TITLE TALK TUESDAY – SUPPLEMENT - NOT SUPPLANT

Supplement Not Supplant (SNS) Requirements for ESEA Programs: Title II, Part A; Title IV, Part A; and V, Part B

- Funds that SEAs and LEAs receive under the Title II, Part A; Title IV, Part A; and Title V, Part B programs must supplement and cannot supplant State and local funds that, in the absence of the program, they would use to support authorized activities.

TITLE TALK TUESDAY –SUPPLEMENT – NOT SUPPLANT

The goal of SNS for Title II, Part A; Title IV, Part A; and Title V is to be sure that federal funds are spent in addition to and do not replace services that eligible students would otherwise receive. The **test is an expense-by-expense measure for these Titles.**

- **Supplanting is presumed** if any of the following is true, according to federal fiscal guidance (2 CFR Part 200, Appendix XI):
 - A district uses federal funds to provide services that are required under other federal, state, or local laws.
 - A district uses federal funds to provide services that the district provided with non-federal funds in the prior year.
 - A district uses federal funds to provide services that the district would otherwise provide without federal funds.

TITLE TALK TUESDAY – SUPPLEMENT - NOT SUPPLANT

- **SPECIAL CASE: Title I, Part D**
- **SNS for Title I, Part D (services for students who are neglected, delinquent, or at-risk) is measured simply:** If a Title I, D program supplements the number of hours of instruction students receive from State and local sources, it complies with supplement- not-supplant requirements without regard to the subject areas in which instruction is given during those hours.
