Revised

Charles G. Chafee, Superintendent
Waterville Central School District
381 Madison Street
Waterville, NY 13480

Dear Superintendent Chafee:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia
Commissioner

NOTE:

Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

Annual Professional Performance Review - Education Law §3012-d**Task 1. General Information - Tasks 1.1, 1.2**

Task 1) Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

1.1) Assurances**Please check all of the boxes below**

- ☒ Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- ☒ Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

1.2) Submission Status

Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?

Submission of material changes to an APPR plan approved pursuant to Education Law §3012-d

Task 2) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

2.1) Assurances

Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).

Please check the boxes below.

- ☒ Assure that the growth score provided by NYSED will be used, where required.
- ☒ Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- ☒ For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

2.2) Grades 4-8 ELA and Math: Assessments (Original)**STATE-PROVIDED MEASURES OF STUDENT GROWTH**

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

Using the drop-down boxes below, please select the assessment(s) that will be used for the back-up SLOs for the grade/subject listed beginning in the 2019-20 school year.

2.12) Teachers with More Than One Growth Measure (Original)

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

2.13) Assurances

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance.

Please check the boxes below.

- ☒ Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- ☒ Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ Assure that all growth targets are approved by the superintendent or another trained administrator.
- ☒ Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- ☒ Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

2.14) Use of the Optional Subcomponent and Student Performance Category Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Task 2) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)*The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.*

For guidance on the Required subcomponent of the Student Performance category or guidance on the use of alternate SLOs during the transition period, see NYSED APPR Guidance.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Using the table below, please first select a measure and assessment(s) that will be used for the alternate SLO during the 2016-17 through 2018-19 school years, then indicate the applicable courses. If all other courses listed in Original Task 2.10 are using Alternate SLOs, and such Alternate SLOs will be based on the same measures and assessments, please select "Other Courses as listed in Original Task 2.10" in the Applicable Course(s) column.

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the district/BOCES and be either:

(A) a second State-provided growth score on a State-created or administered test, provided that the State-provided growth measure is different than that used in the Required subcomponent, or

(B) a growth score based on a State-designed supplemental assessment, calculated using a State-provided or approved growth model.

3.1) Use of the Optional Subcomponent of the Student Performance Category

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used in the Student Performance category for any teacher.

4.1) Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
NYSUT Teacher Practice Rubric (2012 Edition)	(No Response)

4.2) Assurances

Please check all of the boxes below.

- ☒ Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- ☒ Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year as indicated in Task 4.1 above.
- ☒ Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

4.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable components will be weighted equally and averaged.

4.4) Calculating Observation Ratings**Assurances**

Please check each of the boxes below.

- ☒ Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check each of the following boxes.

- ☒ Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.
- ☒ Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.4(d)(2)(i)(b)(2) of the Rules of the Board of Regents.

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.**Appeal Process**

The purpose of the internal APPR appeals process is to foster and nurture growth of the professional staff in order to maintain a highly qualified and effective work force. The Appeals Procedure shall provide for the timely and expeditious resolution of the appeal. All tenured and probationary teachers who meet the appeal process criteria identified below may use this appeal process. A teacher may not file multiple appeals regarding the same performance review, i.e., all grounds for appeal must be made in the form of a single appeal.

• APPR Subject to Appeal Procedure

Any unit member aggrieved by an APPR rating of either “ineffective” or “developing” may challenge that APPR.

In accordance with Regents Rule 30-3.12, an APPR which is the subject of a pending appeal shall not be sought to be offered in evidence or placed in any Education Law 3020-a/b proceeding, or any locally negotiated procedure, until the appeal process is concluded.

• Grounds for an Appeal

An appeal may be filed for any substantive or procedural issues challenging the APPR based upon one or more of the following grounds:

- (1) the substance of the annual professional performance review; which shall include the following:
 - in the instance of a teacher rated Ineffective on the student performance category but rated Highly Effective on the observation/school visit category based on an anomaly, as determined locally.
- (2) the district's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents;
- (3) the adherence to the regulations of the commissioner and compliance with any applicable locally negotiated procedures, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents; and
- (4) district's issuance and/or implementation of the terms of the teacher improvement plan under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

• Notification of the Appeal

In order to be timely, the notification of the APPR appeal shall be filed, in writing, within fifteen (15) calendar days after the teacher has received the APPR. Notification of the appeal shall be provided to the Superintendent of Schools.

The appeal shall be decided upon the evaluation and/or improvement plan record alone. Upon request of the employee, the Superintendent or designated appeal officer will provide him/her and a union representative (should the employee so choose) with an opportunity to meet to review the merits of his/her appeal. However, no additional information or evidence beyond that already in the evaluation record shall be considered by the appeal officer.

