Revised

Patrick Pomerville, Superintendent
Waterford-Halfmoon Union Free School District
125 Middletown Road
Waterford, NY 12188

Dear Superintendent Pomerville:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

Betty A. Rosa
Interim Commissioner

Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance.

The Department will review the contents of each local educational agency's (LEA) Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in an LEA's plan.

The Department reserves the right to request further information from an LEA to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Each LEA is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of an LEA's plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the LEA are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the LEA, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject or disapprove this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.

Each teacher shall have a Student Learning Objective (SLO) locally determined, consistent with the goal-setting process determined by the Commissioner.

Student Learning Objectives (SLOs)

For guidance on SLOs, see NYSED SLO Guidance.

SLOs shall be used for the required student performance measure for all teachers. The following must be used as the evidence of student learning within the SLO.

MEASURES

SLO measures may be either individually attributed or collectively attributed.

Individually attributed measures

An individually attributed SLO is based on the student population of a course for which the teacher directly contributes to student learning outcomes.

> Teacher and course-specific

- **Teacher and course-specific results:** scores and ratings will be based on the growth of students in the teacher's course in the current school year.

Collectively attributed measures

A collectively attributed SLO is based on a student population across multiple sections of the same course or across multiple courses where more than one teacher either directly or indirectly contributes to student learning outcomes. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where teachers have an opportunity to collectively impact student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> School- or program-wide

- **School- or program-wide results:** scores and ratings will be based on the growth of all students in a school or program who take the applicable assessments in the current school year.
- **School- or program-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses in the current school year.
- **School- or program-wide linked results:** scores and ratings will be based on the growth of students enrolled in the teacher's course in the current school year taking assessments in other grades/subjects.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses across buildings/programs in an LEA in the current school year.

ASSESSMENTS

Any of the measures above may be used with one or more of the following assessment types.

SLO Assurances**Please check the boxes below.**

- ☒ Assure that the teacher has an SLO as determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- ☒ Assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ Assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- ☒ Assure that if a teacher's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.
- ☒ Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the percentage of Student Performance category attributed to the Required subcomponent will be locally determined.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Annual Professional Performance Review - Education Law & §3012-d, amended in 2019**Task 3. TEACHERS: Optional Student Performance - Use of the Optional Subcomponent**

Page Last Modified: 09/28/2020

Optional Student Performance Subcomponent

For guidance on the Optional subcomponent of the Student Performance measure, see NYSED APPR Guidance.

Percentage of Student Performance category to be locally determined if selected.

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the LEA and be a locally selected measure of student growth or achievement based on State-created or -administered assessments or State-designed supplemental assessments.

Options for measures and associated assessments include:

- Option (A) A second SLO, provided that this SLO is different than that used in the required subcomponent;
- Option (B) A growth score based on a statistical growth model, where available, for either State-created or -administered assessments or State-designed supplemental assessments;
- Option (C) A measure of student growth, other than an SLO, based on State-created or -administered assessments or State-designed supplemental assessments;
- Option (D) A performance index based on State-created or -administered assessments or State-designed supplemental assessments;
- Option (E) An achievement benchmark on State-created or -administered assessments or State-designed supplemental assessments; or
- Any other collectively bargained measure of student growth or achievement included in the LEA's evaluation plan.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used in the Student Performance category for any teacher.

Annual Professional Performance Review - Education Law & §3012-d, amended in 2019**Task 4. TEACHERS: Observations - Rubric and Scoring**

Page Last Modified: 10/14/2020

Teacher Observation Category

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
NYSUT Teacher Practice Rubric (2012 Edition)	(No Response)

Rubric Assurances

Please check all of the boxes below.

- ☒ Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- ☒ Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the LEA, provided that LEAs may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year as indicated in the table above.
- ☒ Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Please describe the process for rating and scoring the selected practice rubric consistent with the Department's regulations.

