

Staff Evaluation Template Examples

Example A: Grade 4 Teacher

(Student Performance based on Alternate SLO, Optional Observation)

ALTERNATE SLO: The *original* measure per Task 2 of the approved APPR plan is a State-provided growth score, which means *original* score/rating should be excluded and the Required Student Performance subcomponent is based on the ALTERNATE SLO.

STUDENT PERFORMANCE

REQUIRED

The State-provided growth score cannot be included in the evaluation, therefore the **Alternate SLO¹** should be used. The Alternate SLO based on a district-wide measure using all applicable Regents exams results in a score of 16, which should be submitted for the **Required Student Performance subcomponent** (REQSP=16).

** The teacher should receive both a score of 16, and the corresponding rating of Effective for the Required Student Performance subcomponent.*

OPTIONAL

Since the district chose not to use the Optional subcomponent, an **Optional Student Performance subcomponent** score is not required, and nothing should be submitted (NO OPTSP).

** The teacher should not receive an Optional Student Performance subcomponent score or rating.*

** The Student Performance category rating should not be submitted; however, the teacher should receive a rating of Effective, based on only the Required subcomponent.*

TEACHER OBSERVATION

REQUIRED

The combination of the required principal and independent evaluator observations, based on the selected rubric, per the weighting indicated in the approved APPR plan, results in a score of 3.40, which should be submitted for the **Required Teacher Observation subcomponent** (REQOB=3.40).

** The teacher should receive both a score of 3.40, and the corresponding rating of Effective for their Required Teacher Observation subcomponent.*

OPTIONAL

** The teacher should receive both a score of 3.30, and the corresponding rating of Effective for their Optional Teacher Observation subcomponent.*

** The Teacher Observation category rating should not be submitted; however, the teacher should receive a rating of Effective, based on the combination of the Required and Optional subcomponents, per the weighting indicated in the approved APPR plan.*

OVERALL RATING

Receives an **Overall Rating** of Effective based on the combination of the Student Performance (Effective) and Teacher Observation (Effective) category ratings, per the matrix (OCR03).

** The teacher should receive a rating of Effective for their Overall Rating.*

¹ For APPR plans under Education Law §3012-d approved after March 10, 2016, Alternate SLOs are included in Tasks 2 and 7 Transition. For plans under Education Law §3012-d approved on or before March 10, 2016, Alternate SLOs are included on the approved Supplemental Form for Alternate SLOs.

Example B: High School Algebra Teacher

(Optional Student Performance based on additional State-provided growth score excluded)

OPTIONAL MEASURE EXCLUDED: The *original* optional measure per Task 3 of the approved APPR plan is based on an additional State-provided growth score, which means *original* score/rating should be excluded and student performance is based **ONLY** on the Required Student Performance subcomponent.

STUDENT PERFORMANCE

REQUIRED

Receives an SLO score of 18 based on the Algebra I Regents, per Task 2 of the approved APPR plan (an Alternate SLO is not needed) which should be submitted for the **Required Student Performance subcomponent** (REQSP=18).

** The teacher should receive both a score of 18, and the corresponding rating of Highly Effective for their Required Student Performance subcomponent.*

OPTIONAL

The optional measure, a second State-provided growth score, cannot be included in the evaluation; therefore, the **Optional Student Performance subcomponent** should not be submitted. (NO OPTSP)

** The teacher should not receive an Optional Student Performance subcomponent score or rating.*

** The Student Performance category rating should not be submitted; however, the teacher should receive a rating of Highly Effective, based on only the Required subcomponent.*

TEACHER OBSERVATION

The combination of the required principal and independent evaluator observations, based on the selected rubric, per the weighting indicated in the approved APPR plan, results in a score of 3.40, which should be submitted for the **Required Teacher Observation subcomponent** (REQOB=3.40).

** The teacher should receive both a score of 3.40, and the corresponding rating of Effective for his or her Required Teacher Observation subcomponent.*

OPTIONAL

District chooses not to use the Optional subcomponent; therefore, an **Optional Teacher Observation subcomponent** is not required, and nothing should be submitted (NO OPTOB).

STUDENT PERFORMANCE

REQUIRED

The school-wide measure based on State assessments cannot be included in transition, therefore the **Alternate SLO²** should be used.
