Each spring across New York State, English Language Learners and Multilingual Learners (ELLs/MLLs) in Kindergarten and Grades 1–12 take the New York State English as a Second Language Achievement Test (NYSESLAT) in order to assess their English language proficiency and determine appropriate services in Bilingual Education and English as a New Language programs.

NYSESLAT test samplers, or practice tests, are available for educators, students, and parents to show the types of directions and questions students will encounter when they take the NYSESLAT. It is also an opportunity for educators to clarify directions or answer any questions that the student may have. The NYSESLAT Test Sampler may be used to help students become familiar with marking their answers in the test booklet. These samplers are not the full length of the actual test.

The NYSESLAT Test Sampler consists of two separate sets of materials:

- Test booklets (one for each grade band)
- Directions for Administration (DFA) manuals (one for each grade band)

In addition to the administration script, the DFAs contain rubrics that will be used to score Speaking and Writing responses. Examples of student responses to the Speaking and Writing prompts are also included.

In-depth information about the logistics of administering the NYSESLAT will be available in both the School Administrator’s Manual and grade specific DFAs used in the spring administration of the NYSESLAT.

Please make sure to visit the Office of State Assessment web site for more information and updates regarding the NYSESLAT: http://www.p12.nysed.gov/assessment/nyseslat.
NYSESLAT TEST SAMPLER MATERIALS

Materials Required by the Examiner

- A supply of NYSESLAT Test Sampler test booklets, including one for demonstration
- A supply of NYSESLAT Test Sampler Speaking Score Sheets
- A supply of sharpened soft-lead (No. 2) pencils with erasers; extra pencils must be on hand

Materials Required for Each Student

- One NYSESLAT Test Sampler test booklet
- Two sharpened soft-lead (No. 2) pencils with erasers

ADMINISTERING THE NYSESLAT TEST SAMPLER

Test Sampler Administration

Educators, students, and parents are welcome and encouraged to use the test sampler in whichever way will best benefit students and help them prepare for the NYSESLAT. The instructions in the sampler DFA have been developed to closely resemble those used during the operational administration. You may choose to practice administration of all sections, just a few, or only one.

Be sure to use your demonstration sampler test booklet as instructed.

Use a natural tone and manner throughout testing. Enunciate, use appropriate intonation, speak at a normal pace, and speak loudly enough for students to hear you.

If you make a mistake in reading a direction or question, stop and say, “No, that is wrong. I’ll say it again. Please listen.” Then read the direction or question again.

All directions that should be read out loud to students are printed in boldface text with a SAY icon beside them. These should be read exactly as they are written. If necessary, you may supplement the directions with your own explanations in English or repeat them.
**Evaluating Test Sampler Responses**

To review and evaluate student responses to questions on the test sampler, refer to the “Listening and Reading Answer Key” section of this manual. The NYSESLAT Speaking Score Sheet on Pages 23–24 should be used to evaluate a student's Speaking responses during test administration. Rubrics have also been provided for evaluating students’ Speaking and Writing responses. These reference materials have been provided so that you may evaluate students’ responses and provide feedback to them if you wish; there is no requirement to score responses to the NYSESLAT Test Sampler questions.

If you would like to learn more about scoring responses for the NYSESLAT, please refer to the Turnkey Training Speaking and Writing materials and webinar modules, available at http://www.p12.nysed.gov/assessment/nyseslat.
SPEAKING ADMINISTRATION

Speaking Instructions

IMPORTANT NOTE

The Speaking section requires individual administration in a location separate from other students. Each student will need his or her sampler test booklet to view the Speaking questions when taking the test. The examiner should write the student’s name on the front cover prior to administering the test sampler.

The examiner should use a copy of the Speaking Score Sheet on Pages 23–24, which contains language from the Speaking rubrics for reference, to evaluate a student’s spoken responses during test sampler administration. It is important to review and become familiar with the Speaking rubrics prior to administration of the Speaking section of the test sampler.

Today we are going to answer some practice NYSESLAT questions. These questions will help you get ready to take the NYSESLAT. While we practice taking the test, I will be able to answer your questions about the directions and the kinds of questions that are on the test. I am going to give you a test booklet. We will start with the Speaking questions. Do not open your test booklet until I tell you to do so.