Your description should provide the complete process, including the following:

- The process for designating observable components (please note: all educators of the same grade/subject must be evaluated based on the same set of observable components);
- The level at which components of the chosen rubric are rated (i.e., domain, subdomain, indicator, etc.);
- How the final score and rating for each observable component of the practice rubric is determined for each observer; and
- How the final score for the required (i.e., lead evaluator/evaluator; independent evaluator) and/or optional (peer observer, as applicable) subcomponent of the Observation category is determined based on the final score and rating for each observable component.

Example: All subcomponents of Domains 2-4 of the Danielson rubric have been negotiated as observable. Domains 2 and 3 are weighted as 40% each, and Domain 4 is weighted as 20%. For each observation, all observed subcomponents in a domain are weighted equally and averaged to create a domain score, which is then weighted as above and averaged to reach a final score for each observation. Scores for each observation are weighted equally and averaged to reach a final score for each observation type. The district will ensure that all subcomponents designated as observable will be observed at least once across the observation cycle.

All observable indicators will be weighted equally and averaged. The District will ensure that all subcomponents designated as observable will be observed at least once across the school cycle visit. The District observes the NYSUT-NYSED Rubric Indicators, Elements 2-4.

Scoring Assurances

Task 4. TEACHERS: Observations - Rubric and Scoring

Page Last Modified: 10/14/2020

Please check each of the boxes below.

- ☒ Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Teacher Observation Scoring Bands

The overall Observation score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

	Overall Observation Category Score and Rating	
	Minimum	Maximum
H	3.5 to 3.75	4.0
E	2.5 to 2.75	3.49 to 3.74
D	1.5 to 1.75	2.49 to 2.74
I	0.00*	1.49 to 1.74

* In the event that an educator earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

HEDI Ranges

Using the dropdown menus below, please indicate the locally-determined rubric scoring ranges based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents for each of the rating categories.

Please select a minimum value between 3.50 and 3.75 and choose 4.00 as the maximum value for the Highly Effective range.

	Minimum Rubric Score	Maximum Rubric Score
Highly Effective:	3.50	4.00

Please select a minimum value between 2.50 and 2.75 and a maximum value between 3.49 and 3.74 for the Effective range.

	Minimum Rubric Score	Maximum Rubric Score
Effective:	2.50	3.49

Please select a minimum value between 1.50 and 1.75 and a maximum value between 2.49 and 2.74 for the Developing range.

Observation Assurances

Please check all of the boxes below.

- ☒ Assure that the following elements will not be used in calculating a teacher's Observation category score and rating: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; and/or use of professional goal-setting as evidence of teacher effectiveness. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- ☒ Assure that the length of all observations for teachers will be conducted pursuant to the locally-determined durations.
- ☒ Assure that at least one of the required observations will be unannounced.

Required Subcomponent 1: Observations by Principal(s) or Other Trained Administrators

At least one observation must be conducted by building principal or other trained administrator and at least one of the required observations must be unannounced (across both required subcomponents).

- LEAs may locally determine whether to use more than one observation by principal or other trained administrator.
- Nothing shall be construed to limit the discretion of management to conduct observations in addition to those required by this section for non-evaluative purposes.
- The frequency and duration of observations are locally determined.
- Observations may occur in person or by live or recorded video, as determined locally.

		Teacher Observation Category			
		Highly Effective (H)	Effective (E)	Developing (D)	Ineffective (I)
Student Performance Category	Highly Effective (H)	H	H	E	D
	Effective (E)	H	E	E	D
	Developing (D)	E	E	D	I
	Ineffective (I)	D	D	I	I

Category and Overall Rating Assurances

Please check all of the boxes below.

- ☒ Assure that each subcomponent and category score and rating and the Overall rating will be calculated pursuant to the requirements specified in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that it is possible to obtain a zero in each subcomponent.
- ☒ Assure the overall rating determination for a teacher shall be determined according to the evaluation matrix.
- ☒ Assure that a student will not be instructed, for two consecutive school years, by any two teachers of the same subject in the same LEA, each of whom received an Ineffective rating under Education Law Section 3012-d in the year immediately prior to the school year in which the student is placed in the teacher's classroom unless the LEA has a Department-approved waiver from this requirement.

