ARP-HCY State Reserve Application - Background Information

Summary & Background

On March 11, 2021, President Biden signed into law the American Rescue Plan (ARP) Act of 2021. The ARP Act included an unprecedented \$800 million reservation within the Elementary and Secondary School Emergency Relief (ESSER) Fund to support the specific and urgent needs of homeless children and youth in recognition of the extraordinary impact of the coronavirus disease (COVID-19) pandemic on students experiencing homelessness. The Department is administering these funds through the American Rescue Plan - Homeless Children and Youth (ARP-HCY) Fund.

The ARP-HCY fund was created for the purposes of identifying homeless children and youth, providing wraparound services in light of the impact of the COVID-19 pandemic, and providing assistance needed to enable homeless children and youth to attend school and participate fully in school activities, including in-person instruction this spring and summer learning and enrichment programs.

The USDE awarded ARP-HCY funds to the State educational agencies (SEAs) upon approval of submitted ARP-HCY state plans. To review NYSED's approved ARP-HCY plan, please visit https://oese.ed.gov/files/2021/09/New-York-ARP-HCY-State-Plan.pdf.

The New York State Education Department is providing the ARP-HCY funding to eligible LEAs in the following ways:

- ARP-HCY I Approximately \$11 million was disbursed to eligible LEAs through the ARP-HCY Part I Application issued in November 2021. Eligible LEAs were previous McKinney-Vento subgrant recipients for the 2019-2022 grant cycle.
- ARP-HCY II Approximately \$36 million was disbursed to LEAs via a formula that used the LEA's allocation under Title I, Part A (Title I) of the Elementary and Secondary Education Act of 1965 (ESEA) and the number of identified homeless children and youth in either 2018-19 or 2019-20, whichever was greater. LEAs with allocations less than \$500 were required to enter into a consortium to access the funds. Funds under ARP-HCY II were distributed to eligible LEAs through the ARP-HCY Part II application issued in April 2022.
- ARP-HCY State Reserve, Part II LEAs are facing unprecedented increases in homeless students which include migrant, immigrant, refugee, and asylee students. Increased numbers are a result of an influx of refugees from Afghanistan, Ukraine, and other war torn and economically depressed countries. NYSED has reserved approximately \$7.5 million in ARP-HCY funds to be distributed to LEAs based on the LEA submitted count of students that were homeless and immigrant, migrant, asylee or refugee. Counts were gathered in April 2023 through the ARP-HCY State Reserve, Part I application. A per pupil amount was generated, and LEAs with an allocation will receive this funding after approval of an ARP-HCY State Reserve Part II application.
