**Revised**

Edwin Quezada, Superintendent  
Yonkers City School District  
One Larkin Center  
Yonkers, NY 10701

Dear Superintendent Quezada:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia  
Commissioner

**NOTE:**

Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

## Task 1. School District Information - Tasks 1.1, 1.2

Page Last Modified: 12/29/2016

**TEACHER-SPECIFIC APPR FORM**

A district/BOCES may use this online form to submit the teacher-specific sections (i.e., Tasks 1-6 and 12) of its APPR plan separately from the principal-specific sections (i.e., Tasks 1 and 7-12), which can be found on the principal-specific form. **Please note, however, that the Department does not consider this form to be an official submission of a complete APPR plan.** Accordingly, the Department will not formally review such submission, and will only formally review and approve a district's/BOCES' APPR plan once the content of all sections of such plan has been collectively bargained and submitted to the Department using either this online form in conjunction with the principal-specific online form or the complete form available in this portal.

**Task 1) Disclaimers**

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

**1.1) Assurances****Please check all of the boxes below**

- Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

**1.2) Submission Status**

**Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?**

Task 2. Original Student Performance - Required (Teachers) - Original Tasks 2.1 (Assurances), 2.2 (4-8 ELA/Math)

Page Last Modified: 12/29/2016

## Task 2) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

*100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.*

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

### 2.1) Assurances

*Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).*

**Please check the boxes below.**

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

### 2.2) Grades 4-8 ELA and Math: Assessments (Original)

#### STATE-PROVIDED MEASURES OF STUDENT GROWTH

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

**2.12) Teachers with More Than One Growth Measure (Original)**

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

**2.13) Assurances**

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

**Please check the boxes below.**

- Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

**2.14) Use of the Optional Subcomponent and Student Performance Category Weighting**

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

**Task 2) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)**

*The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.*

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

For guidance on the use of alternate SLOs during the transition period, see: <https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations>.

**100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.**

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

**During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.**

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

**2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)**

Using the table below, please first select a measure and assessment(s) that will be used for the alternate SLO during the 2016-17 through 2018-19 school years, then indicate the applicable courses.

For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

### 4.1) Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	<b>If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.</b>
NYSUT Teacher Practice Rubric (2014 Edition)	(No Response)

### 4.2) Assurances

Please check all of the boxes below.

- Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year.
- Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

### 4.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable components will be weighted equally and averaged.

Please note: probationary teachers receive 3 formal observations, conducted by the trained Administrator. The third observation can be either announced or unannounced.

### 4.4) Calculating Observation Ratings

#### Assurances

Please check the boxes below.

- Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.
- Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.4(d)(2)(i)(b)(2) of the Rules of the Board of Regents.

Page Last Modified: 12/30/2016

**Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.****PROCEDURES FOR APPEALING AN ANNUAL PROFESSIONAL PERFORMANCE REVIEW**

In addition to the evaluation procedures contained in the collective bargaining agreement and including the Teacher Improvement Plan procedures, the following process shall apply to all probationary and tenured unit members. Any unit member who receives a Professional Annual Evaluation Composite Summary (PAECS) rating of either "Ineffective" or "Developing" may challenge their rating through this appeal process which will occur in a timely and expeditious manner.

1. This is an appeals procedure locally negotiated and established in the Yonkers Public Schools District by which the evaluated teacher may challenge
  - a. the substance of the annual professional performance review
  - b. the school district's adherence to the standards and methodologies required for such reviews.
  - c. the adherence to the regulations of the commissioner
  - d. compliance with any applicable locally negotiated procedures
  - e. the school district's issuance and/or implementation of the terms of the teacher improvement plan.
2. During the school day at a mutually agreed upon time an End of School Year Meeting to review the Annual Professional Performance Review rating will be held between the building administrator responsible for the evaluation and the unit member, no later than (2) two weeks prior to the last day of school. In the event the District has not received NYSED data or has not yet compiled District data, the teacher's evaluation may include an incomplete composite rating. At that meeting, the unit member will be provided with a copy of the Professional Annual Evaluation Composite Summary (PAECS) which shall be signed by the administrator and unit member acknowledging receipt of the document.
3. Once data from New York State Education Department and the District is compiled, the teacher will receive a completed Professional Annual Evaluation Composite Summary (PAECS) rating. A meeting during the school day and at a mutually agreed upon time will be held between the teacher and the building administrator responsible for the evaluation. In addition, the unit member will receive a copy and all data provided by NYS (growth data) as well as YPS data used for his/her students' scores.
 