Teacher Improvement Plan Assurances

Please check each of the boxes below.

- ☒ Assure that the LEA will formulate and commence implementation of a Teacher Improvement Plan (TIP) for all teachers who receive an overall rating of Developing or Ineffective by October 1 following the school year for which such teacher's performance is being measured or as soon as practicable thereafter.
- ☒ Assure that TIP plans developed and implemented by the superintendent or his/her designee, in the exercise of their pedagogical judgment, and subject to collective bargaining to the extent required under article 14 of the Civil Service Law, shall include: identification of needed areas of improvement, a timeline for achieving improvement, the manner in which the improvement will be assessed, and, where appropriate, differentiated activities to support a teacher's improvement in those areas.

Teacher Improvement Plan Forms

All TIP plans developed and implemented by the superintendent or his/her designee, in the exercise of his/her pedagogical judgment, must include:

- 1) identification of needed areas of improvement;
- 2) a timeline for achieving improvement;
- 3) the manner in which the improvement will be assessed; and, where appropriate,

Annual Professional Performance Review - Education Law §3012-d, amended in 2019**Task 6. TEACHERS: Additional Requirements - Appeals**

Page Last Modified: 10/14/2020

Appeal Assurance**Please check the box below.**

- ☒ Assure the LEA has collectively bargained appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.

Appeals

Pursuant to Education Law §3012-d, a teacher may only challenge the following in an appeal to their LEA:

(1) the substance of the annual professional performance review; which shall include the following:

(i) in the instance of a teacher rated Ineffective on the Student Performance category, but rated Highly Effective on the Observation category based on an anomaly, as determined locally;

(2) the LEA's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d;

(3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents; and

(4) the LEA's issuance and/or implementation of the terms of the teacher improvement plan, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

Annual Professional Performance Review - Education Law & §3012-d, amended in 2019**Task 6. TEACHERS: Additional Requirements - Appeals**

Page Last Modified: 10/14/2020

Describe the procedure for ensuring that appeals of annual performance evaluations will be resolved in a timely and expeditious manner.

APPR Appeals**A. Teacher Request for Supporting Documents**

Within three (3) school days of receipt of the APPR, or within ten (10) days of having informed the principal that the teacher believes that terms of the Teacher Improvement Plan have not been implemented, a teacher may request, in writing, that the lead evaluator issuing the APPR or the principal who is believed to have violated the terms of the Teacher Improvement Plan provide to the teacher and the superintendent of schools a copy of any and all documents and written materials upon which the APPR was based. If the requested documents include an assessment, the teacher will be provided an opportunity to review the requested assessment in the presence of a lead evaluator. The authoring lead evaluator shall provide all such documents within three (3) school days of the request. Only materials provided in response to this request shall be considered in the deliberations as to the validity of the APPR.

B. Right to Appeal

- 1.) Only tenured teachers who receive an APPR rating of "Ineffective" or "Developing," or teachers who believe that there has been a violation of the Teacher Improvement Plan, may appeal their APPR through the procedure herein. A teacher may file only one appeal from a single APPR.
- 2.) Probationary teachers may not file appeals through the procedure established herein but may file a written rebuttal which shall be attached to the APPR. Only probationary teachers may challenge claims of APPR procedural violations through the contractual grievance procedure.

C. Filing of Appeal by Tenured Teacher

A tenured teacher may file a written appeal of the APPR or TIP within ten (10) school days of the receipt of the requested supporting documents. Any appeal shall be filed with the superintendent of schools.

An appeal of an APPR must be based upon one or more of the following grounds:

1. The substance of the APPR;
2. The instance of a Highly Effective on the observation subcomponent and an Ineffective on the student performance subcomponent based on an anomaly, as determined locally;
- c. The District's failure to adhere to the standards and methodologies required for the APPR that are set forth in *Education Law* §3012-d and applicable rules and regulations; as well as the emergency regulations.
- d. The District's failure to comply with locally negotiated procedures; and
- e. The District's failure to issue and/or implement the terms of the Teacher Improvement Plan, where applicable, as required under *Education Law* §3012-d.

