Revised

Bill Heidenreich, Superintendent
Valley Stream Central HS District
One Kent Rd.
Valley Stream, NY 11580

Dear Superintendent Heidenreich:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia
Commissioner

NOTE:

Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

Task 1) Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

1.1) Assurances**Please check all of the boxes below**

- Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

1.2) Submission Status

Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?

Task 2. Original Student Performance - Required (Teachers) - Original Tasks 2.1 (Assurances), 2.2 (4-8 ELA/Math)

Page Last Modified: 12/22/2016

Task 2) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

2.1) Assurances

Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).

Please check the boxes below.

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

2.2) Grades 4-8 ELA and Math: Assessments (Original)

STATE-PROVIDED MEASURES OF STUDENT GROWTH

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

Using the drop-down boxes below, please select the assessment(s) that will be used for the back-up SLOs for the grade/subject listed beginning in the 2019-20 school year.

2.12) Teachers with More Than One Growth Measure (Original)

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

2.13) Assurances

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please check the boxes below.

- Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

2.14) Use of the Optional Subcomponent and Student Performance Category Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Task 2. Transition Student Performance - Required (Teachers) - Task 2 Alternate SLOs

Page Last Modified: 12/22/2016

Task 2) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

For guidance on the use of alternate SLOs during the transition period, see: <https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations>.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Using the table below, please first select a measure and assessment(s) that will be used for the alternate SLO during the 2016-17 through 2018-19 school years, then indicate the applicable courses.

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching	(No Response)

4.2) Assurances

Please check all of the boxes below.

- Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year.
- Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

4.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable subcomponents will be weighted equally and averaged.

4.4) Calculating Observation Ratings

Assurances

Please check the boxes below.

- Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.
- Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.4(d)(2)(i)(b)(2) of the Rules of the Board of Regents.

Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9

Page Last Modified: 12/22/2016

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

Appeals of Annual Performance Evaluations of Teachers

The appeals procedure referred to in Educational Law Section 3012-d, will be as follows for members of the VSTA teacher bargaining unit:

1. Appeals shall be limited to those evaluations which have resulted in a rating of Ineffective or Developing.
2. Within five school days of the receipt of an annual evaluation providing a rating as set forth in Subparagraph (1) above, a teacher may appeal the annual evaluation to the Superintendent of Schools or his/her designee. The appeal shall be in writing and shall articulate in detail the basis of the appeal. Appeals shall be limited to:
 - the substance of the annual professional performance review;
 - the school district's adherence to the standards and methodologies required for such reviews pursuant to Section 3012-d of the Education Law;

 - any issue not raised in the written appeal shall be deemed waived.
3. Within five school days of receipt of the appeal, the Superintendent of Schools or his/her designee shall render a written determination with respect thereto.
4. The determination of the Superintendent of Schools or his/her designee as to the substance of the evaluation shall not be grievable, arbitratable, not reviewable in any other forum. However, nothing shall prevent a teacher from challenging the substance of an evaluation within the context of a proceeding pursuant to Education Law Section 3020-a or 3020-b.
5. The appeals process will be resolved in a timely and expeditious manner.

6.5) Assurance: Evaluators

Please check the box below.

- The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

The Valley Stream Central High School District will ensure that all lead and independent evaluators are properly trained and certified as appropriate to complete an individual's evaluation. Evaluator training will be on the 9 elements of Regents Rules 30-3.10 by certified Nassau BOCES personnel. Evaluator training will be trained occur regionally and will satisfy the 3012-d regulations for observations. All new evaluators will attend a 6-hour workshop and will be certified as evaluators. All other evaluators will be re-certified through a 3-hour training to maintain their certification.

Evaluators will annually evaluate the Valley Stream Central High School District HEDI rubric reports to maintain inter-rater reliability over time. All evaluators will be certified and re-certified by the Valley Stream Central High School District Board of Education.

Page Last Modified: 12/22/2016

Please check all of the boxes below.

- Assure that the district/BOCES shall compute and provide to the teacher their score and rating for the Student Performance category, if available, and for the Teacher Observation category for the teacher's Annual Professional Performance Review, in writing, no later than the last school day of the school year for which the teacher is being measured, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.

