Angelique Johnson Dingle, Superintendent
Western Suffolk BOCES
507 Deer Park Rd.
PO Box 8007
Huntington Station, NY 11746

Dear Superintendent Johnson Dingle:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

Shannon L. Tahoe
Interim Commissioner

Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance.

The Department will review the contents of each local educational agency's (LEA) Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in an LEA's plan.

The Department reserves the right to request further information from an LEA to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Each LEA is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of an LEA's plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the LEA are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the LEA, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject or disapprove this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.

Each teacher shall have a Student Learning Objective (SLO) locally determined, consistent with the goal-setting process determined by the Commissioner.

Student Learning Objectives (SLOs)

For guidance on SLOs, see NYSED SLO Guidance.

SLOs shall be used for the required student performance measure for all teachers. The following must be used as the evidence of student learning within the SLO.

MEASURES

SLO measures may be either individually attributed or collectively attributed.

Individually attributed measures

An individually attributed SLO is based on the student population of a course for which the teacher directly contributes to student learning outcomes.

> Teacher and course-specific

- **Teacher and course-specific results:** scores and ratings will be based on the growth of students in the teacher's course in the current school year.

Collectively attributed measures

A collectively attributed SLO is based on a student population across multiple sections of the same course or across multiple courses where more than one teacher either directly or indirectly contributes to student learning outcomes. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where teachers have an opportunity to collectively impact student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> School- or program-wide

- **School- or program-wide results:** scores and ratings will be based on the growth of all students in a school or program who take the applicable assessments in the current school year.
- **School- or program-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses in the current school year.
- **School- or program-wide linked results:** scores and ratings will be based on the growth of students enrolled in the teacher's course in the current school year taking assessments in other grades/subjects.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses across buildings/programs in an LEA in the current school year.

ASSESSMENTS

Any of the measures above may be used with one or more of the following assessment types.

Annual Professional Performance Review - Education Law & §3012-d, amended in 2019**Task 2. TEACHERS: Required Student Performance - Information and Assurances**

SLO Assurances**Please check the boxes below.**

- ☒ Assure that the teacher has an SLO as determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- ☒ Assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ Assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- ☒ Assure that if a teacher's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.
- ☒ Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.

Annual Professional Performance Review - Education Law & §3012-d, amended in 2019**Task 3. TEACHERS: Optional Student Performance - Use of the Optional Subcomponent**

Page Last Modified: 02/24/2020

Optional Student Performance Subcomponent

For guidance on the Optional subcomponent of the Student Performance measure, see NYSED APPR Guidance.

Percentage of Student Performance category to be locally determined if selected.

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the LEA and be a locally selected measure of student growth or achievement based on State-created or -administered assessments or State-designed supplemental assessments.

Options for measures and associated assessments include:

- Option (A) A second SLO, provided that this SLO is different than that used in the required subcomponent;
- Option (B) A growth score based on a statistical growth model, where available, for either State-created or -administered assessments or State-designed supplemental assessments;
- Option (C) A measure of student growth, other than an SLO, based on State-created or -administered assessments or State-designed supplemental assessments;
- Option (D) A performance index based on State-created or -administered assessments or State-designed supplemental assessments;
- Option (E) An achievement benchmark on State-created or -administered assessments or State-designed supplemental assessments; or
- Any other collectively bargained measure of student growth or achievement included in the LEA's evaluation plan.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used in the Student Performance category for any teacher.

Annual Professional Performance Review - Education Law & §3012-d, amended in 2019**Task 4. TEACHERS: Observations - Rubric and Scoring**

Page Last Modified: 02/24/2020

Teacher Observation Category

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching	(No Response)

Rubric Assurances

Please check all of the boxes below.

- ☒ Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- ☒ Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the LEA, provided that LEAs may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year as indicated in the table above.
- ☒ Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., Domains 1 and 2 will be weighted 30% each and Domains 3 and 4 will be weighted 20% each).

All observable components will be weighted equally and averaged.

Scoring Assurances

Please check each of the boxes below.

- ☒ Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Teacher Observation Scoring Bands

The overall Observation score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

Observation Assurances

Please check all of the boxes below.

- ☒ Assure that the following elements will not be used in calculating a teacher's Observation category score and rating: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; and/or use of professional goal-setting as evidence of teacher effectiveness. Page Last Modified: 04/30/2020

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious manner.

The parties have collectively negotiated this full and complete APPR plan in accordance with New York State Education Law 3012-d for teachers covered by such regulation as set forth in the Regulations of the Board of Regents Rules.