Are you ready to start?

Open your booklet to Page 1. This is the first page of the Speaking activity.

Look at the top of the page. Read the directions to yourself as I read them out loud.

Directions: I am going to ask you some questions. Listen and then answer. Be sure to answer in English using your own words.

Do you understand what to do? Do you have any questions?

Proceed with administration after answering any questions that the student may have.
QUESTION 1

Look at Page 1.

Pause for the student to look at Page 1.

In the fall, animals get ready for winter. These animals need to stay warm and have enough to eat.

[POINT to BEAR] The bear is eating fish.

Question 1: Tell me how animals get ready for winter.

Pause for about 5 seconds for the student to respond. If the student gives no response,

[REPHRASING]: In the fall, animals get ready for winter. [POINT to BEAR] This bear eats fish. How do animals get ready for winter?

QUESTION 2

Please turn the page.

Pause for the student to turn the page.

[POINT to PICTURE 1] Most penguins live on the ice. They have a special way of getting food.

Question 2: Tell me how penguins get food.

Pause for about 5 seconds for the student to respond. If more language is needed,

[FOLLOW-UP]: Tell me more.
QUESTION 3

Look at Page 3.
Pause for the student to look at Page 3.

Animals that live in hot places do different things to cool off. [POINT to MEERKAT ON THE RIGHT] Some go underground.

Question 4: Tell me what other animals do when it is hot outside.
Pause for about 5 seconds for the student to respond.

QUESTION 4

Please turn the page.
Pause for the student to turn the page.

Polar bears’ bodies help them to live where it is cold and icy. Polar bears have two layers of fur and fat to keep them warm. They can walk on ice because of their wide feet, and they can also swim in the cold water.

Question 4: Tell me what helps polar bears to live in cold places.
Pause for about 5 seconds for the student to respond.
QUESTION 5

**SAY** Look at Page 5.

Pause for the student to look at Page 5.

**SAY** [POINT to PICTURE 1] These students are playing outside.

[POINT to PICTURE 2] Then the teacher calls everyone to line up. It is time to go inside.

**Question 5:** Tell me what happens when the teacher says it is time to go inside.

Pause for about 5 seconds for the student to respond.

---

QUESTION 6

**SAY** Please turn the page.

Pause for the student to turn the page.

**SAY** It is morning and these students are walking into their classroom. They have coats and backpacks. Some students have lunchboxes. There are a lot of things to do to get ready for the day.

**Question 6:** How do you get ready for the school day?

Pause for about 5 seconds for the student to respond.

When the student is finished with their response,

**SAY** Thank you. We are finished with the Speaking activity. Please close your test booklet so that the front cover is on top.

If you plan to continue with administration of Listening, Reading, and Writing, proceed to Page 8 of this DFA.
Instructions for Starting Administration of Listening, Reading, and Writing

Ensure each student has a copy of the sampler test booklet.

**SAY** We are going to practice answering some more NYSESLAT questions. You will need to use your test booklet to mark your answers to the questions.

Pause.

**SAY** When you mark your answers in your test booklet, remember to:

- Circle only one answer for each question. If you circle more than one answer, your answer will not count.
- If you change your mind about an answer, erase it completely.

Do you understand how to mark your answers in your test booklet? Do you have any questions?

Answer any questions that the students may have about marking their answers in the test booklet.
LISTENING ADMINISTRATION

Listening Instructions

IMPORTANT NOTE

Before administering the Listening section of the test sampler to students, thoroughly familiarize yourself with the directions in this manual. The material that should be read out loud to students is printed in **boldface text** next to a **SAY** icon. This material should be read exactly as it is written. If necessary, you may supplement the directions with your own explanations in English, but all questions must be read out loud exactly as they are written.

**SAY** Open your test booklet to Page 9. This is the Listening section.

Hold up the demonstration sampler test booklet and turn to the correct page. Check that all students have their sampler test booklets open to the correct page.

**SAY** In this part of the practice test, you will listen to a story and then answer questions about the story. After I ask you a question, you will circle the answer you think is correct.

Do you understand what to do? Do you have any questions?

Pause to answer any questions that the students may have.