Composite Rating Meeting – At this meeting the unit member will be provided with a completed copy of the Professional Annual Evaluation Composite Summary (PAECS) signed by the administrator and the unit member.

Review Meeting – After the completed Composite Rating Meeting in which the unit member receives his/her Professional Annual Evaluation Composite Summary (PAECS) rating of "Ineffective" or "Developing" and if he/she feels it is not justified, the unit member, with a designee of the YFT President shall meet with the administrator who wrote the performance review to hold a Review Meeting to examine the Professional Annual Evaluation Composite Summary (PAECS) within ten (10) school days of receipt of his/her composite rating. Within (5) days of the Review Meeting, if a resolution is reached (a revised mutually agreed upon rating), a new Professional Annual Evaluation Composite Summary (PAECS) will be issued to the YFT unit member and will replace the initial Professional Annual Evaluation Composite Summary (PAECS), then the Appeal process ends.
4. If no resolution can be reached between the parties, the unit member, with the YFT President or his/her designee, may request a formal appeal of the rating within fifteen (15) school days after the Review Meeting which will be held in a timely and expeditious manner. The notification for such appeal according to NYS law shall be in writing which must include a description of the specific areas of disagreement over his/her evaluation and it may contain supporting documentation. This request will be sent to the building Principal of record, District's Chief Academic Officer, a copy to the Superintendent and the YFT President.
5. Within fifteen (15) school days of his/her receipt of the unit member's appeal, the administrator of record may respond in writing to the specific issues raised on appeal. The Superintendent or his/her designee will forward the administrator's and/or district's response to the YFT President five (5) school days prior to the meeting.
6. Pre-Conference Meeting – Within thirty (30) school days from the District's receipt of a formal appeal request, a representative of the YFT and a representative of the Superintendent will meet to review the Appeal and supporting documentation in an attempt to resolve the issue. If an agreement is reached regarding the appeal, the Appeal Process ends. If an agreement is not reached regarding the appeal, a hearing will be scheduled within fifteen (15) school days of this meeting in a timely and expeditious manner.
7. Appeal Hearing – The appeal will take the form of hearing (Appeal Hearing) to be heard by an Appeal Committee consisting of three (3) YFT members appointed by the YFT President and three (3) persons appointed by the Superintendent of Schools. Upon the Committee's receipt of the Appeal Documents, from the YFT unit member and the administrator of record, the committee shall have five (5) school days to schedule an Appeal Hearing at a mutually agreed upon date and time between the YPS and YFT. The Appeal Committee will hear from the individual unit member and the administrator of record (if the administrator of record chooses to participate) as well as review all the written documentation that has been submitted to the committee on notice to the other party.
8. The YFT member may have a representative from YFT accompany him/her. An individual who is appointed to the Appeal Committee cannot represent either the YFT unit member or the YCA administrator of record during the Appeal Hearing. The written decision of the Appeal Committee must be delivered to the Superintendent of Schools, the YFT President, and the administrator of record and unit member within fifteen (15) school

days of the convened Appeal Hearing. Only documentation submitted at the time of this appeal hearing will be considered. In the event the Appeal Committee cannot reach a decision at the conclusion of the fifteen (15) school days of the convened Appeal Committee will refer the appeal and all documents submitted to the Appeal Committee to an appointed impartial third party individual, mutually agreed upon by the Yonkers Federation of Teachers and the Yonkers Public Schools. The third party individual must have received training in the new evaluation YPS APPR process. The third party individual has the right to submit questions in writing to either party on notice to the other party. All responses will be in writing and shared with all parties. A written decision shall be rendered by the third party within fifteen (15) school days of receipt of the appeal request. The YPS and YFT will mutually agree upon a list of four (4) third party individuals who will be assigned by rotation through the hearings. In the event that a third party individual is no longer available, a replacement for the third party individual shall be negotiated between the YPS and YFT. The appeal hearing will be completed in a timely and expeditious manner.

