Office of ESSA-Funded Programs

2022-2023 Targeted Monitoring Indicators and Evidence Guide

The New York State Education Department uses the process of Targeted Monitoring to review local educational agencies (LEAs) for compliance with programmatic and fiscal requirements under the Elementary and Secondary Education Act (ESEA), as amended by the Every Student Succeeds Act (ESSA). This work follows up on the Consolidated Application for ESSA-Funded Programs that LEAs submit each year in order to fund programs under Title I, Part A, Title I, Part D, Title II, Part A, Title III, Part A, Title IV, Part A, and Title V, Part B. In addition, this review monitors the use of American Rescue Plan (ARP) Homeless Children and Youth Part I (HCY I) and/or American Rescue Plan Homeless Children and Youth Part II (HCY II) funds, for those districts who accepted such funds. Through the monitoring process, the Department seeks to verify that the LEA is following the programmatic and fiscal plans submitted in the Consolidated Application, ARP HCY I, and ARP HCY II, and maintaining compliance with the ESEA assurances embedded within the applications.

The LEA should present evidence demonstrating compliance with each section of this review guide. This guide identifies evidence that should be submitted in order to meet each indicator. Please note the evidence list is not exhaustive; the district may have additional documentation or alternate documentation that may satisfy a particular indicator.

The LEA should upload all documents to the secure business portal by the requested due date. This will allow for ample review prior to the schedule review meetings. For some indicators, compliance will be assessed through review of the Consolidated Application for ESSA Funded Programs in addition to staff interviews and document uploads. Please note: if the LEA does not have documentation for a particular indicator, the LEA may provide an explanation in the comment box and/or check the box requesting technical assistance.
