professional goal-setting may not be used as evidence of teacher or principal effectiveness. Such evidence shall reflect school leadership practice aligned to the Leadership Standards and selected practice rubric.

## Principal Practice Rubric

**Select a principal practice rubric from the menu of State-approved rubrics to assess performance based on ISLLC 2008 Standards.**

| Rubric Name | **If more than one rubric is utilized, please indicate the group(s) of principals each rubric applies to.** |
|---|---|
| Marshall's Principal Evaluation Rubric (2012 Revised Edition with 2013 Updates) | N/A |

## Rubric Assurances

**Please check all of the boxes below.**

- ☑ Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- ☑ Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☑ Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the LEA, provided that LEAs may locally determine whether to use different rubrics for a principal assigned to different programs or grade configurations as indicated in the table above.
- ☑ Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

## Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Page Last Modified: 05/05/2021

**Please describe the process for rating and scoring the selected practice rubric consistent with the Department's regulations.**

**Your description should provide the complete process, including the following:**

- **The process for designating observable components (please note: all principals of the same building configuration/program must be evaluated based on the same set of observable components);**
- **The level at which components of the chosen rubric are rated (i.e., domain, subdomain, indicator, etc.);**
- **How the final score and rating for each observable component of the practice rubric is determined for each observer; and**
- **How the final score for the required (i.e., lead evaluator/evaluator; independent evaluator) and/or optional (peer principal, as applicable) subcomponent of the School Visit category is determined based on the final score and rating for each observable component.**

**Example: All subcomponents of Domains 1-4 of the MPPR rubric have been negotiated as observable. Domains 1, 2 and 3 are weighted as 30% each, and Domain 4 is weighted as 10%. For each school visit, all observed subcomponents in a domain are weighted equally and averaged to create a domain score, which is then weighted as above and averaged to reach a final score for each school visit. Scores for each school visit are weighted equally and averaged to reach a final score for each school visit type. The district will ensure that all subcomponents designated as observable will be observed at least once across the school visit cycle.**

All domains of the Marshall Rubric have been negotiated as observable. All observations are rated at the domain level but not scored. The evaluator will look at all ratings from previous observations in order to holistically determine a final score on the summative form. Each domain must have a minimum of six subcomponents rated in each observation. All domains will be weighted equally and averaged. The BOCES will ensure that all domains are observed and rated across the observations cycle.

### Scoring Assurances

**Please check each of the boxes below.**

- ☑ Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- ☑ Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all school visits, a score of 0 will be assigned.

### Principal School Visit Scoring Bands

The overall School Visit score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

| | **Overall School Visit Category Score and Rating** | |
|---|---|---|
| | Minimum | Maximum |
| **H** | 3.5 to 3.75 | 4.0 |
| **E** | 2.5 to 2.75 | 3.49 to 3.74 |
| **D** | 1.5 to 1.75 | 2.49 to 2.74 |
| **I** | 0.00* | 1.49 to 1.74 |

** In the event that an educator earns a score of 1 on all rated components of the practice rubric across all school visits, a score of 0 will be assigned.*

|---|---|---|---|
| 80% | 20% | 0% [N/A] | K-12 |

## School Visit Assurances

**Please check all of the boxes below.**

- ☑ Assure that the following elements will not be used in calculating a principal's school visit category score and rating: evidence of student development and performance derived from lesson plans, other artifacts of principal practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; and/or use of professional goal-setting as evidence of principal effectiveness. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- ☑ Assure that the length of all school visits for principals will be conducted pursuant to the locally-determined durations.
- ☑ Assure that at least one of the required school visits will be unannounced.
- ☑ Assure that school visits will not be conducted via video.

## Required Subcomponent 1: School Visits by Supervisor(s) or Other Trained Administrators

**At least one school visit must be conducted by supervisor or other trained administrator and at least one of the required school visits must be unannounced (across both required subcomponents).**

- LEAs may locally determine whether to use more than one school visit by superintendent or other trained administrator.
- Nothing shall be construed to limit the discretion of a board of education or superintendent of schools from conducting additional school visits for non-evaluative purposes.
- The frequency and duration of school visits are locally determined.
- School visits may not occur by live or recorded video.

