Carmen Gumina, Superintendent  
Webster Central School District  
119 South Ave.  
Webster, NY 14580

Dear Superintendent Gumina:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

Shannon L. Tahoe  
Interim Commissioner

**Disclaimers**

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance.

The Department will review the contents of each local educational agency's (LEA) Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in an LEA's plan.

The Department reserves the right to request further information from an LEA to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Each LEA is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of an LEA's plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the LEA are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the LEA, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject or disapprove this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

**Required Student Performance Subcomponent**

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

*100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.*

**Each teacher shall have a Student Learning Objective (SLO) locally determined, consistent with the goal-setting process determined by the Commissioner.**

**Student Learning Objectives (SLOs)**

For guidance on SLOs, see NYSED SLO Guidance.

**SLOs shall be used for the required student performance measure for all teachers. The following must be used as the evidence of student learning within the SLO.**

**MEASURES**

*SLO measures may be either individually attributed or collectively attributed.*

*Individually attributed measures*

An individually attributed SLO is based on the student population of a course for which the teacher directly contributes to student learning outcomes.

> Teacher and course-specific

- **Teacher and course-specific results:** scores and ratings will be based on the growth of students in the teacher's course in the current school year.

*Collectively attributed measures*

A collectively attributed SLO is based on a student population across multiple sections of the same course or across multiple courses where more than one teacher either directly or indirectly contributes to student learning outcomes. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where teachers have an opportunity to collectively impact student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> School- or program-wide

- **School- or program-wide results:** scores and ratings will be based on the growth of all students in a school or program who take the applicable assessments in the current school year.
- **School- or program-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses in the current school year.
- **School- or program-wide linked results:** scores and ratings will be based on the growth of students enrolled in the teacher's course in the current school year taking assessments in other grades/subjects.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses across buildings/programs in an LEA in the current school year.

**ASSESSMENTS**

*Any of the measures above may be used with one or more of the following assessment types.*

**Annual Professional Performance Review - Education Law §3012-d, amended in 2019****Task 2. TEACHERS: Required Student Performance - Information and Assurances**

- **State assessment(s);**or

Assessment(s) that are selected from the list of State-approved:

- **third party assessments;** or
- **locally-developed assessments**(district-, BOCES- or regionally-developed).

**SLO Assurances****Please check the boxes below.**

- ☒ Assure that the teacher has an SLO as determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- ☒ Assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ Assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- ☒ Assure that if a teacher's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.
- ☒ Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.

**Annual Professional Performance Review - Education Law & § 3012-d, amended in 2019****Task 3. TEACHERS: Optional Student Performance - Use of the Optional Subcomponent**

---

Page Last Modified: 11/06/2019

**Optional Student Performance Subcomponent**

For guidance on the Optional subcomponent of the Student Performance measure, see NYSED APPR Guidance.

*Percentage of Student Performance category to be locally determined if selected.*

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the LEA and be a locally selected measure of student growth or achievement based on State-created or -administered assessments or State-designed supplemental assessments.

Options for measures and associated assessments include:

- Option (A) A second SLO, provided that this SLO is different than that used in the required subcomponent;
- Option (B) A growth score based on a statistical growth model, where available, for either State-created or -administered assessments or State-designed supplemental assessments;
- Option (C) A measure of student growth, other than an SLO, based on State-created or -administered assessments or State-designed supplemental assessments;
- Option (D) A performance index based on State-created or -administered assessments or State-designed supplemental assessments;
- Option (E) An achievement benchmark on State-created or -administered assessments or State-designed supplemental assessments; or
- Any other collectively bargained measure of student growth or achievement included in the LEA's evaluation plan.

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

NO, the Optional subcomponent WILL NOT be used in the Student Performance category for any teacher.

**Annual Professional Performance Review - Education Law & §3012-d, amended in 2019****Task 4. TEACHERS: Observations - Rubric and Scoring**

Page Last Modified: 11/06/2019

**Teacher Observation Category**

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

**Teacher Practice Rubric**

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching (2013 Instructionally Focused Edition)	(No Response)

**Rubric Assurances**

Please check all of the boxes below.

- ☒ Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- ☒ Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the LEA, provided that LEAs may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year as indicated in the table above.
- ☒ Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

**Process for Weighting Rubric Domains/Subcomponents**

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., Domains 1 and 2 will be weighted 30% each and Domains 3 and 4 will be weighted 20% each).

All observable components will be weighted equally and averaged using the Danielson Teachscape 2013 rubric.

**Scoring Assurances**

Please check each of the boxes below.

- ☒ Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

**Teacher Observation Scoring Bands**

The overall Observation score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

**Observation Assurances****Please check all of the boxes below.**

- ☒ Assure that the following elements will not be used in calculating a teacher's Observation category score and rating: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; and/or use of professional goal-setting as evidence of teacher effectiveness. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- ☒ Assure that the length of all observations for teachers will be conducted pursuant to the locally-determined durations.
- ☒ Assure that at least one of the required observations will be unannounced.