Task 7. Original Student Performance - Required (Principals) - Original Task 7.1 (State-Provided Growth Measures)

Page Last Modified: 12/22/2016

Task 7) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

7.1) State-Provided Measures of Student Growth (Original)

For principals with at least 30% of their students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model. Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal’s students are taking assessments with a State-provided growth measure, (e.g., K-5, PK-6, 6-8, 6-12, 9-12, etc.). For principals where less than 30% of their students are covered under a State-provided growth measure, such principals shall have an SLO consistent with a goal setting process determined or developed by the Commissioner that results in a student growth score; provided that for any grade-level/course that ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO. (See Guidance for more detail on principals with State-provided measures and SLOs.)

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal.

Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, PK-6, 6- 8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for the back-up SLO beginning in the 2019-20 school year.

For each grade configuration indicate the following:

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: assessment(s) used**

Follow the examples below.

Grades K-6 Building	K	6	NYS Grade 4 ELA, NYS Grade 5 ELA, NYS Grade 6 ELA, NYS Grade 4 Math, NYS Grade 5 Math, NYS Grade 6 Math
Grades 7-12 Building	7	12	All applicable Regents assessments which are used to generate the principal's State-provided growth score

Please check the boxes below.

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all principals who receive a State-provided growth score in the event that a State-provided growth score cannot be generated for that principal.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

For guidance on SLOs, see NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

SLOs must be used for principals in buildings or programs in which fewer than 30% of students take Grades 4-8 ELA, math, and/or high school courses with State or Regents assessments. SLOs will be developed using the grades/courses covering the most students in the school or program and continuing until at least 30% of students in the school or program are covered by SLOs. The district/BOCES must select the type of assessment that will be used with the SLO from the options below.

- If any grade/course in the building has a State-provided growth measure AND the principal must have SLOs because fewer than 30% of students in the building are covered, then the SLOs must begin first with the SGP results.
- Additional SLOs must then be set based on grades/subjects with State assessments for which there is no State-provided growth measure, where applicable.
- If additional SLOs are necessary, principals must begin with the grade(s)/course(s) that have the largest number of students using school-wide student results from one of the following assessment options:
- State-approved 3rd party assessment; or
- State-approved district, regionally, or BOCES-developed course-specific assessment.

For each grade configuration indicate the following:

- **Column 1:** lowest grade that corresponds to the building or program
- **Column 2:** highest grade that corresponds to the building or program
- **Column 3:** measure used
- **Column 4:** assessment(s) used

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) measure	(4) assessment(s)
Grades K-2 Building	K	2	District- or BOCES-wide results	Common Core English, Common Core Algebra, Living Environment, Global 2, US History
Grades 11-12 Building	11	12	Principal-specific results	Common Core English, US History

Using the table below, please select the measure and assessment(s) that will be used for the SLOs for each grade configuration listed. During the 2016-17 through 2018-19 school years, SLOs that use grade 3-8 ELA/math State assessments as their underlying assessments must be excluded from the calculation of transition scores and ratings.

7.4) Principals with More Than One Growth Measure (Original)

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

7.5) Assurances

Please check all of the boxes below.

- Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

7.6) Student Performance Subcomponent Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Task 7. Transition Student Performance - Required (Principals) - Task 7 Alternate SLOs

Page Last Modified: 12/22/2016

Task 7) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

For guidance on the use of alternate SLOs during the transition period, see: <https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations>.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

For each grade configuration indicate the following:

- Column 1: lowest grade that corresponds to the building or program
- Column 2: highest grade that corresponds to the building or program
- Column 3: measure used
- Column 4: assessment(s) used

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) measure	(4) assessment(s)
Grades K-2 Building	K	2	District- or BOCES-wide results	Common Core English, Common Core Algebra, Living Environment, Global 2, US History
Grades 11-12 Building	11	12	Principal-specific results	Common Core English, US History

Using the table below, please select the assessment(s) that will be used for the alternate SLOs during the 2016-17 through 2018-19 school years for each grade configuration listed. In all other school years, the SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of principals each rubric applies to.
Multidimensional Principal Performance Rubric	(No Response)

9.2) Assurances

Please check all of the boxes below.

- Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for a principal assigned to different grade level configurations or building types.
- Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

9.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable subcomponents will be weighted and averaged.

9.4) Calculating School Visit Ratings

Assurances

Please check the boxes below.

- Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second school visit(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the school visit(s) required to be performed by the Superintendent/supervisor or his/her designee. See Section 30-3.5(d)(1)(ii)(a) of the Rules of the Board of Regents.
- Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 9 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.5(d)(1)(ii)(b) of the Rules of the Board of Regents.