The written appeal document must clearly identify the grounds for appeal, and shall explain, in detail, why the appealing teacher believes the APPR should be modified or vacated.

1. Review by APPR Appeals Committee

Appeals shall be referred for consideration by the APPR Appeals Committee, a committee made up of:

1. the Superintendent of Schools,
2. one administrator from within the District appointed by the Superintendent of Schools, and
3. two tenured teachers from within the District appointed by the Waterford Teachers' Association Executive Board.

All members shall be required to complete the training required of lead evaluators under the APPR regulations prior to hearing any APPR appeal.

No teacher who authored an APPR may be appointed to the APPR Appeals Committee for the purpose of reviewing his/her own appeal.

If a member of the committee wishes to be excused from consideration of any appeal, the member will be excused without prejudice. If the excused member is an administrator, the Superintendent of Schools will select a suitable replacement. If the member is a teacher, the Waterford Teachers' Association will select a suitable replacement.

The Superintendent of Schools and the Waterford Teachers' Association agree that no APPR Appeals Committee shall include members whose working or social relationship with the appealing teacher presents a conflict of interest. If a perceived conflict of interest is brought to the attention of the APPR Appeals Committee, the President of the Waterford Teachers' Association (or designee) and the Superintendent of Schools shall come to consensus on whether such perceived conflict of interest requires a change in committee membership for that appeal.

The APPR Appeals Committee shall not include a lead evaluator (including the Superintendent of Schools) who has conducted an evaluation the substance of which is being appealed. The Superintendent of Schools shall appoint an administrator as a replacement to sit on the committee in such a case.

The APPR Appeals Committee shall convene to consider the appeal within ten (10) school days of the filing of the appeal. The initial review of the written appeal, including any and all documents provided in Section A of the appeals process, shall take place at the committee's first scheduled meeting. The appealing teacher and the authoring administrator shall make themselves available for the duration of the Committee's meetings. At the discretion of the committee, the appealing teacher and/or authoring administrator may be invited to provide clarification during this review.

It shall be the duty of the committee to answer the question, "has the teacher demonstrated that the APPR should be modified or vacated?" In the course of answering this question, the committee may consider claims of procedural violations and shall determine whether the claimed violations are

Annual Professional Performance Review - Education Law & 3012-d, amended in 2019**Task 6. TEACHERS: Additional Requirements - Appeals**

Page Last Modified: 10/14/2020

significant enough to negate the APPR.

1. Determination of Appeal

Upon the conclusion of its consideration of an appeal, each member of the committee shall vote to either uphold the APPR, modify the APPR, or vacate the APPR. It shall be the committee's duty to arrive at a decision. The committee shall be considered to have reached its decision when a majority vote has occurred (i.e., 3-1, 4-0).

The committee shall give written notice of its decision (each) within five (5) school days of the committee convening to the Superintendent of Schools, and the decision of the committee shall be final. The Superintendent of Schools shall schedule a meeting with the appealing teacher (and an association representative if desired) to discuss the findings of the committee within five (5) school days of receipt of the committee's decision.

1. Costs

All costs associated with APPR appeal process including, but not limited to, substitute pay and training for Waterford Teachers' Association members who will sit on an appeals committee, shall be borne by the District in their entirety.

1. Professional Conduct

The appeal process, by nature, is a confidential matter. Members of the appeals committee are prohibited from discussing any aspect of an appeal with any person other than (1) those who sit on the committee for an appeal, and (2) in cases where it is warranted, the appealing teacher and/or the lead evaluator. Under no circumstance should the details of an appeal be discussed beyond a scheduled meeting of the appeals committee, or as procedure allows in this document.