**Required Subcomponent 1: Observations by Principal(s) or Other Trained Administrators**

**At least one observation must be conducted by building principal or other trained administrator and at least one of the required observations must be unannounced (across both required subcomponents).**

- LEAs may locally determine whether to use more than one observation by principal or other trained administrator.
- Nothing shall be construed to limit the discretion of management to conduct observations in addition to those required by this section for non-evaluative purposes.
- The frequency and duration of observations are locally determined.
- Observations may occur in person or by live or recorded video, as determined locally.

**Indicate the minimum number of unannounced and announced observations by principal(s) or other trained administrators, as well as the method of observation, in the table below.**

**Required Subcomponent 2: Observations by Impartial Independent Trained Evaluator(s)\***

At least one observation must be conducted by impartial independent trained evaluator(s) and at least one of the required observations must be unannounced (across both required subcomponents).

- Impartial independent trained evaluators are trained and selected by the LEA.
- They may be employed within the LEA, but may not be assigned to the same school building as the teacher being evaluated. This could include other administrators, department chairs, or peers (e.g., teacher leaders on career ladder pathways), so long as they are not from the same building (defined as same BEDS code) as the teacher being evaluated.
- LEAs may locally determine whether to use more than one observation by impartial independent trained evaluator(s).

**Appeal Assurance****Please check the box below.**

- ☒ Assure the LEA has collectively bargained appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.

**Appeals**

Pursuant to Education Law §3012-d, a teacher may only challenge the following in an appeal to their LEA:

(1) the substance of the annual professional performance review; which shall include the following:

(i) in the instance of a teacher rated Ineffective on the Student Performance category, but rated Highly Effective on the Observation category based on an anomaly, as determined locally;

(2) the LEA's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d;

(3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents; and

(4) the LEA's issuance and/or implementation of the terms of the teacher improvement plan, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

**Annual Professional Performance Review - Education Law §3012-d, amended in 2019****Task 6. TEACHERS: Additional Requirements - Appeals**

Page Last Modified: 05/11/2020

**Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious manner.**

**Appeals Procedures****Grounds for an Appeal of an APPR**

The adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents; and the LEA's issuance and/or implementation of the terms of the teacher improvement plan, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

- The grounds for an appeal will be based only for ratings of "Ineffective" and "Developing" unless the District adopts any kind of "pay for performance" plan in which financial benefits of any kind are linked to APPR performance scores, in which case "Effective" ratings shall also be subject to appeal. This caveat for "Effective" ratings does not apply to the appointment to auxiliary assignments such as Lead Teacher.
- The appeal procedures shall provide for the timely and expeditious resolution of the appeal.
- During the Appeals Process, additional supporting evidence will be accepted for the evaluated components. Supporting evidence may include testimony by the teacher, the evaluator, and the teacher's mentor (if applicable). No additional witnesses may be called except by mutual agreement of the teacher, evaluator, and the adjudicator(s) of the appeal. All other submitted evidence must be in written, printed, or electronic format.
- A teacher may not file multiple appeals regarding the same performance review or TIP. All substantive grounds for appeal must be raised within one appeal, provided that the teacher knew or could reasonably have known the grounds existed at the time the appeal was initiated, in which case a further appeal may be filed only based upon such previously unknown grounds.
- A TIP may only be appealed upon an appeal of the APPR rating for the school year during which the TIP was implemented.

**Appeal Procedures**

1. All appeals must be submitted in writing no later than ten (10) school days of the date when the teacher receives their final and complete annual professional performance review.
2. Within ten (10) school days of receipt of an appeal, the supervising administrator must submit a written response to the teacher and the superintendent (or designee). This written response will be accompanied by a Conference as described below. The response must include any and all additional documents or written materials that are specific to the point(s) of disagreement and/or are relevant to the resolution of the appeal. Material not submitted at the time the response is filed shall not be considered in the deliberations related to the resolution of the appeal.

**Timeline for Filing and Decisions on Appeals**

**Step 1:** Within ten (10) school days of the filing of the appeal, the teacher shall have a conference with the supervising administrator to discuss the evaluation and areas of dispute. The teacher is entitled to have an Association representative present. The decision of the supervising administrator will be provided within five (5) school days.

If the teacher is not satisfied with the outcome of this conference, he/she may proceed to the second step.

