THE UNIVERSITY OF THE STATE OF NEW YORK

GRADE 4

ELEMENTARY-LEVEL SCIENCE TEST

PERFORMANCE TEST, FORM A STATION DIAGRAMS

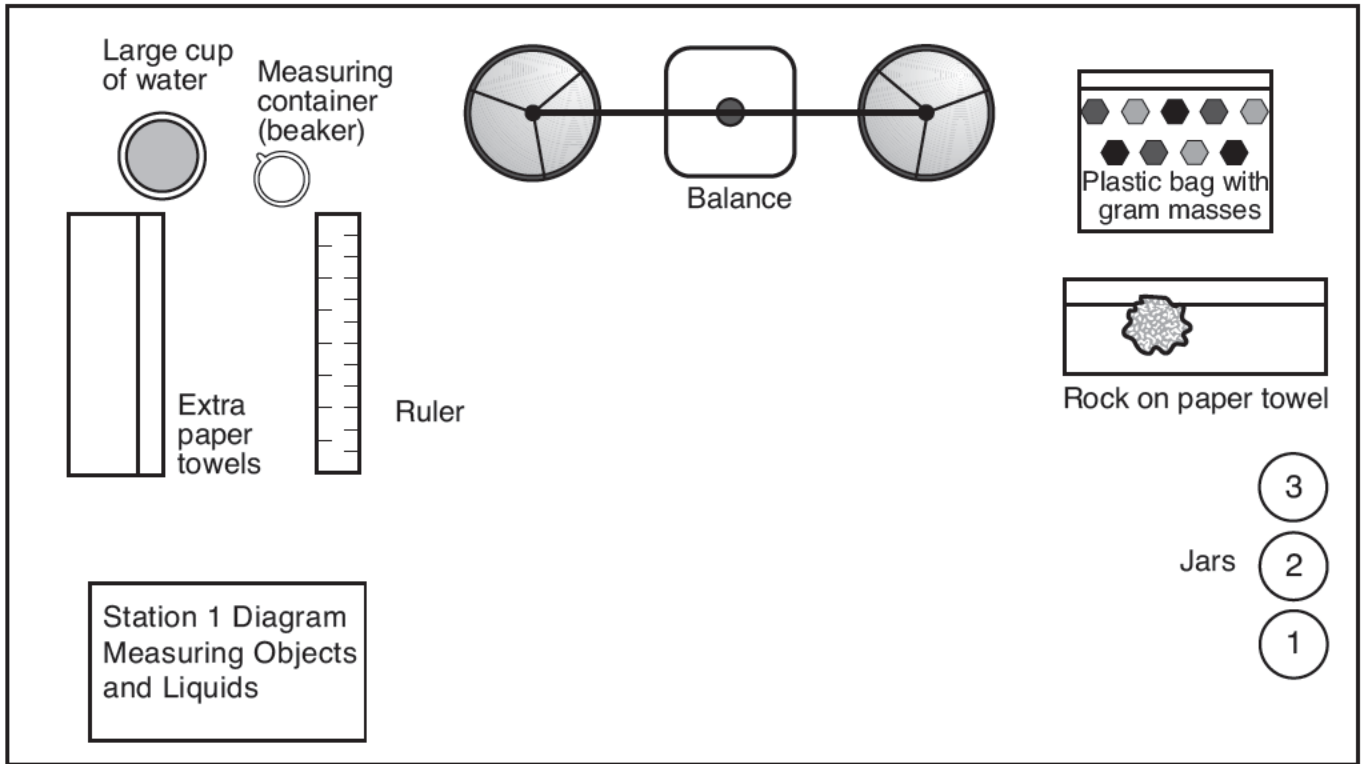

This booklet contains one complete set of station diagrams for the performance test and one Ball and Ramp Place Mat template for Station 3.

The materials for each station are illustrated in the station diagrams. These sheets are to be taped to the desk or tabletop at each station. Before taping the sheet to a station, fold the sheet along the dotted line so that only the top half of the sheet is visible.

Before administering the performance test, record the necessary information on the Test Administrator's Record Sheet. The Test Administrator's Record Sheet can be found at the back of the printed Performance Test, Form A Station Diagrams shipped to your school, or online in the Grade 4 Science Test Manual for Administrators and Teachers. After the test, file the Test Administrator's Record Sheet with the student test booklets.

Note: The information on the Record Sheet is needed to score the tests.