9. The 3012-d appeal procedure shall constitute the exclusive means for initiating, reviewing and resolving any and all challenges and appeals related to a teacher Professional Annual Evaluation. A teacher may not resort to any other contractual grievance procedures for the resolution of challenges and appeals related to a professional annual evaluation, except as otherwise authorized by law. Nothing in this agreement, however, is meant or shall be construed to limit the rights of either party in disciplinary charges brought under Education law section 3020-a or 3020-b nothing in this agreement is meant or shall be construed to waive any parties' access to a judicial forum to seek redress for alleged violations of statutory or constitutional rights.

However, Subpart 30-3 of the Rules of the Board of Regents provides that, "[n]othing [...] shall be construed to alter or diminish the authority of the governing body of a district to grant or deny tenure to or terminate probationary [educators] during the pendency of an appeal pursuant to this section for statutorily and constitutionally permissible reasons, including the [educator's] performance that is the subject of the appeal.

10. If a teacher is rated "Developing" or "Ineffective", the parties agree to implement a Teacher Improvement Plan, Within the Teacher Improvement Plan the activities determined shall be specific activities that are relevant to the area(s) of need in the TIP as they relate to the specific needs identified in the evaluation and are to be carried out during the school day.

**6.5) Assurance: Evaluators****Please check the box below.**

- The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

**6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators**

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

**Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**

All evaluators, including lead evaluators will be trained and certified by the Board of Education under the nine requirements prescribed in §30-3.10 of the Rules of the Board of Regents. Impartial independent observers will receive training on the three requirements prescribed in §30-3.10(c).

Training for all evaluators and lead evaluators will be conducted within the district by administrative personnel with prior training on the State's APPR or another entity that has expertise on the State's APPR law and regulations.

Training will consist of a minimum of one school day throughout the school year. Inter-rater reliability will be maintained over time through various activities, including data analysis to detect disparities on the part of one or more evaluators, periodic comparisons of a lead evaluator's assessment with another evaluator's assessment of the same educator, and annual calibration sessions across evaluators. Certified school administrators or superintendents of schools serving as lead evaluators will not be prohibited from conducting classroom observations or school visits as part of an APPR prior to completion of the training required by §30-3.10 provided such training is successfully completed prior to completion of the summative evaluation.

Lead evaluators will be re-certified by the Board of Education annually. Additionally, all impartial independent observers will also be re-trained annually to maintain calibration levels consistent with district expectations.

- Assure that teachers will receive timely and constructive feedback as part of the evaluation process.
- Assure that the following prohibited elements listed in Education Law §3012-d(6) are not being used as part of any teacher's evaluation: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of teacher effectiveness; any district or regionally-developed assessment that has not been approved by the Department; and any growth or achievement target that does not meet the minimum standards as set forth in regulations of the Commissioner. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall compute and provide teachers whose Student Performance Category measures are based, in whole or in part, on the grades 3-8 ELA/math State assessments and/or State-provided growth scores with their APPR transition scores and ratings as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall provide such teachers with their original composite rating by September 1 of the school year next following the school year for which the teacher's performance is being measured, or as soon as practicable thereafter.

**6.8) Assurances: Assessments****Please check all of the boxes below.**

- Assure that, where applicable, if students in Common Core courses are taking both the 2005 Learning Standards and Common Core versions of the Regents Assessment, then the district/BOCES will use the higher of the two scores to determine whether a student has met his/her growth target.
- Assure that the amount of time devoted to traditional standardized assessments that are not specifically required by state or federal law for each classroom or program within a grade level does not exceed, in the aggregate, one percent of the minimum required annual instructional hours for the grade.
- Assure that individuals with vested interest in the outcome of their assessments are not involved, to the extent practicable, in the administration and scoring of those assessments.
- Assure that, where applicable, if your district/BOCES has indicated that more than one version of a Regents assessment for a content area will be used as the underlying evidence for an SLO, that the district/BOCES will only administer both assessments within the timeframes prescribed by the Commissioner. Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

**6.9) Assurances: Data****Please check all of the boxes below.**

- Assure that SED will receive accurate teacher and student data, including enrollment and attendance data, and any other student, teacher, school, course, and teacher/student linkage data necessary to comply with regulations, in a format and timeline prescribed by the Commissioner.