**Step 2:** Within five (5) school days of the step 1 decision, the teacher will notify the Superintendent or his/her designee in writing. The Superintendent will refer the appeal to the APPR Review Committee within ten (10) school days of receipt. The appeal shall be heard by the APPR Review Committee. More than one APPR Review Committee may be formed (to hear different cases). The Review Committee shall include the following members:

1. One or two tenured administrators, certified to conduct evaluations, appointed by the Superintendent or his/her designee. The administrator(s) appointed shall not include the administrator who authored the evaluation, nor shall they include any administrator who has received an APPR rating of developing or ineffective for either of the previous two (2) years.
2. One or two tenured teachers appointed by the Association, who have not received an APPR rating of developing or ineffective for either of the previous two (2) years.

The decision on the written appeal is due no more than twenty (20) school days after the receipt of the written appeal to the Review Committee.

- The Review Committee may conduct an interview with the teacher and/or the evaluator and may request additional documentation. The teacher and evaluator shall have the opportunity to respond to any additional documentation provided to the Review Committee. The teacher may have an Association representative present at any interview and/or may decline an interview.
- Upon conclusion of its consideration of an appeal, each member of the Review Committee shall vote to rescind, modify, or affirm the rating or improvement plan. If the Review Committee unanimously agrees upon one of these choices, the Committee shall give written notice of its decision to the appealing teacher, the Association president, and the Superintendent, and the decision of the Committee shall be final. The decision of the Committee shall set forth the reasons and factual basis for each of the specific issues raised in the appeal.
- In the event the Review Committee is not unanimous in its decision on an appeal, each member of the Committee shall write a brief statement setting forth and explaining his or her recommendation for disposition of the appeal. The Review Committee members' written statements, together

with the full record of the appeal, shall then be forwarded to the Association president, and the Superintendent, and the appeal progresses automatically to Step 3.

**Step 3:** Within ten (10) school days of receipt of the report from the Review Committee, the Superintendent shall issue a written decision affirming, modifying, or rejecting the rating or improvement plan. The decision of the Superintendent shall set forth the reasons and factual basis for the determination on each of the specific issues raised in the appeal. The decision of the superintendent shall be final and binding.

**Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**

**Training for Evaluators and Staff****Training Process**

1. All evaluators and independent evaluators will be initially trained and lead evaluators will be trained and certified through our local BOCES certification course. There are typically four sessions that occur in the summer of the new employee hiring. Each session is 7 hours with the total training hours through the course equally 28 hours.
  - a. This must be completed before the evaluator can conduct any observations.
2. Training for Independent evaluators and peer evaluators shall receive training on the following elements:
  - a. New York State teaching standards and their related elements and performance indicators and the leadership standards and their related functions, as applicable;
  - b. Evidence-based observation techniques that are grounded in research with examples from the Danielson rubric.
  - c. Application and use of the Danielson Rubric (State approved teacher rubric(s) ,including training on the effective application of the Danielson rubric to observe a teacher.
3. Lead Evaluator/Evaluator training course shall provide training on:
  - a. New York State teaching standards and their related elements and performance indicators and the leadership standards and their related functions, as applicable;
  - b. Evidence-based observation techniques that are grounded in research with examples from the Danielson Rubric;
  - c. Application and use of any methodology as part of an SLO and any optional second measures of student performance used by the district to evaluate its teachers;
  - d. Application and use of the Danielson teacher rubric (State-approved) for use in evaluations, including training on the effective application of the rubric to observe a teacher's practice.
  - e. Application and use of any assessment tools that the district utilizes to evaluate its classroom teachers;
  - f. Application and use of any locally selected measures of student performance in the optional sub-component of the student performance category used by the district to evaluate its teachers;
  - g. Use of the statewide instructional reporting system;
  - h. The scoring methodology utilized by the department and/or the district to evaluate a teacher under Subpart 30-3, including the weightings of each sub-component within a category; how overall scores/ratings are generated for each sub-component and category and application and use of the evaluation matrix(es) prescribed by the commissioner for the four designated rating categories used for the teacher's overall rating and their category ratings; and
  - i. Specific considerations in evaluating teachers of English language learners and students with disabilities.
4. Recertification and retraining of all lead evaluators and retraining of evaluators and independent evaluators including inter-rater reliability is conducted quarterly through our administrative leadership meetings conducted by the Superintendent and/or Assistant Superintendents. The Superintendent and/or Assistant Superintendents will re-certify lead evaluators.
  - a. Each session is between 1.5 to 2 hours of time for a total of 6 - 8 hours.
  - b. All evaluators are expected to bring three observations that they had conducted to share (@5 copies each). Staff is put into small groups to read and rate the observation.
  - c. A rubric is used to align scoring and discussions around evidence are shared within the group.
5. Annual professional performance reviews of teachers shall be a significant factor for employment decisions, including but not limited to, promotion, retention, tenure determination, termination, and supplemental compensation, in accordance with Education Law 3012-d(1)

**Required Student Performance Subcomponent**

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

*100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.*

**Required Student Performance Measures**

**Student performance for principals may be measured by either a student learning objectives (SLO) or an Input Model where the principal's overall rating shall be determined based on evidence of principal practice that promotes student growth related to the Leadership Standards.**

**STUDENT LEARNING OBJECTIVES**

For guidance on SLOs, see NYSED SLO Guidance.

