Student Application for a Regents Diploma **Dowling College**

Education Law §208 authorizes the Board of Regents to confer academic awards. Consistent with that authority, the State Education Department established the following policy for eligible students of Dowling College.

*Former Dowling College students may apply for a Regents diploma if they meet **all** of the following criteria:*

*were enrolled in Dowling College at the time of its closure; **and**
had 15 credits or less remaining to complete their registered Dowling program; **and**
are able to complete those credits at other colleges* within 3 years from the closure of Dowling College (i.e., by August 31, 2019); **and**
apply to the New York State Education Department no later than December 31, 2019.*

If the Department finds that an eligible student has completed all of the requirements of the registered Dowling program, it will recommend the student for a Regents diploma. The Board of Regents will make awards on a periodic basis, considering other demands on the Board and the volume of applications.

Students with more than 15 credits remaining to complete their Dowling program should seek opportunities to transfer their credits to another college and complete a program at that institution.

If you are a former Dowling College student who meets the stated application criteria, please complete Sections A, B, and C to apply for a Regents diploma. You may append information as needed. **Please note this application must be signed in Section C.** There is no application fee.