**Indicate the minimum number of unannounced and announced school visits by supervisor(s) or other trained administrators in the table below.**

Page Last Modified: 04/30/2021

| **PRINCIPALS** *Indicate whether the number and method selected applies to all principals or to a subgroup of principals.* | **SUBGROUP** *If "Subgroup of Principals" is selected in the previous column, indicate which principals the number and method selected applies to; otherwise, enter "N/A." For additional subgroups, add another row.* | **UNANNOUNCED Minimum Number of School Visits** | **ANNOUNCED Minimum Number of School Visits** |
|---|---|---|---|
| Subgroup of Principals | Non-Tenured Principals | 1 | 1 |
| Subgroup of Principals | Tenured Principals | 0 | 1 |

## Required Subcomponent 2: School Visits by Impartial Independent Trained Evaluator(s)*

**At least one school visit must be conducted by impartial independent trained evaluator(s) and at least one of the required school visits must be unannounced (across both required subcomponents).**

- Impartial independent trained evaluators are trained and selected by the LEA.
- They may be employed within the LEA but may not be assigned to the same school building as the principal being evaluated. This could include other administrators, department chairs/directors, or peers, so long as they are not from the same building (defined as same BEDS code) as the principal being evaluated.
- LEAs may locally determine whether to use more than one school visit by impartial independent trained evaluator(s).

**Describe the procedure for ensuring that appeals of annual performance evaluations will be resolved in a timely and expeditious manner.**

1. Appeals Process:
A. A principal who receives an ineffective rating on their APPR shall be entitled to appeal their annual APPR rating, based upon a paper submission (including email) to the Central Office Administrative Designee of the Superintendent/Chief Operating Officer, who shall be trained in accordance with the requirements of statute and regulations and also possesses either an SDA or SDL Certification.
B. The appeal must be brought in writing, specifying the area(s) of concern, but limited to those matters that may be appealed as prescribed in §3012-d of the Education Law. Further, a principal with an ineffective rating, who is placed on a Principal Improvement Plan ("PIP") shall have a corresponding right to appeal concerns regarding the PIP in accordance with the requirements set forth in §3012-d of the Education Law.
C. For a tenured or probationary principal, an appeal of an evaluation or a PIP must be commenced within ten (10) calendar days of the presentation of the document to the principal or else the right to appeal shall be deemed waived in all regards.
D. The Superintendent's/Chief Operating Officer's Administrative Designee shall respond to the appeal with a written answer granting the appeal and directing further administrative action or deny the appeal. Such decision shall be made within ten (10) calendar days of the receipt of the appeal.
E. In the event that the principal is unsatisfied with the result of the appeal, a second written appeal may be taken to a panel within five (5) school days of receipt of the Superintendent/Chief Operation Officer decision. The panel will consist of 1) BAA President or designee, 2) one tenured administrator selected by the BAA president or designee, 3) one tenured administrator not in the BAA Unit selected by the Superintendent/Chief Operating Officer or Designee. Upon receipt of the written appeal, the panel will convene within ten (10) school days to review the written record and by consensus develop and forward a written recommendation to the Superintendent/Chief Operating Officer within five (5) school days of completion of review of written record.
F. The Superintendent/Chief Operating Officer shall make his or her decision in writing regarding the further appeal within ten (10) calendar days of receipt of that appeal. The decision of the Superintendent/Chief Operating Officer shall be final and binding in all regards and shall not be subject to review at arbitration before any administrative agency or in any court of law.
G. Notwithstanding the above, a tenured principal may appeal within (10) days of receiving a second consecutive ineffective APPR evaluation rating; this second tier appeal shall be to an arbitrator selected on a rotating basis from a mutually agreed upon list, based on order and reasonable timeframe of availability. The selected arbitrator shall make a final and binding decision upon the appeal of the APPR evaluation and/or the Principal Improvement Plan on an expedited basis not to exceed sixty days (60) of the date the appeal was filed. The documentation to be furnished to the Arbitrator on behalf of the tenured principal and by the BOCES shall be exchanged between the tenured principal and the administration on an immediate basis at the time of submission to the Arbitrator. In the event that either party has a question regarding the authenticity of such documentation, the same shall be presented in writing immediately to the Arbitrator and copied to the other party for the Arbitrator's review and consideration.
H. The provisions set forth above, shall neither be construed to alter or affect the rights of probationary principal pursuant to §3031 of the New York State Education Law.