APPEALS OF INEFFECTIVE AND DEVELOPING RATINGS ONLY

Appeals of annual professional performance reviews are limited to those overall ratings that rate a teacher as “Ineffective” or “Developing” only.

WHAT MAY BE CHALLENGED IN AN APPEAL

Appeal procedures limit the scope of appeals under Education Law § 3012-d to the following subjects:

1. The substance of the annual professional performance review; which shall include the instance of a teacher/principal rated Ineffective on the Student Performance Category but rated Highly Effective on the Observation/School Visit Category based on an anomaly, as determined locally;
2. Western Suffolk BOCES adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d;
3. The adherence to the Commissioner’s regulations, as applicable to such reviews;
4. Compliance with any applicable locally negotiated procedures applicable to annual professional performance reviews or improvement plans; and
5. BOCES issuance and/or implementation of the terms of the teacher’s “Teacher Performance Improvement Plan” (TIP) or from the date of the discovery of a TIP implementation issue under Education Law §3012-d.

Multiple Appeals and Untimely Appeals Prohibited

A teacher may not file multiple appeals regarding the same Annual Performance Review or Teacher Improvement Plan. All grounds for appealing a particular Annual Performance Review or TIP must be raised within the same appeal, or shall be deemed waived. All steps in the resolution of the appeals process shall be timely and expeditious within the meaning of Education Law §3012-d. If a teacher does not adhere to the deadlines indicated in the Article, the right of appeal shall be deemed waived. If the BOCES’ does not adhere to the deadlines indicated in this Article, the appeal shall be deemed moved to the next level of appeal.

Burden of Proof

In an Appeal, the teacher has the burden of demonstrating a clear legal right to the relief requested and the burden of establishing the facts upon which the petitioner seeks relief. The teacher has the burden of proving by substantial evidence the merits of his/her appeal.

Timeframe for District Response and Content of Appeal:

Overall, within thirty-five (35) calendar days of receipt of an appeal, Western Suffolk BOCES must submit a detailed written response to the appeal.

STEP #1: Request to Appeal

A teacher wishing to initiate an appeal must submit in writing (hard copy or electronic email message) to his/her Supervisor, requesting a Supervisor Meeting. All appeals must be submitted in writing no later than fifteen (15) calendar days of the date when the teacher formally receives and signs for his or her annual professional performance review or issuance of the TIP, or discovery of a TIP implementation issue. The failure to file an appeal within these timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned. The teacher must submit a detailed written description of the specific areas of disagreement over his/her performance review, or the issuance and/or implementation of the terms of his/her improvement plan and any additional documents or materials relevant to the appeal. The performance review being challenged must also be submitted with the appeal. Any information not submitted at the time the appeal is filed shall not be considered.

STEP #2: Supervisor Meeting

A Supervisor who receives a written request (hard copy or electronic email message) for a Supervisor Meeting will schedule a Supervisor Meeting with the requesting teacher within five (5) calendar days of the written request for a Supervisor Meeting. If the basis of the teacher’s appeal arises from an observation conducted by an evaluator other than the Supervisor, the Supervisor will invite the observing evaluator and a union representative. The scope of the Supervisor Meeting shall be limited to the basis of the appeal. Within five (5) calendar days of the Supervisor Meeting, the person who issued the performance review or is responsible for either the issuance and/or implementation of the terms of the Teacher’s Improvement Plan must submit a detailed written response to the appeal. The response must include any and all additional documents or written materials specific to the point(s) of disagreement that support the BOCES response and are relevant to the resolution of the appeal. Any such

Annual Professional Performance Review - Education Law §3012-d, amended in 2019**Task 6. TEACHERS: Additional Requirements - Appeals**

Page Last Modified: 04/30/2020

information that is not submitted at the time the response is filed shall not be considered in the deliberations related to the resolution of the appeal. The teacher initiating the appeal shall receive a copy of the response filed by the BOCES, and any and all additional information submitted with the response, at the same time BOCES files its response.

STEP #3: If No Resolution - Request for a Review Panel Hearing

If a Teacher does not agree with the outcome of the supervisor meeting he/she may request in writing a meeting of the Review Panel no later than five (5) calendar days of receiving the written decision. To request a Review Panel Hearing, the teacher must submit in writing (hard copy or electronic email) to the Supervisor who conducted the teacher's Supervisor Meeting, a request for a Review Panel Hearing. The supervisor will upon receipt advise the Deputy Superintendent/Chief Operating Officer of the teacher's request for a Review Panel Hearing.

