

Our Students. Their Moment.

2012-13 STATEWIDE 3012-C EVALUATION RESULTS

Components of the APPR Evaluation System

- Evaluations include educator practice and student learning measures
- Measures result in single composite educator effectiveness score

* In 2014-15, the State will use a value-added measure. At that point, State-provided growth measures will count for 25% for applicable educators and local measures will count for 15%.

State-Provided Growth Results *Statewide*

TEACHERS, Statewide

State-Provided Growth Results

The 20% State Growth or Other Comparable Measures subcomponent for grades 4-8 ELA/math teachers was based on the State-provided growth score.

State-Provided Growth Rating	2012-13
Highly Effective	4%
Effective	75%
Developing	13%
Ineffective	8%

*Note: There are 24,426 records. This data does include NYC teachers.

PRINCIPALS, Statewide

State-Provided Growth Results

The 20% State Growth or Other Comparable Measures subcomponent for principals of grades 4-8 and 9-12 was based on the State-provided growth score.

State-Provided Growth Rating	2012-13
Highly Effective	3%
Effective	80%
Developing	10%
Ineffective	7%

* State-provided growth scores in 2011-12 were only provided to principals of schools including any of the grades from 4-8; in subsequent years, principals of schools including any of the grades from 4-8 and 9-12 received State-provided growth scores. † In 2011-12 and 2012-13 State-provided growth scores were given at the building level,. There are 2,629 records. This data does include NYC principals.

Overall APPR Ratings *Statewide*

Statewide Subcomponent and Overall Composite HEDI Results: Teachers

Subcomponent HEDI Summary (Teachers)

123,089 (teachers with three complete subcomponents and an overall composite reported to NYSED)

HEDI Rating	State Growth or Other Comparable Measures	Local	Other Measures	Overall Composite	
Highly Effective	43%	54%	57%	51%	} 94%
Effective	44%	40%	41%	43%	
Developing	9%	5%	2%	5%	
Ineffective	4%	1%	0%	1%	

*Note: This summary reflects the data that were reported to the Department by Districts and BOCES as of the 10/18/2013 deadline. The data does not include NYC educators; NYC is in the first year of its evaluation plan in 2013-14 and there are no composite ratings for 2012-13. Due to rounding rules, percentage totals may not equal 100%.

**Note: There are 123,089 records that included three subcomponent scores and an overall composite score and rating.

Statewide Subcomponent and Overall Composite HEDI Results: Principals

Subcomponent HEDI Summary (Principals)

2,867 (principals with three complete subcomponents and an overall composite)

HEDI Rating	State Growth or Comparable Measures	Local	Other Measures	Overall Composite	
Highly Effective	10%	47%	48%	28%	} 92%
Effective	75%	47%	46%	64%	
Developing	9%	5%	4%	6%	
Ineffective	6%	1%	1%	2%	

*Note: This summary reflects the data that were reported to the Department by Districts and BOCES as of the 10/18/2013 deadline. The data does not include NYC educators; NYC is in the first year of its evaluation plan in 2013-14 and there are no composite ratings for 2012-13. Due to rounding rules, percentage totals may not equal 100%.

**Note: There are 2,867 records that included three subcomponent scores and an overall composite score and rating.
