AGENDA FOR THIS REGIONAL MEETING

- Greetings and Introductions: Opening video from Chancellor Lester W. Young, Jr. and Commissioner Betty A. Rosa
- Power Point: Graduation Measures in New York State
- Group Discussions: Stakeholder feedback on the Five Guiding Questions
- Sharing of Ideas
- Closing Remarks: Local Regent and District BOCES Superintendent or Big 5 Representative
RE-EXAMINING GRADUATION MEASURES IN NEW YORK STATE

- February 2019, then-Chancellor Rosa committed to rethinking New York’s graduation measures.
- July 2019, the Board of Regents announced it will create a Blue Ribbon Commission to review the State’s high school graduation measures and explore what it means to obtain a diploma in New York State.

The Commission will:
- Examine what a diploma should signify to ensure educational excellence and equity for every student in New York State.
- Consider whether adding other measures of achievement could better serve New York’s diverse student population as indicators of what they know and if they are ready for college, careers, and civic engagement.

WHY ARE THE REGENTS REVIEWING GRADUATION MEASURES?

To Foster Equity in Education for All New York Students

To Ensure Our Students are Engaged in School and Prepared for the 21st Century Workforce
Goal:
To undertake a thoughtful and inclusive process to explore what a New York State high school diploma means and what it ought to signify to ensure educational excellence and equity for all New York State children.

Purpose:
The purpose of the Commission is to review research, practice and policy, and to gather input from across the state to help inform recommendations to:

- Reconsider current diploma requirements
- Ensure all students have access to multiple graduation measures
- Ensure a transition plan allows time to prepare for and implement any changes

Discussion of each of the 5 Guiding Questions

Key Takeaway
PHASE 1: INFORMATION GATHERING & LEARNING
REGIONAL MEETING GUIDING QUESTIONS

1. What do we want all students to know and to be able to do before they graduate?

2. How do we want all students to demonstrate such knowledge and skills, while capitalizing on their cultures, languages, and experiences?

3. How do you measure learning and achievement (as it pertains to the answers to #2 above) to ensure they are indicators of high school completion while enabling opportunities for all students to succeed?

4. How can measures of achievement accurately reflect the skills and knowledge of our special populations, such as students with disabilities and English language learners?

5. What course requirements or examinations will ensure that all students are prepared for college, careers, and civic engagement?
Breakout room sessions will begin in 5 minutes.
If you feel you were unable to share everything you wanted to during the breakout session, please use Zoom’s chat function.