STEP #4: Convening of a Review Panel Hearing

The Deputy Superintendent/Chief Operating Officer shall convene a meeting of the Hearing Panel no later than ten (10) calendar days from the day the decision was rendered by the supervisor. The Review Panel will be appointed and will convene to review the written appeal within the teacher's contractual workday. The four (4) member Review Panel will be comprised of: 1) two tenured teachers appointed by the President of the Association or his/her designee, 2) the respective divisional Executive Director, and 3) the Executive Director of Personnel. The scope of the Review Panel Hearing shall be limited to the basis of the appeal. The teacher must provide a copy of his/her written request for a Review Panel Hearing to the President or Vice President of the Western Suffolk BOCES Faculty Association. The Review Hearing Panel shall issue individual written summary recommendations to the Deputy Superintendent/Chief Operating Officer within five (5) calendar days from the conclusion of the hearing. These recommendations are not a vote.

STEP # 5: Final Written Decision

The Deputy Superintendent/Chief Operating Officer will have five (5) calendar days to render a final written decision based on the individual written recommendations of the review panel and no later than thirty-five (35) calendar days from the date upon which the teacher filed his/her appeal. The written decision will include any and all additional documents or written materials specific to the point(s) of disagreement that support the Deputy Superintendent/Chief Operating Officer's response and are relevant to the resolution of the appeal. The Deputy Superintendent/Chief Operating Officer shall render such decision except that the same individual who is responsible for making the final rating decision may not decide an appeal. In such a case, the WSBoces Board of Education shall appoint another person to decide the appeal. The Deputy Superintendent/Chief Operating Officer or his/her designee (Executive Director of Personnel) shall provide the teacher, either President or Vice President of the Western Suffolk BOCES Faculty Association and Lead Evaluator with a copy of the Deputy Superintendent/Chief Operating Officer's final written decision.

EXCLUSIVITY OF §3012-D APPEAL PROCEDURE

The §3012-d appeal procedure shall constitute the exclusive means for initiating, reviewing and resolving any and all challenges and appeals related to a teacher's performance review. A teacher may not resort to any other contractual grievance procedures for the resolution of challenges and appeals related to an Annual Professional Performance Review except as otherwise authorized by law. The results of the appeal process are final and are not subject to the grievance procedure of the collective bargaining agreement, except to enforce violations of the procedural aspects of the APPR process as set forth herein.

The Final Written Decision shall be considered final, complete and binding upon issuance. The Final Written Decision cannot be challenged through any other contractual grievance procedures for the resolution of challenges, appeals related to a professional performance review and/or improvement plan, except as otherwise authorized by law.

If the appeal is sustained, the Lead Evaluator may set aside a rating if it has been affected by substantial error or defect. The appeals process shall not impede the district's ability to deny the continuation of employment and/or the granting/denying of tenure for probationary teachers in accordance with NYS regulations and in compliance with Education Law §3012-d.

Annual Professional Performance Review - Education Law & 3012-d, amended in 2019**Task 6. TEACHERS: Additional Requirements - Training**

Training Assurance**Please check the box below.**

- ☒ The LEA assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the approximate duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

The Deputy Superintendent/Chief Operating Officer will ensure that all Lead Evaluators/Evaluators/Impartial Independent Observers that participate in the evaluation of teachers for the purpose of determining an APPR rating shall be properly trained and certified/recertified in Danielson Framework for Teaching as required by Education Law 3012-d (Nine (9) required elements as addressed in Regents Rules Section 30-3.10) prior to conducting a teacher evaluation.

All Lead Evaluators, Evaluators and Impartial Independent Observers will attend a full training offered annually by an area BOCES, New York State Council of School Superintendents Council, or a consultant that has expertise in the NYS's APPR law and regulation who will train in the rubric and the nine (9) required elements. Initial training for Certification is approximately twelve (12) hours in duration.

All Lead Evaluators/Evaluators/Impartial Independent Observers will participate in Recertification training conducted annually for all Evaluators/Impartial Independent Observers and be approximately six (6) hours in duration.

In addition to Initial Training and Certification/Recertification, a collaborative review and analysis of observation-based evidence process and other professional evidence for calibration within the Danielson's Rubric will take place during Administrative meetings for Lead Evaluators/Evaluators/Impartial Independent Observers for a total of two (2) hours per year in order to maintain and ensure inter-rater reliability over time.

All evaluators and the Deputy Superintendent/his designee will meet annually to share observations and discuss inter-rater reliability including the use of data analysis to detect disparities among evaluators.

The Superintendent will Certify or Recertify all Evaluators/Impartial Independent Observers annually based on successful participation in training activities, demonstrated inter-rater reliability and efficiency in completing the observation process.

