

Supports for Identified Districts  
and Schools – Update on Rollout  
of CSI Options

January 15 Title I  
Committee of  
Practitioners Meeting

# CSI Support Options

---

- **Enhancing Principal Leadership (EPL)**
  - A program designed to support Principals and District Leaders.
- **Instructional Coaching Consortium (ICC)**
  - A one-year professional development program to provide ongoing training and follow-up support for instructional coaches.
- **High School Redesign**
  - A partnership with the Cross State High School Collaborative (CSHSC) to provide support to NYS CSI schools who commit to locally-driven redesign.
- **School Comprehensive Education Plan (SCEP) Support Visits**
  - Visits focused on the SCEP goals the school developed in order to improve student outcomes, intended to drive the school's improvement initiatives throughout the year.

# High School Redesign

---

- 5 Districts
  - Buffalo
  - NYC – 3 schools
  - Syracuse
- 5 Schools & Principals
- Partnership with Johns Hopkins University

# High School Redesign Professional Learning Session #1

---

## Four Main Topics for the Day:

- Why redesign high schools and why we are redesigning our high school: the big picture and crafting an effective message for stakeholders
- How we are going to work together
- Establishing a shared understanding of school needs and informing high school redesign with student and community voice
- Building a strong high school redesign team and work plan
- *Throughout the day, school teams will connect and collaborate, explore evidence-based practices, and engage in design time with the aim to apply learnings to their unique school context.*

# High School Redesign 2020 Timeline

<b>January 10, 2020</b>	<b>1<sup>st</sup> Professional Learning Session with Johns Hopkins and NYSED (Syracuse) – “Introduction to HS Redesign”</b>
Mid February 2020	Individual calls with schools to support needs assessment work (Principal, District Contact, Johns Hopkins and NYSED)
March 3&4, 2020	2 <sup>nd</sup> Professional Learning Session with Johns Hopkins and NYSED (NYC, exact location TBD) – “Learn About Evidence Base for HS Redesign”
Late March	Support meeting (onsite) – Design guidance
April/May 2020	Additional assistance (virtual) as needed
June 2020	Schools submit HS Redesign plan to NYSED
July 2020	Support meeting (onsite or virtual) – Feedback on HS redesign plan
Summer 2020	3 <sup>rd</sup> Professional Learning Session with Johns Hopkins and NYSED (Buffalo, exact location TBD) – “Initial Launch, Training, and Capacity Building”

# SCEP Support Visit Option

---

- 58 Districts
- 101 Schools & Principals

# Vision for SCEP Support Visits

---

**Each visit will be designed to prompt reflection on the SCEP and identify if modifications are needed.**

**In addition, each visit will have an additional specific purpose based on when the visit occurs:**

- **October:** Identify how early implementation of SCEP is progressing
- **January:** Learn if Mid-Year Benchmarks were achieved
- **March/April:** Identify how lessons from 19-20 school inform 20-21 SCEP
- **June:** Learn if goals were achieved and review draft SCEP

# SCEP Support Visits

- Visits will build off of previous visits
- District Staff invited to attend

# SCEP Support Visits

---

**Review  
progress  
with each  
goal**

**Discuss  
perceptions  
with  
stakeholders**

**Observe  
how  
practices  
look in  
action**

**Identify if the  
SCEP should be  
updated**

# THANK YOU!