• Hearing

A hearing will be held within five (5) school days of the receipt of an appeal by the Superintendent. In the event that a conflict of interest arises the Superintendent and the Association will resolve the issue by mutual consent in a timely and expeditious manner in accordance with Education Law 3012-d. All materials must be submitted prior to or at the hearing to be considered in the deliberations related to the resolution of the appeal.

• Written Response to the Appeal

Within thirty (30) calendar days of the conclusion of the hearing, the Superintendent or his/her designee must submit a detailed written response. The response must include any and all additional documents or written materials that are specific to the point(s) of disagreement and/or are relevant to the resolution of the appeal. Any material not submitted prior to or at the hearing shall not be considered in the deliberations related to the resolution of the appeal.

• Burden of Proof

In an appeal, the teacher has the burden of demonstrating a clear legal right to the relief requested and the burden of establishing the facts upon which the petitioner seeks relief.

• Exclusivity of 3012-d Appeal Procedure

The 3012-d appeal procedure shall constitute the exclusive means for initiating, reviewing, and resolving any and all challenges and appeals related to a teacher performance review. The decision by the Superintendent or his/her designee with respect to such appeal shall be final and binding. A teacher may not resort to any other contractual grievance procedures for the resolution of challenges and appeals related to a professional performance review and/or improvement plan, except as otherwise authorized by law.

Nothing shall preclude an employee from raising any substantive or procedural issue as affirmative defense in 3020-a and 3020-b.

The timeline set forth in this Appeals Procedure shall be strictly enforced. A failure to bring an appeal within the established time lines set forth above will be deemed otherwise waived, and not subject to review in any other form including the Commissioner or the courts.

6.5) Assurance: Evaluators

Annual Professional Performance Review - Education Law §3012-d**Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9**

Please check the box below.

- ☒ The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

Annual Professional Performance Review - Education Law §3012-d**Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9**

Page Last Modified: 03/13/2018

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**• Nature of Training Provided to Evaluators**

(a) The administrator who is primarily responsible for a teacher's evaluation under Section 30-3.10 of the Rules of the Board of Regents is considered the "lead evaluator." Within the Waterville Central School District these individuals will be the Junior-Senior High School Principal and the Elementary School Principal (90% weighting). Independent evaluators (10% weighting) within the Waterville Central School District must also be qualified evaluators (i.e. CSE chair, Athletic Director, or qualified BOCES lead evaluators).

(b) Annually all evaluators shall successfully complete a minimum of three (3) training courses (lasting at least a total of nine hours) that meet the minimum requirements prescribed in Section 30-3.10 of the Rules of the Board of Regents and the regulations there under. Such training shall include application and use of the State-approved teacher practice rubric(s) selected by the District for use in evaluations.

(c) Once an evaluator has successfully completed a training course meeting the minimum requirements prescribed in the law and regulations, he/she shall be certified by the District Board of Education as a lead and/or independent evaluator.

(d) Evaluators will complete training offered by the company supporting the Rubric approved by the State Education Department and selected by the APPR team.

(e) Nothing herein shall be construed to prohibit an evaluator who is properly certified by the State as a school administrator from conducting classroom observations/evaluations or school visits as part of an annual professional performance review under Section 30-3.10 of the Rules of the Board of Regents prior to completion of the training required, as long as such training is successfully completed prior to completion of the annual professional performance review.

• Lead Evaluators and Independent Evaluators

A. A lead evaluator is the primary person responsible for a teacher's evaluation. Typically, the lead evaluator is the person who completes and signs the annual professional performance review. To the extent possible, a principal should be the lead evaluator of a classroom teacher.

The District will ensure that all lead & independent evaluators are properly trained and certified to complete an individual's performance review. Evaluator training will be conducted by properly credentialed personnel. Evaluator training will occur regionally. This training will include the following elements in accordance with Subpart 30-3.10 of the Rules of the Board of Regents:

- the New York State Teaching Standards and their related elements and performance indicators;
- evidence-based observation techniques that are grounded in research;
- application and use of the student growth percentile model and any other growth model approved by the Department as defined in section 30-3.2 of the Rules of the Board of Regents;
- application and use of the State-approved teacher rubric(s) selected by the district for use in evaluations, including training on the effective application of such rubric(s) to observe teacher practice;
- application and use of any assessment tools that the district utilizes to evaluate its classroom teachers;
- application and use of any locally selected measures of student growth used in the optional subcomponent of the Student Performance Category used by the district to evaluate its teachers;
- use of the statewide instructional reporting system;
- the scoring methodology utilized by the department and/or the district to evaluate a teacher under section 30-3.2 of the Rules of the Board of Regents, including the weightings of each subcomponent within a category; how overall scores/ratings are generated for each subcomponent and category and application and use of the evaluation matrix(es) prescribed by the commissioner for the four designated rating categories used for the teacher's overall rating and their category ratings; and
- specific considerations in evaluating teachers of English language learners and students with disabilities.