H. Exclusivity of Appeal Process

The APPR appeals process set forth herein shall be the sole method of appealing either an APPR or claimed violations of the procedural or substantive requirements of the APPR process. Except as specifically allowed in Section B2, there shall be no appeal allowed through the contractual grievance procedure or to any administrative or judicial tribunal.

Annual Professional Performance Review - Education Law & §3012-d, amended in 2019**Task 6. TEACHERS: Additional Requirements - Training**

Page Last Modified: 10/14/2020

Training Assurance**Please check the box below.**

- ☒ The LEA assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the approximate duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

The district will ensure that all evaluators (Lead, Independent, and Evaluator) are properly trained and certified to complete an individual's performance review. Evaluator training will be conducted by appropriately qualified individuals or entities.

The District will ensure that all evaluators are trained as lead evaluators. The Board of Education will certify lead evaluators upon receipt of proper documentation that the individual has fully complete training. Re-training is approximately six(6) hours a year. The office of the superintendent will maintain records of certification of evaluators.

Evaluator training will occur regionally in cooperation with the WSWHE BOCES. Approximately 1.5 days of training will be provided for Lead Evaluators Training. Training will be conducted by WSWHE BOCES Network Team personnel and/or personnel authorized to train on behalf of an evaluation rubric approved by NYSED. Evaluators will be recertified on an annual basis, to be determined by the District.

For all evaluators training will include:

- The training will include the nine(9) required elements from the Board of Regents, 30-3.10

The District maintains inter-rater reliability in accordance with NYSED guidance and protocols recommended in training for all evaluators. This process includes measures such as: data analysis; periodic comparisons of assessments; and/or annual calibration sessions across evaluators.

Page Last Modified: 09/28/2020

Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.

Required Student Performance Measures

Student performance for principals may be measured by either a student learning objectives (SLO) or an Input Model where the principal's overall rating shall be determined based on evidence of principal practice that promotes student growth related to the Leadership Standards.

STUDENT LEARNING OBJECTIVES

For guidance on SLOs, see NYSED SLO Guidance.

SLO measures may be either individually attributed or collectively attributed.

Individually attributed measures

An individually attributed SLO is based on the learning outcomes of a student population within the principal's building or program.

> Principal and building/program-specific

- **Principal and building/program-specific results:** scores and ratings will be based on the growth of students in the principal's building/program in the current school year.

Collectively attributed measures

A collectively attributed SLO is based on a student population across multiple buildings/programs of similar grade configuration or across multiple building/programs where the learning activities of one building/program indirectly contribute to student learning outcomes in another building/program. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where there is an opportunity for a collective impact on student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of principals will be based on the growth of students in the group/team of principals' buildings/programs in an LEA in the current school year.

ASSESSMENTS

Any of the measures above may be used with one or more of the following assessment types.

- **State assessment(s);** or
Assessment(s) that are selected from the list of State-approved:
- **third party assessments;** or
- **locally-developed assessments** (district-, BOCES- or regionally-developed).

INPUT MODEL

Selection of the Input Model will require:

Annual Professional Performance Review - Education Law & § 3012-d, amended in 2019**Task 7. PRINCIPALS: Required Student Performance - Information and Assurances**

Page Last Modified: 09/28/2020

- a description of the areas of principal practice that will be evaluated;
- a description of how the selected areas of principal practice promote student growth;
- a description of the evidence of student growth and principal practice that will be collected; and
- a description of how the district will use the evidence to differentiate effectiveness resulting in a score from 0 to 20 and ratings of Highly Effective, Effective, Developing, or Ineffective.

Assurances**Please check all of the boxes below.**

- ☒ Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.
- ☒ For principals evaluated using an SLO, assure that such SLO is determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- ☒ For principals evaluated using an SLO, assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ For principals evaluated using an SLO, assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- ☒ For principals evaluated using an SLO, assure that if the principal's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- ☒ For principals evaluated using an input model, assure that all applicable principals will be evaluated using the procedures described herein and approved by the Commissioner.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs and input models.
- ☒ Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

Principal School Visit Category

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Principals' professional performance shall be evaluated based on a State-approved rubric using multiple sources of evidence collected and incorporated into the school visit protocol. Where appropriate, such evidence may be aligned to building or district goals; provided, however, that professional goal-setting may not be used as evidence of teacher or principal effectiveness. Such evidence shall reflect school leadership practice aligned to the Leadership Standards and selected practice rubric.