Note: WS BOCES Trained Lead Evaluators/Evaluators may serve as Impartial Independent Observers in buildings to which they are not assigned.

Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.

Required Student Performance Measures

Student performance for principals may be measured by either a student learning objectives (SLO) or an Input Model where the principal's overall rating shall be determined based on evidence of principal practice that promotes student growth related to the Leadership Standards.

STUDENT LEARNING OBJECTIVES

For guidance on SLOs, see NYSED SLO Guidance.

SLO measures may be either individually attributed or collectively attributed.

Individually attributed measures

An individually attributed SLO is based on the learning outcomes of a student population within the principal's building or program.

> Principal and building/program-specific

- **Principal and building/program-specific results:** scores and ratings will be based on the growth of students in the principal's building/program in the current school year.

Collectively attributed measures

A collectively attributed SLO is based on a student population across multiple buildings/programs of similar grade configuration or across multiple building/programs where the learning activities of one building/program indirectly contribute to student learning outcomes in another building/program. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where there is an opportunity for a collective impact on student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of principals will be based on the growth of students in the group/team of principals' buildings/programs in an LEA in the current school year.

ASSESSMENTS

Any of the measures above may be used with one or more of the following assessment types.

- **State assessment(s);** or
Assessment(s) that are selected from the list of State-approved:
- **third party assessments;** or
- **locally-developed assessments** (district-, BOCES- or regionally-developed).

INPUT MODEL

Selection of the Input Model will require:

Annual Professional Performance Review - Education Law & §3012-d, amended in 2019**Task 7. PRINCIPALS: Required Student Performance - Information and Assurances**

Page Last Modified: 02/24/2020

- a description of the areas of principal practice that will be evaluated;
- a description of how the selected areas of principal practice promote student growth;
- a description of the evidence of student growth and principal practice that will be collected; and
- a description of how the district will use the evidence to differentiate effectiveness resulting in a score from 0 to 20 and ratings of Highly Effective, Effective, Developing, or Ineffective.

Assurances**Please check all of the boxes below.**

- ☒ Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.
- ☒ For principals evaluated using an SLO, assure that such SLO is determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- ☒ For principals evaluated using an SLO, assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ For principals evaluated using an SLO, assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- ☒ For principals evaluated using an SLO, assure that if the principal's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- ☒ For principals evaluated using an input model, assure that all applicable principals will be evaluated using the procedures described herein and approved by the Commissioner.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs and input models.
- ☒ Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

Principal School Visit Category

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Principals' professional performance shall be evaluated based on a State-approved rubric using multiple sources of evidence collected and incorporated into the school visit protocol. Where appropriate, such evidence may be aligned to building or district goals; provided, however, that professional goal-setting may not be used as evidence of teacher or principal effectiveness. Such evidence shall reflect school leadership practice aligned to the Leadership Standards and selected practice rubric.

Principal Practice Rubric

Select a principal practice rubric from the menu of State-approved rubrics to assess performance based on ISLLC 2008 Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of principals each rubric applies to.
Multidimensional Principal Performance Rubric	Not Applicable

Rubric Assurances

Please check all of the boxes below.

- ☒ Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- ☒ Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the LEA, provided that LEAs may locally determine whether to use different rubrics for a principal assigned to different programs or grade configurations as indicated in the table above.
- ☒ Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., Domains 2 and 3 will be weighted 30% each and Domains 1, 4, 5 and 6 will be weighted 10% each).

All observable components will be weighted equally and averaged.

Annual Professional Performance Review - Education Law §3012-d, amended in 2019**Task 11. PRINCIPALS: Additional Requirements - Appeals**

Page Last Modified: 04/30/2020

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious manner.

Appeals of annual professional performance reviews should be limited to those that rate a Principal as “Ineffective” or “Developing” only.

Basis of Appeal: Appeal procedures should limit the scope of appeals under Education Law §3012-d to the following subjects: 1) the substance of the annual professional performance review; which shall include the instance of a Principal rated Ineffective on the Student Performance Category but rated Highly Effective on the Observation/School Visit Category based on an anomaly, as determined locally, 2) the school district’s or Board of Cooperative Educational Services’ adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d and Subpart 30-3 of Commissioner’s regulations, 3) the adherence to the Commissioner’s Regulations, as applicable to such reviews and compliance with any applicable locally negotiated procedures, as required under Education Law §3012-d, 4) the school district’s or Board of Cooperative Educational Services’ issuance and/or implementation of the terms of the Principal’s Improvement Plan (PIP), or from the discovery of a PIP implementation issue under Education Law §3012-d, and 5) the substance and rating of the annual professional performance review.