**SAY** Look at Page 9. Listen to the story.

On the lines, write the sentence I run fast. Pause. I run fast.

Pause. Give the students time to write the sentence I run fast.
Now turn to Page 33. We will do something different.

Hold up your demonstration test booklet and point to Page 33. Check that all students have their test booklets open to the correct page.

Directions: I will read a story called “Sam the Zookeeper.” Then you will draw and write a story.

Sam works at the zoo. He takes care of the birds. Sam spends a lot of time at the zoo. First, he makes food for the birds. Then, he feeds them. Some birds eat during the day. Others eat at night. The birds also need to have fresh water to drink and take a bath. Last, Sam makes sure they are healthy and safe. Caring for the birds makes him happy.

This story is about the birds at a zoo. Some people have birds as pets. Which animal do you think is a good pet? I will give you time to draw a picture about the animal you think is a good pet. Then, I will ask you to write about the animal you think is a good pet. You will be able to go back and work on your drawing when you are finished writing.

Pause.

**QUESTION 5**

Now turn to Page 34. Hold up your demonstration test booklet and point to Page 34. Check that students have their test booklets open to the correct page.

Question 5. Look at the box at the top of the page. The words in the box say “Use this box for your drawing.” In the box, draw a picture of the animal you think is a good pet.

Pause. Give the students time to draw.

Now look at the lines below the box. Use these lines for your writing. Write as much as you can about the animal you think is a good pet.

Pause. Give the students time to write. When students finish writing, they may return to drawing.

When the last student has finished responding to the Writing prompt,

Put your pencil down and close your test booklet so that the front cover is on top. This is the end of the Writing activity.

Collect the test booklet(s).

Holistic Scoring

The Speaking assessment is scored holistically. Holistic scoring consists of assigning a single score that is based on a scorer’s overall impression of a student’s spoken response. Scorers should look at all aspects of the rubric. Performance does not have to include all aspects of the rubric to merit a rating at that level. Conversely, performance should include most aspects of the rubric to merit a rating at that level. A scorer should listen carefully and judge which rubric level best matches all aspects of the response.

Kindergarten/Emerging (Question 1)

Introduction: In the fall, animals get ready for winter. These animals need to stay warm and have enough to eat.

Modeling: [POINT to BEAR] The bear is eating fish.

Question: Tell me how animals get ready for winter.

Introduction: [POINT to PICTURE 1] Most penguins live on the ice. They have a special way of getting food.

Question: [POINT to EACH PICTURE] Tell me how penguins get food.

[FOLLOW-UP]: Tell me more.

Response

“The pen—the penguin go into the water. And then…and then…umm, he comes out of the water. He has a fish.”

Score

2

Justification

The student responds with three expanded sentences that convey complete thoughts and are relevant to the prompt. Technically, this is more language than is needed to achieve the score of “2” on this question. “The penguin [goes] into the water” or “He has a fish” also would have earned the student full credit for this Transitioning-level prompt.
Kindergarten/Expanding (Question 3)

**Introduction:** Animals that live in hot places do different things to cool off.

[POINT to MEERKAT ON THE RIGHT] Some go underground.

**Question:** Tell me what other animals do when it is hot outside.

Kindergarten/Commanding (Question 4)

Introduction: Polar bears’ bodies help them to live where it is cold and icy. Polar bears have two layers of fur and fat to keep them warm. They can walk on ice because of their wide feet, and they can also swim in the cold water.

Question: Tell me what helps polar bears to live in cold places.

Response: “It is cold and, and, and so they like to be warm. They like, they like, have some fur. They have some fur, and they are warm.”

Score: 2

Justification: The student responds with multiple expanded sentences that flow logically from one idea to the next. Though there are some starts and stops in the response, they do not obscure meaning. At the Commanding level, this is scored a “2.”
Kindergarten/Expanding (Question 5)

Introduction: [POINT to PICTURE 1] These students are playing outside. [POINT to PICTURE 2] Then the teacher calls everyone to line up. It is time to go inside.

Introduction: It is morning and these students are walking into their classroom. They have coats and backpacks. Some students have lunchboxes. There are a lot of things to do to get ready for the day.

Question: How do you get ready for the school day?

Response

“The things I do is my dad walks me to school and then I put away my coat. I have to—to sit in my chair so Ms. Jones call my name.”