- Assure scores and ratings for all teachers will be reported to NYSED for each category, as well as the overall rating, as per NYSED requirements.
- Assure that enrolled students in accordance with teacher of record policies are included and may not be excluded.
- Assure that procedures for ensuring data accuracy and integrity are being utilized.

**PRINCIPAL-SPECIFIC APPR FORM**

A district/BOCES may use this online form to submit the principal-specific sections (i.e., Tasks 1 and 7-12) of its APPR plan separately from the teacher-specific sections (i.e., Tasks 1-6 and 12), which can be found on the teacher-specific form. **Please note, however, that the Department does not consider this form to be an official submission of a complete APPR plan.** Accordingly, the Department will not formally review such submission, and will only formally review and approve a district's/BOCES' APPR plan once the content of all sections of such plan has been collectively bargained and submitted to the Department using either this online form in conjunction with the teacher-specific online form or the complete form available in this portal.

**Task 1) Disclaimers**

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

**1.1) Assurances****Please check all of the boxes below**

- Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

- Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

**Task 7) Original Required Student Performance Subcomponent**

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

**100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent**

**(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.**

**(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.**

**7.1) State-Provided Measures of Student Growth (Original)**

For principals with at least 30% of their students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model. Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments with a State-provided growth measure, (e.g., K-5, PK-6, 6-8, 6-12, 9-12, etc.). For principals where less than 30% of their students are covered under a State-provided growth measure, such principals shall have an SLO consistent with a goal setting process determined or developed by the Commissioner that results in a student growth score; provided that for any grade-level/course that ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO. (See Guidance for more detail on principals with State-provided measures and SLOs.)

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal.

**Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, PK-6, 6- 8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for the back-up SLO beginning in the 2019-20 school year.**

**For each grade configuration indicate the following:**

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: assessment(s) used**

**7.2) Student Learning Objectives (Original)**

For guidance on SLOs, see NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

SLOs must be used for principals in buildings or programs in which fewer than 30% of students take Grades 4-8 ELA, math, and/or high school courses with State or Regents assessments. SLOs will be developed using the grades/courses covering the most students in the school or program and continuing until at least 30% of students in the school or program are covered by SLOs. The district/BOCES must select the type of assessment that will be used with the SLO from the options below.

- If any grade/course in the building has a State-provided growth measure AND the principal must have SLOs because fewer than 30% of students in the building are covered, then the SLOs must begin first with the SGResults.
- Additional SLOs must then be set based on grades/subjects with State assessments for which there is no State-provided growth measure, where applicable.
- If additional SLOs are necessary, principals must begin with the grade(s)/course(s) that have the largest number of students using school-wide student results from one of the following assessment options:
- State-approved 3rdparty assessment; or
- State-approveddistrict, regionally, or BOCES-developedcourse-specificassessment.

For each grade configuration indicate the following:

- **Column 1:** lowest grade that corresponds to the building or program
- **Column 2:** highest grade that corresponds to the building or program
- **Column 3:** measure used
- **Column 4:** assessment(s) used

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) measure	(4) assessment(s)
Grades K-2 Building	K	2	District- or BOCES-wide results	Common Core English, Common Core Algebra, Living Environment, Global 2, US History
Grades 11-12 Building	11	12	Principal-specificresults	Common Core English, US History

Using the table below, please select the measure and assessment(s) that will be used for the SLOs for each grade configuration listed. During the 2016-17 through 2018-19 school years, SLOs that use grade 3-8 ELA/math State assessments as their underlying assessments must be excluded from the calculation of transition scores and ratings.

**7.4) Principals with More Than One Growth Measure (Original)**

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

**7.5) Assurances**

**Please check all of the boxes below.**

- Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

**7.6) Student Performance Subcomponent Weighting**

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

**During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.**

**7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)**

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

For each grade configuration indicate the following:

- **Column 1: lowest grade** that corresponds to the building or program

### 9.2) Assurances

Please check all of the boxes below.

- Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for a principal assigned to different grade level configurations or building types.
- Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

### 9.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All Domains of the MPPR Practice Rubric are assessed at least once a year across the rated school visits. All observable components of the chosen rubric will be weighted for the supervisor/lead evaluator at either 55 or 35 percent. Domains 1, 2 and "Other: Goal Setting and Attainment are weighted at 55 percent. Domain 3 is weighted at 35 percent. Independent evaluators will focus on domain 4 of the rubric which is weighted at 10 percent. Domains 5 and 6 are assessed at all pre- and post-visit conferences at the weights described above.

### 9.4) Calculating School Visit Ratings

#### Assurances

- Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second school visit(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the school visit(s) required to be performed by the Superintendent/supervisor or his/her designee. See Section 30-3.5(d)(1)(ii)(a) of the Rules of the Board of Regents.
- Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 9 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.5(d)(1)(ii)(b) of the Rules of the Board of Regents.

## Task 11. Additional Requirements (Principals) - Tasks 11.1-11.9

Page Last Modified: 12/29/2016

**Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.**

**PROCEDURES FOR APPEALING AN ANNUAL PROFESSIONAL PERFORMANCE REVIEW FOR ADMINISTRATORS**

In addition to the evaluation procedures contained in the collective bargaining agreement and including the Principal Improvement Plan procedures, the following process shall apply to all probationary and tenured building principals.

Any building principal who receives an Annual Professional Performance Review (APPR) rating of either "Ineffective" or "Developing" may challenge their rating through this appeal process.

1. This is an appeals procedure locally negotiated and established in the Yonkers Public School District by which the evaluated principal may challenge:

- the substance of the annual professional performance review
- the school district's adherence to the standards and methodologies required for such reviews
- the adherence to the regulations of the commissioner
- compliance with any applicable locally negotiated procedures
- the school district's issuance and/or implementation of the terms of the principal improvement plan.

2. During the school day at a mutually agreed upon time, a summative conference to review the Annual Professional Performance Review rating will be held between the Central Office Administrator responsible for School Supervision and the building principal, prior to the last day of school.

3. In the event the District has not received NYSED data or has compiled District data, the principal's evaluation may include an incomplete composite rating. At that meeting, the building principal will be provided with a copy of the School Visit Category Rating, which shall be signed by the Central Office Administrator responsible for School Supervision and building principal, acknowledging receipt of the document.

4. Once data from New York State Education Department and the District are compiled, the principal will receive a completed APPR rating. A meeting during the school day at a mutually agreed upon time will be held between the principal and the building Central Office Administrator responsible for School Supervision for the evaluation. In addition, the building principal will receive a copy of all data provided by NYS (growth data) and all other data used for his/her Student Performance Category rating.

**Composite Rating Meeting** – At this meeting, the building principal receives a completed copy of the APPR, signed by the Central Office Administrator responsible for School Supervision and the building principal.

**Review Meeting** – After the completed Composite Rating Meeting in which the building principal receives his/her APPR Overall Rating of "Ineffective" or "Developing" and if she/he feels it is not justified, the building principal, with a designee of the YCA President, must request a Review Meeting with the Central Office Administrator responsible for School Supervision who wrote the performance review. This meeting must be requested by the principal within ten (10) school days of receipt of his/her composite rating. The meeting must take place within 30 days of the request. Within 5 days of the Review Meeting, if a mutually agreed upon resolution is reached, a new APPR will be issued to the YCA building principal. This new rating will replace the initial APPR. Then, the appeal process ends.

5. If no resolution can be reached between the parties, the building principal with the YCA President or his/her designee, may request a formal appeal to the rating within fifteen (15) school days after the Review Meeting. This notification of appeal shall be in writing and must include a description of the specific areas of disagreement within the APPR evaluation. This request Superintendent or his/her Designee and the YCA President.

6. Within fifteen (15) school days of his or her receipt of the building principal's appeal, the Central Office Administrator responsible for School Supervision may respond in writing to the specific issues raised on appeal. A response to the YCA President will be delivered no later five (5) school days prior to the meeting.