B. The District's process for certifying and re-certifying lead & independent evaluators and for maintaining inter-rater reliability:

The Board of Education, upon presentation of evidence that lead & independent evaluators have satisfactorily completed appropriate evaluator training (as detailed above) shall certify the evaluators are qualified to conduct Annual Professional Performance Review evaluations. Once each year thereafter, the Board of Education shall review and re-certify lead & independent evaluators for the district.

Working with other component districts in the O-H-M BOCES region, or other alliances, the District will develop a process for evaluating inter-rater reliability, as required by law using tools such as data analysis to detect disparities on the part of one or more evaluators; periodic comparisons of a lead evaluator's assessment with another evaluator's assessment of the same classroom teacher or building principal; and/or annual calibration sessions across evaluators.

6.7) Assurances: Teacher Evaluation

Please check all of the boxes below.

- ☒ Assure that the district/BOCES shall compute and provide to the teacher their score and rating for the Student Performance category, if available, and for the Teacher Observation category for the teacher's Annual Professional Performance Review, in writing, no later than the last school day of the school year for which the teacher is being measured, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.

- ☒ Assure that teachers will receive timely and constructive feedback as part of the evaluation process.
- ☒ Assure that the following prohibited elements listed in Education Law §3012-d(6) are not being used as part of any teacher's evaluation: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of teacher effectiveness; any district or regionally-developed assessment that has not been approved by the Department; and any growth or achievement target that does not meet the minimum standards as set forth in regulations of the Commissioner. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall compute and provide teachers whose Student Performance Category measures are based, in whole or in part, on the grades 3-8 ELA/math State assessments and/or State-provided growth scores with their APPR transition scores and ratings as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall provide such teachers with their original composite rating by September 1 of the school year next following the school year for which the teacher's performance is being measured, or as soon as practicable thereafter.

6.8) Assurances: Assessments**Please check all of the boxes below.**

- ☒ Assure that, where applicable, if students take more than one version of the Regents assessment for a particular content area, then the district/BOCES will use the higher of the two scores to determine whether a student has met his/her growth target.
- ☒ Assure that the amount of time devoted to traditional standardized assessments that are not specifically required by state or federal law for each classroom or program within a grade level does not exceed, in the aggregate, one percent of the minimum required annual instructional hours for the grade.
- ☒ Assure that individuals with vested interest in the outcome of their assessments are not involved, to the extent practicable, in the administration and scoring of those assessments.
- ☒ Assure that, where there is more than one version of a Regents assessment for a content area, that the district/BOCES will only administer both assessments within the timeframes prescribed by the Commissioner. Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

6.9) Assurances: Data**Please check all of the boxes below.**

- ☒ Assure that SED will receive accurate teacher and student data, including enrollment and attendance data, and any other student, teacher, school, course, and teacher/student linkage data necessary to comply with regulations, in a format and timeline prescribed by the Commissioner.

Annual Professional Performance Review - Education Law §3012-d**Task 7. Original Student Performance - Required (Principals) - Original Task 7.1 (State-Provided Growth Measures)**

Page Last Modified: 03/13/2018

Task 7) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

7.1) State-Provided Measures of Student Growth (Original)

Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments for which there is a State growth model (e.g., K-5, K-6, 6-8, 6-12, 9-12, etc.).

For principals where less than 30% of their students are covered under a State-provided growth measure, please use Task 7.2.

For the 2015-16 through 2018-19 school years, principals of buildings or programs that include all of grades 9-12 who receive State-provided growth scores based on Regents assessments set back-up SLOs based on Regents assessments.

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal. Principals of buildings or programs that include all of grades 9-12 who receive State-provided growth scores based on Regents assessments should continue to set back-up SLOs based on Regents assessments in the 2019-20 school year and thereafter.

Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, K-6, 6-8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for back-up SLOs.