Annual Professional Performance Review - Education Law §3012-d

Task 11. Additional Requirements (Principals) - Tasks 11.1-11.9

Page Last Modified: 12/22/2016

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

WHEREAS, the parties have mutually agreed to the following appeals process to be incorporated into the District's APPR Plan Document for principals covered by Education Law §3012-d and Part 30-3 Regents Rules:

1. The annual evaluation of a building principal shall be presented at a meeting between the principal and Superintendent of Schools or his/her designee on a date selected by the Superintendent.
2. Within ten (10) business days of the receipt of a building principal's evaluation of *Ineffective* from the Superintendent of Schools, the principal may appeal the evaluation in writing to the Superintendent or his/her designee. The appeal shall articulate in detail the basis of the appeal to the Superintendent of Schools or his/her designee. Failure to include a particular basis for the appeal within a principal's written appeal shall be deemed a waiver of that basis. The evaluated principal may only challenge those items permitted by 8 NYCRR 30-3 and Education Law Section 3012-d. Further, a principal who is placed on a Principal Improvement Plan ("PIP") shall have a corresponding right to appeal concerns regarding the PIP in accordance with the requirements set forth in Section 3012-d of the Education Law.
3. The Superintendent or the Superintendent's administrative designee shall respond to the appeal with a written answer granting the appeal and directing further administrative action, or a written answer denying the appeal. The Superintendent or the Superintendent's administrative designee shall review the evidence underlying the observations of the principal along with all other evidence and/or arguments submitted by the principal prior to rendering a decision. Such decision shall be made within fifteen business days of the receipt of the appeal. The decision of the Superintendent or the Superintendent's administrative designee shall be final and binding in all respects and shall not be subject to review at arbitration, before any administrative agency or in any court of law.
4. In the event a principal receives a second consecutive evaluation of *Ineffective*, the appeals process set forth at Paragraphs 1 through 3 hereof, shall remain in effect. However, notwithstanding the provisions of Paragraph 3 hereof, in the event of a second consecutive evaluation of developing or ineffective, the principal may further appeal what shall be deemed the initial determination of the Superintendent or his/her designee, to a panel consisting of three District administrators, one selected by the President of the Administrators' bargaining unit, one from Central Office selected by the Superintendent, and one who shall be an active or retired Superintendent mutually selected by the parties. This further appeal must be submitted in writing to the panel within ten (10) business days of receipt of the Superintendent's initial determination on appeal pursuant to Paragraph 3 above. The review by the panel shall be completed within ten (10) business days of delivery of the written request for review from the building principal. No hearing shall be held and the review shall be based solely upon the original appeal, the Superintendent's initial determination, support papers submitted by the principal and/or a response to the appeal by the principal's evaluator, if other than the Superintendent. However, within five (5) business days of receipt of the appeal, the panel may request written clarification of any of the information submitted as part of the original documentation. This request shall not extend the requirement of the panel to complete its work and issue a report and recommendation within the time limit set forth above. The panel's written review recommendation shall be transmitted to the Superintendent and the Appellant upon completion. The Superintendent shall consider the written review recommendation of the panel and shall issue a written decision within ten (10) business days thereof. The determination of the Superintendent of Schools shall be final and shall not be grievable, arbitrable, or reviewable in any other forum. However, the failure of either party to abide by the above agreed upon process shall be subject to the grievance procedure of the collective bargaining agreement.
5. In the event the parties cannot agree upon the three panel members, a list of ten qualified experts shall be provided to the parties by the Suffolk County Organization for the Promotion of Education (SCOPE). Upon receipt of the list, the parties shall attempt to agree upon the panel composition for that year. The outside expert to hear the review shall be chosen directly from the list on a rotating basis. If an expert is unavailable or unable to review the matter, then the next expert on the list will be selected in a timely and expeditious manner. No present or prior employee of the Valley Stream Central High School District shall be eligible to serve on the panel or be selected as the outside expert and the outside expert shall notify the parties of any potential conflict of interest prior to accepting appointment.
6. All written submissions referred to in paragraphs 2 and 5 shall be simultaneously exchanged between the parties.
7. Nothing set forth herein shall prevent an administrator from challenging the results of an evaluation within the context of a disciplinary proceeding pursuant to Education Law Section 3020-a or 3020-b.
8. An overall performance rating of ineffective on the annual evaluation is the only rating subject to appeal. Principals who receive a rating of highly effective, effective, or developing, shall not be permitted to appeal their rating. Tenured principals who are rated effective, highly effective, or developing, may elect to submit a written response to their overall rating, which response shall be appended to the APPR evaluation and filed in the principal's personnel file. Such response shall be filed within ten (10) business days.
9. Non-tenured principals shall not be permitted to appeal any aspect of their annual evaluation, or the School District's issuance and/or implementation of the terms of a principal improvement plan. Probationary principals who are rated ineffective, effective, highly effective or developing, may elect to submit a written response to their overall rating, which response shall be appended to the APPR evaluation and filed in the principal's personnel file. Such response shall be filed within ten (10) business days including school recess and summer recess periods.
10. All reference herein to business days shall include school and summer recess periods. Appeals will be resolved in a timely and expeditious