*SLO measures may be either individually attributed or collectively attributed.*

*Individually attributed measures*

An individually attributed SLO is based on the learning outcomes of a student population within the principal's building or program.

> Principal and building/program-specific

- **Principal and building/program-specific results:** scores and ratings will be based on the growth of students in the principal's building/program in the current school year.

*Collectively attributed measures*

A collectively attributed SLO is based on a student population across multiple buildings/programs of similar grade configuration or across multiple building/programs where the learning activities of one building/program indirectly contribute to student learning outcomes in another building/program. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where there is an opportunity for a collective impact on student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of principals will be based on the growth of students in the group/team of principals' buildings/programs in an LEA in the current school year.

**ASSESSMENTS**

*Any of the measures above may be used with one or more of the following assessment types.*

- **State assessment(s);** or  
Assessment(s) that are selected from the list of State-approved:
- **third party assessments;** or
- **locally-developed assessments** (district-, BOCES- or regionally-developed).

**Assurances****Please check all of the boxes below.**

- ☒ Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.
- ☒ For principals evaluated using an SLO, assure that such SLO is determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- ☒ For principals evaluated using an SLO, assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ For principals evaluated using an SLO, assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- ☒ For principals evaluated using an SLO, assure that if the principal's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- ☒ For principals evaluated using an input model, assure that all applicable principals will be evaluated using the procedures described herein and approved by the Commissioner.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs and input models.
- ☒ Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

**Principal School Visit Category**

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Principals' professional performance shall be evaluated based on a State-approved rubric using multiple sources of evidence collected and incorporated into the school visit protocol. Where appropriate, such evidence may be aligned to building or district goals; provided, however, that professional goal-setting may not be used as evidence of teacher or principal effectiveness. Such evidence shall reflect school leadership practice aligned to the Leadership Standards and selected practice rubric.

**Principal Practice Rubric**

**Select a principal practice rubric from the menu of State-approved rubrics to assess performance based on ISLLC 2008 Standards.**

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of principals each rubric applies to.
Multidimensional Principal Performance Rubric	(No Response)

**Rubric Assurances**

**Please check all of the boxes below.**

- ☒ Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- ☒ Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the LEA, provided that LEAs may locally determine whether to use different rubrics for a principal assigned to different programs or grade configurations as indicated in the table above.
- ☒ Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

**Process for Weighting Rubric Domains/Subcomponents**

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

**Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., Domains 2 and 3 will be weighted 30% each and Domains 1, 4, 5 and 6 will be weighted 10% each).**

All observable components of the LCI multidimensional rubric will be weighted equally and averaged.

**Scoring Assurances**

**Please check each of the boxes below.**

- ☒ Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all school visits, a score of 0 will be assigned.

**Principal School Visit Scoring Bands**

The overall School Visit score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

Appeals of annual professional performance reviews may be brought for overall ratings of ineffective or developing. An appeal may only be initiated once a principal receives their overall HEDI rating.

**PROHIBITION AGAINST MORE THAN ONE APPEAL:**

A principal may not file multiple appeals regarding the same performance review or improvement plan. All grounds for appeal must be raised with specificity within such appeal. Any grounds not raised at the time the appeal is filed shall be deemed null and void.

If a principal is challenging the issuance of an improvement plan, appeals must be filed within five (5) business days of issuance of such plan. A PIP implementation issue may only be appealed upon an appeal of the APPR rating for the school year during which the PIP was implemented.

The failure to file an appeal within these timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned.

The scoring methodology utilized by the department and/or the district to evaluate a teacher under Subpart 30-3, including the weightings of each sub-component within a category; how overall scores/ratings are generated for each sub-component and category and application and use of the evaluation matrix(es) prescribed by the commissioner for the four designated rating categories used for the Principal's overall rating and their category ratings; and
  - i. Specific considerations in evaluating principals of English language learners and students with disabilities.
4. Recertification and retraining of all lead evaluators and retraining of evaluators and independent evaluators including inter-rater reliability is conducted quarterly through our administrative leadership meetings conducted by the Superintendent and/or Assistant Superintendents. The Superintendent and/or Assistant Superintendents will re-certify lead evaluators.
  - a. Each session is between 1.5 to 2 hours of time for a total of 6 - 8 hours.
  - b. All evaluators are expected to bring three observations that they had conducted to share (@5 copies each). Staff is put into small groups to read and rate the observation.
  - c. A rubric is used to align scoring and discussions around evidence are shared within the group.