Principal Practice Rubric

Select a principal practice rubric from the menu of State-approved rubrics to assess performance based on ISLLC 2008 Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of principals each rubric applies to.
Multidimensional Principal Performance Rubric	(No Response)

Rubric Assurances

Please check all of the boxes below.

- ☒ Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- ☒ Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the LEA, provided that LEAs may locally determine whether to use different rubrics for a principal assigned to different programs or grade configurations as indicated in the table above.
- ☒ Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Task 9. PRINCIPALS: School Visits - Rubric and Scoring

Page Last Modified: 10/07/2020

Please describe the process for rating and scoring the selected practice rubric consistent with the Department's regulations.

Your description should provide the complete process, including the following:

- The process for designating observable components (please note: all principals of the same building configuration/program must be evaluated based on the same set of observable components);
- The level at which components of the chosen rubric are rated (i.e., domain, subdomain, indicator, etc.);
- How the final score and rating for each observable component of the practice rubric is determined for each observer; and
- How the final score for the required (i.e., lead evaluator/evaluator; independent evaluator) and/or optional (peer principal, as applicable) subcomponent of the School Visit category is determined based on the final score and rating for each observable component.

Example: All subcomponents of Domains 1-4 of the MPPR rubric have been negotiated as observable. Domains 1, 2 and 3 are weighted as 30% each, and Domain 4 is weighted as 10%. For each school visit, all observed subcomponents in a domain are weighted equally and averaged to create a domain score, which is then weighted as above and averaged to reach a final score for each school visit. Scores for each school visit are weighted equally and averaged to reach a final score for each school visit type. The district will ensure that all subcomponents designated as observable will be observed at least once across the school visit cycle.

All observable subcomponents will be weighted equally and averaged. All subcomponents of Domains 1-4 of the MPPR rubric have been negotiated as observable. The district will ensure that all subcomponents designated as observable will be observed at least once across the school visit cycle.

Scoring Assurances

Please check each of the boxes below.

- ☒ Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all school visits, a score of 0 will be assigned.

Principal School Visit Scoring Bands

The overall School Visit score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

Annual Professional Performance Review - Education Law §3012-d, amended in 2019**Task 11. PRINCIPALS: Additional Requirements - Appeals**

Page Last Modified: 10/15/2020

Describe the procedure for ensuring that appeals of annual performance evaluations will be resolved in a timely and expeditious manner.

1. Principal Request for Supporting Documents

Within three (3) school days of receipt of the APPR, or within ten (10) days of informing the superintendent in writing that the principal believes that terms of the Principal Improvement Plan have not been implemented, a principal may request, in writing, that the superintendent issuing the APPR provide to the principal a copy of any and all documents and written materials upon which the APPR was based. The superintendent shall provide all such documents within three (3) school days of the request. Only materials provided in response to this request shall be considered in the deliberations as to the validity of the APPR.

1. Right to Appeal

1.) Principals who receive an APPR rating of "Ineffective" or "Developing" or who believe that there has been a violation of the Principal Improvement Plan may appeal their APPR through the procedure herein. A principal may file only one appeal from a single APPR.

C. Filing of Appeal by Principal

A principal may file a written appeal of the APPR or PIP within ten (10) school days of the receipt of the requested supporting documents. Any appeal shall be filed with the superintendent of schools.

An appeal of an APPR or PIP must be based upon one or more of the following grounds:

1. The substance of the APPR;
 - The instance of a Highly Effective on the observation subcomponent and an Ineffective on the student performance subcomponent based on an anomaly, as determined locally
- b. The District's failure to adhere to the standards and methodologies required for the APPR that are set forth in *Education Law* §3012-d and applicable rules and regulations;
 - c. The District's failure to comply with locally negotiated procedures; and
 - d. The District's failure to issue and/or implement the terms of the Principal Improvement Plan, where applicable, as required under *Education Law* §3012-d.