For each grade configuration indicate the following:

Column 1: lowest grade that corresponds to the building or program

Column 2: highest grade that corresponds to the building or program

Column 3: assessment(s) used

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) assessment(s)
Grades K-6 Building	K	6	NYS Grade 4 ELA, NYS Grade 5 ELA, NYS Grade 6 ELA, NYS Grade 4 Math, NYS Grade 5 Math, NYS Grade 6 Math
Grades 7-12 Building	7	12	Grade 7 ELA, Grade 7 Math, Grade 8 ELA, Grade 8 Math, All applicable Regents assessments which are used to generate the principal's State-provided growth score

Using the table below, please select the assessment(s) that will be used for the back-up SLOs beginning in the 2019-20 school year for each grade configuration listed. The SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

7.1) Assurances

Please check the boxes below.

- ☒ Assure that the growth score provided by NYSED will be used, where required.
- ☒ Assure that, for principals of buildings that do not include all of grades 9-12, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator in the event that a State-provided growth score cannot be generated for that principal and that principals of buildings that include all of grades 9-12 will have back-up SLOs set by the superintendent or another trained administrator in all school years.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

7.4) Principals with More Than One Growth Measure (Original)

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO Guidance.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

7.5) Assurances

Please check all of the boxes below.

- ☒ Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- ☒ Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- ☒ Assure that all growth targets are approved by the superintendent or another trained administrator.
- ☒ Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- ☒ Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

7.6) Student Performance Subcomponent Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Page Last Modified: 03/13/2018

Task 7) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)*The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.*

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance and guidance on the use of alternate SLOs during the transition period.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

For each grade configuration indicate the following:

Column 1: lowest grade that corresponds to the building or program

Column 2: highest grade that corresponds to the building or program

Column 3: measure used

Column 4: assessment(s) used

Follow the examples below.

Using the table below, please select the assessment(s) that will be used for the alternate SLOs during the 2016-17 through 2018-19 school years for each grade configuration listed. In all other school years, the SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

- ☒ Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for a principal assigned to different grade level configurations or building types as indicated in Task 9.1 above.
- ☒ Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

9.3) Process for Weighting Rubric Domains/Subcomponents

Please check each of the boxes below.

- ☒ Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

See Section 30-3.5(d)(1)(ii)(a) of the Rules of the Board of Regents.
- ☒ Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 9 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.5(d)(1)(ii)(b) of the Rules of the Board of Regents.

Page Last Modified: 03/13/2018

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.**• Appeal Process**

The purpose of the internal APPR appeals process is to foster and nurture growth of the professional staff in order to maintain a highly qualified and effective work force. The Appeals Procedure shall provide for the timely and expeditious resolution of the appeal. All tenured and probationary principals who meet the appeal process criteria identified below may use this appeal process. A principal may not file multiple appeals regarding the same performance review, i.e., all grounds for appeal must be made in the form of a single appeal.

• APPR Subject to Appeal Procedure

Any principal aggrieved by an APPR rating of either “ineffective” or “developing” may challenge that APPR.

In accordance with Regents Rule 30-3.12, an APPR which is the subject of a pending appeal shall not be sought to be offered in evidence or placed in any Education Law 3020-a/b proceeding, or any locally negotiated procedure, until the appeal process is concluded.

• Grounds for an Appeal

An appeal may be filed for any substantive or procedural issues challenging the APPR based upon one or more of the following grounds:

(1) the substance of the annual professional performance review; which shall include the following:

in the instance of a principal rated Ineffective on the student performance category but rated Highly Effective on the observation/school visit category based on an anomaly, as determined locally.

(2) the district's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents;

(3) the adherence to the regulations of the commissioner and compliance with any applicable locally negotiated procedures, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents; and

(4) district's issuance and/or implementation of the terms of the principal improvement plan under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

• Notification of the Appeal

In order to be timely, the notification of the APPR appeal shall be filed, in writing, within fifteen (15) calendar days after the principal has received the APPR. Notification of the appeal shall be provided to the Superintendent of Schools.

The appeal shall be decided upon the evaluation and/or improvement plan record alone. Upon request of the employee, the Superintendent or designated appeal officer will provide him/her with an opportunity to meet to review the merits of his/her appeal. However, no additional information or evidence beyond that already in the evaluation record shall be considered by the appeal officer.

• Hearing

A hearing will be held within five (5) school days of the receipt of an appeal by the Superintendent. In the event that a conflict of interest arises the Superintendent and the principal will resolve the issue by mutual consent. All materials must be submitted prior to or at the hearing to be considered in the deliberations related to the resolution of the appeal.

• Written Response to the Appeal

Within thirty (30) calendar days of the conclusion of the hearing, the Superintendent or his/her designee must submit a detailed written response. The response must include any and all additional documents or written materials that are specific to the point(s) of disagreement and/or are relevant to the resolution of the appeal. Any material not submitted prior to or at the hearing shall not be considered in the deliberations related to the resolution of the appeal.