Score

2

Justification

The student responds with connected expanded sentences to sequence thoughts and ideas. Errors in syntax are infrequent and do not obscure meaning. This is scored a “2” at the Commanding level.
Evaluating the Writing of the English Language Learner Using the Kindergarten Writing Scoring Rubrics

Kindergarten student writing is scored using four different Writing rubrics.

The Letter Writing rubric evaluates the dimensions of Letter Forming and Legibility. To earn full credit, Kindergarteners produce the recognizable correct letter. Responses with the recognizable correct letter will receive a score of 1.

The Word Writing rubric evaluates the dimensions of Letter Forming and Accuracy. To earn full credit, Kindergartners produce letters legibly and in the correct sequence. Spelling is a key evaluative measure in Word Writing. Responses with inventive or phonetic spelling can receive a score of 1. Responses with correct spelling will receive a score of 2.

The Sentence Writing rubric evaluates the dimensions of Letter Forming, Words, and Accuracy. To earn full credit, Kindergartners produce letters accurately, separate words with spaces, and produce words in the correct sequence. Responses with inventive or phonetic spelling can receive a score of 2.

Kindergarten Letter Writing, Word Writing, and Sentence Writing require students to produce letters and sequence letters to produce grade-appropriate words. Therefore, letter reversals can receive the highest score unless reversal changes the letter into a different letter (e.g., b for d).

The Write a Story rubric is the short constructed-response rubric, and evaluates three dimensions:

- The **Complexity/Quality of Language (CL/QL)** dimension evaluates the language and sentence structures used, including the number, type, and variety of sentences.

  Since typical sentence markers—a capital letter at the beginning and a period at the end—are often absent in English Language Learner/Multilingual Learner (ELL/MLL) writing, it is necessary to look for the elements of a basic sentence in English—a subject, a verb, and, perhaps, an object. When these elements are present and in the correct order (S-V-O), the student has produced a sentence. An increased number of sentences representing different ideas and varying structures is one indication of the complexity or development seen in higher-proficiency writing.

  Language complexity is also demonstrated in the type and accuracy of grammatical structures used. With the addition of structures such as prepositional and infinitive phrases, simple sentences take on some complexity and become expanded sentences. Advanced structures, like subordinate clauses (beginning with “because,” “when,” “if,” etc.), can also be found sometimes in higher-proficiency writing.

- The **Coherence of Response (CR)** dimension evaluates the sufficiency of descriptions, allowing students to draw and/or write to provide descriptions and events about a story or topic.
• The **Mechanics (M)** dimension evaluates clarity of meaning and the degree to which errors in spelling, capitalization, punctuation, and grammar obscure meaning. Because inventive spelling is developmentally appropriate for Kindergartners, responses with inventive or phonetic spelling can receive the highest possible score.

Capitalization and punctuation are only considered to the extent to which errors obscure meaning. A sentence that is recognizable without capitalization and punctuation is considered a sentence (for example, “dad sed I am Bize” (Dad said, “I am busy.”)). In upper-level writing (score points 3 and 4), there are usually fewer errors in mechanics than in lower-level writing (score points 1 and 2), but these types of errors may still be found at all levels of writing.

In general, judgments about writing will be based on the precision of word choice, the complexity of grammatical structures, and the relevance and coherence of ideas. Attention to mechanics depends on the extent to which meaning is obscured by errors. From lower to higher ability levels of writing, there is progressively greater fluency with fewer errors, more idiomatic language, and increased complexity.

QUESTION 5

Directions: I will read a story called “Sam the Zookeeper.” Then you will draw and write a story.

Sam works at the zoo. He takes care of the birds. Sam spends a lot of time at the zoo. First, he makes food for the birds. Then, he feeds them. Some birds eat during the day. Others eat at night. The birds also need to have fresh water to drink and take a bath. Last, Sam makes sure they are healthy and safe. Caring for the birds makes him happy.

This story is about the birds at a zoo. Some people have birds as pets. Which animal do you think is a good pet? I will give you time to draw a picture about the animal you think is a good pet. Then, I will ask you to write about the animal you think is a good pet. You will be able to go back and work on your drawing when you are finished writing.