The written appeal document must clearly identify the grounds for appeal, and shall explain, in detail, why the appealing principal believes the APPR should be modified or vacated.

D. Review of APPR Appeal

Appeals shall be referred for consideration by the principal and the superintendent to two (2) New York State certified school administrators (SBA, SDA, SBL, SDL), one chosen by the Waterford Administrators' Association and one chosen by the superintendent of schools. The selections shall be mutually agreed upon between the Waterford Administrators' Association and one chosen by the superintendent of schools.

The written APPR Appeal shall be forwarded by the superintendent to the individuals selected by the WAA within five (5) school days of the filing of the appeal. The appealing principal and the superintendent authoring the APPR shall make themselves available for the duration of the appeal. At the discretion of the individual receiving the appeal, the appealing principal and/or superintendent authoring the APPR may be invited to provide clarification during the review.

It shall be the duty of the individuals receiving the appeal to answer the question, "has the principal demonstrated that the APPR should be modified or vacated?" In the course of answering this question, claims of procedural violations may be considered and shall determine whether the claimed violations are significant enough to negate the APPR.

E. Determination of Appeal

The individuals receiving the appeal shall reach a decision and give written notice of his/her decision within five (5) school days of the panel convening to the Superintendent of Schools, and this decision shall be final. The Superintendent of Schools shall schedule a meeting with the appealing principal (and an association representative if desired) to discuss the findings of the appeal within five (5) school days of receipt of the decision.

F. Costs

All costs associated with APPR appeal process shall be borne by the District in their entirety.

G. Professional Conduct

The appeal process, by nature, is a confidential matter. The WAA and the Superintendent of Schools are prohibited from discussing any aspect of an appeal with any person other than (1) the individual receiving the appeal as selected by the WAA, and (2) in cases where it is warranted, the appealing principal and the Superintendent of Schools. Under no circumstance should the details of an appeal be discussed beyond a scheduled meeting or as procedure allows in this document.

H. Exclusivity of Appeal Process

The APPR appeals process set forth herein shall be the sole method of appealing either an APPR or claimed violations of the procedural or substantive requirements of the APPR process.

Training Assurance**Please check the box below.**

- ☒ The LEA assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a principal's evaluation. Note: independent evaluators and peer principals need only be trained on elements 1, 2, and 4 below.

Training of Lead Evaluators, Evaluators, Independent Evaluators, and Peer Principals and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent evaluators and peer principals, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent evaluators and peer principals;
- 2) the process for the certification and re-certification of lead evaluators;

- 4) the nature (content) and the approximate duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent evaluators and peer principals, and certifying and re-certifying lead evaluators.

The district will ensure that all evaluators (Lead, Independent, and Evaluator), are properly trained and certified to complete an individual's performance review. Evaluator training will be conducted by appropriately qualified individuals or entities.

The District will ensure that all evaluators are trained as lead evaluators. The Board of Education will certify lead evaluators upon receipt of proper documentation that the individual has fully complete training. Re-training is approximately six(6) hours a year. The office of the superintendent will maintain records of certification of evaluators.

Evaluator training will occur regionally in cooperation with the WSWHE BOCES. Approximately 1.5 days of training will be provided for Lead Evaluators Training. Training will be conducted by WSWHE BOCES Network Team personnel and/or personnel authorized to train on behalf of an evaluation rubric approved by NYSED. Evaluators will be recertified on an annual basis, to be determined by the District.

For all evaluators the training will include:

- The training will include the nine(9) required elements from the Board of Regents, 30-3.10

The District maintains inter-rater reliability in accordance with NYSED guidance and protocols recommended in training for all evaluators. This process includes measures such as: data analysis; periodic comparisons of assessments; and/or annual calibration sessions across evaluators.
