

Directions on Accessing the EANS Letter of Intent Survey

The EANS Letter of Intent Survey is located in the New York State Education Department's Business Portal, which can be accessed at the following link: <https://portal.nysed.gov/abp/>

Nonpublic schools with previously designated accounts should have their institution's assigned CEO log in using the username and password. More information for users with accounts that need assistance locating their username or password can be found on page 2.

Accessing the Application

After logging into the Business Portal, you will be directed to the Business Portal home screen, which includes the list of applications you have been granted access to under "My Applications". The Reopening Survey is located within SED Monitoring and Vendor Performance System, as indicated below.

A screenshot of the Business Portal interface. At the top, there is a blue header bar with a white icon of three people and the text 'My Applications'. Below the header, a list of applications is displayed, each with a small blue icon of a person and a red arrow pointing to the right. The applications listed are: 'SEDDAS User Guide', 'Academic Intervention Services', 'Mandated Services Aid', 'NonPublic School Safety Equipment (NPSE)', 'SED Delegated Account System (SEDDAS)', 'SED Monitoring and Vendor Performance System', and 'SSBA Reimbursement'. A red arrow points from the right side of the page to the 'SED Monitoring and Vendor Performance System' entry. Below the list, there is a light blue box containing a 'Notice:' section. The notice text reads: 'If the Superintendent or Principal has changed, please click here.' followed by '(Does not apply to Summer School principals.)' in a smaller font.

Once the user has accessed SED Monitoring and Vendor Performance System, a list of surveys that the user has access to will be displayed. The user should select "SORIS" to enter the survey.

The survey is titled EANS Letter of Intent and should be in the school's inbox. The school can then complete and submit.