Multiple Appeals & Untimely Appeals Prohibited: A Principal may appeal his/her performance review or PIP only once. Multiple appeals of the same performance review or PIP are not permitted. All grounds for appealing a particular performance review or PIP must be raised within the same appeal, or shall be deemed waived. All steps in the resolution of the appeals process shall be timely and expeditious within the meaning of Education Law §3012-d. If a Principal does not adhere to the deadlines indicated in this appeals process, absent exigent circumstances, the right of appeal shall be deemed waived. If the BOCES does not adhere to the deadlines indicated in this appeals process, the appeal shall be deemed moved to the next level of appeal.

Substantial Evidence Required: In an appeal, the Principal has the burden of proving by substantial evidence the merits of his/her appeal.

Timing & Content of Appeal: Overall within thirty-one (31) calendar days of receipt of an appeal, Western Suffolk BOCES must submit a detailed written response to the appeal. An appeal must be submitted in writing no later than fifteen (15) calendar days of the date when the Principal receives his/her APPR score. If a Principal is challenging the issuance of a Principal Improvement Plan or discovers a PIP implementation issue, an appeal must be filed within fifteen (15) calendar days of issuance or discovery. The failure to file an appeal within these timeframes, absent exigent circumstance, shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned. When filing an appeal, the Principal must submit a detailed written description of the specific areas of disagreement over his/her performance review, or the issuance and/or implementation of the terms of his or her improvement plan and any additional documents or materials relevant to the appeal. The performance review and/or improvement plan being challenged must also be submitted with the appeal. Any information not submitted at the time the appeal is filed shall not be considered.

Supervisor Meeting: A supervisor who receives a written request for a meeting will schedule a supervisor meeting with the requesting Principal within five (5) calendar days of the request for said meeting. The scope of the meeting shall be limited to the bases of the appeal. The Principal must bring to the meeting his/her copy of all information and evidence he/she wants considered at any level of appeal. Within five (5) calendar days of the supervisor meeting, the person who issued the performance review or were responsible for either the issuance and/or implementation of the terms of the Principal’s Improvement Plan must submit a detailed written response to the appeal. The response must include any and all additional documents or written materials specific to the points(s) of disagreement that support the BOCES response and are relevant to the resolution of the appeal. Any such information that is not submitted at the time the response is filed shall not be considered in the deliberations related to the resolution of the appeal. The Principal initiating the appeal shall receive a copy of the response filed by the BOCES, and any and all additional information submitted with the response, at the same time BOCES files its response.

Hearing Panel: If a Principal does not agree with the outcome of the supervisor meeting he/she may request a meeting of the hearing panel within 24 hours of receiving the written decision. The Deputy Superintendent/Chief Operating Officer shall convene a meeting of the Hearing Panel no later than ten (10) calendar days from the day the decision was rendered by the supervisor. The hearing panel will be comprised of three (3) members; a Unit II representative, the Executive Director of Personnel, and a mutually agreed upon independent advisor. The panel shall issue individual written summary recommendations to the Deputy Superintendent/Chief Operating Officer within five (5) calendar days from the conclusion of the hearing. These recommendations are not a vote.

Final Written Decision: The Deputy Superintendent/Chief Operating Officer will provide the Principal with a final written decision within five (5) calendar days of the hearing panel, and no later than thirty-one (31) calendar days from the date upon which the Principal filed his/her appeal. The cost of the mutually agreed upon independent advisor will be borne by Western Suffolk BOCES.

~~The Final Written Decision shall be considered final and shall not be grievable, arbitral, nor reviewable in any forum other than defenses and/or~~

- ☒ The LEA assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a principal's evaluation. Note: independent evaluators and peer principals need only be trained on elements 1, 2, and 4 below.

Training of Lead Evaluators, Evaluators, Independent Evaluators, and Peer Principals and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent evaluators and peer principals, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent evaluators and peer principals;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the approximate duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent evaluators and peer principals, and certifying and re-certifying lead evaluators.

The Western Suffolk BOCES will ensure that all evaluators of Principals (evaluators, lead evaluators and independent observers) are trained and certified/recertified in accordance with regulation. Specifically, the Western Suffolk BOCES Staff Development Team will provide all evaluators (evaluators, lead evaluators and independent observers) with approximately one day (six hours) of annual training. Recertification is required annually. Annual certification and recertification will include inter-rater reliability training. The certification and recertification will be done by the District Superintendent on an annual basis. Training will address all of the elements required by Section 30-3.10(b) of the Rules of the Board of Regents.
