Project Name: NYS P-TECH Program  
Applicant Name: _____________________________________________________

The M/WBE participation for this grant is 30% of each applicant’s total discretionary non-personal service budget over the entire term of the grant. Discretionary non-personal service budget is defined as the total budget, excluding the sum of funds budgeted for direct personal services (i.e., professional and support staff salaries) and fringe benefits, as well as indirect costs (lines 2-6 in the table below), if these are allowable expenditures. **For the purposes of this grant, these exclusions apply to the expenses of the lead applicant as well as any other members of the partnership.** For example, the salaries of project staff employed by the IHE and business partners should be excluded from the total budget, along with the lead applicant’s project staff salaries, when calculating the discretionary non-personal service budget. Therefore, **lines 2-6 below will include any project salaries and fringe benefits of the lead applicant AND members of the partnership.** (Please note that the indirect costs of partner organizations are not allowable expenses under this grant program. Additionally, if Rent/Lease/Utilities are included in the applicant’s Indirect Costs, do not include them again in Line 6.)

Please complete the following table to determine the dollar amount of the M/WBE goal for this project year.