manner.

11.5) Assurance: Evaluators

VALLEY STREAM CHSD TEACHER IMPROVEMENT PLAN (TIP)

The Teacher Improvement Plan (TIP) is a structured plan designed to identify specific concerns in instruction and outlines a plan of action to address these concerns. The purpose of a TIP is to assist teachers to work to their fullest potential. The TIP provides assistance and feedback to the teacher and establishes a timeline for assessing its overall effectiveness. A TIP must be initiated whenever a teacher receives a rating of *Developing* or *Ineffective* in a year-end evaluation. Both the teacher and the administrator meet for an evaluation conference at the end of the school year where the *Developing* or *Ineffective* evaluation is discussed. A TIP is designed by the building principal to address the specific concerns in instruction and a plan of action to address those concerns. Pursuant to section 3012-d, the TIP must be in place no later October 1st in the year following a rating of *Developing* or *Ineffective*. An initial conference is held at the beginning of the school year where the TIP is discussed, signed and dated at the beginning of its implementation. The teacher must be offered the opportunity for a peer mentor from the District's mentor program. The teacher will select the mentor, with the approval of the Superintendent and the VSTA President. If the teacher cannot decide on a mentor, the Superintendent and the Association president, or his/her designee, will select a mentor. All dealings between the mentor and the teacher will be confidential. The mentor and the teacher will collaborate during the first quarter. During that time, the teacher will be observed by designated members of the leadership team who will concentrate on observing and evaluating goals identified in the TIP. They will meet with the teacher in a timely manner to discuss the observations. Written observation summaries will be provided and must be signed by both parties. The teacher will have the right to respond to observation summaries and responses will be attached. After the first quarter of teacher/mentor collaboration, the administration will assess the effectiveness of the intervention and the level of improvement. Based on that assessment, the TIP may be adjusted appropriately and quarterly meetings among all parties will continue. At the end of the year, if the TIP goals are met, it will terminate. The culmination of the TIP will be communicated in writing to the teacher. Both parties will sign the TIP at the end of the school year. If the teacher is again rated as *developing or ineffective*, a new plan will be developed by the teacher and the building principal in collaboration with the Association for the subsequent school year.

The TIP must consist of the following components:

I. SPECIFIC AREAS FOR IMPROVEMENT: Identify specific areas in need of improvement. Develop specific, behaviorally written goals for the teacher to accomplish during the period of the plan.

II. EXPECTED OUTCOMES OF THE TIP: Identify specific recommendations for what the teacher is expected to do to improve in the identified areas. Delineate specific, realistic, achievable activities for the teacher.

III. RESOURCES: Identify specific resources available to assist the teacher to improve performance. Examples: colleagues, courses, workshops, peer visits, materials, etc.

IV. RESPONSIBILITIES: Identify responsible administrator(s) and steps to be taken by administrator(s) and the teacher throughout the Plan. Examples: classroom observations of the teacher; supervisory conferences between the teacher and administrator(s); written reports and/or evaluations, etc.

V. EVIDENCE OF ACHIEVEMENT: Identify how progress will be measured and assessed. Specify next steps to be taken based upon whether the teacher is successful, partially successful or unsuccessful in efforts to improve performance.

VI. TIMELINE: Provide a specific Timeline for implementation of the various components of the TIP and for the final completion of the TIP. Identify the dates for preparation of written documentation regarding the completion of the Plan.
