**1. Have you made changes to your approved ARP - ESSER application?**

- YES, the LEA has made changes to your approved ARP ESSER application.
- NO, the LEA has not made changes to your approved ARP ESSER application.

**2. Please provide an analysis of public comment for the updated American Rescue Plan (ARP) - Elementary and Secondary School Emergency Relief (ESSER) funding.**

Harlem Link incorporated ARP-ESSER planning into its typical strategic planning process, which involves a diverse and representative set of stakeholders, and held an open informational session to share plans with community members and receive additional input. As part of this process, the leadership team incorporated data and input from a variety of sources, including family feedback and teacher input through surveys, meetings, and other means. Since that time our plan has remained unchanged in its programmatic and fiscal focus. We continue to gather input through town hall meetings and anonymous surveys as well as staff meetings and open Board meetings. As revisions are made to the plan we will formally solicit public comment.