**7. Pre-Conference Meeting** – Within fifteen (15) school days from the District's receipt of a formal appeal request, a representative of the YCA and a representative of the Superintendent will meet to review the Appeal and supporting documentation in an attempt to resolve the issue. If an agreement is reached regarding the appeal, the appeal process ends. If an agreement is not reached regarding the appeal, a hearing will be scheduled within ten (10) school days of this meeting.

**8. Appeal Hearing** – The appeal will take the form of a hearing (Appeal Hearing) to be heard by an Appeal Committee consisting of two (2) YCA members appointed by the YCA President and two (2) persons appointed by the Superintendent of Schools. All members of the Appeal Hearing Committee will be trained in the YPS APPR process. Upon the committee's receipt of the Appeal Documents, from the YCA building principal and the Central Office Administrator responsible for School Supervision, the committee shall have five (5) school days to schedule an Appeal Hearing at a mutually agreed upon date and time between the YPS and YCA. The Appeal Committee will hear from the individual building principal and the Central Office Administrator responsible for School Supervision as well as review all the written documentation submitted to the committee. The YCA member may have a representative from the YCA accompany him/her. An individual who is appointed to the Appeal Committee cannot represent the YCA building principal. The written decision of the Appeal Committee must be delivered to the Superintendent of Schools, the YCA President, the Central Office Administrator responsible for School Supervision and building principal within fifteen (15) school days of the convened Appeal Hearing. Only documentation submitted at the time of this appeal hearing will be considered. The appeal hearing will be completed in a timely and expeditious manner.

## Task 11. Additional Requirements (Principals) - Tasks 11.1-11.9

Page Last Modified: 12/29/2016

9. In the event the Appeal Committee cannot reach a decision at the conclusion of the fifteen (15) school days of the convened Appeal Hearing, the Appeal Committee will refer the appeal and all documents submitted to the Appeal Committee to an appointed impartial third party individual, mutually agreed upon by the Yonkers Council of Administrators and the Yonkers Public Schools. The third party individual must have received training in the YPS APPR evaluation process. The third party individual has the right to submit questions in writing to either party on notice to the other party. All responses will be in writing and shared with all parties. A written decision shall be rendered by the third party individual within fifteen (15) school days of the receipt of the appeal request.

10. The §3012-d appeal procedure shall constitute the exclusive means for initiating, reviewing and resolving any and all challenges and appeals related to a principal APPR evaluation. A principal may not resort to any other contractual grievance procedures for the resolution of challenges and appeals related to a professional annual evaluation, except as otherwise authorized by law. Nothing in this agreement, however, is meant or shall be construed to limit the rights of either party in disciplinary charges brought under Education Law Section 3020-a or 3020-b and nothing in this agreement is meant or shall be construed to waive any parties' access to a judicial forum to seek redress for alleged violations of statutory or constitutional rights.

11. If a principal is rated "Developing" or "Ineffective", the parties agree to implement a Principal Improvement Plan (PIP). Within the Principal Improvement Plan (PIP), the activities determined shall be specific activities that are relevant to the area(s) of need in the PIP as they relate to the specific needs identified in the evaluation and are to be carried out during the school day.

**11.5) Assurance: Evaluators****Please check the box below.**

- The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a principal's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

**11.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators**

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

**Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**

All evaluators, including lead evaluators will be trained and certified by the Board of Education under the nine requirements prescribed in §30-3.10 of the Rules of the Board of Regents.

Impartial independent observers will receive training on the three requirements prescribed in §30-3.10(c).

Training for all evaluators and lead evaluators will be conducted within the district by administrative personnel with prior training on the State's APPR or another entity that has expertise on the State's APPR law and regulations.

Training will consist of a minimum of one school day throughout the school year. Inter-rater reliability will be maintained over time through various activities, including data analysis to detect disparities on the part of one or more evaluators, periodic comparisons of a lead evaluator's assessment with another evaluator's assessment of the same educator, and annual calibration sessions across evaluators. Certified school administrators or superintendents of schools serving as lead evaluators will not be prohibited from conducting classroom observations or school visits as part of an APPR prior to completion of the training required by §30-3.10 provided such training is successfully completed prior to completion of the summative evaluation.

Lead evaluators will be re-certified by the Board of Education annually. Additionally, all impartial independent observers will also be re-trained annually to maintain calibration levels consistent with district expectations.