• Burden of Proof

In an appeal, the principal has the burden of demonstrating a clear legal right to the relief requested and the burden of establishing the facts upon which the petitioner seeks relief.

• Exclusivity of 3012-d Appeal Procedure

The 3012-d appeal procedure shall constitute the exclusive means for initiating, reviewing, and resolving any and all challenges and appeals related to a principal performance review. The decision by the Superintendent or his/her designee with respect to such appeal shall be final and binding. A principal may not resort to any other contractual grievance procedures for the resolution of challenges and appeals related to a professional performance review and/or improvement plan, except as otherwise authorized by law.

Nothing shall preclude an employee from raising any substantive or procedural issue as affirmative defense in 3020-a and 3020-b.

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;

Annual Professional Performance Review - Education Law §3012-d**Task 11. Additional Requirements (Principals) - Tasks 11.1-11.9**

Page Last Modified: 03/13/2018

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**• Nature of Training Provided to Evaluators**

- (a) The administrator who is primarily responsible for a principal's evaluation is considered the "lead evaluator." Within the Waterville Central School District this individual will be the Superintendent (90% weighting). Independent evaluators (10% weighting) within the Waterville Central School District must also be qualified evaluators (i.e. BOCES lead evaluators).
- (b) Annually, all evaluators shall successfully complete a minimum of three sessions of APPR training (lasting at least a total of nine hours) that meets the requirements prescribed in Section 30-3.10 of the Rules of the Board of Regents and the regulations there under. Such training shall include application and use of the State-approved principal practice rubric(s) selected by the District for use in evaluations, along with other material that will insure rigorous, quality & inter-rater reliable observations.
- (c) Once an evaluator has successfully completed a training course meeting the minimum requirements prescribed in the law and regulations, he/she shall be certified by the District Board of Education as a lead evaluator.
- (d) Evaluators will complete training offered by the company supporting the Rubric approved by the State Education Department and selected by the APPR team.
- (e) Nothing herein shall be construed to prohibit an evaluator who is properly certified by the State as a school administrator from conducting classroom observations/evaluations or school visits as part of an annual professional performance review prior to completion of the training required by said Rules of the Board of Regents, as long as such training is successfully completed prior to completion of the annual professional performance review.

• Lead Evaluators and Independent Evaluators

A. A lead evaluator is the primary person responsible for a principal's evaluation. Typically, the lead evaluator is the person who completes and signs the annual professional performance review. To the extent possible, the Superintendent should be the lead evaluator of a principal.

The District will insure that all lead & independent evaluators are properly trained and certified to complete an individual's performance review. Evaluator training will be conducted annually by properly credentialed personnel. Evaluator training will occur regionally & recertification will occur annually. This training will include the following elements in accordance with Subpart 30-3.10 of the Rules of the Board of Regents:

- the Leadership standards and their related functions, as applicable;
- evidence-based observation techniques that are grounded in research;
- application and use of the student growth percentile model and any other growth model approved by the Department as defined in section 30-3.2 of the Rules of the Board of Regents;
- application and use of the State-approved principal rubric(s) selected by the district for use in evaluations, including training on the effective application of such rubric(s) to observe a principal's practice;
- application and use of any assessment tools that the district utilizes to evaluate its building principals;
- application and use of any locally selected measures of student growth used in the optional subcomponent of the Student Performance Category used by the district to evaluate its principals;
- use of the statewide instructional reporting system;
- the scoring methodology utilized by the department and/or the district to evaluate a principal under section 30-3.2 of the Rules of the Board of the Regents, including the weightings of each subcomponent within a category; how overall scores/ratings are generated for each subcomponent and category and application and use of the evaluation matrix(es) prescribed by the commissioner for the four designated rating categories used for the principal's overall rating and their category ratings; and
- specific considerations in evaluating principals of English language learners and students with disabilities.

B. The District's process for certifying and re-certifying lead evaluators and for maintaining inter-rater reliability:

The Board of Education, upon presentation of evidence that all lead & independent evaluators have satisfactorily completed appropriate evaluator training (as detailed above) shall certify the evaluators as qualified to conduct Annual Professional Performance Review evaluations. Once each year thereafter, the Board of Education shall review and re-certify lead & independent evaluators for the district.

Working with other component districts in the O-H-M BOCES region, or other alliances, the District will develop a process for evaluating inter-rater reliability, as required by law using tools such as data analysis to detect disparities on the part of one or more evaluators; periodic comparisons of a lead evaluator's assessment with another evaluator's assessment of the same building principal; and/or annual calibration sessions across evaluators.
